Material Relationships with Selling Stockholders.

Registration Agreement. Under the registration agreement entered into in connection with our acquisition from Verizon, the holders of a majority of the GTCR investors' registrable securities have the right at any time, subject to certain conditions, to require us, to register any or all of our securities under the Securities Act on Form S-1, which we refer to as a long-form registration at our expense or on Form S-2 or Form S-3, which we refer to as a short-form registration at our expense. We are not required, however, to effect any such long-form registration within 90 days after the effective date of a previous long-form registration. In addition, all holders of registrable securities are entitled to request the inclusion of such securities in any registration statement at our expense whenever we propose to register any offering of our equity securities, other than pursuant to a registration on Form S-4 or Form S-8.

Stock Purchase Agreement. We were parties to a stock purchase agreement with Syniverse Holdings, LLC. In connection with our initial public offering and the dissolution of Syniverse Holdings, LLC, we amended the stock purchase agreement to provide that the rights of Syniverse Holdings, LLC under the stock purchase agreement will survive to the benefit of funds affiliated with GTCR.

Pursuant to the amended stock purchase agreement, the GTCR-affiliated funds are permitted to designate a representative to our compensation and Nominating and Corporate Governance Committees so long as the funds affiliated with GTCR own at least 37.5% of the common stock that they owned immediately following our initial public offering and there is no prohibition against a GTCR designee serving on such committees under applicable law or under the rules of the New York Stock Exchange. The amended stock purchase agreement also requires us to obtain the consent of the GTCR-affiliated funds before issuing stock-based compensation to certain of our executive officers. The funds' rights under this provision will terminate when they cease to own at least 50% of the common stock they owned immediately following our initial public offering.

The amended stock purchase agreement also obligates us to deliver to the GTCR-affiliated funds financial statements, reports by accountants and an annual budget according to a specified schedule. The GTCR-affiliated funds may also inspect our properties, financial and corporate records as well as question our directors, officers, key employees and independent accountants regarding our finances and affairs. In each case the GTCR-affiliated funds may suspend or terminate such obligations at their election from time to time by written notice.

Equity Sponsor's Investment in TNS, Inc. Until February 2005, certain investment funds affiliated with GTCR were collectively the controlling equityholder of TNS, Inc. ("TNS"). GTCR no longer has an equity position in TNS. We have done business with TNS in the past, and expect to continue to do business with TNS in the future. Collin Roche, who serves as one of our directors, also served on the board of directors of TNS from April 2001 to May 2005. For the years ended December 31, 2005 and 2006, we recognized revenues from TNS of approximately \$1.0 million and \$1.1 million, respectively. For the years ended December 31, 2005 and 2006, we recognized expenses from TNS of approximately \$0.3 million and \$0.4 million, respectively.
