Eni: sells the downstream activities in Brazil to Petrobras

Eni and Petrobras reached the agreement to sell to the Brazilian national company the entire stake of Agip do Brasil.

Eni and Petrobras reached the agreement to sell to the Brazilian national company the entire stake of Agip do Brasil. The company, owned by Eni, is the owner of an activity regarding the commercialization of LPG in tanks, as well as a network of about 1,500 petrol stations.

The value of the transaction is of approximately 500 million dollars.

The disposal of the activities in Brazil is part of the ongoing strategy aimed to focus Eni's presence in the downstream in Europe, where the Italian company is strengthening its own presence working on its logistic network and the success of the Agip brand.

PRESS RELEASE

Eni: the Board of Directors approves the merger of Italgas Più in Eni

The Eni Board of Directors has approved the partial division of Italgas, with assignment to Eni of the shareholding held by Italgas in the Italian companies that commercialize gas (including the 100% shareholding in Italgas Più) and foreign companies (including 40% in Tigaz), as well as the merger of Italgas Più in Eni. Italgas, with the headquarter in Turin, will continue to manage the entire distribution network

As a result of the Italgas Più merger, Eni will have direct access to the 4.9 million clients supplied by the company in Italy, optimising its commercial structure.

The entire operation is in line with the aims of the Public Purchase Offer launched in 2003 for the shares of Italgas and simplifies the Group's shareholding structure.

During the same meeting the Eni Board of Directors approved the merger of EniData of which Eni already owns the entire shareholding.

Report on the demerger of Società Italiana per il Gas p.A. (Italgas) and subsequent transfer of part of its assets to Eni S.p.A. (Eni)

The following report has been drawn up pursuant to Consob Regulation No. 11971 dated May 14, 1999, Annex 3A-Schedule 1.

1.a) Description of the demerger, of its reasons and of the objectives of the companies involved in the demerger and their related programs

Eni, in the Prospectus of the voluntary purchase public offer of Italgas shares, indicated the following reasons of the operation:

reorganisation of Italgas and Eni Gas & Power Division natural gas commercial structures in order to pursue a more efficient marketing, in connection with their full liberalisation as of January 1, 2003;

the direct access to the over 5.5 million Italgas and its subsidiaries clients in Italy, in order to better take advantage of the Group marketing skills and of its relationships with the natural gas producer countries and of its natural gas production capacity;

the strengthening of the expansion in Europe through the complete integration of the core activities in the entire value chain of the natural gas.

In order to achieve said targets, the following project of reorganisation of Eni natural gas operations:

partial and proportional demerger of Società Italiana per il Gas p.A.- Italgas, a sole shareholder company and an Eni's subsidiary, with registered office in Via XX Settembre, No. 41, Turin, Italy, company share capital euro 348,523,506.00, fully paid up, enrolled in the Turin Companies Register, Tax Identification Number 00489490011, and subsequent transfer in favour of Eni S.p.A. of the assets mentioned in paragraph 1.b) (Demerger);

merger of Italgas Più S.p.A. with Eni S.p.A., to be executed once the Demerger becomes effective. Italgas Più S.p.A. is a sole shareholder company and an Eni's subsidiary.

Once the Demerger is executed, Italgas will focus its activities in the operation regarding the management of the natural gas distribution network in Italy.

1.b) Description of the assets to be transferred from Italgas to Eni

The Demerger will be executed on the basis of the Annual Reports at December 31, 2003 of Eni and Italgas. The assets and liabilities to be transferred to Eni through the Demerger and their related book value at December 31, 2003 are the following (values expressed in euro):

⁽¹⁾ Shareholders equity on December 31, 2003 after the payment of the dividend for the Financial Year 2003. Once the Demerger is effective, Italgas share capital will decrease from 348,523,506 euro to 239,844,822 and 108,678,684 ordinary shares, nominal value 1 euro each, will be cancelled and the other elements of Italgas shareholders equity will be reduced of the amount of the assets to be assigned to Eni.

Eni will reduce the book value of its participation of Italgas of the amount corresponding to the average book value of each Italgas share owned for the shares to be cancelled. The difference between this amount and the book value of the assets and liabilities to be transferred is the Demerger imbalance that will be apportioned to the participations to be transferred through the Demerger in consideration of their effective value. This increase of values is not considered for tax purposes.

1.c) Criteria followed for the allocation of shares issued by Eni in order to give execution to the Demerger

As the Italgas share capital is wholly owned by Eni, Eni shares will not be issued nor assigned.

1.d) Comments of the Board of Directors on the existence of the withdrawal right for dissenting shareholders

Table of Contents

1.e) If the withdrawal right occurs, indication of persons allowed to and of the terms and conditions of its exercise and for the payment of the price of reimbursement and of the criteria used to determine it

The company objects of Eni already contain those of the companies to be transferred through the Demerger; therefore they shall not be amended and Article 2437 of the Civil Code regarding the exercise of the withdrawal right shall not apply.

1.f) Estimates of the effects of the Demerger on the relevant shareholdings and on the control of the beneficiary company and of the company to be demerged

The Demerger will affect neither the relevant shareholdings of Eni and Italgas shareholdings nor Eni or Italgas control.

1.g) Effects of the Demerger on the pacts among the shareholders of the beneficiary company and of the company to be demerged mentioned in Article 122 of Legislative Decree 58/98

Eni doesn't know the existence of pacts among its shareholders. Eni is the sole shareholder of Italgas.

1.h) Description of the rights of the shares to be assigned to the shareholders of the demerged company

As explained in paragraph 1.c), as Eni is the beneficiary company of the Demerger and Italgas sole shareholder, shares will not be assigned.

1.i) Date as of Italgas operations will be charged, also for tax purposes, to Eni Financial Statements

The Demerger will be effective as of the date of the last deposit of the Deed of Demerger, pursuant to Article 2506-quarter, first Paragraph, of the Civil Code. As of that date the assets and liabilities to be transferred to Eni through the Demerger will appear in Eni Financial Statements.

1.l) Tax consequences of the Demerger on the companies involved

The Demerger will not determine capital gains nor capital losses for Italgas; therefore no tax liabilities will arise from its execution for Eni or Italgas.
