Title: Attorney-in-fact

**TV AZTECA BOARD APPROVES US\$210 MILLION**

**CASH DISTRIBUTIONS TO SHAREHOLDERS**

US\$130 Million in 4Q04 and US\$80 Million in 2005

**FOR IMMEDIATE RELEASE**

**Mexico City, September 29, 2004** TV Azteca, S.A. de C.V. (NYSE: TZA; BMV: TVAZTCA), one of the two largest producers of Spanish language television programming in the world, announced today that its board of directors unanimously approved US\$210 million cash distributions to shareholders, of which US\$130 million are expected to be distributed during the fourth quarter of 2004 and US\$80 million in 2005. The recently convened distributions are in addition to the approximately US\$22 million of cash disbursements scheduled for November 11, 2004, which were approved by the company's shareholders on April 15.

The cash distributions are part of TV Azteca's six-year plan for uses of cash, which entails making disbursements to shareholders above US\$500 million and reducing the company's debt by approximately US\$250 million within a six-year period that started in 2003.

Within the cash plan, TV Azteca has made aggregate distributions to shareholders of US\$173 million, consisting of a US\$125 million disbursement on June 30, 2003, US\$15 million on December 5, 2003, and US\$33 million on May 13, 2004. The accumulated distributions are equivalent to a 10% yield, based on the closing price of the TV Azteca ADR on September 28, 2004.

The distributions made to date, when added to the upcoming US\$22 million and US\$210 million disbursements, will represent an aggregate amount of US\$405 million cash disbursements, equivalent to a 22% yield on the September 28, 2004 ADR closing price.

The company noted that the newly approved distributions reflect the solid track record and prospects for cash generation of TV Azteca, and confirm the board's commitment to the company's strategic cash plan. The distributions will be subject to approval at the shareholders' meeting to be held in October.

Under the cash plan, TV Azteca has also reduced its total debt by US\$79 million, on a nominal U.S. dollar basis, since June 2003. Additionally the company has announced the prepayment of its US\$300 million 10<sup>1/2</sup>% note due February 15, 2007, during the fourth quarter of 2004, with resources coming from the execution of a committed secured credit line denominated in pesos with Banco Inbursa, S.A., which represents extended maturity and an anticipated improvement in financial costs.

The company noted the advances on its cash plan further strengthen its overall capital structure, reduce financial expense and contribute to increased free cash generation, while distributing to shareholders the benefits of its solid profitability.

### **Company Profile**

TV Azteca is one of the two largest producers of Spanish language television programming in the world, operating two national television networks in Mexico, Azteca 13 and Azteca 7, through more than 300 owned and operated stations across the country. TV Azteca affiliates include Azteca America Network, a broadcast television network focused on the rapidly growing US Hispanic market; and Todito.com, an Internet portal for North American Spanish speakers.

*Except for historical information, the matters discussed in this press release are forward-looking statements and are subject to certain risks and uncertainties that could cause actual results to differ materially from those projected. Risks that may affect TV Azteca are identified in its Form 20-F and other filings with the US Securities and Exchange Commission.*
