ITEM 1. BUSINESS

Business Development

Giggles N Hugs, Inc. was formed as a Nevada corporation on September 17, 2004. On August 2010, Giggles changed its name from Teacher's Pet, Inc. to Giggles N Hugs, Inc. Effective December 30, 2011, Giggles completed the acquisition of GNH, Inc. ("GNH") through the acquisition of 100% of the issued and outstanding common stock of GNH.

Giggles owns and operates kid-friendly restaurants named Giggles N Hugs in the Westfield Mall in Century City, California, Westfield Topanga Shopping Center located in Woodland Hills, California, and the Glendale Galleria located in Glendale, California, and owns the intellectual property rights for Giggles N Hugs facilities.

Business Overview

Giggles N Hugs is the pioneer and only restaurant that brings together high-end, organic food with the play elements and entertainment for children. Giggles N Hugs offers an upscale, family-friendly atmosphere with a play area dedicated to children ages 10 and younger. The restaurant has a high-quality menu made from fresh, organic foods that are enjoyed by both children and adults. With nightly entertainment such as magic shows, concerts, puppet shows, face painting and arts and crafts, Giggles N Hugs has become a premier destination for families seeking healthy food in a casual and fun atmosphere.

In addition to its family-friendly vibe, Giggles N Hugs is also known for its own creation called "Mom's Tricky Treat Sauce," which hides pureed vegetables in kids' favorite meals such as pizza, pastas and macaroni and cheese.

The founders, Joey Parsi and his wife, Dorsa, conceived the idea when they tried dining out with their own children, but spent the entire evening attending to quieting their kids and avoiding disapproving stares. From this frustrating experience, they discovered that there was a significant need for high-quality restaurants where play time, healthy food, and happy parents could converge. This idea led to the creation of Giggles N Hugs. Since its grand opening in February of 2008, it has become a destination for parents and kids to play and have fun while enjoying a gourmet

meal.

Our restaurant offers a combination of high quality food and beverage with attentive service to ensure a memorable experience. Our play areas are supervised by staff members who promote positive interaction, fun, and activities in such a way that their presence often overshadows the presence of the vast number of toys and daily entertainment we offer. Our restaurant features kid-size castles, giant climbers, a pirate ship, and a walk-on dragon, as well as tricycles, swings, bouncies, and an abundant selection of toys in each location. The Giggles N Hugs team is a group of individuals that have been hired and trained to reflect our core beliefs of creating an environment for families to bond and interact with one another. We encourage our staff members to be more than just employees, but instead to become friends with our guests. The family-friendly feel of the restaurant and play space reflects its image and individuality in the marketplace.

2

Giggles N Hugs was rated among the best family and kid-friendly restaurants by City Search, a division of Interactive Corp., which is a website where restaurant goers can blog about their experiences and rate restaurants on a scale of one to five, and by Nickelodeon, a division of Viacom. We have been featured in numerous television news programs and publications, including TV Guide Channel, Fox Channel 11, Extra TV, Access Hollywood, Entertainment Tonight, Businessweek, People Magazine, The Los Angeles Times, Los Angeles Family, West-Side Today, US Magazine, OK Magazine, Life and Style Magazine, and the LA Business Journal. Our concept has appealed to numerous celebrities. Many high-profile actors and entertainers have enjoyed the Giggles N Hugs experience.

Restaurant Concept:

Our operating restaurants are located in the Westfield Century City Mall, an upscale neighborhood in Century City, California near Beverly Hills, in the Westfield Topanga Mall, in Woodland Hills, California and in Glendale Galleria in Glendale, California. Our restaurants have about 6,000 square feet of space, of which 2,000 square feet are allocated for the play area, 2,500 square feet for the dining area, and 1,500 square feet for the kitchen.

Dining Area:

Giggles N Hugs has arranged its spacious dining area so that every table has a view of the play area. Parents have the convenience of watching their children from a distance without having to leave their seats. Parents can sit down and enjoy their meals comfortably while their kids play. Sleek and modern white chairs and colorful utensils are used to appeal to the kids. All utensils are unbreakable and kid-friendly.

Menu:

We pride ourselves in our upscale entrée selections that are both nutritious and appetizing. For children, we offer macaroni and cheese, turkey dogs, and turkey burgers. We incorporate nutritious vegetables into typical children favorites, such as pureed butternut squash in the macaroni and cheese, pureed spinach in our pizza and spaghetti sauce, and whole wheat bread buns for our sandwiches. We also offer delicious salads, such as “Goat Cheese and Beet Salad,” “Chinese Chicken Salad,” and “Honey Peanut and Apple Salad.” Some of our gourmet entrees include grilled salmon, “Chicken Milanese,” and fresh panini. For guests who have specific dietary restrictions, we offer a variety of alternative menu items including non-dairy milk, gluten free pasta, and whole grain breads.

Play area:

The uniqueness of a child's imagination can run wild in our exceptionally designed play space. In the center of our restaurant is our exclusive padded 2,000 square foot children's play area. The magical play space includes a life-size pirate ship for boys and girls to climb into and slide off of, a fairytale play castle for the princes and princesses to let their imaginations run wild, and a green dragon for the smaller kids to climb. Along with the signature pieces, the play area also highlights kids' favorite toys, play kitchens, and cars. Safety is the number one priority when it comes to our guests. Our highly skilled and inspirational staff understands the importance of each child's safety and genuine joy while at Giggles N Hugs. They make balloon animals, paint faces, and give temporary tattoos to the kids. They also sing songs, read books, and play games to keep the fun times rolling. The overall design of the restaurant exudes a magical, whimsical feeling, while maintaining an aura of sophistication and detail, particularly in the dining area, to appeal to parents. With a small admission fee, children can play all day and enjoy activities and entertainment in the Giggles N Hugs play area.

Activities and Entertainment:

Entertainment is a fundamental part of our restaurant. Story-telling, singing, and game sessions conducted by the staff members are just a few of our options. For a more calm and relaxing experience, we offer movie nights. For those guests looking for a more upbeat experience, we have "Disco Night" and "Kids Karaoke." Giggles N Hugs also offers magic shows, puppet shows, arts and crafts, Play-Doh, and contests such as talent shows and "Simon Says," as well as other impromptu games that allow our staff and parents to bond with their children.

Birthday parties and other special events:

Each Giggles N Hugs location has the capacity to host up to 500 guests for birthday parties and special events for 2 hours or more. Packages include food, cake, facility use, party favors, and activities. Giggles N Hugs goes to great lengths to make birthday parties worry-free for parents. This includes sending out invitations, arranging entertainment, providing catering, and staffing. Giggles N Hugs is great for all special events including holiday parties, fundraisers, family get-togethers, and other celebrations.

History

The original Giggles N Hugs opened its doors in February of 2008 and was located in the posh Brentwood district of Los Angeles. The unique design and 1,500 square-foot play area was a huge success and solidified our proof of concept. However, due to the limited size of the location, our ability to offer “drop-off” services, one of our most popular features, was hindered. Drop-off services allow parents to drop their children off in our play area and go shopping while their children play in a supervised environment. In addition, other factors such as lack of available parking, the location’s strip mall characteristics, and isolated location became problematic. As a result, we decided it was in our best interest to close the restaurant and secure a larger venue elsewhere.

With the successful launch and proof of concept that was realized at our Brentwood location, the Company decided to expand to the Westfield Shopping Mall in Century City in December of 2010. This ideal location highlights a play space two times the size of the original location and includes additional sources of revenue including beer and wine sales, drop off service, private party rentals, and in-store merchandise. Furthermore, Giggles N Hugs intends to introduce a new line of frozen foods, specifically designed for children, and organic baby foods, both of which we hope will be available at grocery stores. We are in discussions to license our brand for merchandising, publishing, children’s apparel, entertainment, and more. With sufficient financing, Giggles N Hugs plans to expand to other parts of the country in the future.

Expansion

Our intent is to expand and open new stores either through the company-owned approach, using the franchise model, or both, but such expansion will be limited to our ability to raise capital to meet this need.

Company-owned stores. We estimate that we would have to expend \$700,000 - \$900,000 (net of any –landlord-tenant improvement allowances) to construct, staff, and open each new restaurant, excluding rent. Our build-out cost of new

restaurants will vary depending on a number of factors, including the size of the location, whether we are converting an existing restaurant space as we did with our Brentwood location, or moving into a “build to suit” location constructed from a building shell, typically with a monetary contribution (also typically referred to as a tenant improvement allowance) from the landlord. While the latter development model generally involves greater costs (depending on the level of landlord contribution) and time to open (because the permitting process is typically significantly longer), we believe that positioning our restaurants in popular, “marquee” locations (which typically operate on the “build to suit” model) will greatly increase public awareness and recognition of the Giggles brand, which we believe is critical to our continued growth.

Marketing and Advertising

To date, our marketing and advertising has been extremely limited as we have conserved working capital for operational purposes. Our primary marketing has been through word-of-mouth from existing customers and some limited print-based advertising.

Once we have sufficient financing, we plan to market our products and services through a multi-pronged campaign. To this end, Giggles N Hugs will directly engage local preschools, kindergartens, and elementary schools. We believe our cause and community marketing would better root our presence in the minds of area locals. With additional marketing capital, Giggles N Hugs plans to advertise on television channels such as Disney and Nickelodeon, as well as in additional print publications, radio, and satellite radio. Our first store has been frequented by numerous celebrities, which provides free and invaluable publicity. We believe a large scale marketing campaign that increases exposure to Giggles N Hugs could result in a significant increase in our revenue.

We intend to design an aggressive and creative promotional strategy aimed to maximize our exposure to the target audience. We believe the following direct and indirect advertising methods could increase exposure and visibility of the “Giggles N Hugs” brand in our community:

Viral Marketing: Word-of-mouth advertising in conjunction with other secondary advertising methods functions to spread our already-popular name. Celebrity patronage is especially useful in this regard.

Internet Advertising: We would allot portions of our marketing budget for strategic Internet marketing, including search engine optimization. This tactic involves organically improving the quality and volume of traffic to a website through search engine searches. Search engine optimization can also target different kinds of searches, including image, local, and industry-specific vertical search engines.

Television advertising: We recognize that television advertising is an effective means of reaching a large target population. For this reason we plan to advertise on local cable channels, such as The Disney Channel and Nickelodeon.

Special events/sponsorships: We may sponsor local events and organizations in an effort to contribute to surrounding neighborhoods and the overall community, which concurrently builds community awareness of our stores.

Print media-magazines: Print advertisements will continue to be placed in select magazines and newspapers for weekly and/or monthly distribution. These advertisements include a brief description of the Company, comprehensive explanatory images and/or text detailing products, and also offer limited time discounts.

We have also received free publicity through celebrity-interest magazines, such as People Magazine, mentioning our restaurant in their articles. We have also attracted coverage from the local print media such as the Los Angeles Times and LA Business Journal about our concept of a kid-oriented restaurant.

Competition

Giggles N Hugs faces competition from other family-oriented establishments, especially businesses that operate under the national franchise model. This is primarily populated by the industry giant Chuck E. Cheese, which caters to older children and only serves pizza and related foods. Most play areas have minimal food preparation areas, if any, consisting only of a microwave oven or toaster.

Giggles N Hugs has already begun cementing its reputation in the local marketplace having seen establishments that reflect direct competition to us suffer a lack of business and/or shut down. We are aware that the quality of the Giggles N Hugs brand and model has influenced and increased the expectations of parents and that our presence has significantly affected the business of other local establishments.

The major competitors in the Company's immediate area are Child's Play and Under the Sea Indoor Playground. These businesses operate under the play area model and are mostly used as birthday party venues or weekend playgrounds, as opposed to a food and entertainment destination like Giggles N Hugs. To our knowledge, these businesses are so popular among children that they are booked for months in advance in most cases for birthday parties and other celebrations. These businesses provide an excellent insight into the demand for our business model, which improves upon the competition by providing healthy food choices in a true restaurant environment.

We enjoy numerous advantages in our target market that other companies fail to deliver. The following list describes each advantage:

Delicious, but also nutritious, food.

Sundry, novel, child-oriented toys and overall environment.

Quality offerings for adults while waiting.

Theme nights such as "Disco Night".

Entertainment such as puppet shows, magic shows and music shows.

"Aides" to assist in the kids' enjoyment while parents relax.

We are aware that many of our competitors and potential competitors have greater financial and other resources, have been in business longer, have greater name recognition and are better established in the markets where our first restaurant is located and where our future restaurants will be located. Although we believe that our restaurant concept

offers features and advantages not currently available elsewhere, and we have taken reasonable steps to adequately protect our proprietary concepts and other intellectual property, we cannot assure you that these companies will not seek to copy aspects of our restaurant concept, or develop similar or competing features, in the future.

Government Regulation

Our restaurant operations will be subject to licensing and regulation by state and local departments and health, sanitation, zoning and fire, and to periodic review by the state and municipal authorities for areas in which the restaurants are located. In addition, we will be subject to local land use, zoning, building, planning and traffic ordinances and regulations in the selection and acquisition of suitable sites for developing new restaurants. Delays in obtaining, or denials of, or revocation or temporary suspension of, necessary licenses or approvals could have a material adverse impact on our development of restaurants.

Our restaurant operations will also be subject to regulation under the Fair Labor Standards Act, which governs such matters as working conditions and minimum wages. An increase in the minimum wage rate or the cost of workers' compensation insurance, or changes in tip-credit provisions, employee benefit costs (including costs associated with mandated health insurance coverage), or other costs associated with employees could adversely affect our company.

In addition, our restaurant operations will be subject to the Americans with Disabilities Act of 1990. The ADA may require us to make certain installations in our planned restaurants to meet federally and state mandated requirements.

Intellectual Property

We have filed and received a United States federal trademark registration for "GIGGLES N HUGS, INC.," "GIGGLES N HUGS," and other marks. We have registered the www.gigglesnhugs.com domain name. We consider our trademarks and other intellectual property rights to be important to our branding strategy and business success.

Personnel

As of the date of this filing, and as a result of our recent organizational establishment, we have 78 employees.

ITEM 2. PROPERTIES

We currently maintain three locations:

Currently, approximately 90% of the mall is closed or being remodeled with the completion expected sometime during 2017. Negotiations are ongoing, and the Company expects to receive compensation that will exceed the net book value of its assets. Based on our discussions, the store is expected to close late in the third quarter. If the Company vacates the space, the Company will be relieved of its remaining lease obligation.

Westfield Mall Topanga location at 6600 Topanga Canyon Blvd, Canoga Park, CA 91303. Our monthly rent at this location is \$19,603 The lease started on March 23, 2013.

Glendale Galleria location at 3222 Glendale Galleria Way, Glendale, CA 91210. Our monthly rent at this location is \$16,802. The lease started in November 2013. The Company is currently delinquent on several of its lease payments, which have triggered a default under a note payable to affiliate of the landlord.

As of December 27, 2015, due to the nonpayment of our lease obligations to Glendale II Mall Associates, we are in default under our promissory note Dated March 1, 2015 in favor of GGP Limited Partnership (“GGP”). LIQUIDITY AND CAPITAL RESOURCES

As of December 27, 2015, we had \$334,191 in cash and cash equivalents. The following table provides detailed information about our net cash flow for all financial statement periods presented in this Annual Report. To date, we have financed our operations through the issuance of stock and borrowings, in addition to sales-generated revenue.

The following table sets forth a summary of our cash flows for the year ended December 27, 2015 and December 28, 2014.

	Fiscal Year Ended December 27, 2015	Fiscal Year Ended December 28, 2014

Operating activities

Net cash used in operating activities was of \$647,762 for the year ended December 27, 2015, compared to \$1,134,152 provided in operating activities for year ended December 28, 2014. This improvement of \$498,390 between the two periods was mostly due higher sales and decrease in the finance and interest costs for the year ended December 27, 2015.

Net cash used in investing activities for the year ended December 27, 2015, and December 28, 2014 were \$13,069 and \$116,510, respectively.

Financing activities

Net cash provided by financing activities for the year ended December 27, 2015 and December 28, 2014 were \$886,786 and \$1,287,678 respectively. The decrease of \$400,892 from 2014 was due to decrease in proceeds raised from the sale of shares of approximately \$756,000.

Going Concern and Liquidity

The accompanying consolidated financial statements have been prepared on a going concern basis, which contemplates the realization of assets and the settlement of liabilities and commitments in the normal course of business. As reflected in the accompanying consolidated financial statements, during the year ended December 27, 2015, the Company incurred a net loss of \$2,068,687 used cash in operations of \$647,762 and had a stockholders' deficit of \$964,699 as of that date. In addition, the Company was behind in certain lease payments of one of its restaurant locations and was in default on a note payable of \$683,316. These factors raise substantial doubt about the Company's ability to continue as a going concern. The ability of the Company to continue as a going concern is dependent upon the Company's ability to raise additional funds and implement its business plan. The financial statements do not include any adjustments that might be necessary if the Company is unable to continue as a going concern.

The Company has and will continue to use significant capital to grow and acquire market share. At December 27, 2015, the Company had cash on hand in the amount of \$334,191. Management estimates that the current funds on hand will be sufficient to continue operations through June 2016. Management is currently seeking additional funds, primarily through the issuance of debt and equity securities for cash to operate our business. No assurance can be given that any future financing will be available or, if available, that it will be on terms that are satisfactory to the Company. Even if the Company is able to obtain additional financing, it may contain undue restrictions on our operations, in the case of debt financing or cause substantial dilution for our stock holders, in case of equity financing.

Notes Payable

GGP Limited Partnership - On February 12, 2013, the Company entered into a \$700,000 Promissory Note Payable Agreement with GGP Limited Partnership (“Lender”) to be used by the Company for a portion of the construction work to be performed by the Company under the lease by and between the Company and Glendale II Mall Associates, LLC. The Note Payable accrues interest at a rate of 10% through October 15, 2015, 12% through October 31, 2017, and 15% through October 31, 2023 and matures on October 31, 2023. As of December 28, 2014 the principal balance due under the note was \$666,584 with accrued interest due of \$34,066, for an aggregate amount due of \$700,650.

On March 1, 2015, the Company and the lender renegotiated the terms of the Promissory Note and agreed to a new note with a principal balance due of \$683,316. As part of the new agreement, the Lender waived principal and interest payments for two years beginning March 1, 2015. Thereafter, principal and interest will be paid in equal monthly installments of \$12,707, within increasing interest rates. As of December 27, 2015 the principal balance due under the note was \$683,316.

The lender under the Note is GGP Limited Partnership (GGP). GGP is an affiliate of Glendale II Mall Associates, the lessor of the Company’s Glendale Mall restaurant location. In accordance with the note agreement, an event of default would occur if the Borrower defaults under the lease between the Company and Glendale II Mall Associates. Upon the occurrence of an event of default, the entire balance of the Note payable and accrued interest would become due and payable, and the balance due becomes subject to a default interest rate (which is 5% higher than the defined interest rate). As of December 27, 2015, the Company was past due in its rental obligation and the Note is in default.

Iconic Holdings, LLC - On December 21, 2015, Giggles N Hugs, Inc., a Nevada corporation (the “Registrant”), issued an 8% unsecured convertible promissory note in favor of Iconic Holdings, LLC, in the principal sum of \$161,250. The note was subject to an original issue discount of \$11,250, plus another \$11,250 retained by the lender for fees and costs, resulting in net proceeds to the company of \$138,500. The note carries a guaranteed 10% interest rate, matures on December 21, 2016 and is subject to pre-payment penalties. The note may be converted, in whole or in part, at any time at the option of the holder into the Registrant’s common stock at a price per share equal to 65% of the lowest volume weighted average price of the Company’s common stock during the 10 consecutive trading days prior to the date on which Holder elects to convert all or part of the note. The conversion floor price was set at \$0.08. The note

also contains a make-good provision requiring the Registrant to make a payment to the holder in the event the Registrant's trading price at the time the conversion notice is submitted is below \$0.11. Any shares issued upon conversion of the note shall have piggyback registration rights and failure to do so could result in damages up to 30% of the principal sum of the note, but not less than \$20,000. The note contains various default provisions including a requirement for the Company to maintain a prescribed closing bid price for a certain number of days, and a continued listing in a principal market.

J&N Invest LLC - On August 24, 2015, the Company entered into an unsecured Note Payable Agreement with an investor for which the Company issued a \$50,000 Convertible Note Payable, which accrues interest at a rate of 5% per annum and matures on August 31, 2016. The Lender may also convert all or a portion of the Note Payable at any time into shares of common stock at a price of \$0.10 per share.

On December 18, 2015, the Company issued an unsecured promissory note in the principal sum of \$265,000 in favor of St. George Investments, LLC, pursuant to the terms of a securities purchase agreement of the same date. The note was subject to an original issue discount of \$60,000 and a \$5,000 fee to cover certain expenses of lender. The note matures in six months and carries no interest unless there is an event of default. GNH may prepay the note in full within 90 days of the issuance date for \$235,000.

The terms of the note transaction are subject to adjustment on a retroactive basis should the Registrant enter into a financing transaction with terms that would have been more favorable to the lender at any time any portion of the note remains outstanding.

Off-Balance Sheet Arrangements

We do not have any off-balance sheet arrangements that have or are reasonably likely to have a current or future effect on our financial condition, changes in financial condition, revenues or expenses, results of operations, liquidity, capital expenditures or capital resources that is material to investors.

Operation Plan

Our overall business plan is to expand and grow our restaurants and increase revenues. Our business and strategy will be directed toward the following approaches.

Company-Owned Restaurants. One-year term strategy is to explore new opening company-owned and/or managed restaurants within the next twelve months. During 2013, we opened two new Southern California locations in Westfield Topanga Mall and Glendale Galleria. In addition, we are considering The Westfield Valencia Mall and The Westfield Santa Anita Mall as potential locations.

Existing Services. We believe that we provide some of the best overall dining experiences for parents and their young children. We plan to further market and promote our existing products and designs directly to consumers. In addition, we plan to constantly refine and improve our food products.

New Products and Services. We are currently expanding, and intend to further expand, our product and service offerings. Some of the new products and services we are currently developing include:

Curb-side take-out. As with many restaurants with no drive-thru, we have established a curb-side, take-out service for our customers. Since the majority of our patrons are parents, convenient take-out is a significant factor. The ease of not having to remove kids from their car-seats when purchasing food is a significant factor for return patronage.

Beer/Wine license. Parents have inquired about beer and/or wine to accompany their meals. Since margins from alcoholic beverages are often high, we believe this would increase our revenues without a proportional increase in costs.

Furniture and Equipment Referrals. Parents frequently ask us where to purchase various furniture, fixtures, toys, and equipment inside our play area. We are considering a partnership with a baby products supplier to receive commissions for each referral.

Baby Food. As part of our branding, we may add Giggles N Hugs baby foods for toddlers too young for solid foods. We already offer mashed bananas and pureed butternut squash.

Merchandising. We intend to sell books, stuffed animals, toys, cups, t-shirts, and balls all with the Giggles N Hugs logo.

Gift Certificates. We offer gift certificates of different denominations that are an extremely popular gift item for people of all ages.

This item is not applicable as we are currently considered a smaller reporting company.

ITEM 8. FINANCIAL STATEMENTS AND SUPPLEMENTARY DATA

See Index to Financial Statements and Financial Statement Schedules appearing on page F-1 through F-25 of this Form 10-K.

ITEM 9. CHANGES IN AND DISAGREEMENTS WITH ACCOUNTANTS ON ACCOUNTING AND FINANCIAL DISCLOSURE

ITEM 9A. CONTROLS AND PROCEDURES

Evaluation of Disclosure Controls and Procedures

Our Principal Executive Officer and Principal Financial Officer, Joey Parsi, has evaluated the effectiveness of our disclosure controls and procedures (as defined in Rule 13a-15(e) under the Securities Exchange Act of 1934, as amended) as of the end of the period covered by this Report. Based on his evaluation, he concluded that our disclosure controls and procedures are not effective to provide reasonable assurance that information we are required to disclose in the reports that we file or submit under the Exchange Act is recorded, processed, summarized, and reported within the time periods specified in the SEC's rules and forms, and that such information is accumulated and communicated to our management, including our principal executive officer and principal financial officer, or persons performing similar functions, as appropriate to allow timely decisions regarding required disclosure. Management is in the process of determining how to most effectively improve our disclosure controls and procedures.

Management's Report on Internal Control over Financial Reporting

Our management is responsible for establishing and maintaining adequate internal control, as is defined in the Securities Exchange Act of 1934, as amended. These internal controls are designed to provide reasonable assurance that the reported financial information is presented fairly, that disclosures are adequate and that the judgments inherent in the preparation of financial statements are reasonable. There are inherent limitations in the effectiveness of any system of internal controls, including the possibility of human error and overriding of controls. Consequently, an effective internal control system can only provide reasonable, not absolute, assurance with respect to reporting financial information.

Our internal control over financial reporting includes policies and procedures that: (i) pertain to maintaining records that in reasonable detail accurately and fairly reflect our transactions; (ii) provide reasonable assurance that transactions are recorded as necessary for preparation of our financial statements in accordance with generally accepted accounting principles and the receipts and expenditures of company assets are made and in accordance with our management and directors authorization; and (iii) provide reasonable assurance regarding the prevention or timely detection of unauthorized acquisition, use or disposition of assets that could have a material effect on our financial statements.

Management has undertaken an assessment of the effectiveness of our internal control over financial reporting based on the framework and criteria established in the Internal Control – Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (“COSO”). Based upon this evaluation, management concluded that our internal control over financial reporting was not effective as of December 27, 2015. The material weaknesses

noted were as follows:

Lack of independent audit committee and Board Members;

Lack of formal approval policies of the Board of Directors;

Insufficient personnel appropriately qualified to perform control monitoring activities, including the recognition of risks and complexities of its business operations; and,

Insufficient monitoring and review controls over the financial reporting closing process.

The Company has resourced outside consultants to assist in implementing the necessary financial controls over the financial reporting and the utilization of internal management and staff to effectuate these controls.

This annual report does not include an attestation report of our registered public accounting firm regarding internal control over financial reporting. Management's report was not subject to attestation by our registered public accounting firm pursuant to the temporary rules of the Securities and Exchange Commission that permit us to provide only management's report in this annual report.

Changes in Internal Control over Financial Reporting

There has been no material changes in our internal control over financial reporting have occurred during our most recent fiscal quarter that have materially affected, or reasonably likely to continue to materially affect, our internal control over financial reporting.

Limitations on Effectiveness of Controls and Procedures

In designing and evaluating the disclosure controls and procedures, management recognizes that any controls and procedures, no matter how well designed and operated, can provide only reasonable assurance of achieving the desired control objectives. In addition, the design of disclosure controls and procedures must reflect the fact that there are resource constraints and that management is required to apply its judgment in evaluating the benefits of possible controls and procedures relative to their costs.

ITEM 9B. OTHER INFORMATION

None.

Family Relationships

There are no family relationships among any of our officers or directors.

Indemnification of Directors and Officers

Our Articles of Incorporation and Bylaws both provide for the indemnification of our officers and directors to the fullest extent permitted by Nevada law.

Limitation of Liability of Directors

Pursuant to the Nevada General Corporation Law, our Articles of Incorporation exclude personal liability for our Directors for monetary damages based upon any violation of their fiduciary duties as Directors, except as to liability for any breach of the duty of loyalty, acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, or any transaction from which a Director receives an improper personal benefit. This exclusion of liability does not limit any right which a Director may have to be indemnified and does not affect any Director’s liability under federal or applicable state securities laws. We have agreed to indemnify our directors against expenses, judgments, and amounts paid in settlement in connection with any claim against a Director if he acted in good faith and in a manner he believed to be in our best interests.

Election of Directors and Officers

Directors are elected to serve until the next annual meeting of stockholders and until their successors have been elected and qualified. Officers are appointed to serve until the meeting of the Board of Directors following the next annual meeting of stockholders and until their successors have been elected and qualified.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), requires our executive officers and directors, and persons who beneficially own more than ten percent of our common stock, to file initial reports of ownership and reports of changes in ownership with the SEC. Executive officers, directors and greater-than-ten-percent beneficial owners are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file. Based upon a review of the copies of such forms furnished to us and written representations from our executive officers and directors, we believe that as of the date of this filing they were all current in their filings.

Code of Ethics

A code of ethics relates to written standards that are reasonably designed to deter wrongdoing and to promote:

- 1) Honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;
- 2) Full, fair, accurate, timely and understandable disclosure in reports and documents that are filed with, or submitted to, the Commission and in other public communications made by an issuer;
- 3) Compliance with applicable governmental laws, rules and regulations;
- 4) The prompt internal reporting of violations of the code to an appropriate person or persons identified in the code; and
- 5) Accountability for adherence to the code.

We have not adopted a corporate code of ethics that applies to our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions.

Our decision to not adopt such a code of ethics results from our having a small management structure for the Company. We believe that the limited interaction which occurs having such a small management structure for the Company eliminates the current need for such a code, in that violations of such a code would be reported to the party generating the violation.

Corporate Governance

We currently do not have standing audit, nominating and compensation committees of the board of directors, or committees performing similar functions. Until formal committees are established, our entire board of directors will perform the same functions as an audit, nominating and compensation committee.

Involvement in Certain Legal Proceedings

To the best of our knowledge, none of our directors or executive officers has, during the past five years:

been convicted in a criminal proceeding or been subject to a pending criminal proceeding (excluding traffic violations and other minor offences);

had any bankruptcy petition filed by or against the business or property of the person, or of any partnership, corporation or business association of which he was a general partner or executive officer, either at the time of the bankruptcy filing or within two years prior to that time;

been subject to any order, judgment, or decree, not subsequently reversed, suspended or vacated, of any court of competent jurisdiction or federal or state authority, permanently or temporarily enjoining, barring, suspending or otherwise limiting, his involvement in any type of business, securities, futures, commodities, investment, banking, savings and loan, or insurance activities, or to be associated with persons engaged in any such activity;

been found by a court of competent jurisdiction in a civil action or by the SEC or the Commodity Futures Trading Commission to have violated a federal or state securities or commodities law, and the judgment has not been reversed, suspended, or vacated;

been the subject of, or a party to, any federal or state judicial or administrative order, judgment, decree, or finding, not subsequently reversed, suspended or vacated (not including any settlement of a civil proceeding among private litigants), relating to an alleged violation of any federal or state securities or commodities law or regulation, any law or regulation respecting financial institutions or insurance companies including, but not limited to, a temporary or permanent injunction, order of disgorgement or restitution, civil money penalty or temporary or permanent cease-and-desist order, or removal or prohibition order, or any law or regulation prohibiting mail or wire fraud or fraud in connection with any business entity; or

been the subject of, or a party to, any sanction or order, not subsequently reversed, suspended or vacated, of any self-regulatory organization (as defined in Section 3(a)(26) of the Exchange Act (15 U.S.C. 78c(a)(26))), any registered entity (as defined in Section 1(a)(29) of the Commodity Exchange Act (7 U.S.C. 1(a)(29))), or any equivalent exchange, association, entity or organization that has disciplinary authority over its members or persons associated with a member.

ITEM 11. EXECUTIVE COMPENSATION

Overview of Compensation Program

We currently have not appointed members to serve on the Compensation Committee of the Board of Directors. Until a formal committee is established, our entire Board of Directors has responsibility for establishing, implementing and continually monitoring adherence with the Company's compensation philosophy. The Board of Directors ensures that the total compensation paid to the executives is fair, reasonable and competitive.

Compensation Philosophy and Objectives

The Board of Directors believes that the most effective executive compensation program is one that is designed to reward the achievement of specific annual, long-term and strategic goals by the Company, and which aligns executives' interests with those of the stockholders by rewarding performance above established goals, with the ultimate objective of improving stockholder value. As a result of the size of the Company and only having two executive officers, the Board evaluates both performance and compensation on an informal basis. Upon hiring additional executives, the Board intends to establish a Compensation Committee to evaluate both performance and compensation to ensure that the Company maintains its ability to attract and retain superior employees in key positions and that compensation provided to key employees remains competitive relative to the compensation paid to similarly-situated executives of our peer companies. To that end, the Board believes executive compensation packages provided by the Company to its executives, including the named executive officers, should include both cash and stock-based compensation that reward performance as measured against established goals.

Role of Executive Officers in Compensation Decisions

The Board of Directors makes all compensation decisions for, and approves recommendations regarding equity awards to, the executive officers and Directors of the Company. Decisions regarding the non-equity compensation of other employees of the Company are made by management.

ITEM 12. SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT AND RELATED STOCKHOLDER MATTERS

The following table presents information, to the best of our knowledge, about the beneficial ownership of our common stock on April 12, 2015 by those persons known to beneficially own more than 5% of our capital stock and by our Directors and executive officers. The percentage of beneficial ownership for the following table is based on 42,596,033 shares of common stock outstanding.

Beneficial ownership is determined in accordance with the rules of the Securities and Exchange Commission and does not necessarily indicate beneficial ownership for any other purpose. Under these rules, beneficial ownership includes those shares of common stock over which the stockholder has sole or shared voting or investment power. It also includes shares of common stock that the stockholder has a right to acquire within 60 days after April 12, 2015 pursuant to options, warrants, conversion privileges or other rights. The percentage of ownership of the outstanding common stock, however, is based on the assumption, expressly required by the rules of the Securities and Exchange Commission, that only the person or entity whose ownership is being reported has converted options or warrants into shares of our common stock.

Security Ownership of Management

Title of Class	Name and address of Beneficial Owner ⁽¹⁾	Amount of Beneficial Ownership	Percent of Class
Common	Joey Parsi	17,623,825 ⁽²⁾	41.37 %
	Sean Richards	400,000 ⁽³⁾⁽⁴⁾	0.94 %
	All Beneficial Owners as a Group	18,023,825	42.31 %

As used in this table, “beneficial ownership” means the sole or united power to vote, or to direct the voting of, a security, or the sole or united investment power with respect to a security (i.e., the power to dispose of, or to direct the disposition of, a security). Each Party’s address is in care of the Company at 10250 Santa Monica Blvd, #155, Los Angeles, CA 90067.

Of the 17,623,825 shares, Mr. Parsi may be deemed to have indirect control over 8,811,913 shares of common stock held by his wife Dorsa Foroughi. In fact, Mr. Parsi and Ms. Foroughi may be deemed a group for reporting purposes. Additionally, Mr. Parsi has direct control over 8,811,912 shares of common stock.

⁽³⁾This amount includes an option to purchase 100,000 shares of common stock at a price per share of \$4.50 granted to Mr. Richards on February 2012, and 250,000 shares issued to Mr. Richards in March 2014

Changes in Control

There are no arrangements, known to the Company, including any pledge by any person of securities of the Company, the operation of which may at a subsequent date result in a change in control of the Company.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE

Transactions with Related Persons

From time to time, the Company has received advances from certain of its officers to meet short term working capital needs. These advances may not have formal repayment terms or arrangements. As of December 27, 2015, there were no advances from related persons.

Promoters and Certain Control Persons

We did not have any promoters at any time since our inception.

Director Independence

We currently do not have any independent directors, as the term “independent” is defined in Section 803A of the NYSE Amex LLC Company Guide. Since the Over the Counter Quotation Board (“OTCQB”) does not have rules regarding director independence, the Board makes its determination as to director independence based on the definition of “independence” as defined under the rules of the New York Stock Exchange (“NYSE”) and American Stock Exchange (“Amex”).

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors

Giggles N' Hugs, Inc.

Los Angeles, California

We have audited the accompanying consolidated balance sheets of Giggles N' Hugs, Inc. and subsidiaries as of December 27, 2015 and December 28, 2014 and the related consolidated statements of operations, stockholders' deficit and cash flows for the years then ended. These consolidated financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audits included consideration of internal control over financial reporting as a basis for designing audit procedures that we considered appropriate under the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Giggles N' Hugs, Inc. and subsidiaries as of December 27, 2015 and December 28, 2014, and the results of their operations and their cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

The accompanying consolidated financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 1 to the consolidated financial statements, the Company has experienced recurring operating losses and negative operating cash flows, and has a stockholders' deficit as of December 27, 2015. These conditions raise substantial doubt about the Company's ability to continue as a going concern. Management's plans in regard to these matters are also described in Note 1 to the consolidated financial statements. The consolidated financial statements do not include any adjustments that might result from the outcome of this uncertainty.
