PROXY STATEMENT

FOR ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON APRIL 28, 2015

This Proxy Statement is being furnished to stockholders in connection with the solicitation of proxies by and on behalf of the board of directors of Apollo Commercial Real Estate Finance, Inc., a Maryland corporation (ARI, the Company, we, our or us), for use at ARI's 2015 annual meeting of stockholders (the Annual Meeting) to be held at the offices of Clifford Chance US LLP, 31 West 57th Street, New York, New York 10019, on April 28, 2015, at 9:00 a.m., Eastern Daylight Time, or at any postponements or adjournments thereof.

If you are a registered holder of shares of common stock, par value \$0.01 per share (the Common Stock), as of the close of business on the record date, you may vote your shares of Common Stock in person at the Annual Meeting or by proxy. If you hold shares of Common Stock in street name through a broker or other financial institution, you must follow the instructions provided by your broker or other financial institution regarding how to instruct your broker or financial institution to vote your shares of Common Stock.

Shares of Common Stock represented by properly submitted proxies received by us prior to the Annual Meeting will be voted according to the instructions specified on such proxies. Any stockholder of record submitting a proxy retains the power to revoke such proxy at any time prior to its exercise at the Annual Meeting by (i) delivering prior to the Annual Meeting a written notice of revocation to our Secretary at Apollo Commercial Real Estate Finance, Inc., 9 West 57th Street, 43rd Floor, New York, New York 10019, (ii) submitting a later dated proxy or (iii) voting in person at the Annual Meeting. Attending the Annual Meeting will not automatically revoke a stockholder's previously submitted proxy unless such stockholder votes in person at the Annual Meeting. If a proxy is properly authorized without specifying any voting instructions and not revoked prior to the Annual Meeting, the shares of Common Stock represented by such proxy will be voted **FOR** the election of the nominees named in this Proxy Statement as directors, to serve on our board of directors until our 2016 annual meeting of stockholders and until their successors are duly elected and qualify, **FOR** the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the 2015 fiscal year, **FOR** the resolution to approve, on an advisory basis, the compensation of our named executive officers as disclosed in this Proxy Statement, and **ABSTAIN** on the stockholder proposal requesting majority voting in uncontested elections of directors, if properly presented at the Annual Meeting. As to any other business which may properly come before the Annual Meeting or any postponements or adjournments thereof, the persons named as proxy holders on your proxy card will vote the shares of Common Stock represented by properly submitted proxies at their discretion.

This Proxy Statement, the Notice of Annual Meeting of Stockholders and the related proxy card are first being made available or sent to stockholders on or about March 19, 2015.

ANNUAL REPORT

This Proxy Statement is accompanied by our Annual Report to Stockholders for the year ended December 31, 2014, including financial statements audited by Deloitte & Touche LLP, our independent registered public accounting firm, and their report thereon, dated February 26, 2015.

VOTING SECURITIES AND RECORD DATE

Stockholders will be entitled to cast one vote for each share of Common Stock held of record at the close of business on March 9, 2015 (the Record Date) with respect to (i) the election of seven directors to serve on our board of directors until our 2016 annual meeting of stockholders and until their successors are duly elected and qualify, (ii) the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the 2015 fiscal year, (iii) the resolution to approve, on an advisory basis, the compensation of our named executive officers, (iv) a stockholder proposal requesting majority voting in uncontested elections of directors, if properly presented at the Annual Meeting, and (v) any other proposal for stockholder action that may properly come before the Annual Meeting or any postponements or adjournments thereof.

The presence, in person or by proxy, of holders of Common Stock entitled to cast a majority of all the votes entitled to be cast at the Annual Meeting shall constitute a quorum. Abstentions and broker non-votes are each included in the determination of the number of shares present at the Annual Meeting for the purpose of determining whether a quorum is present. A broker non-vote occurs when a nominee holding shares for a beneficial owner (i.e., a broker) does not vote on a particular proposal because such nominee does not have discretionary voting power for that particular matter and has not received instructions from the beneficial owner. Under the rules of the New York Stock Exchange (the NYSE), the only item to be acted upon at the Annual Meeting with respect to which a broker or nominee will be permitted to exercise voting discretion is the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the 2015 fiscal year. Therefore, if you hold your shares in street name and do not give the broker or nominee specific voting instructions on the election of directors or on the resolution to approve, on an advisory basis, the compensation of our named executive officers, your shares will not be voted on those items, and a broker non-vote will occur. Broker non-votes will have no effect on the voting results for such items. Abstentions will have no effect on the voting results for any of the proposals.

The disposition of business scheduled to come before the Annual Meeting, assuming a quorum is present, will require the following affirmative votes: (i) for the election of a director, a plurality of all the votes cast in the election of directors at the Annual Meeting; (ii) for the ratification of the appointment of our independent registered public accounting firm, a majority of all the votes cast on the proposal; (iii) for the resolution to approve, on an advisory basis, the compensation of our named executive officers, a majority of all votes cast on the proposal; and (iv) for the approval of the stockholder proposal requesting majority voting in uncontested elections of directors, if properly presented at the Annual Meeting a majority of all votes cast on the proposal. The board of directors knows of no other matters that may properly be brought before the Annual Meeting. If other matters are properly introduced, the persons named in the proxy as the proxy holders will vote on such matters at their discretion.

As of the Record Date, we had issued and outstanding 46,900,442 shares of Common Stock.

2. RATIFICATION OF APPOINTMENT OF INDEPENDENT

REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of our board of directors (the "Audit Committee") has appointed Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015.

Deloitte & Touche LLP has audited our financial statements since the fiscal year ended December 31, 2009 and has also provided certain tax services. Our board of directors is requesting that our stockholders ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015.

Neither our Bylaws nor other governing documents or law require stockholder ratification of the Audit Committee's appointment of Deloitte & Touche LLP as our independent registered public accounting firm. However, our board of directors is submitting the appointment of Deloitte & Touche LLP to the stockholders for ratification as a matter of good corporate practice. In the event that ratification of this appointment of independent registered public accounting firm is not approved at the Annual Meeting, the Audit Committee will review its future selection of our independent registered public accounting firm. Even if the selection is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in our best interests.

Representatives of Deloitte & Touche LLP are expected to be present at the Annual Meeting and will be provided with an opportunity to make a statement if so desired and to respond to appropriate inquiries from stockholders.

Abstentions will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for the purpose of determining the presence of a quorum.

3. ADVISORY APPROVAL OF THE COMPENSATION OF ARI S NAMED EXECUTIVE OFFICERS

As required by Section 14A of the Securities Exchange Act of 1934, as amended (the Exchange Act), and in accordance with the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, we are providing our stockholders with the opportunity to vote to approve, on an advisory and non-binding basis, the compensation of our named executive officers as disclosed in accordance with SEC rules in this Proxy Statement. This proposal is commonly known as a say-on-pay proposal. The compensation of our named executive officers as disclosed in this Proxy Statement includes the disclosure under Executive Compensation Compensation Discussion and Analysis, the compensation tables and other narrative executive compensation disclosure in this Proxy Statement, as required by SEC rules.

We do not have any employees. We are managed by ACREFI Management, LLC, our Manager, pursuant to the management agreement between us and our Manager dated as of September 23, 2009 (the Management Agreement). Under the Management Agreement, we pay our Manager the management fees described in Certain Relationships and Related Transactions. We do not have agreements with any of our executive officers or any employees of our Manager or its affiliates with respect to their cash compensation. Our named executive officers as described in this Proxy Statement are employees of our Manager or one of its affiliates and do not receive cash compensation from us for serving as our executive officers. Under the terms of the Management Agreement, we reimburse our Manager or its affiliates for our allocable share of the compensation, including annual base salary, bonus and any related withholding taxes and employee benefits paid to our Chief Financial Officer, Megan B. Gaul, based on the percentage of her time spent managing our affairs in that role. However, we do not determine the compensation payable to Ms. Gaul by our Manager.

Our Manager and its personnel of our Manager and its affiliates who support our Manager in providing services to us under our Management Agreement are eligible to receive equity award compensation under the Apollo Commercial Real Estate Finance, Inc. 2009 Equity Incentive Plan (the 2009 Equity Incentive Plan). Our named executive officers are also eligible to receive such grants. Please refer to Executive Compensation Compensation Discussion and Analysis for a description of grants made under the 2009 Equity Plan.

Accordingly, the following advisory and non-binding resolution will be presented to our stockholders at the 2015 Annual Meeting:

RESOLVED, that the stockholders of the Company approve, on an advisory basis, the compensation payable to our named executive officers as disclosed in accordance with Securities and Exchange Commission rules in the Company s Proxy Statement for the Company s 2015 Annual Meeting, including the disclosure under Executive Compensation Compensation Discussion and Analysis, the compensation tables and other narrative executive compensation disclosure in the Proxy Statement relating to the Company s 2015 Annual Meeting.

Although this approval is advisory and non-binding, our board of directors and the Compensation Committee of our board of directors (the Compensation Committee) value the opinions of our stockholders and will consider the voting results when making future decisions regarding compensation of our named executive officers.

Our board of directors recommends a vote FOR the approval, on an advisory basis, of the compensation of our named executive officers as disclosed in accordance with SEC rules in this Proxy Statement, including the disclosure under Executive Compensation Compensation Discussion and Analysis, the compensation tables and other narrative executive compensation disclosure in this Proxy Statement.

A majority of all of the votes cast on this proposal at the Annual Meeting at which a quorum is present is required for its approval. Proxies solicited by our board of directors will be voted FOR this proposal, unless otherwise instructed. Abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for the purpose of determining the presence of a quorum.

4. STOCKHOLDER PROPOSAL REGARDING MAJORITY VOTING IN UNCONTESTED

ELECTIONS OF DIRECTORS

The California State Teachers' Retirement System (CalSTRS) has notified us of its intention to present the following proposal at the Annual Meeting. We have been notified that CalSTRS owns 199,640 shares of common stock as of November 13, 2014 and is located at 100 Waterfront Place, MS-04, West Sacramento, CA 95605-2807. In accordance with SEC rules, the text of the stockholder proposal and supporting statement are printed below exactly as they were submitted to us. We are not responsible for the contents of the proposal or supporting statement. If properly presented, this proposal will be voted on at the Annual Meeting.

Stockholder Resolution and Supporting Statement

BE IT RESOLVED:

That the shareholders of Apollo Commercial Real Estate Finance, Inc. hereby request that the Board of Directors initiate the appropriate process to amend the Company's articles of incorporation and/or bylaws to provide that director nominees shall be elected by the affirmative vote of the majority of votes cast at an annual meeting of shareholders, with a plurality vote standard retained for contested director elections, that is, when the number of director nominees exceeds the number of board seats. In order to provide shareholders a meaningful role in director elections, the Company's current director election standard should be changed from a plurality vote standard to a majority vote standard. The majority vote standard is the most appropriate voting standard for director elections where only board nominated candidates are on the ballot, and it will establish a challenging vote standard for board nominees to improve the performance of individual directors and entire boards. Under the Company's current voting system, a nominee for the board can be elected with as little as a single affirmative vote, because withheld votes have no legal effect. A majority vote standard would require that a nominee receive a majority of the votes cast in order to be re-elected and continue to serve as a representative for the shareholders.

SUPPORTING STATEMENT:

In order to provide shareholders a meaningful role in director elections, the Company's current director election standard should be changed from a plurality vote standard to a majority vote standard. The majority vote standard is the most appropriate voting standard for director elections where only board nominated candidates are on the ballot, and it will establish a challenging vote standard for board nominees to improve the performance of individual directors and entire boards. Under the Company's current voting system, a nominee for the board can be elected with as little as a single affirmative vote, because withheld votes have no legal effect. A majority vote standard would require that a nominee receive a majority of the votes cast in order to be re-elected and continue to serve as a representative for the shareholders.

In response to strong shareholder support a substantial number of the nation's leading companies have adopted a majority vote standard in company bylaws or articles of incorporation. In fact, more than 85% of the companies in the S&P 500 have adopted majority voting for uncontested elections. We believe the Company needs to join the growing list of companies that have already adopted this standard.

CalSTRS is a long-term shareholder of the Company and we believe that accountability is of utmost importance. We believe the plurality vote standard currently in place at the Company completely disenfranchises shareholders and makes the shareholder's role in director elections meaningless. Majority voting in director elections will empower shareholders with the ability to remove poorly performing directors and increase the directors' accountability to the owners of the Company, its shareholders. In addition, those directors who receive the majority support from shareholders will know they have the backing of the very shareholders they represent. We therefore ask you to join us in requesting that the Board of directors promptly adopt the majority vote standard for director elections.

Please vote FOR this proposal.

Board of Directors Recommendation

Our board of directors has considered the proposal set forth above relating to majority voting for uncontested director elections, and has determined to make no voting recommendation to stockholders. The proposal, which is advisory in nature and not binding on the Company, would constitute a recommendation to our board of directors if approved by stockholders. Our board of directors recognizes that there are valid arguments for and against adopting a majority voting standard and is providing stockholders an opportunity to express their views on the topic.

Our board of directors makes NO RECOMMENDATION on the stockholder proposal regarding majority voting in uncontested elections of directors, if properly presented at the Annual Meeting.

A majority of all of the votes cast on this proposal at the Annual Meeting at which a quorum is present is required for its approval. Proxies solicited by our board of directors will be voted ABSTAIN on this proposal, unless otherwise instructed. Abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for the purpose of determining the presence of a quorum.

BOARD AND COMMITTEE MATTERS

Board of Directors

Our board of directors is responsible for overseeing our affairs. Our board of directors conducts its business through meetings and actions taken by written consent in lieu of meetings. During the year ended December 31, 2014, our board of directors held four meetings. All of our directors attended at least 75% of the meetings of our board of directors and of the committees of our board of directors on which they served during 2014 (during the periods that they served). Six of the directors then serving on our board of directors attended our 2014 annual meeting of stockholders. Our board of directors' policy, as set forth in our Corporate Governance Guidelines (the Guidelines), is to encourage and promote the attendance by each director at all scheduled meetings of our board of directors and all meetings of our stockholders.

Committees of the Board of Directors

Our board of directors has three standing committees: the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee.

Audit Committee. Michael E. Salvati (Chairperson), Mark C. Biderman and Scott S. Prince are the current members of the Audit Committee. Our board of directors has determined that all of the members of the Audit Committee are independent as required by the NYSE listing standards, SEC rules governing the qualifications of Audit Committee members, the Guidelines, the Independence Standards (as defined below) and the written charter of the Audit Committee. Our board of directors has also determined, based upon its qualitative assessment of their relevant levels of knowledge and business experience (see Election of Directors in this Proxy Statement for a description of our directors' respective backgrounds and experience), that Messrs. Salvati and Biderman each qualify as an audit committee financial expert for purposes of, and as defined by, the SEC rules and has the requisite accounting or related financial management expertise required by NYSE listing standards. In addition, our board of directors has determined that all of the members of the Audit Committee are financially literate as required by the NYSE listing standards. Mr. Biderman currently serves on the audit committee of four public companies (including us). In accordance with our Audit Committee charter, these obligations have been disclosed to our board of directors. Our board of directors has determined that serving on the audit committee of three other public companies does not impair Mr. Biderman's ability to effectively serve on our Audit Committee.

The Audit Committee, which met four times during 2014, among other things, acts on behalf of our board of directors to discharge our board of directors' responsibilities relating to our and our subsidiaries' corporate accounting and reporting practices, the quality and integrity of our consolidated financial statements, our compliance with applicable legal and regulatory requirements, the performance, qualifications and independence of our external auditors, the staffing, performance, budget, responsibilities and qualifications of our internal audit function and reviewing our policies with respect to risk assessment and risk management. The Audit Committee is also responsible for reviewing with management and external auditors our interim and audited annual financial statements as well as approving the filing of our interim financial statements, meeting with officers responsible for certifying our annual report on Form 10-K or any quarterly report on Form 10-Q prior to any such certification and reviewing with such officers disclosures related to any significant deficiencies in the design or operation of internal controls. The Audit Committee is charged with periodically discussing with our external auditors such auditors' judgments about the quality, not just the acceptability, of our accounting principles as applied in our consolidated financial statements. The specific responsibilities of the Audit Committee are set forth in its written charter, which is available for viewing on our website at www.apolloreit.com.

Compensation Committee. Mark C. Biderman (Chairperson), Michael E. Salvati and Robert A. Kasdin are the current members of the Compensation Committee. Our board of directors has determined that all of the members of the Compensation Committee are independent as required by the NYSE listing standards, the Guidelines, the Independence Standards (as defined below) and the written charter of the Compensation

Committee. The Compensation Committee, which met four times during 2014, is responsible for evaluating the performance of our Manager, reviewing the compensation and fees payable to our Manager under our Management Agreement, preparing compensation committee reports and administering the issuance of any shares of Common Stock or other equity awards issued to personnel of our Manager and its affiliates who support our Manager in providing services to us under our Management Agreement. Because our Management Agreement provides that our Manager is responsible for managing our affairs, our officers, who are employees of our Manager or one of its affiliates, do not receive cash compensation from us for serving as our officers. To the extent that the Company is responsible for paying the compensation or any other employee benefits of the Chief Executive Officer, the Compensation Committee will review and approve corporate goals and objectives relevant to the compensation of the Chief Executive Officer, evaluate the performance of the Chief Executive Officer in light of those goals and objectives, and determine the Chief Executive Officer's compensation level based on this evaluation. Under our Management Agreement, we are responsible for reimbursing our Manager for our allocable share of the compensation and employee benefits paid to our Chief Financial Officer by our Manager based on the percentage of her time spent on our affairs and other corporate finance, tax, accounting, internal audit, legal, risk management, operations and compliance and other non-investment personnel of our Manager and its affiliates who spend all or a portion of their time managing our affairs. The Compensation Committee is responsible for reviewing the information provided by our Manager to support the determination of our share of such costs. The Compensation Committee consults with our Manager when recommending to the board of directors the level of awards under the Company's 2009 Equity Incentive Plan (as described below) to be payable to the personnel of our Manager and its affiliates. The Compensation Committee may, in its discretion, delegate all or a portion of its duties and responsibilities to a subcommittee. The specific responsibilities of the Compensation Committee are set forth in its written charter, which is available for viewing on our website at www.apollorait.com.

Nominating and Corporate Governance Committee. Scott S. Prince (Chairperson) and Robert A. Kasdin are the current members of the Nominating and Corporate Governance Committee. Our board of directors has determined that all of the members of the Nominating and Corporate Governance Committee are independent as required by the NYSE listing standards, the Guidelines, the Independence Standards (as defined below) and the written charter of the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee, which met one time during 2014, is responsible for, among other things, reviewing periodically and making recommendations to our board of directors on the range of qualifications that should be represented on our board of directors and eligibility criteria for individual board membership, as well as seeking, considering and recommending to the board qualified candidates for election as directors and approving and recommending to the full board of directors the appointment of each of our officers. For a discussion of the consideration of diversity in the process by which candidates for director are considered for nomination by the Nominating and Corporate Governance Committee, and the process for identifying and evaluating nominees for director, including nominees recommended by security holders, please see "Corporate Governance Identification of Director Candidates" in this Proxy Statement. The Nominating and Corporate Governance Committee reviews and makes recommendations on matters involving the general operation of our board of directors and our corporate governance and annually recommends to the board of directors nominees for each committee of our board of directors. In addition, the committee annually facilitates the assessment of our board of directors' performance as a whole and that of the individual directors and reports thereon to our board of directors. The specific responsibilities of the Nominating and Corporate Governance Committee are set forth in its written charter, which is available for viewing on our website at www.apollorait.com.

Report of the Audit Committee

The Audit Committee has furnished the following report for our fiscal year ended December 31, 2014:

The Audit Committee is responsible for monitoring the integrity of our consolidated financial statements, our system of internal controls, our risk management, the qualifications, independence and performance of our independent registered public accounting firm and our compliance with related legal and regulatory

requirements. The Audit Committee has the sole authority and responsibility to select, determine the compensation of, evaluate and, when appropriate, replace our independent registered public accounting firm. The Audit Committee operates under a written charter adopted by our board of directors.

Management is primarily responsible for our financial reporting process, including the system of internal controls, for the preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States. Deloitte & Touche LLP, our independent registered public accounting firm, is responsible for performing an independent audit of our annual consolidated financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States. The Audit Committee's responsibility is to oversee and review the financial reporting process. The Audit Committee is not, however, professionally engaged in the practice of accounting or auditing and does not provide any expert or other special assurance as to such financial statements concerning compliance with laws, regulations or accounting principles generally accepted in the United States or as to auditor independence. The Audit Committee relies, without independent verification, on the information provided to it and on the representations made by our management and our independent registered public accounting firm.

The Audit Committee held four meetings in 2014. These meetings were designed, among other things, to facilitate and encourage communication among the Audit Committee, management and Deloitte & Touche LLP, our independent registered public accounting firm. At these meetings, among other things, the Audit Committee reviewed the consolidated financial statements contained in our quarterly and annual periodic reports, as applicable, as well as our earnings releases. In addition, the Audit Committee and management discussed with Deloitte & Touche LLP, an independent registered public accounting firm, the overall scope and plans for its audit.

At a meeting held subsequent to December 31, 2014, the Audit Committee reviewed and discussed with management and Deloitte & Touche LLP the audited consolidated financial statements for the year ended December 31, 2014, and the related report prepared by Deloitte & Touche LLP. The Audit Committee met with Deloitte & Touche LLP, with and without management present, to discuss the results of their examinations. Management represented to the Audit Committee that our consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States.

The Audit Committee also discussed with Deloitte & Touche LLP matters that independent accounting firms must discuss with audit committees under generally accepted auditing standards and standards of the Public Company Accounting Oversight Board (PCAOB), including, among other things, matters related to the conduct of the audit of our consolidated financial statements and the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees), which included a discussion of Deloitte & Touche LLP's judgments about the quality (not just the acceptability) of our accounting principles as applied to financial reporting.

The Audit Committee also discussed with Deloitte & Touche LLP its independence from us. Deloitte & Touche LLP provided to the Audit Committee the written disclosures and the letter required by applicable requirements of the PCAOB regarding the independent accountant's communication with audit committees concerning independence and represented that it is independent from us. The Audit Committee also received regular updates on the amount of fees and scope of audit and tax services provided by Deloitte & Touche LLP.

Based on the Audit Committee's review and these meetings, discussions and reports, and subject to the limitations on the Audit Committee's role and responsibilities referred to above and in its written charter, the Audit Committee recommended to our board of directors that our audited consolidated financial statements for our fiscal year ended December 31, 2014 be included in our annual report on Form 10-K filed with the SEC. The Audit Committee has also appointed Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015 and is presenting this selection to our stockholders for ratification.

COMPENSATION OF INDEPENDENT DIRECTORS

With the exception of Jeffrey M. Gault, who was appointed to serve as an independent director and Chairman of our board of directors on December 15, 2014, in 2014, we paid a \$110,000 annual base director's fee to each of our independent directors, \$60,000 of which is paid in cash and \$50,000 of which is paid in shares of restricted Common Stock or other equity awards. These shares of restricted Common Stock vest in equal installments on the first business day of each fiscal quarter over a three year period. Upon the declaration of a dividend payable to holders of shares of our Common Stock, our directors will receive dividend payments from the shares of restricted Common Stock they hold to the same extent, and in the same per share amounts, as other holders of our Common Stock. In addition, in 2014, the Chairpersons of the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee received an annual cash retainer of \$10,000, \$5,000 and \$5,000, respectively. Mr. Gault, who was appointed to serve as an independent director and Chairman of our board of directors on December 15, 2014, is entitled to compensation of \$4,166.67 for his service from December 15 to December 31 and was granted 15,000 shares of restricted Common Stock upon his appointment. These shares of restricted common stock vest in equal installments on the first business day of each fiscal quarter over a three year period. We also reimburse all members of our board of directors for their travel expenses incurred in connection with their attendance at full board and committee meetings.

Our independent directors are also eligible to receive grants of stock options, shares of restricted Common Stock, phantom shares, dividend equivalent rights and other equity-based awards under the 2009 Equity Incentive Plan.

We pay directors' fees only to those directors who are independent under the NYSE listing standards.

CORPORATE GOVERNANCE

Role of the Board and Risk Oversight

Pursuant to our Charter and Bylaws and the Maryland General Corporation Law, our business and affairs are managed under the direction of our board of directors. Our board of directors has the responsibility for establishing broad corporate policies and for our overall performance and direction, but is not involved in our day-to-day operations. Members of our board of directors keep informed of our business by participating in meetings of our board of directors and its committees, by reviewing analyses, reports and other materials provided to them and through discussions with our Manager and our executive officers.

In connection with their oversight of risk to our business, our board of directors and the Audit Committee consider feedback from our Manager concerning the risks related to our business, operations and strategies. The Audit Committee discusses and reviews policies with respect to our risk assessment and risk management, including, but not limited to, guidelines and policies to govern the process by which risk assessment and risk management is undertaken, the adequacy of our insurance coverage, our interest rate risk management, our counter-party and credit risks, our capital availability and refinancing risks and any environmental risks, if applicable. The Audit Committee will also consider enterprise risk management. Our Manager regularly reports to our board of directors on our leverage policies, our asset acquisition process, any asset impairments and our compliance with applicable REIT and Investment Company Act of 1940 rules. Members of our board of directors routinely meet with our Manager and our executive officers, as appropriate, in connection with their consideration of matters submitted for the approval of our board of directors and the risks associated with such matters.

We maintain separate roles for our Chief Executive Officer and Chairperson of our board of directors.

Our board of directors believes that its composition protects stockholder interests and provides sufficient independent oversight of our Manager. A majority of our current directors are independent under NYSE standards, as more fully described elsewhere in this Proxy Statement under Corporate Governance Director Independence. The independent directors intend to meet separately from the personnel of our Manager on at least a quarterly basis and are very active in the oversight of our Company. The independent directors oversee such critical matters as the integrity of our financial statements, the evaluation and compensation of our Manager and the selection and evaluation of directors.

Each independent director has the ability to add items to the agenda of board of directors meetings or raise subjects for discussion that are not on the agenda for that meeting. In addition, our board of directors and each board of directors committee has complete and open access to our Manager and its officers, employees and other personnel of our Manager and its affiliates who support our Manager in providing services to us under our Management Agreement.

Our board of directors believes that its majority independent composition and the roles that our independent directors perform provide effective corporate governance at the board of directors level and independent oversight of both our board of directors and our Manager. The current governance structure, when combined with the functioning of the independent director component of our board of directors and our overall corporate governance structure, strikes an appropriate balance between strong and consistent leadership and independent oversight of our business and affairs.

Code of Business Conduct and Ethics

Our board of directors has adopted a Code of Business Conduct and Ethics (the Code of Conduct) that applies to our directors and executive officers. The Code of Conduct was designed to assist directors and executive officers in complying with the law, in resolving moral and ethical issues that may arise and in complying with our policies and procedures. Among the areas addressed by the Code of Conduct are compliance

with applicable governmental, state and local laws, compliance with securities laws, the use and protection of company assets, the protection of our confidential corporate information, dealings with the press and communications with the public, internal accounting controls, improper influence of audits, records retention, fair dealing, discrimination and harassment, health and safety, and conflicts of interest, including payments and gifts by third parties to directors and officers, outside financial interests of directors and officers that might be in conflict with our interests, access to our confidential records, corporate opportunities, and loans to directors and officers. The Code of Conduct is available for viewing on our website at www.apolloreit.com. We will also provide the Code of Conduct, free of charge, to stockholders who request it. Requests should be directed to our Secretary at Apollo Commercial Real Estate Finance, Inc., 9 West 57th Street, 43rd Floor, New York, New York 10019.

Corporate Governance Guidelines

Our board of directors has adopted Guidelines that address significant issues of corporate governance and set forth procedures by which our board of directors carries out its responsibilities. Among the areas addressed by the Guidelines are the composition of our board of directors, its functions and responsibilities, its standing committees, director qualification standards, access to management and independent advisors, director compensation, management succession, director orientation and continuing education and the annual performance evaluation and review of our board of directors and committees. The Guidelines are available for viewing on our website at www.apolloreit.com. We will also provide the Guidelines, free of charge, to stockholders who request them. Requests should be directed to our Secretary at Apollo Commercial Real Estate Finance, Inc., 9 West 57th Street, 43rd Floor, New York, New York 10019.

Director Independence

The Guidelines provide that a majority of the directors serving on our board of directors must be independent as required by NYSE listing standards. In addition, as permitted under the Guidelines, our board of directors has adopted certain categorical standards (the Independence Standards) to assist it in making determinations with respect to the independence of directors. The Independence Standards are available for viewing on our website at www.apolloreit.com. Based upon its review of all relevant facts and circumstances, our board of directors has affirmatively determined that five of our seven current directors Jeffrey M. Gault, Mark C. Biderman, Robert A. Kasdin, Scott S. Prince and Michael E. Salvati qualify as independent directors under the NYSE listing standards and the Independence Standards.

Review and Approval of Transactions with Related Persons

Our board of directors has adopted written policies and procedures for review, approval and ratification of transactions involving us and related persons (directors and executive officers, stockholders beneficially owning greater than 5% of our outstanding capital stock, or immediate family members of any of the foregoing). The policy covers any related person transaction that meets the minimum threshold for disclosure in the Proxy Statement under the relevant SEC rules (generally, transactions involving amounts exceeding \$120,000 in which a related person has a direct or indirect material interest). A summary of these policies and procedures is set forth below:

Policies

Any covered related party transaction must be approved by our board of directors or by a committee of our board of directors consisting solely of disinterested directors. In considering the transaction, our board of directors or any such committee will consider all relevant factors, including, as applicable, (i) our business rationale for entering into the transaction; (ii) the available alternatives; (iii) whether the transaction is on terms comparable to those available to or from third parties; (iv) the potential for the transaction to lead to an actual or apparent conflict of interest; and (v) the overall fairness of the transaction to us.

On at least an annual basis, our board of directors or committee will monitor the transaction to assess whether it is advisable for us to amend or terminate the transaction.

Procedures

Management or the affected director or executive officer will bring the matter to the attention of the Chairperson of the Audit Committee or, if the Chairperson of the Audit Committee is the affected director, to the attention of the Chairperson of the Nominating and Corporate Governance Committee.

The appropriate Chairperson shall determine whether the matter should be considered by our board of directors or by a committee of our board of directors consisting solely of disinterested directors (the Appointed Committee).

If a director is involved in the transaction, he or she will be recused from all discussions and decisions about the transaction.

The transaction must be approved in advance whenever practicable and, if not practicable, must be ratified as promptly as practicable.

No director shall participate in any discussion or approval of a related party transaction for which he or she is a related party, except that the director shall provide all material information concerning the interested transaction to our board of directors or the Appointed Committee.

If a related party transaction will be ongoing, our board of directors or the Appointed Committee may establish guidelines for the Company's management to follow in its ongoing dealings with the related party.

All related party transactions shall be disclosed in our applicable filings with the SEC as required under applicable securities law rules and regulations.

Identification of Director Candidates

In accordance with the Guidelines and its written charter, the Nominating and Corporate Governance Committee is responsible for identifying director candidates for our board of directors and for recommending director candidates to our board of directors for consideration as nominees to stand for election at our annual meetings of stockholders. Director candidates are recommended for nomination for election as directors in accordance with the procedures set forth in the written charter of the Nominating and Corporate Governance Committee.

We seek highly qualified director candidates from diverse business, professional and educational backgrounds who combine a broad spectrum of experience and expertise with a reputation for the highest personal and professional ethics, integrity and values. The Nominating and Corporate Governance Committee periodically reviews the appropriate skills and characteristics required of our directors in the context of the current composition of our board of directors, our operating requirements and the long-term interests of our stockholders. In accordance with the Guidelines, directors should possess the highest personal and professional ethics, integrity and values, exercise good business judgment and be committed to representing the long-term interests of the Company and its stockholders and have an inquisitive and objective perspective, practical wisdom and mature judgment. The Nominating and Corporate Governance Committee reviews director candidates with the objective of assembling a slate of directors that can best fulfill and promote our goals, regardless of gender, age or race, and recommends director candidates based upon contributions they can make to our board of directors and management and their ability to represent our long-term interests and those of our stockholders.

The Nominating and Corporate Governance Committee routinely maintains a list of potential director candidates and skill sets required by our board of directors. Upon determining the need for additional or replacement board members, the Nominating and Corporate Governance Committee assesses potential director candidates included on the list as well as other appropriate potential director candidates based upon information it

receives regarding such potential candidates or otherwise possesses, which assessment may be supplemented by additional inquiries. In conducting this assessment, the Nominating and Corporate Governance Committee considers knowledge, experience, skills, diversity and such other factors as it deems appropriate in light of our current needs and those of our board of directors. The Nominating and Corporate Governance Committee may seek input on such director candidates from other directors, including the Chairperson of our board of directors and our Chief Executive Officer, and recommends director candidates to our board of directors for nomination. The Nominating and Corporate Governance Committee does not solicit director nominations, but it will consider recommendations by stockholders with respect to elections to be held at an annual meeting, so long as such recommendations are sent on a timely basis and in accordance with applicable law. The Nominating and Corporate Governance Committee will evaluate nominees recommended by stockholders against the same criteria that it uses to evaluate other nominees. The Nominating and Corporate Governance Committee may, in its sole discretion, engage one or more search firms or other consultants, experts or professionals to assist in, among other things, identifying director candidates or gathering information regarding the background and experience of director candidates. If the Nominating and Corporate Governance Committee engages any such third party, the Nominating and Corporate Governance Committee will have sole authority to approve any fees or terms of retention relating to these services.

Our stockholders of record who comply with the advanced notice procedures set forth in our Bylaws and outlined under the **Submission of Stockholder Proposals** section of this Proxy Statement may nominate candidates for election as directors. EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overview

We have no employees. We are managed by ACREFI Management, LLC, our Manager, pursuant to our Management Agreement. Under the Management Agreement, we pay our Manager the management fees described in Certain Relationships and Related Transactions. We do not have agreements with any of our executive officers or any employees of our Manager or its affiliates with respect to their cash compensation. Our named executive officers for 2014, Mr. Rothstein and Ms. Gaul, are employees of our Manager or one of its affiliates and do not receive cash compensation from us for serving as our executive officers. However, under the terms of the Management Agreement, we do reimburse our Manager or its affiliates for our allocable share of the compensation, including annual base salary, bonus and any related withholding taxes and employee benefits, paid to Ms. Gaul, in her role as our Chief Financial Officer, based on the percentage of her time spent managing our affairs in that role. For the year ended December 31, 2014, the amount of Ms. Gaul's total compensation allocable to us based on the percentage of her time spent managing our affairs was approximately \$505,301. We do not determine the compensation payable to our executive officers by our Manager or its affiliates. Our Manager or its affiliates, at their discretion, determine the levels of base salary and cash incentive compensation earned by our executive officers. Our Manager or its affiliates also determine whether and to what extent our executive officers will be provided with pension, deferred compensation and other employee benefits plans and programs.

Say-on-Pay Vote

At our 2014 annual meeting of stockholders, we provided our stockholders with the opportunity to vote to approve, on an advisory basis, the compensation of our named executive officers. The Compensation Committee reviewed the results of this advisory say-on-pay vote. A substantial majority of our stockholders (98.8%) that voted at the annual meeting of stockholders with respect to this advisory vote approved the compensation of our named executive officers as described in our proxy statement for our 2014 annual meeting of stockholders.

Say-on-Frequency Vote

At our 2011 annual meeting of stockholders, our stockholders recommended that we hold an advisory stockholder vote on the compensation of our named executive officers annually. In light of this recommendation from our stockholders, as well as other factors, our board of directors has determined that we will hold an annual stockholder advisory vote with respect to the compensation of our named executive officers.

Equity Compensation

The Compensation Committee may, from time to time, grant equity-based awards designed to align the interests of our Manager and personnel of our Manager and its affiliates who support our Manager in providing services to us under our Management Agreement with those of our stockholders, by allowing our Manager and personnel of our Manager and its affiliates to share in the creation of value for our stockholders through stock appreciation and dividends. These equity-based awards are generally subject to time-based vesting requirements designed to promote retention and to achieve strong performance for our Company. These awards further provide flexibility to us in our ability to enable our Manager and its affiliates who support our Manager to attract, motivate and retain talented individuals. We have adopted the 2009 Equity Incentive Plan, which provides for the issuance of equity-based awards, including restricted shares of Common Stock, restricted stock units, stock options, phantom shares, dividend equivalents and other awards based on our Common Stock. Restricted shares of Common Stock issued to our independent directors in respect to a portion of their annual director fees are also issued under this plan.

Our board of directors has delegated its administrative responsibilities under the 2009 Equity Incentive Plan to the Compensation Committee. In its capacity as plan administrator, the Compensation Committee has the authority to make awards to our Manager, directors and officers, employees and other personnel of our Manager and its affiliates who support our Manager in providing services to us under our Management Agreement, and to determine what form the awards will take and the terms and conditions of the awards.

The Compensation Committee considers our performance as one of the important factors in determining the awards granted under the 2009 Equity Incentive Plan. The Compensation Committee in consultation with our Manager and executive officers, developed performance measures in order to link awards under the 2009 Equity Incentive Plan and our financial and operating performance by considering the attainment of certain company performance measures in connection with grants of future awards under the 2009 Equity Incentive Plan. Accordingly, in evaluating our performance for 2014, the Compensation Committee considered the achievement of various measures of company performance, which included the ability to remain fully invested, extending our investment portfolio's duration, increasing and improving the quality of our investor relations efforts, exploring cost effective methods to raise capital and effective management of our operating expenses. The Compensation Committee also considered quantitative performance objectives for 2014, including financial performance ratios, our dividend yield to stock price, our dividend yield to book value, our stock price to book value as well as our trailing twelve month return on equity, our common stock price performance and the total stockholder return provided to our stockholders. In addition, the Compensation Committee considered individual contributions to our activity during 2014 by our executive officers and other personnel of our Manager and its affiliates who support our Manager in providing services to us under our Management Agreement. As a result of this review process, the Compensation Committee determined to make the grants set forth under 2014 Equity Grants below to our Manager and personnel of our Manager and its affiliates who support our Manager in providing services to us under our Management Agreement, including our named executive officers. The Compensation Committee has not adopted a formal equity incentive compensation program for 2015, and, to the extent the Compensation Committee determines to make grants during 2015, we expect that goals, business objectives and measures of our performance will be considered by the Compensation Committee, in consultation with our Manager and executive officers in determining whether to make, and the amount of any, such grants.

2014 Equity Grants

In December 2014, the Compensation Committee approved aggregate awards of 390,000 restricted stock units under the 2009 Equity Incentive Plan to our Manager and personnel of our Manager and its affiliates who support our Manager in providing services to us under our Management Agreement, including our named executive officers. Mr. Rothstein and Ms. Gaul received 70,000 and 10,000 respectively, of these restricted stock units. The restricted stock units vest in equal annual installments on the last day of each fiscal year over a period of three years, beginning on the fiscal year following the date of the original grant of the restricted stock units. In addition, the recipients have the right to receive, with respect to each restricted stock unit, no later than 30 days after any ordinary cash dividend distributions are paid to the holders of shares of our Common Stock. We will deliver to the recipients shares of non-restricted Common Stock equal to the number of vested restricted stock units no later than March 15th following the year in which the applicable vesting date occurs. Please see 2009 Equity Incentive Plan and Other Matters Awards Under the Plan for a description of restricted stock units.

Compensation Committee Report

The Compensation Committee evaluates and establishes equity award compensation for our Manager and our officers, employees and other personnel of our Manager and its affiliates who support our Manager in providing services to us under our Management Agreement and administers our 2009 Equity Incentive Plan. The Compensation Committee consults with our Manager when recommending to the board of directors the level of grants under our 2009 Equity Incentive Plan to be payable to our Manager, our executive officers and other personnel of our Manager and its affiliates who support our Manager in providing services to us under our Management Agreement. While our management has the primary responsibility for our financial reporting

process, including the disclosure of executive compensation, the Compensation Committee has reviewed and discussed with management the Compensation Discussion and Analysis set forth in this Proxy Statement. The Compensation Committee believes that the Compensation Discussion and Analysis fairly represents the philosophy, intent and actions of the Compensation Committee with regard to executive compensation. The Compensation Committee recommended to our board of directors that the Compensation Discussion and Analysis be included in this Proxy Statement for filing with the SEC.

Pension Benefits

Our named executive officers received no benefits in the 2014 fiscal year from us under defined pension or defined contribution plans.

Nonqualified Deferred Compensation

Our Company does not have a nonqualified deferred compensation plan that provides for deferral of compensation on a basis that is not tax-qualified for our named executive officers.

Potential Payments Upon Termination or Change in Control

Our named executive officers are employees of our Manager or its affiliates and therefore we generally have no obligation to pay them any form of compensation upon their termination of employment, except with respect to the restricted stock unit award agreements entered into between such named executive officers and our Company. These agreements provide that any unvested portion of the award shall be immediately and irrevocably forfeited upon a termination of the employment of the named executive officer by the Manager or its affiliates; including, a termination of employment due to such officer's resignation, discharge, death or retirement.

In addition, the 2009 Equity Incentive Plan provides that, in the event of a change in control (as such term is defined in our 2009 Equity Incentive Plan), the Compensation Committee shall take any such action as in its discretion it shall consider necessary to maintain each grantee's rights under the 2009 Equity Incentive Plan (including under grantee's applicable award agreement) so that such grantee's rights are substantially proportionate to the rights existing prior to such event, including, without limitation, adjustments in the number of shares, options or other awards granted, the number and kind of shares or other property to be distributed in respect of any options or rights previously granted under the plan, and the exercise price, purchase price and performance-based criteria established in connection with any grants (to the extent consistent with Section 162(m) of the Internal Revenue Code of 1986, as amended (the Internal Revenue Code), as applicable).

2009 Equity Incentive Plan and Other Matters

We have adopted the 2009 Equity Incentive Plan to provide incentive compensation to attract and retain qualified directors, officers, advisors, consultants and other personnel, including our Manager and affiliates and personnel of our Manager and its affiliates, and any joint venture affiliates of ours. The 2009 Equity Incentive Plan is administered by the Compensation Committee. The 2009 Equity Incentive Plan permits the granting of stock options, shares of restricted Common Stock, phantom shares, dividend equivalent rights, restricted stock units and other equity-based awards.

Administration

The Compensation Committee has full authority to administer and interpret the 2009 Equity Incentive Plan, to authorize the granting of awards, to determine the eligibility of directors, officers, advisors, consultants and other personnel, personnel of our Manager and its affiliates who support our Manager in providing services to us under our Management Agreement, and any joint venture affiliates of ours to receive an award, to determine the number of shares of Common Stock to be covered by each award (subject to the individual participant limitations provided in the 2009 Equity Incentive Plan), to determine the terms, provisions and conditions of each award (which may not be inconsistent with the terms of the 2009 Equity Incentive Plan), to prescribe the form of instruments evidencing awards and to take any other actions and make all other determinations that it deems necessary or appropriate in connection with the 2009 Equity Incentive Plan or the administration or interpretation thereof. In connection with this authority, the Compensation Committee may, among other things, establish performance goals that must be met in order for awards to be granted or to vest, or for the restrictions on any such awards to lapse. The 2009 Equity Incentive Plan is administered by the Compensation Committee, which

consists of three non-employee directors, each of whom is, to the extent required by Rule 16b-3 under the Exchange Act, a non-employee director, and will, at such times as we are subject to Section 162(m) of the Internal Revenue Code and intend that grants be exempt from the restriction of Section 162(m), qualify as an outside director for purposes of Section 162(m) of the Internal Revenue Code, or if no committee exists, the board of directors.

Available Shares

Our 2009 Equity Incentive Plan provides for grants of shares of restricted Common Stock and other equity-based awards up to an aggregate of 7.5% of the issued and outstanding shares of our Common Stock on a fully diluted basis (assuming, if applicable, the exercise of all outstanding options and the conversion of all warrants and convertible securities into shares of Common Stock). If an option or other award granted under the 2009 Equity Incentive Plan expires or terminates, the shares subject to any portion of the award that expires, forfeits or terminates without having been exercised or paid, as the case may be, will again become available for the issuance of additional awards. Unless previously terminated by our board of directors, no new award may be granted under the 2009 Equity Incentive Plan after the tenth anniversary of the earlier of the date that such plan was initially approved by (i) our board of directors or (ii) our stockholders. No award may be granted under our 2009 Equity Incentive Plan to any person who, assuming exercise of all options and payment of all awards held by such person, would own or be deemed to own more than 9.8% of the outstanding shares of our Common Stock.

Awards Under the Plan

Stock Options. The terms of specific options, including whether options shall constitute incentive stock options for purposes of Section 422(b) of the Internal Revenue Code, shall be determined by the Compensation Committee. The exercise price of an option shall be determined by the Compensation Committee and reflected in the applicable award agreement. The exercise price with respect to incentive stock options may not be lower than 100% (110% in the case of an incentive stock option granted to a 10% stockholder, if permitted under the plan) of the fair market value of our Common Stock on the date of grant. Each option will be exercisable after the period or periods specified in the award agreement, which will generally not exceed ten years from the date of grant (or five years in the case of an incentive stock option granted to a 10% stockholder, if permitted under the plan). Options will be exercisable at such times and subject to such terms as determined by the Compensation Committee.

Shares of Restricted Common Stock. A restricted stock award is an award of shares of Common Stock that is subject to restrictions on transferability and such other restrictions, if any, as the Compensation Committee may impose at the date of grant. Grants of shares of restricted Common Stock will be subject to vesting schedules as determined by the Compensation Committee. The restrictions may lapse separately or in combination at such times, under such circumstances, including, without limitation, a specified period of employment or the satisfaction of pre-established criteria, in such installments or otherwise, as the Compensation Committee may determine. Unless otherwise stated in the applicable award agreement, a participant granted shares of restricted Common Stock has all of the rights of a stockholder, including, without limitation, the right to vote and the right to receive dividends on the shares of restricted Common Stock. Although dividends may be paid on shares of restricted Common Stock, whether or not vested, at the same rate and on the same date as on shares of our Common Stock, holders of shares of restricted Common Stock are prohibited from selling such shares until they vest.

Phantom Shares. Phantom shares, when issued, will reduce the number of shares available for grant under the 2009 Equity Incentive Plan and will vest as provided in the applicable award agreement. A phantom share represents a right to receive the fair market value of a share of Common Stock, or if provided by the Compensation Committee, the right to receive the fair market value of a share of Common Stock in excess of a base value established by the Compensation Committee at the time of grant. Phantom shares may generally be settled in cash or by transfer of shares of Common Stock (as may be elected by the participant or the

Compensation Committee, as may be provided by the Compensation Committee at grant). The Compensation Committee may, in its discretion and under certain circumstances, permit a participant to receive as settlement of the phantom shares installments over a period not to exceed ten years.

Dividend Equivalents. A dividend equivalent is a right to receive (or have credited) the equivalent value (in cash or shares of Common Stock) of dividends paid on shares of Common Stock otherwise subject to an award. The Compensation Committee may provide that amounts payable with respect to dividend equivalents shall be converted into cash or additional shares of Common Stock. The Compensation Committee will establish all other limitations and conditions of awards of dividend equivalents as it deems appropriate.

Restricted Stock Units. Restricted stock units represent a promise to pay shares of our Common Stock upon the completion of a service-based vesting period. Dividend equivalents are earned during the vesting period, and paid in the year following the year to which they relate.

Other Share-Based Awards. The 2009 Equity Incentive Plan authorizes the granting of other awards based upon shares of our Common Stock (including the grant of securities convertible into shares of Common Stock and share appreciation rights), subject to terms and conditions established at the time of grant.

Change in control

Upon a change in control (as defined in the 2009 Equity Incentive Plan), the Compensation Committee may make such adjustments as it, in its discretion, determines are necessary or appropriate in light of the change in control, but only if the Compensation Committee determines that the adjustments do not have a substantial adverse economic impact on the participants (as determined at the time of the adjustments).

Other changes

Our board of directors may amend, alter, suspend or discontinue the 2009 Equity Incentive Plan but cannot take any action that would materially impair the rights of a participant's existing grants without the participant's consent unless necessary for compliance with applicable law or legislation or to meet the requirements of any accounting standard or to correct an administrative error. To the extent necessary and desirable (including, as required by law or any stock exchange rules), the board of directors must obtain approval of our stockholders for any amendment that would, other than through adjustment as provided in the 2009 Equity Incentive Plan, increase the total number of shares of Common Stock reserved for issuance under the 2009 Equity Incentive Plan or change the class of officers, directors, employees, consultants and advisors eligible to participate in the 2009 Equity Incentive Plan.

Compensation Committee Interlocks and Insider Participation

There are no Compensation Committee interlocks and no insider participation in compensation decisions that are required to be reported under the rules and regulations of the Exchange Act.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors, executive officers and holders of more than 10% of the outstanding shares of Common Stock (10% Holders) to file with the SEC and the NYSE initial reports of ownership and reports of changes in ownership of Common Stock and other equity securities of ARI. Directors, executive officers and 10% Holders are required by the SEC's regulations to furnish us with copies of all Section 16(a) forms and amendments thereto filed during any given year.

Based on the review of copies of the Section 16(a) reports and amendments thereto furnished to us and/or written representations from our directors, executive officers and 10% Holders that no other reports were required to be filed, we believe that for the year ended December 31, 2014 our directors, executive officers and 10% Holders complied with all Section 16(a) filing requirements applicable to them.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Since the beginning of our last fiscal year, we have not been a party to any transaction or proposed transaction with any related person who is (i) one of our directors or executive officers, (ii) a director nominee, (iii) a beneficial owner of more than 5% of the Common Stock or (iv) any member of the immediate family of any of the foregoing persons that involves an amount exceeding \$120,000 and in which any such related person had or will have a direct or indirect material interest.

Management Agreement

In connection with our initial public offering in September 2009, we entered into our Management Agreement with our Manager, which describes the services to be provided by our Manager and its compensation for those services. Our business is managed by our Manager, subject to the supervision and oversight of our board of directors, which has established investment guidelines for our Manager to follow in its day-to-day management of our business.

Pursuant to the terms of our Management Agreement, our Manager is paid a base management fee equal to 1.5% per annum of our stockholders equity (as defined in our Management Agreement), calculated and payable (in cash) quarterly in arrears.

The current term of our Management Agreement expires on September 29, 2016 and shall be automatically renewed for successive one-year terms on each anniversary thereafter unless at least two-thirds of the Company's independent directors vote to terminate the Management Agreement based upon (1) unsatisfactory performance by our Manager that is materially detrimental to the Company or (2) a determination that the management fee payable to our Manager is not fair, subject to our Manager's right to prevent such a termination based on unfair fees by accepting a mutually acceptable reduction of management fees agreed to by at least two-thirds of the Company's independent directors. The Manager must be provided with written notice of any such termination at least 180 days prior to the expiration of the then existing term and will be paid a termination fee equal to three times the sum of the average annual base management fee during the 24-month period immediately preceding the date of termination, calculated as of the end of the most recently completed fiscal quarter prior to the date of termination. Following a meeting by our board of directors on February 25, 2015 with respect to the Management Agreement, which included a discussion of our Manager's performance and the level of the management fees thereunder, we determined not to terminate the Management Agreement.

For the period ended December 31, 2014, the Company incurred approximately \$11.96 million in base management fees. In addition to the base management fee, the Company is also responsible for reimbursing the Manager for certain expenses paid by the Manager on behalf of the Company or for certain services provided by the Manager to the Company. For the year ended December 31, 2014, the Company recorded expenses totaling approximately \$0.985 million related to reimbursements for certain expenses paid by the Manager on behalf of the Company. At December 31, 2014, the Company recorded a payable to related party liability that included approximately \$3.24 million for base management fees incurred but not yet paid.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information as of the Record Date regarding the beneficial ownership of our Common Stock by (i) each person known to us to be the beneficial owner of more than 5% of the outstanding Common Stock, (ii) our named executive officers, (iii) our directors and director nominees and (iv) all of our directors and executive officers as a group. OTHER MATTERS

Our board of directors knows of no other business to be presented at the Annual Meeting. The proxies for the Annual Meeting confer discretionary authority on the persons named therein as proxy holders to vote on any matter proposed by stockholders for consideration at the Annual Meeting. As to any other business which may properly come before the Annual Meeting, the persons named as proxy holders on your proxy card will vote the shares of Common Stock represented by properly submitted proxies at their discretion.

SUBMISSION OF STOCKHOLDER PROPOSALS

Any stockholder intending to present a proposal at our 2016 annual meeting of stockholders and have the proposal included in the proxy statement and proxy card for such meeting (pursuant to Rule 14a-8 of the Exchange Act) must, in addition to complying with the applicable laws and regulations governing submissions of such proposals, submit the proposal in writing to us no later than November 21, 2015 and must otherwise be in compliance with the requirements of the SEC's proxy rules.

Our Bylaws currently provide that any stockholder intending to nominate a director or present a stockholder proposal of other business for consideration at the 2016 annual meeting of stockholders, but not intending for such a nomination or proposal to be considered for inclusion in the Company's proxy statement and proxy card relating to such meeting (i.e., not pursuant to Rule 14a-8 of the Exchange Act), must notify us in writing no earlier than the 150th day and not later than 5:00 p.m., Eastern Time, on the 120th day prior to the first anniversary of the date of the proxy statement for the immediately preceding annual meeting of stockholders; provided, however, that in the event that the annual meeting with respect to which such notice is to be tendered is not held within 30 days before or after the anniversary of the date of the preceding year's annual meeting of stockholders, to be timely, notice by the stockholder must be received no later than the 150th day and not later than 5:00 p.m., Eastern Time, on the 120th day prior to the first anniversary of the date of the immediately preceding annual meeting of stockholders, as originally convened, or the close of business on the tenth day following the day on which public announcement of the date of such meeting is first made. Accordingly, to submit a director candidate for consideration for nomination at our 2016 annual meeting of stockholders, stockholders must submit the recommendation, in writing, by November 19, 2015, but in no event earlier than October 20, 2015.

Any such nomination or proposal should be sent to our Secretary at Apollo Commercial Real Estate Finance, Inc., 9 West 57th Street, 43rd Floor, New York, New York 10019 and, to the extent applicable, must include the information and other materials required by our Bylaws.

DELIVERY OF MATERIALS

In accordance with rules adopted by the SEC, instead of mailing a printed copy of our proxy materials to our stockholders, we are, except as described below, furnishing proxy materials, including this Proxy Statement and our 2014 Annual Report to stockholders, by providing access to these documents on the Internet. Accordingly, on or about March 19, 2015, a Notice of Internet Availability of Proxy Materials (the "Notice") will be sent to our beneficial owners of Common Stock. The Notice provides instructions for accessing our proxy materials on the Internet and instructions for receiving printed copies of the proxy materials without charge by mail or electronically by email. Please follow the instructions included in the Notice.

The Notice provides you with instructions regarding the following: (1) viewing our proxy materials for the Annual Meeting on the Internet; (2) voting your shares after you have viewed our proxy materials; (3) requesting a printed copy of the proxy materials; and (4) instructing us to send our future proxy materials to you. We believe the delivery options allow us to provide our stockholders with the proxy materials they need, while lowering the cost of the delivery of the materials and reducing the environmental impact of printing and mailing. If you

choose to receive future proxy materials by email, you will receive an email next year with instructions containing a link to view those proxy materials and a link to the proxy voting site. Your election to receive proxy materials by email will remain in effect until you terminate it.

In addition, certain stockholders of record of our Common Stock will be sent, by mail, this Proxy Statement, the Notice of Annual Meeting of Stockholders and the related proxy card on or about March 19, 2015.

The difference between a shareholder of record and a beneficial owner of shares is as follows:

Stockholder of Record. If your shares are registered directly in your name with our transfer agent, you are considered the stockholder of record with respect to those shares, and you will be sent the proxy materials by mail.

Beneficial Owner of Common Stock. If your shares are held in an account at an intermediary (bank or broker), then you are the beneficial owner of shares held in street name, and the Notice was forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to instruct that organization on how to vote the shares held in your account.

HOUSEHOLDING OF PROXY MATERIALS

The rules of the SEC permit companies and intermediaries (such as brokerage firms, banks, broker-dealers or other similar organizations) to satisfy the delivery requirements for the Notice and proxy materials with respect to two or more stockholders sharing the same address by delivering a single Notice or copy of the proxy materials, as the case may be, addressed to each of those stockholders. This practice, commonly referred to as householding, is designed to reduce our printing and postage costs. Stockholders who hold shares in street name (as described below) may contact their intermediaries to request information about householding.

If you have received notice from your broker, nominee or other intermediary, or us that your household will receive only one copy of our proxy materials, you will be deemed to have consented to this process unless you specifically revoke your consent. If you received only one copy of our proxy materials and wish to receive a separate copy for each stockholder at your household, or if, at any time, you wish to resume receiving separate proxy materials, or if you are receiving multiple statements and reports and wish to receive only one, please notify your broker, nominee or other intermediary if your shares are held in a brokerage account or us if you hold registered shares. If, at any time, such a record stockholder no longer wishes to participate in householding and would prefer to receive a separate set of our proxy materials, such stockholder should so notify us by directing written requests to: Apollo Commercial Real Estate Finance, Inc., 9 West 57th Street, 43rd Floor, New York, New York 10019, Attn: Secretary or by calling our investor relations at (212) 515-3200.

MISCELLANEOUS

We are bearing all costs associated with the solicitation of proxies in connection with the Annual Meeting. This solicitation is being made primarily through the Internet and by mail, but may also be made by our directors, executive officers and employees by telephone, telegraph, facsimile transmission, electronic transmission, Internet, mail or personal interview. No additional compensation will be given to our directors, executive officers or employees for this solicitation. We will request brokers and nominees who hold shares of Common Stock in their names to furnish proxy materials to beneficial owners of such shares and will reimburse such brokers and nominees for their reasonable expenses incurred in forwarding solicitation materials to such beneficial owners.

A COPY OF OUR ANNUAL REPORT ON FORM 10-K (FILED WITH THE SEC AND THE NYSE), WHICH CONTAINS ADDITIONAL INFORMATION ABOUT US, IS AVAILABLE FREE OF CHARGE TO ANY STOCKHOLDER. REQUESTS SHOULD BE DIRECTED TO OUR SECRETARY AT APOLLO COMMERCIAL REAL ESTATE FINANCE, INC., 9 WEST 57TH STREET, 43RD FLOOR, NEW YORK, NEW YORK 10019.
