Item 5.02. Departure of Directors or Certain Officers; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On July 13, 2015, our Board of Directors determined to transition the role of Chief Executive Officer from our current Chief Executive Officer Randy Milby to an individual with clinical trial management and other management experience that will lead clinical, commercial, and financial oversight and long term vision for CorMedix. We have begun a search for a Chief Executive Officer with the assistance of an executive search firm. In the interim, Mr. Milby will remain in his current role and through a sufficient transition, following which he will remain a member of our Board of Directors.

Item 8.01. Other Events.

On July 17, 2015, we issued a press release to report our intention to initiate our planned Phase 3 clinical trial for Neutrolin for catheter related bloodstream infections during the fourth quarter of 2015, as well as to report the matter referenced in Item 5.02 above as well as other matters. A copy of the press release is attached hereto as Exhibit 99.1 and incorporated herein by reference.
