PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS
JUNE 16, 2014

The 2013 Annual Report to Stockholders, including financial statements, is being made available to stockholders together with these proxy materials on or about April 28, 2014.

QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS, ANNUAL MEETING AND VOTING

1.

Why am I receiving these proxy materials?

Our board of directors is soliciting your proxy to vote at our 2014 annual meeting of stockholders because you owned shares of our common stock at the close of business on April 24, 2014, the record date for the annual meeting, and are therefore entitled to vote at the meeting. This proxy statement, along with a proxy card or a voting instruction card, is being made available to stockholders on or about April 30, 2014. This proxy statement summarizes the information that you need to know in order to cast your vote at the annual meeting. You do not need to attend the annual meeting in person to vote your shares.

2.

When and where will the annual meeting be held?

The annual meeting will be held at 10:00 a.m. Central Time on Monday, June 16, 2014, at the Basement Conference Center at 3 Riverway, Houston, Texas 77024.

3.

What are the rules of admission to the Annual Meeting if I attend in person?

Only shareholders of record as of April 24, 2014 (the record date) and their accompanied guests, or the holders of their valid proxies, will be permitted to attend. If you plan to attend the meeting in person, please bring:

valid governmental-issued picture identification, such as a driver's license or a passport, which is required before being admitted to the meeting; and

if you hold shares through a broker or nominee (i.e., in street name), proof of their beneficial ownership as of April 24, 2014, such as a brokerage statement showing your ownership as of that date.

4.

Who is soliciting my proxy?

Our board of directors is soliciting your proxy to vote on all matters scheduled to come before the 2014 annual meeting of stockholders, whether or not you attend in person. By completing and returning the proxy card or voting instruction card, or by transmitting your voting instructions via the internet, you are authorizing the proxy holders to vote your shares at our annual meeting as you have instructed.

5.

On what matters will I be voting? How does the board of directors recommend that I cast my vote?

At the annual meeting, you will be asked to elect our director nominees; approve, on an advisory basis, the compensation of our named executive officers; ratify the appointment of our independent registered public accounting firm; and consider any other matter that properly comes before the meeting.

Our board of directors unanimously recommends that you vote:

FOR all of the director nominees;

FOR the approval, on an advisory basis, of the compensation of our named executive officers; and

FOR the ratification of the appointment of the independent registered public accounting firm.

We do not expect any matters to be presented for action at the meeting other than the matters described in this proxy statement. By signing and returning a proxy card, however, you will give to the persons named as proxies discretionary voting authority with respect to any other matter that may properly come before the annual meeting, and they intend to vote on any such other matter in accordance with their best judgment.

6.

How many votes may I cast?

You may cast one vote for every share of our common stock that you owned on April 24, 2014, the record date.

7.

How many shares are eligible to be voted?

As of the record date, we had 30,946,601 shares of common stock outstanding, each of which is entitled to one vote.

8.

How many shares must be present to hold the annual meeting?

Under Texas law and our by-laws, the presence in person or by proxy of a majority of the outstanding shares of our common stock entitled to vote is necessary to constitute a quorum at the annual meeting. The inspector of election will determine whether a quorum is present. If you are a beneficial owner (as defined below) of shares of our common stock and you do not instruct your bank, broker, trustee or other nominee how to vote your shares on any of the proposals, your shares will be counted as present at the annual meeting for purposes of determining whether a quorum exists. In addition, votes of stockholders of record who are present at the annual meeting in person or by proxy will be counted as present at the annual meeting for purposes of determining whether a quorum exists, whether or not such holder abstains from voting on any of the proposals.

9.

How do I vote?

Stockholders of Record. If your shares are registered directly in your name with our transfer agent, Securities Transfer Corporation, you are the stockholder of record of those shares and these proxy materials have been made available or mailed to you by us. Your vote authorizes each of Thomas F. Cooke and Andrew C. Clifford, as your proxies, each with the power to appoint his substitute, to represent and vote your shares as you directed. In order to vote shares of which you are the record holder, you should complete, date and sign your proxy card and return it in the postage-paid envelope provided. Only the latest dated proxy received from you will be voted at the annual meeting. You may also vote in person at the annual meeting.

Beneficial Owners. If your shares are held in a stock brokerage account, by a bank, broker, trustee, or other nominee, you are considered the beneficial owner of shares held in street name and these proxy materials are being forwarded to you by your bank, broker, trustee or nominee that is considered the owner of record of those shares. As the beneficial owner, you have the right to direct your bank, broker, trustee or nominee on how to vote your shares via the internet or by telephone if the bank, broker, trustee or nominee offers these options or by signing and returning a proxy card. Your bank, broker, trustee or nominee will send you instructions for voting your shares. For a discussion of the rules regarding the voting of shares held by beneficial owners, please see the question below entitled "What happens if I don't vote for a proposal? What is discretionary voting? What is a broker non-vote?"

10.

What happens if I don't vote for a proposal? What is discretionary voting? What is a broker non-vote?

If you properly execute and return a proxy or voting instruction card, your shares will be voted as you specify. If you are a stockholder of record and you make no specifications on your proxy card, your shares will be voted in accordance with the recommendations of our board of directors, as provided above.

If you are a beneficial owner and you do not provide voting instructions to your broker, bank or other holder of record holding shares for you, your shares will not be voted with respect to any proposal for which your broker does not have discretionary authority to vote. Rules of the New York Stock Exchange (NYSE) determine whether proposals presented at stockholder meetings are discretionary or non-discretionary. If a proposal is determined to be *discretionary*, your broker, bank or other holder of record is permitted under NYSE rules to vote on the proposal without receiving voting instructions from you. If a proposal is determined to be *non-discretionary*, your broker, bank or other holder of record is not permitted under NYSE rules to vote on the proposal without receiving voting instructions from you. A broker non-vote occurs when a bank, broker or other holder of record holding shares for a beneficial owner does not vote on a *non-discretionary* proposal because the holder of record has not received voting instructions from the beneficial owner.

Under the rules of the NYSE, the proposal relating to the ratification of our independent registered public accounting firm is a discretionary proposal and all the other proposals are non-discretionary proposals. If you are a beneficial owner and you do not provide voting instructions to your bank, broker or other holder of record holding shares for you, your shares may be voted with respect to the ratification of our independent registered public accounting firm. Whereas, if you are a beneficial owner and you do not provide voting instructions to your broker, bank or other holder of record holding shares for you, your shares will *not* be voted with respect to the election of directors or the compensation of our named executive officers. Without your voting instructions on these matters, a broker non-vote will occur with respect to your shares. Shares subject to broker non-votes will not be counted as votes for or against and will not be included in calculating the number of votes necessary for approval of such matters to be presented at the annual meeting; however, such shares will be considered present at the annual meeting for purposes of determining the existence of a quorum.

11.

What vote is required, and how will my votes be counted, to elect directors and to adopt the other proposals?

Proposal	Voting Options	Vote Required to Adopt the Proposal	Effect of Abstentions	Effect of Broker Non-Votes
-----------------	-----------------------	--	------------------------------	-----------------------------------

No. 1: Election of directors	For or withhold on each nominee	Plurality of votes cast	No effect	No effect
No. 2: Approval, on an advisory basis, of the compensation of our named executive officers	For, against or abstain	Affirmative vote of a majority of the shares of common stock entitled to vote and present in person or by proxy	Treated as votes against	No effect
No. 3: Ratification of independent registered public accounting firm	For, against or abstain	Affirmative vote of a majority of the shares of common stock entitled to vote and present in person or by proxy	Treated as votes against	No effect

Our directors are elected by a plurality of shares voted. Under our by-laws, all other matters require the affirmative vote of the holders of a majority of our common stock present in person or by proxy and entitled to vote thereon, except as otherwise provided by statute, our certificate of incorporation or our by-laws.

12.

Can I revoke or change my vote after I deliver my proxy?

Yes. Your proxy can be revoked or changed at any time before it is voted if you provide notice in writing to our corporate secretary before the annual meeting, if you timely provide to us another proxy with a later date or if you vote in person at the annual meeting or notify the corporate secretary in writing at the annual meeting of your wish to revoke your proxy.

13.

Who pays for soliciting proxies?

We pay all expenses incurred in connection with the solicitation of proxies for the annual meeting. We will request banks, brokers, and other intermediaries holding shares of our common stock beneficially owned by others to send this document to, and obtain proxies from, the beneficial owners and will reimburse holders for their reasonable expenses in so doing. Solicitation of proxies by mail may be supplemented by telephone, email and other electronic means, advertisements and personal solicitation by our directors, officers and employees. No additional compensation will be paid to directors, officers or employees for such solicitation efforts.

14.

Could other matters be considered and voted upon at the annual meeting?

Our board does not expect to bring any other matter before the annual meeting, and it is not aware of any other matter that may be considered at the meeting. In addition, pursuant to our by-laws, the time has elapsed for any stockholder to properly bring a matter before the meeting. However, if any other matter does properly come before the meeting, the proxy holders will vote the proxies in his or her discretion.

15.

What happens if the annual meeting is postponed or adjourned?

Unless a new record date is fixed, your proxy will still be valid and may be voted at the postponed or adjourned meeting. You will still be able to change or revoke your proxy until it is voted.

Narrative Discussion of Executive Compensation Table

Bonuses

In March 2012, the Compensation Committee adopted an Annual Incentive Plan pursuant to which the Committee, on an annual basis, establishes potential bonus payments for eligible employees based on performance criteria established each year by the Committee. During 2012 and 2013, the Committee adopted incentive programs and established performance based bonus criteria, in each year, based on growth in production, proven reserves and EBITDA.

Under the 2012 program, Saratoga partially satisfied the production growth criteria and paid bonuses, including the bonuses indicated in the tables above to the named executive officers, in each case representing approximately 12% of the maximum available bonuses under the program. Under the 2013 program, Saratoga partially satisfied the proven reserves growth criteria. However, the Committee exercised its discretion under the program and determined to pay no bonuses with respect to 2013 performance.

Employment Agreements

In June 2013, our board of directors approved new employment agreements for our two principal officers, Thomas Cooke and Andy Clifford. Pursuant to the new employment agreements, (i) the annual base salary of Messrs. Cooke and Clifford was increased from its then current level of \$305,000 by 4%, to \$317,200, on July 1, 2013 and increases by 4% on July 1 of each succeeding year; (ii) the automobile allowance of Messrs. Cooke and Clifford was modified to either provide a company vehicle or pay a monthly automobile allowance, which allowance remains \$700 per month for Mr. Clifford and was increased to \$950 per month for Mr. Cooke; additionally, beyond repair and maintenance costs previously paid by the company, the automobile allowance has been revised to cover all costs of operating a vehicle; (iii) the expense reimbursement provisions were modified to clarify that the company will pay all incremental costs associated with maintenance of home offices by Messrs. Cooke and Clifford, including costs of internet service, telephone and facsimile service and, with respect to Mr. Clifford, a home workstation; (iv) travel pay in the amount of \$200 per day was added for each overnight stay or out-of-town travel of twenty-four hours exclusively for business purposes; (v) Messrs. Cooke and Clifford each received options to purchase 250,000 shares of common stock exercisable at \$3.00 per share for a term of five years and vesting on a quarterly basis over eight quarters; (vi) in the event of termination of employment due to death or disability, we will continue to pay base salary to the executive or his estate for a period of twelve months; and (vii) in the event of termination of employment by the company without cause or by the executive for *good reason*, we will pay a lump sum to the executive in an amount equal to two times the base salary and bonus paid during the twelve months immediately preceding termination and shall continue to provide health insurance for a period of twenty-four months.

Director Compensation

We use a combination of cash and equity-based incentive compensation to attract and retain qualified candidates to serve on our board. In setting director compensation, we consider the significant amount of time directors dedicate in fulfilling their duties as directors as well as the skill-level required by the company to be an effective member of our board. The form and amount of director compensation is reviewed by our compensation committee, which makes recommendations to the full board.

Each non-employee director receives an annual fee of \$10,000 and committee chairs receive an annual fee of \$6,000 for the audit committee and \$4,000 for all other committees, each of which fees is payable in two semi-annual installments. Each non-employee director is reimbursed for reasonable out-of-pocket expenses incurred in attending such meetings. Additionally, upon initial appoint or election as a director and annually upon reelection as a director, non-employee directors are granted stock options to purchase 35,000 shares of our common stock at the then fair market value. Under our present director compensation program, option grants expire on the seventh anniversary of the grant date and vest 50% on the date of grant and 50% on the first anniversary of the date of grant.

The table below summarizes the total compensation paid to or earned by our non-management directors during 2013. The amounts included in the Stock Awards and Option Awards columns reflect the aggregate grant date fair value, and do not necessarily equate to the income that will ultimately be realized by the director for these awards.

Name of Director	Fees Earned or Paid in Cash	Stock Awards	Option Awards(1)	All Other Compensation	Total
John W. Rhea, IV	\$ 16,000	\$	\$ 58,100	\$	\$ 74,100
Kevin M. Smith	10,000		58,100		68,100
Rex H. White, Jr.	14,000		58,100		72,100

(1)

Amounts reflect the aggregate grant date fair value of the option awards (options). The Black-Scholes option model was used to determine the grant date fair value of the options that we granted to the directors. For information relating to the assumptions made by us in valuing the option awards made to our non-management directors in fiscal year 2013, refer to Note 11 of our financial statements in our annual report on Form 10-K for the year ended December 31, 2013.

As of December 31, 2013, each director had the following number of options outstanding: Mr. Rhea, 70,000; Mr. Smith, 155,000; and, Mr. White, 155,000.

CORPORATE GOVERNANCE

Corporate Governance Guidelines; Ethics and Business Conduct Policy

Our corporate governance guidelines and our ethics and business conduct policy are available at www.saratogaresources.com under Corporate Governance and are available in print upon request. Amendments to or waivers of the ethics and business conduct policy granted to any of our directors or executive officers will be published promptly on our web site.

Board Composition and Meeting Attendance

As of the date of this proxy statement, our board consists of five members.

Our board of directors held five meetings during 2013. During 2013, each of our directors attended at least 75% of the aggregate of the total number of meetings of the board and the total number of meetings held by each committee of the board on which each such director served.

Directors are invited but not required to attend annual meetings of our stockholders. All of our directors attended our 2013 annual meeting of stockholders.

Board Independence

On the basis of information solicited from each director, our board has affirmatively determined that each of Messrs. Rhea, White and Smith has no material relationship with the company and is independent within the meaning of our corporate governance guidelines, which comply with the applicable NYSE MKT listing standards and SEC rules. In making this determination, the board, with assistance from the company's legal counsel, evaluated responses to a questionnaire completed annually by each director regarding relationships and possible conflicts of interest between each director, the company and management. In its review of director independence, the board considered all commercial, industrial, banking, consulting, legal, accounting, charitable, and familial relationships any director may have with the company or management.

Board Committees

Our board has two standing committees: an audit committee and a compensation committee. The composition and other information relating to the functioning of those committees is summarized as follows:

Audit Committee

The audit committee is composed of three directors, Mr. Rhea, Chairman, and Messrs. White and Smith, each of whom meets the independence and financial literacy requirements as defined by applicable NYSE MKT and SEC rules. The audit committee assists the board in its general oversight of our financial reporting, internal controls, legal compliance, ethics programs and audit functions, and is directly responsible for the appointment, evaluation, retention and compensation of the registered public accounting firm. The board has determined that Mr. Rhea qualifies as an audit committee financial expert in accordance with the applicable rules and regulations of the SEC. During 2013, the audit committee held six meetings.

The audit committee acts under the terms of a written charter. A copy of the audit committee charter is available on our web site at www.saratogaresources.com under Corporate Governance and is available in print upon request. For more information regarding the audit committee, please refer to the Audit Committee Report beginning on page 16.

Compensation Committee

The compensation committee is composed of three directors, Mr. White, Chairman and Messrs. Rhea and Smith, each of whom is a non-employee independent director as defined by applicable NYSE MKT rules. The committee is responsible for establishing and administering the policies that govern both annual compensation and equity ownership. It reviews and approves salaries, bonus and incentive compensation, perquisites, equity compensation, and all other forms of compensation for our executive officers, including our chief executive officer. The compensation committee is also responsible for reviewing and administering our incentive compensation plans, equity incentive programs and other benefit plans. Pursuant to authority granted under our 2011 Omnibus Incentive Plan, the committee has delegated to Messrs. Cooke and Clifford the authority to make awards to employees other than those subject to Section 16 of the Securities Exchange Act of 1934. The committee may from time to time engage the services of an independent executive compensation consultant to advise the committee on matters related to executive compensation. During 2013, the committee did not utilize the services of compensation consultants. The committee periodically reviews and makes recommendations to the board with respect to director compensation. During 2013, the compensation committee held three meetings.

The compensation committee acts under the terms of a written charter. A copy of the compensation committee charter is available on our web site at www.saratogaresources.com under Corporate Governance and is available in print upon request.

Nomination of Directors

The board of directors does not maintain a standing nominating committee. Instead, the board has adopted, by resolution, a process of nominating directors wherein nominees must be selected, or recommended for the board's selection, by a majority of the independent directors with independence determined in accordance with NYSE MKT standards. Because of the relatively small size of the board and the current demands on the independent directors, the board determined that the nomination process would best be carried out, while maintaining the independence of the nominating process, by drawing upon the resources of all board members with the requirement that nominees be selected by a majority of the independent directors.

In the event of a vacancy on the board, the process followed by the independent directors in nominating and evaluating director candidates includes requests to board members and others for recommendations, meetings from time to time to evaluate biographical information and background material relating to potential candidates and interviews of selected candidates by members of the board.

In considering whether to recommend any particular candidate for inclusion in the board's slate of recommended director nominees, the independent directors apply criteria adopted by the board. These criteria include the candidate's

integrity, business acumen, knowledge of our business and industry, experience, diligence, absence of conflicts of interest and the ability to act in the interests of all stockholders. No specific weights are assigned to particular criteria and no particular criterion is a prerequisite for each prospective nominee. The Board does not have a formal policy with respect to diversity of nominees. We believe that the backgrounds and qualifications of our directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will best allow the board to fulfill its responsibilities.

The board may utilize the services of a search firm to help identify candidates for director who meet the qualifications outlined above.

Stockholders may recommend individuals to the independent directors for consideration as potential director candidates by submitting the names and supporting information to: Independent Directors, c/o Corporate Secretary, Saratoga Resources, Inc., 3 Riverway, Ste. 1810, Houston, TX 77056. Supporting information should include (a) the name and address of the candidate and the proposing stockholder, (b) a comprehensive biography of the candidate and an explanation of why the candidate is qualified to serve as a director taking into account the criteria identified in our corporate governance guidelines, (c) proof of ownership, the class and number of shares and the length of time that the shares of our common stock have been beneficially owned by each of the candidate and the proposing stockholder, and (d) a letter signed by the candidate stating his or her willingness to serve, if elected. Assuming that appropriate biographical and background material has been provided on a timely basis, the stockholder-recommended candidates will be evaluated by following substantially the same process, and applying substantially the same criteria, as it follows for candidates recommended by our board or others. If the board determines to nominate a stockholder-recommended candidate and recommends his or her election, then his or her name will be included in the proxy card for the next annual meeting.

Stockholders also have the right under our bylaws to directly nominate director candidates, without any action or recommendation on the part of the board, by following the procedures set forth under *Deadline for Submission of Stockholder Proposals for the 2015 Annual Meeting* on page 18. Candidates nominated by stockholders in accordance with the procedures set forth in the bylaws will not be included in our proxy card for the next annual meeting.

Communicating with the Independent Directors

Our board will give appropriate attention to written communications that are submitted by stockholders, and will respond if and as appropriate.

Communications are forwarded to all directors if they relate to important substantive matters and include suggestions or comments our counsel considers to be important for the directors to know. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances and matters as to which we tend to receive repetitive or duplicative communications.

Stockholders who wish to send communications on any topic to the board should address such communications to Saratoga Resources, Inc., Independent Directors, c/o Corporate Secretary, 3 Riverway, Ste. 1810, Houston, TX 77056.

Board Leadership Structure

Thomas F. Cooke serves as chairman of our board and as our chief executive officer. Our board of directors believes that Mr. Cooke's service as both chairman and chief executive officer is in the best interest of the company and our stockholders. As one of the company's founders, Mr. Cooke possesses detailed, in-depth knowledge of the issues, opportunities and challenges facing the company and its businesses and is thus well positioned to develop agendas that focus the board's time and attention on the most critical challenges and opportunities facing the company. Combining the roles of chairman and chief executive officer creates unified leadership and direction for the board and executive management, which our board believes will enhance the company's ability to communicate its message and strategy clearly and consistently to our stockholders, as well as enable decisive, flexible and unified company leadership and ensure clear accountability.

Our board of directors has concluded that its current leadership structure provides an appropriate framework for our directors to provide independent, objective and effective oversight of management. Our chairman of our board, Mr. Cooke, and our president, Andrew C. Clifford, are not considered independent directors because they are part of our management team and receive compensation for services to the company. In accordance with our corporate governance guidelines, our non-management directors meet in executive session at the end of each regularly scheduled board meeting. Following each executive session of non-management directors, the presiding director serves as a liaison between the non-management directors and the chairman regarding any specific feedback or issues that have been discussed in executive session. In addition, our two principal board committees are composed entirely of independent directors, and they have the power and authority to engage independent legal, financial or other advisors as they may deem necessary, without consulting or obtaining the approval of the full board or management.

Board's Role in Oversight of Risk Management

Our board of directors as a whole is responsible for risk oversight, with reviews of certain areas being conducted by the relevant board committees that report to the full board. In its risk oversight role, our board of directors reviews, evaluates and discusses with appropriate members of management whether the risk management processes designed and implemented by management are adequate in identifying, assessing, managing and mitigating material risks facing the company. In addition, as reflected in our ethics and business conduct policy, our board seeks to establish a tone at the top communicating the board's strong commitment to ethical behavior and compliance with the law.

Our board believes that full and open communication between senior management and the board of directors is essential to effective risk oversight. Our chairman and chief executive officer meets regularly with senior management to discuss a variety of matters including business strategies, opportunities, key challenges and risks facing the company, as well as management's risk mitigation strategies. Senior management attends all regularly scheduled board meetings where they conduct presentations to the board on various strategic matters involving our operations and are available to address any questions or concerns raised by the board on risk management-related or any other matters. Our board oversees the strategic direction of the company, and in doing so considers the potential risks and rewards of the company's business opportunities and challenges, and monitors the development and management of risks that impact our strategic goals.

While our board is ultimately responsible for risk oversight at the company, our two board committees assist our board in fulfilling its oversight responsibilities with respect to certain areas of risk. As part of its responsibilities as set forth in its charter, the audit committee is responsible for reviewing and discussing with management and our independent registered public accounting firm the company's major financial risk exposures and the measures management has taken to monitor, control and minimize such risks, including the company's risk assessment and risk management policies. The audit committee assists our board in fulfilling its oversight responsibilities by monitoring the effectiveness of the company's systems of financial reporting, auditing, internal controls and legal and regulatory compliance. Our independent registered public accounting firm meets regularly in executive session with the audit committee. As part of its responsibilities as set forth in its charter, the compensation committee is responsible for overseeing the company's assessment of whether its compensation policies and practices are likely to expose the company to material risks and in consultation with management, is responsible for overseeing the company's compliance with regulations governing executive compensation. Each committee regularly reports on these matters to the full board.

Compensation Committee Interlocks and Insider Participation

The current members of our compensation committee are Messrs. White, Rhea and Smith. In 2013, none of our executive officers served as a director or member of the compensation committee of another entity, where an executive officer of the entity served as one of our directors or on our compensation committee.

RELATIONSHIP WITH INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Audit Committee Report

The audit committee is responsible for assessing the information provided by management and our registered public accounting firm in accordance with its business judgment. Management is responsible for the preparation, presentation and integrity of our financial statements and for the appropriateness of the accounting principles and reporting policies that are used. Management is also responsible for testing the system of internal controls, and reports to the audit committee on any deficiencies found. Our registered public accounting firm was responsible for auditing the financial statements and for reviewing the unaudited interim financial statements.

The audit committee reviewed with our registered public accounting firm the overall scope and plan of the audit. In addition, it met with our registered public accounting firm, with and without management present, to discuss the results of MaloneBailey, LLP's examination, the evaluation of our system of internal controls, the overall quality of our financial reporting and such other matters as are required to be discussed under generally accepted auditing standards. The audit committee has also received from, and discussed with, our registered public accounting firm the matters required to be discussed by Statement on Auditing Standards 61 (Communication with Audit Committees).

The audit committee discussed with MaloneBailey, LLP that firm's independence from management and our company, including the matters in the written disclosures and the letter required by the Independence Standards Board Standard No. 1. The audit committee has also considered the compatibility of audit related and tax services with the auditors independence.

In fulfilling its oversight responsibilities, the audit committee has reviewed and discussed the audited financial statements in the Annual Report on Form 10-K for the year ended December 31, 2013 with both management and our registered public accounting firm. The audit committee's review included a discussion of the quality and integrity of the accounting principles, the reasonableness of significant estimates and judgments, and the clarity of disclosures in the financial statements.

In reliance on the reviews and discussions referred to above, the audit committee recommended to the board, and the board has approved, that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2013 for filing with the SEC.

By the Audit Committee of the Board of Directors:

John W. Rhea, IV, Audit Committee Chair

Rex H. White, Jr., Audit Committee Member

Kevin M. Smith, Audit Committee Member
