SEPARATE PROXY CARDS ARE ENCLOSED FOR EACH FUND IN WHICH YOU OWN SHARES. EVEN IF YOU EXPECT TO ATTEND THE ANNUAL MEETINGS, YOU ARE REQUESTED TO COMPLETE, SIGN AND DATE THE ENCLOSED PROXY CARD(S) AS SOON AS POSSIBLE. The proxy card(s) should be returned in the enclosed envelope, which needs no postage if mailed in the continental United States. Instructions for the proper execution of the proxy card(s) are set forth on the inside cover of this Joint Proxy Statement.

If the enclosed proxy card(s) is properly executed and returned in time to be voted at the relevant Meeting, the Shares represented thereby will be voted in accordance with the instructions marked thereon. **Unless instructions to the contrary are marked thereon, a properly executed proxy will be voted FOR the election of the nominees for Director named in this Joint Proxy Statement.** Any shareholder of record who has given a proxy has the right to revoke it at any time prior to its exercise either by attending the Meeting(s) and voting his or her Shares in person, by submitting a letter of revocation or by a later-dated proxy delivered to the Secretary of the Apollo Senior Floating Rate Fund Inc. or the Apollo Tactical Income Fund Inc., as applicable, at 9 West 57th Street, 43rd Floor, New York, NY 10019 before the Meeting(s) or at the Meeting(s). Broker-dealers and other nominees holding Shares of a Fund in street name for the benefit of their customers and clients will request the instructions of such customers and clients on how to vote their Shares on each Proposal before the Meeting(s). A signed voting instruction card or other authorization by a beneficial owner of a Fund's Shares that does not specify how the beneficial owner's Shares should be voted will be deemed an instruction to vote such FOR the election of the nominees for Director named in this Joint Proxy Statement. Beneficial owners should consult their broker or other nominees for instructions as to how to revoke any voting instructions.

Under the Bylaws of each Fund, the presence in person or by proxy of the holders of Shares entitled to cast a majority of the votes entitled to be cast (without regard to class) shall be necessary and sufficient to constitute a quorum for the transaction of business (a Quorum) at that Fund's Meeting. In the event that a Quorum is not present at a Meeting, or in the event that a Quorum is present but sufficient votes to approve any of the proposals are not received, the chairman of the Meeting may adjourn the Meeting without notice other than announcement at the Meeting.

Each Fund has outstanding one class of capital stock consisting of common stock, par value \$0.001 per share (the Common Stock). AFT also has outstanding one series of preferred stock, par value \$0.001 per share, which is designated as Series A Preferred Stock (the AFT Preferred Stock and together with the Common Stock, the Shares).

Each share of Common Stock is entitled to one vote at the relevant Meeting with respect to each matter to be voted on by the holders of Common Stock with pro rata voting rights for any fractional shares. Each share of Common Stock entitles the holder to cast one vote for as many individuals as there are Directors to be elected and for whose election the Common Stock is entitled to be voted. The holders of the AFT Preferred Stock, voting as a class, have the sole right to elect the directors designated as the AFT Preferred Stock Directors. No Shares have cumulative voting rights. On the record date, March 18, 2014 (the Record Date), the following number of Shares of each Fund were issued and outstanding:

Name of Fund	Common Stock Outstanding	Preferred Stock Outstanding
AFT	15,573,061	1,534 shares
AIF	14,464,026	N/A

To the knowledge of AFT and AIF, the following shareholder(s), or group as that term is defined in Section 13(d) of the Securities Exchange Act of 1934, as amended (the 1934 Act), are beneficial owners of more than 5% of a class of AFT's and AIF's, respectively, outstanding Shares as of the Record Date based on public filings and/or information provided by such persons.

Name and Address of Beneficial Owner	Class	Amount of Beneficial Ownership	Percent of Class
Wells Fargo Bank, National Association*	AFT Preferred Stock	1,534	100%

* Wells Fargo Bank, National Association has irrevocably appointed AFT (through AFT's duly appointed Secretary) as its sole and exclusive proxy, subject to certain limitations, to attend all meetings of shareholders of AFT and to cast all votes that it is entitled to cast with respect to the AFT Preferred Stock at any meeting of the shareholders of AFT, in each case, in the discretion of the Board of AFT. Through the exercise of this proxy, all votes entitled to be cast by holders of AFT Preferred Stock will be voted FOR the election of the AFT Preferred Stock Director nominee named in this Joint Proxy Statement.

PROPOSAL 1: ELECTION OF DIRECTORS

Each Board currently consists of six Directors, five of whom are not interested persons (as that term is defined in the Investment Company Act of 1940, as amended (the 1940 Act)). The Directors are divided into three classes and are elected for staggered terms of three years each, with a term of office of each class of Directors expiring at the third annual meeting of shareholders after the election of such class of Directors. Each Director will hold office for the term to which he is elected and until his successor is duly elected and qualifies.

The classes of Directors are indicated below:

Nominees to Serve Until 2017 Annual Meeting of Shareholders

Robert L. Borden (AFT Preferred Stock Director)

Class III Director of AFT and

Class I Director of AIF

Carl J. Rickertsen

Directors Serving Until 2015 Annual Meeting of Shareholders

Barry Cohen (AFT Preferred Stock Director)

Class I Director of AFT and

Class II Director of AIF

Elliot Stein, Jr.

Directors Serving Until 2016 Annual Meeting of Shareholders

Glenn N. Marchak

Class II Director of AFT and

Class III Director of AIF

Todd J. Slotkin

With respect to AFT, holders of AFT Preferred Stock voting as a separate class are entitled, to the exclusion of holders of Common Stock, to elect two Directors, and holders of AFT's Common Stock and Preferred Stock, voting together as a single class, are entitled to elect the remaining Directors. Since AIF only has Common Stock outstanding, holders of Common Stock elect all Directors up for election.

With respect to AFT, the holders of outstanding AFT Preferred Stock would be entitled to elect the minimum number of additional Directors that would represent a majority of the Directors in the event that dividends on the AFT Preferred Stock are in arrears for two full years. No dividend arrearages exist for AFT as of the date of this Joint Proxy Statement. Messrs. Borden and Cohen are currently designated as the Directors of AFT to be elected by the holders of the AFT Preferred Stock. A quorum of the holders of AFT Preferred Stock must be present in person or by proxy at AFT's Meeting in order for the proposal to elect Mr. Borden to be considered. As noted above, AFT holds a proxy for the holder of all of the outstanding Shares of AFT Preferred Stock.

The following table sets forth the dollar range of equity securities in each Fund beneficially owned by each Director and executive officer as of the Record Date. As of that date, the Funds' Directors and executive officers, as a group, owned less than 1% of each Fund's outstanding Common Stock. No Directors or executive officers of AFT owned any of the AFT Preferred Stock as of the Record Date. The Apollo fund complex consists of AFT and AIF, each a closed-end investment company registered under the 1940 Act.

Additional information about each Director follows that describes some of the specific experiences, qualifications, attributes or skills that each Director possesses which the Boards believe has prepared him to be an effective Director. The Boards believe that the significance of each Director's experience, qualifications, attributes or skills is an individual matter (meaning that experience that is important for one Director may not have the same value for another) and that these factors are best evaluated at the Board level, with no single Director, or particular factor, being indicative of Board effectiveness. However, the Boards believe that Directors need to have the ability to critically review, evaluate, question and discuss information provided to them, and to interact effectively with Fund management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties. Experience relevant to having this ability may be achieved through a Director's educational background; business, professional training or practice (e.g., accounting, finance or law); public service or academic positions; experience from service as a board member or as an executive of investment funds, public companies or significant private or not-for-profit entities or other organizations; and/or other life experiences. To assist them in evaluating matters under federal and state law, the Independent Directors are counseled by their own independent legal counsel, who participates in Board meetings and interacts with the Adviser, and also may benefit from information provided by the Funds' counsel; both counsel to the Independent Directors and the Funds have significant experience advising funds and fund board members. The Boards and their committees have the ability to engage other experts as appropriate. The Boards evaluate their performance on an annual basis.

Board Composition and Leadership Structure

The 1940 Act requires that at least 40% of the Funds' Directors be Independent Directors. Currently, five of the six Directors of each Fund are Independent Directors. The Independent Directors exercise their informed business judgment to appoint an individual of their choosing to serve as Chairman of the Boards, regardless of whether the Director happens to be independent or a member of management. The Boards have determined that their leadership structure, in which the Chairman of the Boards is an interested person of the Funds, is appropriate because the Independent Directors believe that an interested Chairman has a personal and professional stake in the quality and continuity of services provided by management to the Funds. The Independent Directors have determined that they can act independently and effectively without having an Independent Director serve as Chairman of the Boards and that a key factor for assuring that they are in a position to do so is for the Directors who are independent of management to constitute a substantial majority of the Funds' Board. In addition, the Independent Directors of the Funds have designated a Lead Independent Director who chairs meetings or executive sessions of the Independent Directors, reviews Board meeting agendas, represents the views of the Independent Directors to management and facilitates communication among the Independent Directors and their counsel and between management and the Independent Directors.

Boards' Oversight Role

The Boards' primary role is oversight of the management of the Funds. As is the case with virtually all investment companies, service providers to the Funds, primarily the Adviser and its affiliates, have responsibility for the day-to-day management of the Funds, which includes responsibility for risk management (including management of investment performance and investment risk, valuation risk, issuer and counterparty credit risk, compliance risk and operational risk). As part of its oversight, each Board, acting at its scheduled meetings, or the Chairman or Lead Independent Director, acting between Board meetings, regularly interacts with and receives reports from senior personnel of service providers. The Boards' Audit Committees (which consist of all of the Independent Directors, with the exception of Mr. Borden) meet regularly, and, between meetings, the Audit Committee Chair has access to the Funds' independent registered public accounting firm and to the Funds' Treasurer. The Boards also receive periodic presentations from senior personnel of the Adviser or its affiliates regarding risk management, as well as periodic presentations regarding specific operational, compliance or investment areas, such as business continuity, personal trading, valuation, credit and investment research. The Adviser and other service providers have adopted a variety of policies, procedures and controls designed to address each Fund's particular risks. However, it is not possible to eliminate, or even to mitigate, all of the risks applicable to a Fund. The Boards receive reports from Fund counsel and the Independent Directors' own independent legal counsel regarding regulatory, compliance and governance matters.

The Board's oversight role does not make the Board a guarantor of the Funds' investments or activities or of the activities of any of the Funds' service providers.

Compensation of Directors and Executive Officers

Audit Committee

Each Board has an Audit Committee comprised of all the Independent Directors (with the exception of Mr. Borden), each of whom is also independent under the rules of the New York Stock Exchange (NYSE). The AFT Audit Committee met four times during the fiscal year ended December 31, 2013, and the AIF Audit Committee met three times during the fiscal year ended December 31, 2013. The functions of the Funds Audit Committees are to (a) assist the Board in its oversight of (i) the integrity of the financial statements of each Fund; (ii) the independent registered public accounting firm (the Independent Auditor) qualifications and independence; (iii) the performance of the internal audit function and Independent Auditor; and (iv) the compliance by each Fund with legal and regulatory requirements and (b) prepare an audit committee report as required by Regulation S-K under the 1934 Act. The Funds Audit Committee Charter, which describes the Audit Committee s purpose and duties, is available at www.agmfunds.com. This reference to the website does not incorporate the content of the website into this Joint Proxy Statement.

Audit Committee Report

The Funds Audit Committees oversee the financial reporting process on behalf of the Boards. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal control over financial reporting. In fulfilling its oversight responsibilities, the Funds Audit Committees reviewed and discussed with management the audited financial statements in the Funds Annual Report for the fiscal year ended December 31, 2013.

The Funds Audit Committees reviewed with the Independent Auditor, which is responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, its judgments as to the quality, not just the acceptability, of the Fund s accounting principles and such other matters as are required to be discussed with the committee under the standards of the Public Company Accounting Oversight Board (United States) (PCAOB). In addition, the Funds Audit Committee discussed with the Independent Auditor the Independent Auditor s independence from management and the Fund, including the Independent Auditors letter and the matters in the written disclosures required by the PCAOB provided to the Audit Committee.

The members of the Audit Committee for each Fund are not, and do not represent themselves to be, professionally engaged in the practice of auditing or accounting and are not employed by the Funds for accounting, financial management, or internal control purposes. Accordingly, each Audit Committee s oversight does not provide an independent basis to determine that management has maintained appropriate accounting and/or financial reporting principles and policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, each Audit Committee s considerations and discussions referred to above do not guarantee that the audit of the Funds financial statements has been carried out in accordance with the standards of the PCAOB or that the financial statements are presented in accordance with generally accepted accounting principles (United States).

Based on its consideration of the audited financial statements and the discussions referred to above with management and the Independent Auditor, and subject to the limitations on the responsibilities and the role of the Funds Audit Committees set forth in the Funds Audit Committee Charters and those discussed above, the Audit Committee of each Fund recommended to the relevant Board that the Funds audited financial statements be included in the Funds Annual Report for the fiscal year ended December 31, 2013.

Nominating and Corporate Governance Committee

Each Board has a Nominating and Corporate Governance Committee comprised of all the Independent Directors (with the exception of Mr. Borden). The AFT Nominating and Corporate Governance Committee met twice during the fiscal year ended December 31, 2013, and the AIF Nominating and Corporate Governance Committee met once during the fiscal year ended December 31, 2013. The functions of the Nominating and Corporate Governance Committee include identifying, selecting or recommending qualified nominees to be elected to the Funds Boards at the annual meetings of shareholders (consistent with criteria approved by the Boards); identifying, selecting or recommending qualified nominees to fill any vacancies on the Boards or any committees thereof (consistent with criteria approved by the Boards); developing and recommending to the Boards a set of corporate governance principles applicable to each Fund; overseeing the evaluation of the Boards, any committees thereof and management; and undertaking such other duties and responsibilities as may from time to time be delegated by the Boards to the Funds Nominating and Corporate Governance Committees. The Funds Nominating and Corporate Governance Committee Charter is available at www.agmfunds.com. This reference to the website does not incorporate the content of the website into this Joint Proxy Statement.

The Funds Nominating and Corporate Governance Committees have not established any specific minimum qualifications that must be met for the Committee to consider a nominee. In nominating candidates, including candidates recommended by shareholders as provided below, each Nominating and Corporate Governance Committee will take into consideration such factors as it deems appropriate, including to the extent required, compliance with the independence and other applicable requirements, of the federal securities laws, the listing standards of the NYSE and any other applicable laws, rules or regulations; a candidate's experiences, qualifications, attributes or skills described above under Information About Each Director's and Nominee's Experience, Qualifications, Attributes or Skills; and personal and professional integrity, character, time availability in light of other commitments, dedication, conflicts of interest and such other relevant factors that the Nominating and Corporate Governance Committee considers appropriate. Each Nominating and Corporate Governance Committee may consider whether a potential nominee's professional experience, education, skills, and other individual qualities and attributes, including gender, race or national origin, would provide beneficial diversity of skills, experience or perspective to the Board's membership and collective attributes. Such considerations will vary based on the Boards' existing membership and other factors, such as the strength of a potential nominee's overall qualifications relative to diversity considerations. Each Nominating and Corporate Governance Committee will consider Director candidates recommended by shareholders and submitted in accordance with applicable law and procedures as described in this Joint Proxy Statement (see Submission of Shareholder Proposals below.)

Other Board-Related Matters

Shareholders who wish to send communications to the relevant Fund's Board should send them to the Secretary of the Apollo Senior Floating Rate Fund Inc. or the Apollo Tactical Income Fund Inc., as applicable, at 9 West 57th Street,

43rd Floor, New York, NY 10019. All such communications will be directed to the relevant Board's attention.

The Funds do not have a formal policy regarding Director attendance at the annual meeting of shareholders. Each Director attended AFT's 2013 annual meeting of shareholders. As AIF commenced operations in February 2013, this is the first shareholder meeting held subsequent to AIF's public offering of stock.

Required Vote

The election of Mr. Borden as a Director of AFT requires the affirmative vote of a majority of the holders of the outstanding AFT Preferred Stock entitled to vote, voting as a separate class. The election of Mr. Borden as a Director of AIF requires the affirmative vote of a majority of the outstanding Shares of AIF's Common Stock. The election of Mr. Rickertsen as a Director of the Funds requires the affirmative vote of a majority of the outstanding shares of each Fund's Common Stock and, with respect to AFT, the AFT Preferred Stock entitled to vote, voting together as a single class.

SUBMISSION OF SHAREHOLDER PROPOSALS

All proposals by shareholders of a Fund that are intended to be presented at the Funds' next Annual Meeting of Shareholders to be held in 2015 must be received by the Fund for consideration for inclusion in the Funds' proxy statement relating to the meeting no later than December 4, 2014, and must satisfy the requirements of federal securities laws.

The Bylaws of each Fund currently require shareholders wishing to nominate Directors or propose other business to be brought before the Funds' 2015 Annual Meeting to provide timely notice of the proposal in writing to the Secretary of the Fund and, in the case of such other business, such other business must otherwise be a proper matter for action by the Fund's shareholders. To be considered timely, any such notice must be delivered to the principal executive office of the Apollo Senior Floating Rate Fund Inc. or the Apollo Tactical Income Fund Inc. at 9 West 57th Street, 43rd Floor, New York, NY 10019 not earlier than November 4, 2014, nor later than 5:00 p.m., E.T., on December 4, 2014. Any such notice by a shareholder must set forth all information required by the relevant Fund's Bylaws with respect to each nominee or other matter the shareholder proposes to bring before the annual meeting.

Set forth in the table below are the audit fees and non-audit related fees billed to each Fund by Deloitte for professional services for the fiscal years ended December 31, 2012 and 2013.

Edgar Filing: Apollo Senior Floating Rate Fund Inc. - Form DEF 14A

- ** Tax Fees are those fees related to Deloitte's tax consulting services, including primarily the review of each Fund's income tax returns.
- *** All Other Fees include the aggregate fees billed for products and services provided by Deloitte, other than the reported services.
- **** AIF commenced investment operations in February 2013.

The Funds' Audit Committee Charter requires that the Audit Committee pre-approve all audit and non-audit services to be provided by Deloitte to the Funds, and all non-audit services to be provided by Deloitte to the Funds' Adviser and any entity controlling, controlled by or under common control with the Funds' Adviser (Affiliates) that provides on-going services to a Fund, if the engagement relates directly to the operations and financial reporting of the Fund. Alternatively, the Audit Committee also may delegate pre-approval to one of its members subject to subsequent reporting to the Audit Committee. All of the audit and non-audit services described above for which Deloitte billed a Fund fees for the fiscal years specified above were pre-approved by the Funds' Audit Committees, as required.

The aggregate non-audit fees billed by Deloitte for services rendered to AFT and rendered to the Adviser or its Affiliates that provide ongoing services to AFT for the fiscal years ended December 31, 2012 and 2013 were \$7,420 and \$7,420, respectively.

The aggregate non-audit fees billed by Deloitte for services rendered to AIF and rendered to the Adviser or its Affiliates that provide ongoing services to AIF for the fiscal years ended December 31, 2012 and 2013 were \$0 and \$49,920, respectively. AIF commenced investment operations in February 2013.

The Audit Committees of the Funds have considered whether the provision of non-audit services that were rendered to the Adviser or its Affiliates that provide ongoing services to the Funds that were not pre-approved pursuant to paragraph (c)(7)(ii) of Rule 2-01 of Regulation S-X is compatible with maintaining Deloitte's independence.

Investment Adviser and Administrator

Apollo Credit Management, LLC (the Adviser) serves as the investment adviser to each Fund. The principal executive office of the Adviser is 9 West 57th Street, 43rd Floor, New York, NY 10019. Each Fund and the Adviser have entered into an Administrative Services and Expense Reimbursement Agreement pursuant to which the Adviser provides certain administrative and other services to the Fund at cost.

BNY Mellon, located at 301 Bellevue Parkway, Wilmington, Delaware 19809, serves as administrator to the Funds.

Section 16(a) Beneficial Ownership Reporting Compliance

Directors, officers and greater-than-10% shareholders are required by SEC regulations to furnish the relevant Fund with copies of such forms they file. Based solely upon its review of the copies of such forms received by it and representations from certain of such persons, the Funds believe that during 2013 all such filing requirements applicable to such persons were met.
