**ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT**

On June 16, 2008, Motive, Inc., a Delaware corporation (the **Company**), entered into an Agreement and Plan of Merger (the **Merger Agreement**) with Lucent Technologies Inc., a Delaware corporation (**Parent**), and Magic Acquisition Subsidiary Inc. (**Purchaser**), a Delaware corporation and a direct wholly-owned subsidiary of Parent.

Under the terms of the Merger Agreement, Purchaser will commence a tender offer (the **Offer**) to purchase all of the Company's outstanding shares of common stock, par value \$0.001 per share (the **Shares**), for \$2.23 per Share, to the seller in cash (the **Offer Price**), without interest and less any applicable withholding taxes. The closing of the Offer and Purchaser's obligation to accept for payment and to pay for all Shares tendered and not validly withdrawn is subject to a number of conditions, including:

the valid tender of a number of Shares equaling (x) not less than 17,639,096 Shares (the **Minimum Condition**), which represents approximately 58.3% of the issued and outstanding Shares (including for such purpose the 2.5 million Shares expected to be issued in connection with the previously announced settlement of the Company's securities class action lawsuit (the **Settlement Shares**)), or (y) if the Purchaser lowers the Minimum Condition (as is permitted on a single occasion under the Merger Agreement), not less than 15,493,417 Shares, which represents approximately 51.2% of the issued and outstanding Shares (including for such purpose the Settlement Shares), plus the total number of Shares issued between the date of the Merger Agreement and the acceptance for payment by Purchaser of Shares tendered in the Offer in response to certain elections to exercise options or warrants to purchase Shares (the **Lowered Minimum Condition**);

the expiration or termination of any waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 and any applicable foreign competition laws;

the absence of events or circumstances having a material adverse effect (as defined in the Merger Agreement) on the Company;

the previously announced settlements of the Company's class action and derivative lawsuits becoming final and nonappealable;

the Company's delivery to Parent of audited financial statements for the years ended December 31, 2006 and 2007, which audited financial statements for 2007 shall be materially consistent in terms of assets and liabilities with previously delivered unaudited financial statements for that period; and

other customary conditions.

The Offer is not subject to a financing condition.

Pursuant to the terms of the Merger Agreement, the Company also granted Purchaser, subject to certain conditions and limitations, an irrevocable option (the **Top-Up Option**), to be exercised after completion of the Offer, to acquire a number of Shares (the **Top-Up Option Shares**) that, when added to the number of Shares owned by Parent, Purchaser and any of their respective wholly-owned subsidiaries at the time of the exercise of the Top-Up Option, constitutes (x) if the Minimum Condition is applicable, at least 90% of the number of Shares that will be issued and outstanding immediately after giving effect to the issuance of the Top-Up Option Shares on a fully diluted basis (including all Shares issuable under options and warrants to purchase Shares), or (y) if the Lowered Minimum Condition is applicable, at least 90% of the number of Shares that will be issued and outstanding upon acceptance for payment by Purchaser of Shares tendered in the Offer, including the Top-Up Option Shares, in either case at a price per Share equal to the Offer Price.

The Merger Agreement provides that following completion of the Offer and, if necessary, the exercise of the Top-Up Option, the parties will complete a second-step merger (the **Merger**) through the short form procedures available under Delaware law without a meeting of the Company's stockholders, in which Purchaser will be merged with and into the Company, with the Company as the surviving corporation. All issued and outstanding Shares immediately prior to the effective time of the Merger (the **Effective Time**) (other than Shares held by the Company, Parent, or Purchaser, and any of their respective direct or indirect wholly-owned subsidiaries, or by holders who are entitled to and properly demand an appraisal of their Shares) will be cancelled and converted into the right to receive the Offer Price, without interest.

## Edgar Filing: MOTIVE INC - Form 8-K

The Merger Agreement also provides that, promptly after Purchaser accepts for payment and pays for all Shares tendered and not validly withdrawn pursuant to the Offer, and from time to time thereafter as Shares are acquired, Parent will be entitled to designate such number of directors, rounded up to the next whole number, to serve on the Board of Directors of the Company (the Board ) as will give Parent representation on the Board that is in the same proportion as the percentage of Shares then beneficially owned by Parent or any affiliate of Parent with respect to the number of Shares then outstanding.

The Company has agreed to certain covenants in the Merger Agreement, including, among others, (i) covenants regarding operation of the Company's business and its subsidiaries prior to the Effective Time, (ii) covenants not to solicit proposals relating to alternative business combination transactions or, subject to certain exceptions, not to enter into discussions concerning or provide information in connection with alternative business combination transactions and (iii) covenants regarding the recommendation of the Board regarding acceptance of the Offer.

The Merger Agreement contains certain termination rights for each of Parent, Purchaser and the Company and provides that, upon the termination of the Merger Agreement under specified circumstances, the Company will be required to pay Parent a termination fee of \$3,000,000. In addition, in certain circumstances where the Merger Agreement is terminated, Parent may be entitled to reimbursement of its expenses, up to a maximum of \$1,250,000; provided, however, that any amount received by Parent as expense reimbursement shall reduce the amount that it may recover in respect of the termination fee.

The Merger Agreement is not intended to provide factual information about the Company. The Merger Agreement contains representations and warranties that the parties made to and solely for the benefit of each other. The assertions embodied in certain of the Company's representations and warranties are qualified by information in a confidential disclosure letter provided to Parent in connection with signing the Merger Agreement. Accordingly, investors and stockholders should not rely on the representations and warranties as characterizations of the actual state of facts, since they were made only as of the date of the Merger Agreement and are modified in important part by the disclosure letter. Moreover, information concerning the subject matter of representations and warranties may change after the date of the Merger Agreement, and such subsequent information may or may not be fully reflected in our public disclosures.

The foregoing summary of the Merger Agreement and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Merger Agreement attached as Exhibit 2.1 to this Current Report on Form 8-K, which is incorporated herein by reference.

### **ITEM 3.02 UNREGISTERED SALE OF EQUITY SECURITIES**

The information included in Item 1.01 regarding the Top-Up Option is incorporated into this Item 3.02 by reference. The Top-Up Option was issued without registration under the Securities Act of 1933, as amended (the Securities Act), in reliance upon the exemption from registration set forth in Section 4(2) of the Securities Act and Rule 506 of Regulation D promulgated thereunder.

### **ITEM 5.02 DEPARTURE OF DIRECTORS OR CERTAIN OFFICERS; ELECTION OF DIRECTORS; APPOINTMENT OF CERTAIN OFFICERS; COMPENSATORY ARRANGEMENTS OF CERTAIN OFFICERS**

On May 27, 2008, the Compensation Committee of our Board conditionally authorized and approved amendments (the Amendments) to the employment agreements of Richard Hanna, Jack Greenberg, Michael Fitzpatrick, Anna Clepper and certain other officers (collectively, the Officers). Such approval was expressly conditioned on the Board's subsequent approval of a definitive agreement that contemplated a change of control with respect to the Company. The Board's approval of the Merger Agreement, as described in Item 1.01 above, satisfied this condition. Thus, the Amendments became duly authorized and have been executed and delivered by the parties thereto. The Amendments provide that the Officers will remain employees of the Company through December 31, 2008. A form of the Amendments is attached as Exhibit 10.1 to this Current Report on Form 8-K, and is incorporated herein by reference.

On June 16, 2008, the Company and its Chairman and Chief Executive Officer, Alfred Mockett, entered into an amendment to the Restricted Stock Agreement dated as of February 20, 2006 (the Restricted Stock Amendment) in order to clarify the intentions of the parties with respect to the vesting of the restricted shares granted thereunder. Also on June 16, 2008, Stock Option Termination Agreements (the Termination Agreements), were entered into for purposes of terminating and extinguishing, effective upon consummation of the Offer described in Item 1.01 above, certain out-of-the-money stock options held by the following executive officers: Alfred Mockett, Richard Hanna, Mike Fitzpatrick and Jack Greenberg, and by the following directors: Virginia Gambale, Mike Maples, Tom Meredith and Dave Sikora. Copies of the Restricted Stock Amendment and the Termination Agreements are attached as Exhibits 10.2, 10.3 and 10.4, respectively, to this Current Report on Form 8-K, and are incorporated herein by reference.
