Item 8.01 Other Events

Bottomline Technologies (de), Inc. (the Registrant) is filing this Current Report on Form 8-K to provide segment information for the fiscal year ended June 30, 2004. Segment disclosures for fiscal years prior to 2004 have not been provided, as the Registrant did not have internal systems in those periods that tracked financial data on a segment basis, and therefore it is impracticable to provide such disclosure for those fiscal years. In the Registrant's Quarterly Report on Form 10-Q for the quarterly period ended September 30, 2004, the Registrant began reporting segment information based on a change in the financial information used by the Registrant's chief operating decision makers for purposes of allocating resources and assessing the performance of the business.

The information included in this Current Report on Form 8-K affects only the Registrant's disclosures related to segment results, and does not in any way restate or revise the financial position, results of operations or cash flows of the Registrant for the year ended June 30, 2004 reported by the Registrant in its Annual Report on Form 10-K for the year ended June 30, 2004, as amended.
