(iii) outstanding, eligible options to purchase Prestige Common Stock (“Prestige Options”), will be cancelled and automatically converted into the right to receive, in the aggregate, an amount of cash equal to \$1,108,798,350 and the Stock Consideration (valued at approximately \$670,000,000 based on the volume weighted average trading price of the Company Ordinary Shares for the twenty trading days preceding August 29, 2014 of \$33.01 per share), and in the case of each share of Prestige Common Stock and each Prestige Option, a pro rata portion of a contingent payment, if any, of up to \$50,000,000 in cash subject to the achievement of certain milestones set forth in the Merger Agreement. See “The Prestige Acquisition — The Prestige Acquisition Consideration.”

**Background of the Prestige Acquisition.** For a description of events leading to the approval of the Merger Agreement by the Transaction Committee, see “The Prestige Acquisition — Background of the Prestige Acquisition.”

**Transaction Committee Approval.** After discussion, including review and consideration of the factors described under “The Prestige Acquisition — Recommendation and Reasons for the Prestige Acquisition”, the Transaction Committee unanimously determined that the transactions contemplated by the Merger Agreement, including the merger, the Share Issuance and the financing related to the merger (collectively, the “Merger Transactions”) were in the best interests of the Company and the Company’s shareholders. The Transaction Committee unanimously approved the Merger Agreement and the Merger Transactions and recommended that the Company’s shareholders approve the Share Issuance, as described under “The Prestige Acquisition — Background of the Prestige Acquisition.”

**Recommendation and Reasons for the Prestige Acquisition.** After considering the various factors (see “The Prestige Acquisition — Recommendation and Reasons for the Prestige Acquisition”), the Transaction Committee concluded that the positive factors relating to the Merger Agreement and the Prestige Acquisition, including the merger, substantially outweighed the potential negative factors. The Transaction Committee collectively reached the conclusion to approve the Merger Agreement and the Prestige Acquisition, including the merger, in light of the various factors described in “The Prestige Acquisition — Recommendation and Reasons for the Prestige Acquisition” and other factors that the members of the Transaction Committee believed were appropriate. In view of the wide variety of factors considered by the Transaction Committee in connection with its evaluation of the Merger Agreement and the Prestige Acquisition, including the merger, and the complexity of these matters, the Transaction Committee did not consider it practical, and did not attempt, to quantify, rank or otherwise assign relative weights to the specific factors it considered in reaching its decision, and it did not undertake to make any specific determination as to whether any factor, or any particular aspect of any factor, supported or did not support its ultimate determination. Rather, the Transaction Committee made its recommendation based on the totality of information it received and the investigation it conducted. See “The Prestige Acquisition — Recommendation and Reasons for the Prestige Acquisition.”

**Action by Written Consent.** On September 2, 2014, the beneficial owners of approximately 55.9% of the issued and outstanding Company Ordinary Shares as of the Record Date executed the Written Consent in lieu of a meeting to approve the Share Issuance to certain securityholders of Prestige as a portion of the consideration to be paid by the Company to Prestige’s securityholders in connection with the Prestige Acquisition in order to comply with the requirements of NASDAQ Stock Market Listing Rule 5635(a)(2). In addition, Genting, STAR and TPG (each as defined below), each of whose consent was required pursuant to the Company’s existing amended and restated shareholders’ agreement (the “Shareholders’ Agreement”), have consented to the Prestige Acquisition. As a result, no further approval or consent of our shareholders is required to approve the Merger Agreement and the transactions contemplated thereby. See “About this Information Statement — Requirement to Obtain Shareholder Approval.”

**Summary of the Fairness Opinions.** (page 16)

**Opinion of Barclays.** Barclays Capital Inc. (“Barclays”) delivered its opinion to the Transaction Committee that, as of September 2, 2014, and based upon and subject to the qualifications, limitations and assumptions set forth therein, the aggregate consideration, consisting of \$1,108,798,350 in cash, 20,296,880 Company Ordinary Shares and a contingent payment, if any, of up to \$50,000,000 in cash, to be paid by the Company pursuant to the Merger Agreement was fair, from a financial point of view, to the Company.

**TABLE OF CONTENTS**

The full text of Barclays' written opinion, dated as of September 2, 2014, is attached as Annex B to this Information Statement. Barclays' written opinion sets forth, among other things, the assumptions made, procedures followed, factors considered and limitations upon the review undertaken by Barclays in rendering its opinion. You are encouraged to read the opinion carefully in its entirety. Barclays' opinion, the issuance of which was approved by Barclays' Fairness Opinion Committee, is addressed to the Transaction Committee, addresses only the fairness, from a financial point of view, of the aggregate consideration to be paid by the Company pursuant to the Merger Agreement and does not constitute a recommendation to any shareholder of the Company as to how such shareholders should act with respect to the merger or any other matter. See "The Prestige Acquisition — Opinion of Barclays Capital Inc." Opinion of Perella. On September 2, 2014, Perella Weinberg Partners LP ("PWP") rendered its oral opinion, subsequently confirmed in writing, as financial advisor to the Transaction Committee that, as of such date and based upon and subject to the various assumptions made, procedures followed, matters considered and qualifications and limitations set forth therein, the aggregate consideration, consisting of \$1,108,798,350 in cash and 20,296,880 Company Ordinary Shares, at closing and a contingent merger consideration payment, if any, of up to \$50,000,000 in cash, to be paid by Norwegian pursuant to the Merger Agreement was fair, from a financial point of view, to Norwegian.

The full text of PWP's written opinion, dated September 2, 2014, which sets forth, among other things, the assumptions made, procedures followed, matters considered and qualifications and limitations on the review undertaken by PWP, is attached as Annex C to this Information Statement and is incorporated by reference herein. Holders of Company Ordinary Shares are urged to read PWP's opinion carefully and in its entirety. The opinion does not address Norwegian's underlying business decision to enter into the Merger Agreement. The opinion does not constitute a recommendation to any holder of Company Ordinary Shares as to how such holders should act with respect to the merger or any other matter and does not in any manner address the prices at which Company Ordinary Shares will trade at any time. In addition, PWP expressed no opinion as to the fairness of the merger to the holders of any class of securities, creditors or other constituencies of Norwegian. PWP provided its opinion for the information and assistance of the Transaction Committee in connection with, and for the purposes of its evaluation of, the merger. This summary is qualified in its entirety by reference to the full text of the opinion. See "The Prestige Acquisition — Opinion of Perella Weinberg Partners LP."

Summary of the Financing of the Prestige Acquisition. (page 29)

Financing of the Prestige Acquisition. The Prestige Acquisition will be financed with cash on hand and, in part, proceeds from the Senior Facilities (as described herein) and the Bridge Facility (as described herein). Consummation of the Prestige Acquisition is conditioned upon our obtaining financing as contemplated therein. See "The Prestige Acquisition — Financing of the Prestige Acquisition."

Summary of the Appraisal Rights in Connection with the Prestige Acquisition. (page 29)

No Appraisal Rights in Connection with the Prestige Acquisition. Securityholders of Prestige will not be entitled to exercise appraisal or dissenters rights under the laws of the Republic of Panama or the laws of Bermuda in connection with the Prestige Acquisition or the Share Issuance. See "The Prestige Acquisition — No Appraisal Rights in Connection with the Prestige Acquisition."

Summary of the Interest of Certain Persons in the Prestige Acquisition. (page 30)

Agreements Among Apollo, Prestige and the Company. Apollo (as defined herein) currently owns approximately 20.0% of the issued and outstanding Company Ordinary Shares and controls the Board, and Apollo also currently controls Prestige, owning approximately 80% of Prestige's economics. Accordingly, in connection with the transactions described herein, Apollo will receive approximately 80% of the consideration to be paid by the Company in the merger (the "Merger Consideration").

Apollo currently is party to a Management Consulting Agreement (the "Management Consulting Agreement") with Oceania Cruises, Inc. ("Oceania"), a subsidiary of Prestige. Under the Management Consulting Agreement, Apollo is entitled to receive an annual fee of \$875,000 in exchange for providing

various management consulting and advisory services to Oceania and its subsidiaries. Apollo will receive a payment of \$235,000 in connection with the consummation of the Prestige Acquisition, and the parties to the Management Consulting Agreement plan to terminate the Management Consulting Agreement prior to the Closing.

Executive Compensation. None of the Company's named executive officers will receive any compensatory payments or benefits that constitute "golden parachute" compensation within the meaning of Item 402(t) of Regulation S-K. The following named executive officers of Prestige will receive compensatory payments or benefits that constitute "golden parachute" compensation within the meaning of Item 402(t) of Regulation S-K, assuming for such purpose that the named executive officer's employment were terminated by the Company without "cause" or by the officer with "good reason" (or, in the case of Mr. Kamlani, a "constructive termination") immediately following the Closing: (i) Frank J. Del Rio, Chief Executive Officer and Chairman of the board of directors of Prestige; (ii) Jason M. Montague, Executive Vice President, Chief Financial Officer; (iii) Robert J. Binder, Vice Chairman and President; (iv) Kunal S. Kamlani, President and Chief Operating Officer of Prestige Cruise Holdings, Inc., a wholly owned subsidiary of Prestige; and (v) T. Robin Lindsay, Executive Vice President of Vessel Operation. No named executive officer is entitled to any payments related to pension benefits or nonqualified deferred compensation arrangements. See "Interest of Certain Persons in the Prestige Acquisition — Executive Compensation."

Summary of the Agreement and Plan of Merger. (page 34)

Upon the consummation of the Prestige Acquisition, Prestige will become a wholly owned, indirect subsidiary of the Company. The Closing will take place on the third business day following the satisfaction or waiver of each of the closing conditions set forth in the Merger Agreement, or on such other date as may be agreed upon in writing by Prestige and us. The Merger Agreement contains customary covenants and customary representations and warranties made by Prestige, the Company and the Stockholders' Representative. The consummation of the Prestige Acquisition and the transactions contemplated thereby are subject to, among other things, the satisfaction or waiver of the certain conditions specified in the Merger Agreement. Each of the Company and Prestige has agreed to indemnify the other and certain related parties for certain losses until the date that is nine (9) months following the anniversary of the date of the Closing (the "Closing Date"), subject to certain caps and deductibles, as set forth in the Merger Agreement. The Merger Agreement may be terminated at any time before the Closing upon the occurrence of certain conditions, as set forth in the Merger Agreement. Subject to certain conditions, if the Merger Agreement is terminated under certain circumstances principally related to our failure to consummate the Prestige Acquisition due to the failure to obtain the necessary financing, the Company shall pay or cause to be paid to Prestige a termination fee of \$88,900,000 in cash (the "Termination Fee"). ## TABLE OF CONTENTS

### GENERAL

This Information Statement is being delivered to our shareholders in connection with the Share Issuance to certain securityholders of Prestige in connection with the Prestige Acquisition. Following the consummation of the Prestige Acquisition, Prestige will become a wholly owned, indirect subsidiary of the Company.

Approval of the Prestige Acquisition.

On July 16, 2014, the Board determined to establish the Transaction Committee, to appoint disinterested members of the Board to serve on the Transaction Committee (consisting of directors Messrs. Lim, Chidsey, Chua, Peterson, Revell and Salerno) and to delegate to the Transaction Committee the full authority to, among other things, direct any process of consideration of an acquisition of Prestige and potential alternative transactions, negotiate the terms of any such potential transaction and approve or reject any such proposed transaction.

On September 2, 2014, the Transaction Committee held a meeting in London, United Kingdom, with representatives of the outside legal counsel and financial advisor of the Transaction Committee participating. After discussion, including review and consideration of the factors described under “The Prestige Acquisition — Recommendation and Reasons for the Prestige Acquisition”, the Transaction Committee unanimously determined that the Merger Transactions were in the best interests of the Company and the Company’s shareholders. The Transaction Committee unanimously approved the Merger Agreement and the Merger Transactions and recommended that the Company’s shareholders approve the Share Issuance, as described under “The Prestige Acquisition — Background of the Prestige Acquisition.”

In addition, on September 2, 2014, Genting, STAR and TPG, each of whose consent to the Prestige Acquisition is required pursuant to the terms of the Shareholders’ Agreement, consented to the Prestige Acquisition.

Requirement to Obtain Shareholder Approval.

We are subject to the NASDAQ Stock Market Listing Rules because the Company Ordinary Shares are currently listed on the NASDAQ Global Select Market.

Pursuant to NASDAQ Stock Market Listing Rule 5635(a)(2), when a NASDAQ-listed company proposes to issue securities in connection with the acquisition of the stock of another company, shareholder approval is required if (a) a substantial shareholder of such company has a 5% or greater interest, directly or indirectly, in such target company or the assets to be acquired or in the consideration to be paid in the transaction or series of related transactions and (b) the present or potential issuance of ordinary shares could result in an increase in outstanding ordinary shares or voting power of 5% or more. NASDAQ Stock Market Listing Rule 5635(e)(3) defines a substantial shareholder as the holder of an interest of 5% or more of either the number of shares of common stock or the voting power outstanding of a NASDAQ-listed company. Because investment funds affiliated with Apollo Global Management, LLC (collectively, “Apollo”) currently own approximately 20.0% of the issued and outstanding Company Ordinary Shares, Apollo is considered a substantial shareholder of the Company under NASDAQ Stock Market Listing Rule 5635(e)(3). Apollo also currently controls Prestige, owning approximately 80% of Prestige’s economics. Therefore, pursuant to NASDAQ Stock Market Listing Rule 5635(a)(2), the Company sought the approval, by written consent, of Apollo, Genting Hong Kong Limited (“Genting”), STAR NCLC Holdings Ltd. (“STAR”), and TPG Viking, L.P., TPG Viking AIV I, L.P., TPG Viking AIV II, L.P., and TPG Viking AIV III, L.P. (collectively, “TPG”), which together held Company Ordinary Shares representing a majority of the issued and outstanding Company Ordinary Shares as of August 26, 2014, for the Share Issuance pursuant to the terms of the Merger Agreement (the “Written Consent”).

On September 2, 2014, Apollo, Genting, STAR, and TPG executed, in accordance with bye-law 39 of the Company’s amended and restated bye-laws, the Written Consent, attached as Annex D to this Information Statement. The Share Issuance approved by the Written Consent will not be made prior to [•], 2014, which is twenty (20) calendar days following the date on which the definitive form of this Information Statement is first mailed to our shareholders.

TABLE OF CONTENTS

No Voting Required.

We are not seeking a vote, authorizations or proxies from you. Bye-law 39 of the Company's amended and restated bye-laws provides that shareholders may take action without a meeting of the shareholders and without prior notice if a consent in writing, setting forth the action so taken, is signed by the holders of the outstanding voting shares holding not less than the minimum number of votes that would be necessary to approve such action at a shareholders meeting. The approval by at least a majority of the outstanding voting power of the Company Ordinary Shares is required to approve the Share Issuance pursuant to the Merger Agreement for purposes of NASDAQ Stock Market Listing Rule 5635(a)(2).

As of August 26, 2014, the record date established for the Written Consent (the "Record Date"), we had 203,213,068 ordinary shares, par value \$0.001 per share (the "Company Ordinary Shares"), issued and outstanding and entitled to vote on the Share Issuance pursuant to the Merger Agreement. Each Company Ordinary Share is entitled to one vote per Company Ordinary Share. The shareholders of the Company who approved the Share Issuance by Written Consent held 113,638,668 Company Ordinary Shares as of the Record Date.

Notice Pursuant to the Company's Amended and Restated Bye-laws.

Pursuant to bye-laws 24 and 39 of the Company's amended and restated bye-laws, we provided written notice of the action taken by the Written Consent to our shareholders who did not consent in writing to such action. THE PRESTIGE ACQUISITION

The Parties

Our Company. The Company is a Bermuda limited company formed as a holding company in 2011, which owns 100% of the ordinary shares of NCLC, with predecessors dating from 1966. We are a leading global cruise line operator, offering cruise experiences for travelers with a wide variety of itineraries in North America (including Alaska and Hawaii), the Mediterranean, the Baltic, Central America, Bermuda and the Caribbean. We strive to offer an innovative and differentiated cruise vacation with the goal of providing our guests the highest levels of overall satisfaction on their cruise experience. In turn, we aim to generate the highest guest loyalty and greatest numbers of repeat guests. We created a distinctive style of cruising called “Freestyle Cruising” onboard all of our ships, which we believe provides our guests with the freedom and flexibility associated with a resort style atmosphere and experience as well as more dining options than a traditional cruise. We established the very first private island developed by a cruise line in the Bahamas with a diverse offering of activities for guests. We are also the only cruise line operator to offer an entirely inter-island itinerary in Hawaii.

By providing such a distinctive experience and appealing combination of value and service, we straddle both the contemporary and premium segments. As a result, we have been recognized for our achievements as the recipient of multiple honorary awards mainly consisting of reviews tabulated from the readers of travel periodicals such as Travel Weekly, Condé Nast Traveler and Travel + Leisure. We have been recognized as “Europe’s Leading Cruise Line” six years in a row, as well as both “Caribbean’s Leading Cruise Line” and “World’s Leading Large Ship Cruise Line” by the World Travel Awards. Norwegian Breakaway, which was launched in 2013, has been named “Best New Ship” by the editors of Cruise Critic and “Best Rookie Cruise Ship” by the readers of Travel Weekly.

We offer a wide variety of cruises ranging in length from one day to three weeks. During 2013, we docked at 114 ports worldwide, with itineraries originating from 18 ports of which nine are in North America. In line with our strategy of innovation, many of these North American ports are part of our “Homeland Cruising” program in which we have homeports that are close to major population centers, such as New York, Boston and Miami. This reduces the need for vacationers to fly to distant ports to embark on a cruise and helps reduce our guests’ overall vacation cost. We offer a wide selection of exotic itineraries outside of the traditional cruising markets of the Caribbean and Mexico; these include cruises in Europe, including the Mediterranean and the Baltic, Bermuda, Alaska and the industry’s only entirely inter-island itinerary in Hawaii with our U.S.-flagged ship, Pride of America. This itinerary is unparalleled in the cruise industry, as all other vessels from competing cruise lines are registered outside the U.S. and are required to dock at a distant foreign port when providing their guests with a Hawaii-based cruise itinerary.

Each of our 13 modern ships has been purpose-built to consistently deliver our “Freestyle Cruising” product offering across our entire fleet, which we believe provides us with a competitive advantage. By focusing on “Freestyle Cruising,” we have been able to achieve higher onboard spend levels, greater customer loyalty and the ability to attract a more diverse clientele.

As a result of our strong operating performance, the growing demand we see for our distinctive cruise offering and the rational supply outlook for the industry, we added new ships to our fleet. In 2010, we launched a newbuild program for the next generation of Freestyle Cruising vessels. We placed an order with Meyer Werft for two new cruise ships: Norwegian Breakaway, which was delivered in April 2013, and Norwegian Getaway, which was delivered in January 2014. These ships are approximately 144,000 Gross Tons (a “Gross Ton” is a unit of enclosed passenger space on a cruise ship, such that one Gross Ton equals 100 cubic feet or 2.831 cubic meters) with 4,000 Berths (a “Berth” is double occupancy capacity per cabin (single occupancy per studio cabin) even though many cabins can accommodate three or more passengers). As of January 31, 2014, we have the youngest fleet among the major North American cruise brands as Norwegian Getaway joins Norwegian Breakaway as the latest generation of “Freestyle Cruising” ships and these ships include some of the most popular elements of our recently delivered ships together with new and differentiated features.

## TABLE OF CONTENTS

We also have orders with Meyer Werft for four additional ships for delivery in the fall of 2015, the spring of 2017, the spring of 2018 and the fall of 2019. These ships will be approximately 163,000 Gross Tons to 164,600 Gross Tons and 4,200 Berths each. The combined contract cost of these four ships is approximately €3 billion. We have export credit financing in place that provides financing for 80% of their contract prices.

Our senior management team has delivered consistent growth and has driven measurable improvements in operating metrics and cash flow generation across several different operating environments. Under the leadership of our President and Chief Executive Officer, Kevin M. Sheehan, we significantly differentiated the Norwegian brand, largely with the “Freestyle Cruising” concept that accelerated revenue growth and contributed to improving our operating income margins by approximately 1,350 basis points since the beginning of 2008 through the end of 2013. Our management team was augmented in key areas such as Sales, Marketing, Hotel Operations and Finance and has since implemented major initiatives such as enhancing onboard service and amenities across the fleet, expanding our European presence and overseeing a newbuild program that included the successful launches in April 2013 and January 2014 of our most innovative ships to date, Norwegian Breakaway and Norwegian Getaway.

**Background of the Prestige Acquisition**

The Company's management and the Board regularly review the Company's performance and prospects in light of its business and developments in the cruise industry. These reviews have included consideration, from time to time, of potential strategic alternatives, including strategic acquisitions.

In June 2014, Kevin Sheehan, the Company's Chief Executive Officer, requested that representatives from Barclays meet with him to discuss the possible acquisition of Prestige by the Company. On June 23, 2014, Mr. Sheehan contacted Frank Del Rio, Chief Executive Officer of Prestige, and requested a meeting on June 24, 2014, in Miami, Florida. Following that discussion, Mr. Sheehan sent Mr. Del Rio a draft confidentiality agreement.

On June 24, 2014, Mr. Sheehan and Mr. Del Rio met in Miami, Florida to discuss, among other things, the possibility of an acquisition of Prestige by the Company. Mr. Del Rio indicated that he believed an appropriate value for Prestige would be \$3.5 billion. The same day, Mr. Del Rio executed the confidentiality agreement.

During the course of the ensuing two weeks, Mr. Sheehan discussed with members of management and certain disinterested directors of the Board, among other things, the potential benefits to the Company of acquiring Prestige, and certain disinterested directors further discussed the potential transaction. In early July 2014, members of management of each of the Company and Prestige met in Miami, Florida, to conduct preliminary due diligence on Prestige with a view to subsequently having preliminary discussions regarding the possible structure and terms of a potential acquisition.

On July 10, 2014, the Board held a telephonic meeting to discuss the potential acquisition of Prestige by the Company. Because affiliates of Apollo control Prestige and its board of directors, Messrs. Abrams, Aron, Crowe, Martinez and Seminara, each a director of the Company employed by Apollo or its affiliates or partners, recused themselves from the meeting and any further discussion relating to the possible acquisition. During the meeting, the Board discussed, among other things, the establishment of a transaction committee consisting of disinterested directors to evaluate a potential acquisition of Prestige, as well as the appointment of independent outside legal counsel and financial advisors for the committee.

On July 16, 2014, the Board held a telephonic meeting to discuss and establish the Transaction Committee and to appoint disinterested members of the Board to serve on the Transaction Committee. Messrs. Abrams, Aron, Crowe, Martinez and Seminara recused themselves from the meeting. Also present at the meeting by invitation of the Board were representatives of Cravath, Swaine & Moore LLP ("Cravath") and PWP. Cravath provided the directors with an overview of their fiduciary duties in connection with the evaluation of a potential transaction with Prestige, including the need for the directors to disclose any actual or potential conflicts of interest. Following discussion, the directors present at the meeting determined that none had any material conflict of interest in connection with the potential transaction. Further, the directors present at the meeting unanimously determined to establish the Transaction Committee, to appoint disinterested members of the Board to serve on the Transaction Committee (consisting of Messrs. Lim, Chidsey, Chua, Peterson, Revell and Salerno) and to delegate to the Transaction Committee the full authority to, among other things, direct any process of consideration of an

acquisition of Prestige and potential alternative transactions, negotiate the terms of any such potential transaction and approve or reject any such proposed transaction. The directors present at the meeting also unanimously determined to establish a subcommittee of the Transaction Committee (the “Subcommittee”) to help facilitate and expedite matters before the Transaction Committee. Messrs. Peterson and Chua were appointed to the Subcommittee.

Immediately following the Board meeting on July 16, 2014, the Transaction Committee met, with representatives of Cravath and, for portions of the meeting, PWP participating, to discuss, among other things, the formal retention of independent outside legal counsel and an independent financial advisor as well as the next steps in the process of exploring a potential acquisition of Prestige. During the meeting, the Transaction Committee appointed Mr. Peterson as Chairman of the committee. The Transaction Committee also discussed and confirmed with the representatives of Cravath and PWP their qualifications and experience in comparable transactions and the absence of conflicts of interest in representing the Transaction Committee in connection with the potential acquisition of Prestige.

Members of management then joined the meeting and discussed with the Transaction Committee and the representatives of Cravath and PWP the proposed due diligence process to be conducted in order to provide the Transaction Committee with the information needed to determine whether, and at what price, to offer to acquire Prestige, as well as how to structure any such transaction. Following the departure of management and PWP, the Transaction Committee determined that it would formally engage Cravath as its independent outside counsel in connection with a potential transaction with Prestige and, subject to negotiating an acceptable fee arrangement, it would engage PWP as financial advisor to the Transaction Committee. The Subcommittee was authorized to formalize the engagement of PWP and also to negotiate the fees of Barclays as financial advisor to the Company. From July 17 to July 29, 2014, representatives of Weil, Gotshal & Manges LLP (“Weil”), outside legal counsel to the Company, Barclays, Deloitte & Touche (“Deloitte”), accounting and tax advisor to the Company, Cravath and PWP, as well as members of management, conducted preliminary due diligence on Prestige. On July 18, 2014, Mr. Peterson and Mr. Del Rio met to discuss the possible acquisition of Prestige by the Company.

On July 29, 2014, the Transaction Committee held a telephonic meeting, with representatives of Cravath, PWP and, for portions of the meeting, management and Barclays participating, to discuss progress in the due diligence on Prestige and to consider and discuss the process moving forward. During the meeting, representatives of Barclays reviewed with the Transaction Committee Barclays’ preliminary financial analyses in connection with the potential acquisition of Prestige, including, among other things, its preliminary discounted cash flow analysis and preliminary analyses based on trading multiples of selected public companies in the cruise industry and selected comparable transactions. Following the departure of management and Barclays, representatives of PWP reviewed with the Transaction Committee PWP’s preliminary financial analyses in connection with the potential transaction, including its preliminary discounted cash flow analysis and preliminary analyses based on trading multiples of selected public companies in the cruise industry and selected comparable transactions. Following discussion of numerous factors, including, among other things, the preliminary financial analyses presented by each of Barclays and PWP, potential synergies associated with the potential acquisition, the anticipated pro forma leverage of the Company following the consummation of the proposed acquisition and a preliminary assessment of the potential market reaction to such an acquisition, the Transaction Committee determined that it would make an initial proposal to acquire Prestige at an enterprise value of \$3.025 billion, with a consideration mix of approximately \$1.2 billion in cash and the remainder in shares of Company Ordinary Shares (the “Initial Proposal”).

Later that day, Mr. Peterson and representatives of PWP contacted Mr. Martinez in his capacity as a member of the Board of Directors of Prestige to inform Mr. Martinez that the Company was preparing a proposal to acquire Prestige and would soon deliver a non-binding formal offer.

On July 30, 2014, the Transaction Committee met to finalize the details of the Initial Proposal and Mr. Peterson discussed with the Transaction Committee his conversation with Mr. Martinez.

On July 31, 2014, Mr. Sheehan and representatives of PWP had a telephone conversation with Mr. Martinez to discuss the Initial Proposal and the process moving forward. Mr. Martinez informed

TABLE OF CONTENTS

Mr. Sheehan and PWP that \$3.025 billion did not represent sufficient value to Prestige's securityholders to proceed with the proposed acquisition and Prestige believed an enterprise value above \$3.1 billion would be more appropriate, and indicated that certain parties at Prestige believed an enterprise value of \$3.5 billion would be more appropriate. Mr. Martinez, Mr. Sheehan and PWP also discussed considering ways to bridge the value gap. Mr. Sheehan subsequently spoke to Mr. Del Rio, who conveyed a similar message. Later that day, an offer letter, reflecting the Initial Proposal, was sent to Prestige.

On August 3, 2014, Prestige sent a letter to the Company in response to the Initial Proposal informing the Company that the Initial Proposal did not represent sufficient value to Prestige's securityholders to proceed with the proposed acquisition. On August 4, 2014, Mr. Peterson and Mr. Martinez discussed Prestige's response to the Initial Proposal and Mr. Peterson requested that Mr. Martinez inform him of the price at which Prestige would consider moving forward with the proposed acquisition. Mr. Martinez informed Mr. Peterson that Prestige would soon respond more fully to the Initial Proposal.

On August 7, 2014, Mr. Martinez informed Mr. Peterson that, among other things, Prestige would be willing to proceed with the proposed acquisition at a price reflecting an enterprise value of Prestige equal to \$3.125 billion. Later that day, the Transaction Committee held a telephonic meeting, with representatives of Cravath and PWP participating, to discuss, among other things, Prestige's response to the Initial Proposal, the Company's response to Prestige's counterproposal and the process moving forward. Following discussion of the various considerations, including, among other things, the potential risks associated with fluctuations in the debt and equity markets and the potential benefits of structuring the consideration so as to provide incentives for Prestige's management to meet certain performance targets, the Transaction Committee authorized Mr. Peterson to make a counterproposal that increased the offer amount in the form of a potential contingent payment.

On August 8, 2014, members of management of each of the Company and Prestige, as well as representatives of Deloitte, Barclays and PWP, participated in additional business, accounting and tax due diligence discussions. Later the same day, Mr. Peterson, Mr. Sheehan and Mr. Martinez had a telephone conversation during which Mr. Peterson informed Mr. Martinez that the Transaction Committee was willing to make a revised proposal reflecting an enterprise value of Prestige of \$3.025 billion with consideration consisting of a mix of shares of Company Ordinary Shares and cash, plus a contingent cash payment of up to \$50 million payable based upon the achievement of certain 2015 performance targets to be agreed (the "Revised Proposal").

On August 9, 2014, members of management of each of the Company and Prestige, as well as representatives of Barclays and PWP, discussed structural considerations related to the potential contingent payment.

On August 10, 2014, Mr. Peterson and Mr. Martinez had a telephone conversation and Mr. Martinez indicated that he believed the proposed acquisition made sense for both companies, and agreed to proceed with the proposed transaction on the basis of the Revised Proposal, subject to agreement on mechanics related to the contingent payment and other contract terms. Later the same day, Mr. Sheehan met Mr. Del Rio to discuss, among other things, the possible structure of the contingent payment.

On August 11, 2014, members of management of each of the Company and Prestige, as well as representatives of Barclays, PWP, Cravath, Weil, Paul, Weiss, Rifkind, Wharton & Garrison LLP, Prestige's outside legal counsel ("Paul Weiss"), and UBS Investment Bank, Prestige's financial advisor ("UBS"), participated in a telephone conversation to discuss, among other things, the further due diligence process and the details of the Revised Proposal. Later that day, a term sheet reflecting the Revised Proposal and a letter requesting exclusivity through September 4, 2014 (the "Exclusivity Letter") were sent to Prestige.

Between August 12 and September 2, 2014, the Company engaged in negotiations with several financial institutions in order to obtain the financing necessary to consummate the potential acquisition of Prestige.

Between August 12 and August 20, 2014, Prestige continued to respond to due diligence requests from the Company and several due diligence conversations and meetings occurred, including a day-long management due diligence session in Miami, Florida on August 14, 2014.

TABLE OF CONTENTS

On August 18, 2014, the parties executed the Exclusivity Letter and on August 19, 2014, a draft merger agreement was distributed to Paul Weiss. On August 19, 2014, representatives of Paul Weiss, Weil and Cravath discussed certain terms related to the contingent payment.

On August 20, 2014, representatives of Barclays and PWP contacted representatives of UBS to discuss, among other things, certain financial due diligence items. That same day, Paul Weiss distributed a list reflecting certain of Prestige's initial responses to certain terms in the draft merger agreement, including, among other things, provisions relating to indemnification, the capital structure of Prestige, closing conditions and the contract ramifications of a financing failure. Later that day, representatives of Paul Weiss, Cravath and Weil had a telephone conversation to discuss those issues.

On August 21, 2014, the Subcommittee held a telephonic meeting, with representatives of Cravath and PWP participating, to discuss, among other things, the status of the due diligence process, negotiations with Prestige and certain issues relating to the draft merger agreement. The representatives of PWP also discussed with the members of the Subcommittee possible amendments to be made to the Shareholders' Agreement in the event that the Transaction Committee determined to proceed with an acquisition of Prestige addressing, among other things, lock-ups of shares to be received by affiliates of Apollo and members of Prestige management in the potential acquisition.

On August 22, 2014, Weil sent Paul Weiss the Company's responses to the issues in the draft merger agreement raised by Prestige. Later that day, Weil discussed with Paul Weiss the Company's responses, including in respect of the treatment of accrued interest on Prestige's existing debt and the impact of certain other expenses when considering the equity value of Prestige.

On August 23, 2014, Paul Weiss sent comments to Weil and Cravath on the draft merger agreement. On August 24, 2014, Paul Weiss sent Prestige's responses to the issues list to Weil and Cravath.

On August 25, 2014, Paul Weiss sent to Weil, Cravath and the Company draft disclosure schedules to the merger agreement. On August 26, 2014, Weil sent to Paul Weiss the Company's responses to the issues list and the following day sent to Paul Weiss a revised draft of the merger agreement.

On August 27, 2014, the Transaction Committee held a telephonic meeting, with representatives of Cravath, PWP and, for portions of the meeting, Barclays, management and Weil participating. The Transaction Committee considered provisions of the draft merger agreement, including, among other things, the structure of the contingent payment potentially payable by the Company and the treatment of accrued interest on Prestige's existing indebtedness when considering the equity value of Prestige. The Transaction Committee also considered, among other things, the indemnification provisions, closing conditions and termination provisions of the draft merger agreement, including provisions relating to the termination of the agreement in the event of a financing failure and the amount of the related termination fee. Following discussion, the Transaction Committee directed its advisors to continue negotiations with Prestige and its advisors consistent with the Transaction Committee's direction.

Also during the meeting, Mr. Sheehan discussed with the Transaction Committee an update on the financial outlook of the Company and the impact of the potential acquisition on the Company, including, among other things, the anticipated leverage of the Company after consummation of the potential acquisition. The Transaction Committee discussed and considered the terms and status of the financing for the potential acquisition and the terms of the potential acquisition as part of the Company's growth strategy. During the meeting, representatives of Barclays and PWP also each reviewed with the Transaction Committee their updated financial analyses regarding the potential acquisition.

Between August 27 and September 2, 2014, the Company, Prestige and their respective legal counsel and financial advisors engaged in various negotiations regarding the terms of the draft merger agreement and associated issues lists, as well as the disclosure schedules prepared by each of Prestige and the Company. During this time, members of the Subcommittee spoke with representatives of the Company's management, Cravath and PWP in order to discuss issues raised during negotiations of the draft merger agreement and related matters, including with respect to future employment arrangements of Prestige.

## TABLE OF CONTENTS

On September 2, 2014, the Transaction Committee held a meeting in London, United Kingdom, with representatives of Cravath, PWP and, for portions of the meeting, management and Barclays participating. Representatives of Barclays reviewed with the Transaction Committee its financial analysis of the consideration to be paid to Prestige's securityholders and delivered to the Transaction Committee an oral opinion, which was confirmed by delivery of a written opinion dated September 2, 2014, and attached to this Information Statement as Annex B, to the effect that, as of that date and based on and subject to various assumptions and limitations described in its opinion, the consideration to be paid by the Company pursuant to the merger agreement was fair, from a financial point of view, to the Company. Following the departure of management and Barclays, representatives of Cravath provided a review of the fiduciary duties of the directors in connection with their consideration of the proposed transaction and reviewed with the Transaction Committee the terms of the proposed merger agreement, including resolution of the open issues discussed at the prior meeting. Representatives of PWP then reviewed with the Transaction Committee its financial analysis of the consideration to be paid by the Company pursuant to the Merger Agreement, and delivered to the Transaction Committee an oral opinion, which was subsequently confirmed by delivery of a written opinion dated September 2, 2014, and attached to this Information Statement as Annex C, that, as of such date and based upon and subject to the various assumptions made, procedures followed, matters considered and qualifications and limitations set forth therein, the consideration to be paid by the Company pursuant to the merger agreement was fair, from a financial point of view, to the Company. After discussion, including review and consideration of the factors described under "The Prestige Acquisition — Recommendation and Reasons for the Prestige Acquisition", the Transaction Committee unanimously determined that the Merger Transactions were in the best interests of the Company and the Company's shareholders. The Transaction Committee unanimously approved the Merger Agreement and the Share Issuance and recommended that the Company's shareholders approve the Share Issuance.

On September 2, 2014, TPG, Genting and STAR, each of whose consent to the proposed transaction is required pursuant to the terms of the Shareholders' Agreement, consented to the proposed transaction. In addition, holders of shares of Company Ordinary Shares representing a majority of the outstanding shares of Company Ordinary Shares consented to the issuance of shares to the securityholders of Prestige in connection with the proposed transaction. Later that day, prior to the commencement of trading on NASDAQ, the parties executed and delivered the Merger Agreement and issued a joint press release announcing the transaction and their execution of a definitive merger agreement and the Company held an investor call to discuss the Prestige Acquisition.

### Recommendation and Reasons for the Prestige Acquisition

In evaluating the Merger Agreement and the Prestige Acquisition, the Transaction Committee consulted with the management of the Company, as well as PWP, Barclays and Cravath. In the course of making the determination that the Merger Agreement and the Prestige Acquisition are in the best interests of the Company and its shareholders and to recommend that the Company's shareholders approve the Share Issuance, the Transaction Committee considered numerous factors, including the following material factors and benefits:

- 
- **Strategic Considerations.** The Transaction Committee considered the fact that the combination of the Company and Prestige will create a diversified company with increased scale and scope and a presence across several market segments in the cruise industry. The Company believes that the acquisition will enhance the Company's financial performance and will create cross-selling opportunities, cross-brand collaboration and cross-brand support which will provide accretion to earnings per share and drive long-term shareholder value. The Transaction Committee also considered that the acquisition of Prestige creates a combined company with a portfolio of cruise products that appeal to guests throughout their lives. In addition, the proposed acquisition, together with the Company's existing newbuild program, provides for a delivery of a new ship each year from 2015 through 2019.
- 
- **Merger Consideration.** The Transaction Committee considered that the Merger Consideration consists of cash and a fixed number of shares of Company Ordinary Shares, which will not adjust upwards to compensate

for any decline in the price of Company Ordinary Shares prior to the

14

Closing. The Transaction Committee also considered that the payment of a portion of the potential total consideration in the form of a contingent payment based on the achievement of certain performance targets would align the interests of Prestige's management and the Company in driving post-closing value for the Company's shareholders.

- 
- Financing Termination. The Transaction Committee considered the fact that, under certain circumstances and subject to certain conditions, if the Company is unable to obtain the financing for which it has commitments, Prestige cannot require the Company to close the acquisition, although the Company may be required to pay Prestige a termination fee of \$88.9 million.
- 
- PWP's and Barclays' Fairness Opinions and Related Analyses. The Transaction Committee considered the financial analyses and presentations of PWP and Barclays, as well as the opinions of each of PWP and Barclays, delivered orally to the Transaction Committee on September 2, 2014, which were confirmed by delivery of written opinions each dated September 2, 2014, each to the effect that, as of such date and based upon and subject to the various assumptions made, procedures followed, matters considered and qualifications and limitations on the review undertaken by each of PWP and Barclays in connection with its respective opinion, the consideration to be paid pursuant to the Merger Agreement was fair, from a financial point of view, to the Company, as more fully described below under the captions "The Prestige Acquisition — Opinion of Barclays Capital Inc." and "The Prestige Acquisition — Opinion of Perella Weinberg Partners LP".
- 
- Authority of the Transaction Committee. The Transaction Committee considered the fact that the Board delegated to the disinterested directors comprising the Transaction Committee full power and authority to, among other things, direct the acquisition process, negotiate the terms of an acquisition, approve or reject a transaction and, if necessary under applicable law, recommend to the Company's shareholders that they approve a transaction. The resolutions establishing the Transaction Committee also provided that the Board would not approve a proposed acquisition without the prior approval of the Transaction Committee.
- 
- Negotiation Process. The Transaction Committee considered the fact that the terms of the Merger Agreement were the result of active and intense negotiations conducted by the Transaction Committee, consisting entirely of disinterested directors, with the assistance of independent financial and legal advisors.
- 
- Pro Forma Financial Impact of the Merger. The Transaction Committee considered the expected financial impact of the merger on the Company, including that the acquisition is anticipated to be accretive to earnings in 2015 before taking into account potential synergies and is anticipated to result in high single digit percentage adjusted earnings per share accretion after taking into consideration potential synergies. The Transaction Committee considered the pro forma financial position of the Company, including its pro forma net leverage, and the ability of the Company to reduce its net leverage within 18 months following the Closing. The Transaction Committee also considered the fact that the Company had obtained committed financing on attractive terms.
-

- **Terms of the Merger Agreement.** The Transaction Committee considered the terms and conditions of the Merger Agreement, including the provision by Prestige of indemnification for certain breaches of its representations, warranties, covenants and agreements, as well as for certain claims asserted by its securityholders and certain tax matters.

In reaching its determinations and recommendations described above, the Transaction Committee also considered the following potentially negative factors:

- 
- **Business Risks.** The Transaction Committee considered certain risks associated with Prestige's business and operations, including, among other things, the emergence of new direct competitors to Prestige, the age of Prestige's vessels and the fact that a number of itineraries for Prestige's cruises include geographic regions that are subject to significant instability.
- 
- **Merger Consideration.** The Transaction Committee considered that the Merger Consideration consists of cash and a fixed number of shares of Company Ordinary Shares, which will not adjust

TABLE OF CONTENTS

downward to compensate for any increase in the price of Company Ordinary Shares prior to the Closing. The Transaction Committee determined that this structure was appropriate and the risk acceptable in light of the relative intrinsic values and financial performance of the Company and Prestige, including the fact that the two companies operate in the same industry and are likely susceptible to similar fluctuations in value.

- 
- Increased Indebtedness. Upon the Closing, the Company will significantly increase its total indebtedness and its net leverage. On a pro forma basis as of September 30, 2014, the Company's net leverage would increase to 5.3x from 4.1x as of June 30, 2014. However, the Company believes that its net leverage will be reduced to approximately 4.0x within 18 months after the Closing.
- 
- Termination Fee. The Transaction Committee considered the fact that, under certain circumstances and subject to certain conditions, if the Company is unable to obtain the financing for which it has commitments, the Company may be required to pay Prestige a termination fee of \$88.9 million.
- 
- Transaction Costs and Integration. The Transaction Committee took into account the substantial transaction costs to be incurred in connection with the merger and the possibility that the potential benefits of the merger, including the anticipated synergies, may not be realized within the expected time period, and the risks and challenges of integrating the Company's and Prestige's businesses, operations and workforces.
- 
- Regulatory Matters. The Transaction Committee considered the regulatory approvals that would be required to consummate the merger and the prospects for receiving any such approvals. The Transaction Committee considered the fact that the parties would be required to use their respective reasonable best efforts to satisfy the closing conditions relating to certain regulatory matters, including by making required filings under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 (the "HSR Act").

The foregoing discussion of the factors considered by the Transaction Committee is intended to be a summary, and is not intended to be exhaustive, but rather includes the principal factors considered by the Transaction Committee. After considering these factors, the Transaction Committee concluded that the positive factors relating to the Merger Agreement and the Prestige Acquisition, including the merger, substantially outweighed the potential negative factors. The Transaction Committee collectively reached the conclusion to approve the Merger Agreement and the Prestige Acquisition, including the merger, in light of the various factors described above and other factors that the members of the Transaction Committee believed were appropriate. In view of the wide variety of factors considered by the Transaction Committee in connection with its evaluation of the Merger Agreement and the Prestige Acquisition, including the merger, and the complexity of these matters, the Transaction Committee did not consider it practical, and did not attempt, to quantify, rank or otherwise assign relative weights to the specific factors it considered in reaching its decision, and it did not undertake to make any specific determination as to whether any factor, or any particular aspect of any factor, supported or did not support its ultimate determination. Rather, the Transaction Committee made its recommendation based on the totality of information it received and the investigation it conducted. In considering the factors discussed above, individual directors may have given different weights to different factors.

Opinion of Barclays Capital Inc.

The Company engaged Barclays to act as its financial advisor with respect to the acquisition of Prestige. On September 2, 2014, Barclays rendered its opinion (which was subsequently confirmed in writing) to the Transaction

Committee that, as of such date and based upon and subject to the qualifications, limitations and assumptions stated in its opinion, the aggregate consideration, consisting of \$1,108,798,350 in cash, 20,296,880 Company Ordinary Shares and a contingent payment, if any, of up to \$50,000,000 in cash, to be paid by the Company pursuant to the Merger Agreement was fair, from a financial point of view, to the Company.

The full text of Barclays' written opinion, dated as of September 2, 2014, is attached as Annex B to this Information Statement. Barclays' written opinion sets forth, among other things, the assumptions made, procedures followed, factors considered and limitations upon the review undertaken by Barclays in rendering its

opinion. You are encouraged to read the opinion carefully in its entirety. The following is a summary of Barclays' opinion and the methodology that Barclays used to render its opinion. This summary is qualified in its entirety by reference to the full text of the opinion. Barclays' opinion, the issuance of which was approved by Barclays' Fairness Opinion Committee, is addressed to the Transaction Committee, addresses only the fairness, from a financial point of view, of the aggregate consideration to be paid by the Company pursuant to the Merger Agreement and does not constitute a recommendation to any shareholder of the Company as to how such shareholders should act with respect to the merger or any other matter.

Barclays' opinion, the issuance of which was approved by Barclays' Fairness Opinion Committee, is addressed to the Transaction Committee, addresses only the fairness, from a financial point of view, of the aggregate consideration to be paid by the Company pursuant to the Merger Agreement and does not constitute a recommendation to any shareholder of the Company as to how such shareholder should act with respect to the merger or any other matter. The terms of the Merger Agreement were determined through arm's-length negotiations between the Company and Prestige and were unanimously approved by the members of the Transaction Committee, who were present and constituted a quorum at a special meeting called to consider the Merger Agreement and the Prestige Acquisition. Barclays did not recommend any specific form of consideration to the Company or that any specific form of consideration constituted the only appropriate consideration for the Prestige Acquisition. Barclays was not requested to address, and its opinion does not in any manner address, the Company's underlying business decision to proceed with or effect the Prestige Acquisition. In addition, Barclays expressed no opinion on, and its opinion does not in any manner address, the fairness of the amount or the nature of any compensation to any officers, directors or employees of any parties to the Prestige Acquisition, or any class of such persons, relative to the aggregate consideration to be paid by the Company pursuant to the Merger Agreement. No limitations were imposed by the Company upon Barclays with respect to the investigations made or procedures followed by it in rendering its opinion.

In arriving at its opinion, Barclays, among other things, reviewed and analyzed:

- 
- a draft of the Merger Agreement, dated as of September 2, 2014, and the specific terms of the Prestige Acquisition;
- 
- the registration statement on Form S-1 of Prestige filed on January 22, 2014;
- 
- financial and operating information with respect to the business, operations and prospects of Prestige furnished to it by Prestige, including financial projections of Prestige prepared by management of Prestige (such forecasts, the "Prestige Projections");
- 
- an alternative version of the Prestige Projections incorporating certain adjustments thereto made by management of the Company (the "Adjusted Prestige Projections");
- 
- financial and operating information with respect to the business, operations and prospects of the Company furnished to it by the Company, including financial projections of the Company prepared by management of the Company (the "Company Projections"), for purposes of analyzing the pro forma impact of the Prestige Acquisition;

- - the pro forma impact of the Prestige Acquisition on the future financial performance of the combined company, including cost savings, operating synergies and other strategic benefits expected by the management of the Company to result from a combination of the businesses (the “Expected Synergies”);
- - a trading history of the Company Ordinary Shares and the trading history of other companies that it deemed relevant; and
- - a comparison of the financial terms of the Prestige Acquisition with the financial terms of certain other transactions that it deemed relevant.

In addition, Barclays (i) had discussions with the management of the Company concerning its business, operations, financial condition and prospects; (ii) had discussions with the management of the Company and the management of Prestige concerning Prestige’s business, operations, financial condition and prospects; and (iii) undertook such other studies, analyses and investigations as it deemed appropriate.

TABLE OF CONTENTS

In arriving at its opinion, Barclays assumed and relied upon the accuracy and completeness of the financial and other information used by Barclays without any independent verification of such information (and did not assume responsibility or liability for any independent verification of such information) and further relied upon the assurances of the management of the Company that they were not aware of any facts or circumstances that would make such information inaccurate or misleading. With respect to the Company Projections and the Adjusted Prestige Projections, upon the advice of the Company, Barclays assumed that such projections were reasonably prepared on a basis reflecting the best currently available estimates and judgments of the management of the Company as to the future financial performance of the Company and Prestige and that the Company and Prestige will perform substantially in accordance with such projections. With respect to the Prestige Projections, Barclays was advised by Prestige, and assumed, that such projections were reasonably prepared on a basis reflecting the best currently available estimates and judgments of the management of Prestige as to the future financial performance of Prestige. Furthermore, upon the advice of the Company, Barclays assumed that the amounts and timing of the Expected Synergies are reasonable and that the Expected Synergies will be realized in accordance with such estimates. Barclays assumed no responsibility for and expressed no view as to any such projections or estimates or the assumptions on which they were based. In arriving at its opinion, Barclays did not conduct a physical inspection of the properties and facilities of the Company and did not make or obtain any evaluations or appraisals of the assets or liabilities of the Company. Barclays' opinion necessarily was based upon market, economic and other conditions as they existed on, and could be evaluated as of, September 2, 2014. Barclays assumed no responsibility for updating or revising its opinion based on events or circumstances that may have occurred after September 2, 2014. Barclays expressed no opinion as to the prices at which the Company Ordinary Shares would trade following the announcement or consummation of the Prestige Acquisition.

In connection with rendering its opinion, Barclays performed certain financial, comparative and other analyses as summarized below. In arriving at its opinion, Barclays did not ascribe a specific range of enterprise values to Prestige but rather made its determination as to fairness, from a financial point of view, to the Company of the aggregate consideration to be paid by the Company pursuant to the Merger Agreement on the basis of various financial and comparative analyses. The preparation of a fairness opinion is a complex process and involves various determinations as to the most appropriate and relevant methods of financial and comparative analyses and the application of those methods to the particular circumstances. Therefore, a fairness opinion is not readily susceptible to summary description.

In arriving at its opinion, Barclays did not attribute any particular weight to any single analysis or factor considered by it but rather made qualitative judgments as to the significance and relevance of each analysis and factor relative to all other analyses and factors performed and considered by it and in the context of the circumstances of the particular transaction. Accordingly, Barclays believes that its analyses must be considered as a whole, as considering any portion of such analyses and factors, without considering all analyses and factors as a whole, could create a misleading or incomplete view of the process underlying its opinion.

The following is a summary of the material financial analyses used by Barclays in preparing its opinion to the Transaction Committee. Certain financial analyses summarized below include information presented in tabular format. In order to fully understand the financial analyses used by Barclays, the tables must be read together with the text of each summary, as the tables alone do not constitute a complete description of the financial analyses. In performing its analyses, Barclays made numerous assumptions with respect to industry performance, general business and economic conditions and other matters, many of which are beyond the control of the Company or any other parties to the Merger Agreement. None of the Company, Prestige, Merger Sub, Barclays or any other person assumes responsibility if future results are materially different from those discussed. Any estimates contained in these analyses are not necessarily indicative of actual values or predictive of future results or values, which may be significantly more or less favorable than as set forth below. In addition, analyses relating to the value of the businesses do not purport to be appraisals or reflect the prices at which the businesses may actually be sold.

**TABLE OF CONTENTS****Selected Comparable Company Analysis**

In order to assess how the public market values shares of publicly traded companies similar to Prestige, Barclays reviewed and compared specific financial and operating data relating to Prestige with selected companies in the cruise industry that Barclays deemed comparable to Prestige. The selected comparable companies were:

- 
- Carnival Corporation
- 
- Royal Caribbean Cruises Ltd.
- 
- Norwegian Cruise Line Holdings Ltd.

Barclays calculated and compared various financial multiples and ratios of the selected comparable companies. As part of its selected comparable company analysis, Barclays calculated and analyzed each comparable company's ratio of its enterprise value to earnings before interest, taxes, depreciation and amortization, but excluding non-recurring expenses ("Adjusted EBITDA"). The enterprise value of each company was obtained by adding its short and long-term debt to the sum of the market value of its common equity and the book value of any minority interest, and subtracting its cash and cash equivalents. All of these calculations were performed, and based on publicly available financial data (including FactSet I/B/E/S) and closing prices, as of August 29, 2014, the last trading date prior to the delivery of Barclays' opinion. The results of this selected comparable company analysis are summarized below:

<b>Comparable Company</b>	<b>2014E EV/ Adjusted EBITDA</b>
Carnival Corporation	11.4x
Royal Caribbean Cruises Ltd.	12.2x
Norwegian Cruise Line Holdings Ltd.	12.0x
Mean	11.9x
Median	12.0x

Barclays selected the comparable companies listed above because their businesses and operating profiles are reasonably similar to that of Prestige. However, because of the inherent differences between the business, operations and prospects of Prestige and those of the selected comparable companies, Barclays believed that it was inappropriate to, and therefore did not, rely solely on the quantitative results of the selected comparable company analysis. Accordingly, Barclays also made qualitative judgments concerning differences between the business, financial and operating characteristics and prospects of the selected comparable companies that could affect the public trading values of each in order to provide a context in which to consider the results of the quantitative analysis. These qualitative judgments related primarily to the differing sizes, growth prospects, profitability levels and degree of operational risk between Prestige and the companies included in the selected comparable company analysis. Based upon these judgments, Barclays selected a range of 11.0x to 12.0x multiples of 2014E Adjusted EBITDA for Prestige and applied such range to both the Adjusted Prestige Projections and the Prestige Projections to calculate a range of implied enterprise values of Prestige. The following summarizes the result of these calculations:

<b>Implied Enterprise Value (in millions)</b>	
<b>Low</b>	<b>High</b>

	<b>Implied Enterprise Value (in millions)</b>	
Adjusted Prestige Projections	\$ 2,990	\$ 3,260
Prestige Projections	\$ 3,020	\$ 3,290

Barclays compared the range of implied enterprise values based on the comparable company analysis in each scenario to the \$3.025 billion implied acquisition value of Prestige (\$3.075 billion when including the full amount of the contingent consideration payment) to be paid pursuant to the Merger Agreement (the “Implied Acquisition Value”), which is equal to the sum of the aggregate consideration to be paid at Closing (using for the value of a share of Company Ordinary Shares its 20-day volume weighted average price of \$33.01 as of August 29, 2014) plus the projected adjusted net debt of Prestige of approximately \$1.246 billion as of September 30, 2014 (which includes credit given in cash balance for approximately \$67 million of prepaid Explorer costs and deductions to equity value taken for approximately \$13 million of

19

accrued interest and approximately \$28 million of Prestige transaction related expenses). Barclays noted that on the basis of the selected comparable company analysis, the Implied Acquisition Value was within the range of implied enterprise values based on both the Adjusted Prestige Projections and the Prestige Projections.

**Selected Precedent Transaction Analysis**

Barclays reviewed and compared the purchase prices and financial multiples paid in selected other transactions that Barclays, based on its experience with merger and acquisition transactions, deemed relevant. Barclays chose such transactions based on, among other things, the similarity of the applicable target companies in the cruise industry to the transactions to Prestige with respect to the size, mix, margins, and other characteristics of their businesses. The reasons for and the circumstances surrounding each of the selected precedent transactions analyzed were diverse and there are inherent differences in the business, operations, financial conditions and prospects of Prestige and the companies included in the selected precedent transaction analysis. Accordingly, Barclays believed that a purely quantitative selected precedent transaction analysis would not be particularly meaningful in the context of considering the Merger. Barclays therefore made qualitative judgments concerning differences between the characteristics of the selected precedent transactions, the Merger and Barclays' other industry experience, which would affect the acquisition values of the selected target companies and Prestige. Based upon these judgments, Barclays selected a range of 11.0x to 14.0x multiples of enterprise value to last twelve months' Adjusted EBITDA and applied such range to the last twelve months' June 30, 2014 Adjusted EBITDA of Prestige to calculate a range of implied enterprise values of Prestige. The following table sets forth the transactions considered in selecting such range of multiples of enterprise value to last twelve months' Adjusted EBITDA:

<b>Announcement Date</b>	<b>Acquiror</b>	<b>Target</b>
December 10, 2007	Apollo/Prestige Cruise Holdings	Regent Seven Seas Cruises
August 20, 2007	Apollo Management	NCL Corporation
February 26, 2007	Apollo Management	Oceania Cruises
February 22, 2007	Ambassador International	Windstar Cruises
February 9, 2007	Carnival Corporation	Iberojet – Cruise Division (1)
August 31, 2006	Royal Caribbean International	Pullmantur
May 15, 2006	The Carlyle Group	Iberojet
December 17, 2001	Carnival Corporation	P&O Princess Cruises PLC
May 18, 2000	Royal Caribbean International	First Choice Holidays PLC (2)
December 15, 1999	Star Cruises PLC	NCL Holding ASA (3)
October 19, 1999	Carnival Corporation	Cunard Line Ltd. (4)
May 7, 1998	Norwegian Cruise Line Ltd.	Orient Lines
April 3, 1998	Carnival Corporation	Cunard Line Ltd. (5)

(1)

- Carnival and Iberojet formed a JV, of which Carnival owns 75%.

(2)

- Royal Caribbean acquired a 20% stake in First Choice valued at 200 GPB.

(3)

- Star acquired 45.5% of NCLH bringing its ownership to 95.4%. It subsequently acquired the remaining stub in December 2000.

(4)

- Carnival acquired 32% of Cunard.

(5)

- Carnival acquired 68% of Cunard.

**TABLE OF CONTENTS**

The results of Barclays' analyses based on the selected precedent transactions for which the relevant information was publicly available are summarized in the following tables:

**Multiple Range of Selected Precedent  
Transactions**

	<b>Mean</b>	<b>Median</b>
Enterprise Value as a Multiple of Last Twelve Months Adjusted EBITDA:	13.9x	14.3x

**Implied Enterprise Value (in millions)**

<b>Low</b>	<b>High</b>
\$ 2,820	\$ 3,590

Barclays noted that on the basis of the selected precedent transaction analysis, the Implied Acquisition Value was within the range of implied enterprise values calculated using last twelve months' June 30, 2014 Adjusted EBITDA of Prestige, which was provided by management of Prestige.

**Discounted Cash Flow Analysis**

In order to estimate the implied enterprise value of Prestige, Barclays performed two separate discounted cash flow analyses of Prestige based on two separate scenarios: (a) Adjusted Prestige Projections, and (b) Prestige Projections, in each case with and without Projected Synergies.

A discounted cash flow analysis is a traditional valuation methodology used to derive a valuation of an asset by calculating the "present value" of estimated future cash flows of the asset. "Present value" refers to the current value of future cash flows or amounts and is obtained by discounting those future cash flows or amounts by a discount rate that takes into account macroeconomic assumptions and estimates of risk, the opportunity cost of capital, expected returns and other appropriate factors.

To calculate the implied enterprise value of Prestige using the discounted cash flow method for each of the scenarios, Barclays added (i) Prestige's projected after-tax unlevered free cash flows for fiscal years 2014 through 2019 to (ii) the "terminal value" of Prestige as of the end of 2019, and discounted such amount to its present value using a range of selected discount rates. The after-tax unlevered free cash flows were calculated by taking Prestige's tax-affected earnings before interest and taxes, subtracting taxes, adding back depreciation and amortization and stock based compensation, and subtracting capital expenditures, change in working capital and change in other operating assets and liabilities. The residual value of Prestige at the end of the forecast period, or "terminal value," was estimated by selecting a range of terminal value multiples based on 2020 Adjusted EBITDA of 9.5x to 12.0x for both scenarios and applying such range to the applicable projections in each scenario. The range of after-tax discount rates of 10.0% to 12.0% was selected based on an analysis of the weighted average cost of capital of the comparable companies.

Barclays then calculated a range of implied enterprise values using the discounted cash flow method. The following summarizes the result of these calculations:

**Enterprise Value Range (in millions)**

	<b>Low</b>	<b>High</b>	<b>High w/Synergies</b>
Adjusted Prestige Projections	\$ 3,115	\$ 4,040	\$ 4,285
Prestige Projections	\$ 3,440	\$ 4,450	\$ 4,690

Barclays noted that on the basis of the discounted cash flow analysis, the Implied Acquisition Value was below the range of implied enterprise values calculated in each scenario.

**TABLE OF CONTENTS****Leveraged Acquisition Analysis**

Barclays performed a leveraged acquisition analysis in order to ascertain a purchase price for Prestige which might be achieved in a leveraged buyout transaction with a financial buyer using a debt capital structure consistent with the Prestige Acquisition and based upon current market conditions. Barclays assumed the following in its analysis: (i) a capital structure of Prestige including net leverage of funded debt to last twelve months' September 30, 2014 Adjusted EBITDA of 6.5x, (ii) an equity investment that would achieve a five-year rate of return of 20% to 25%, and (iii) a 2019 exit multiple of 9.5x to 12.0x projected 2020 Adjusted EBITDA. The following summarizes the result of these calculations:

	<b>Enterprise Value Range (in millions)</b>	
	<b>Low</b>	<b>High</b>
Adjusted Prestige Projections	\$ 2,850	\$ 3,100
Prestige Projections	\$ 3,000	\$ 3,300

Barclays noted that on the basis of the leveraged acquisition analysis, the Implied Acquisition Value was within the range of implied purchase prices calculated using both Adjusted Prestige Projections and Prestige Projections.

Opinion of Perella Weinberg Partners LP

The Transaction Committee retained PWP to act as its financial advisor in connection with the proposed acquisition of Prestige. The Transaction Committee selected PWP based on PWP's qualifications, expertise and reputation and its knowledge of the business and affairs of the Company and the industries in which the Company conducts its business. PWP, as part of its investment banking business, is continually engaged in performing financial analyses with respect to businesses and their securities in connection with mergers and acquisitions, leveraged buyouts and other transactions as well as for corporate and other purposes.

On September 2, 2014, PWP rendered its oral opinion, subsequently confirmed in writing, to the Transaction Committee that, as of such date and based upon and subject to the various assumptions made, procedures followed, matters considered and qualifications and limitations set forth therein, the aggregate consideration, consisting of \$1,108,798,350 in cash and 20,296,880 Company Ordinary Shares, at Closing and a contingent consideration payment, if any, of up to \$50,000,000 in cash, to be paid by the Company pursuant to the Merger Agreement was fair, from a financial point of view, to the Company.

The full text of PWP's written opinion, dated September 2, 2014, which sets forth, among other things, the assumptions made, procedures followed, matters considered and qualifications and limitations on the review undertaken by PWP, is attached as Annex C and is incorporated by reference herein. Holders of the Company Ordinary Shares are urged to read PWP's opinion carefully and in its entirety. The opinion does not address the Company's underlying business decision to enter into the Merger Agreement. The opinion does not constitute a recommendation to any holder of Company Ordinary Shares as to how such holders should vote or otherwise act with respect to the Prestige Acquisition or any other matter and does not in any manner address the prices at which the Company Ordinary Shares will trade at any time. In addition, PWP expressed no opinion as to the fairness of the Prestige Acquisition to the holders of any class of securities, creditors or other

PWP assumed, with the consent of the Transaction Committee, that there were no material undisclosed liabilities of Prestige and the Company for which adequate reserves or other provisions had not been made. With respect to the Buyer Prestige forecasts and the Norwegian forecasts, PWP was advised by the management of the Company and assumed, with the

consent of the Transaction Committee, that such Buyer Prestige forecasts and Norwegian forecasts were reasonably prepared on bases reflecting the best currently available estimates and good faith judgments of the management of the Company as to the future stand-alone financial performance of Prestige, the future stand-alone financial performance of the Company, and the future financial performance of Prestige and the Company, as the case may be and the other matters covered thereby and PWP expressed no view as to the assumptions on which they were based. PWP assumed, with the consent of the Transaction Committee, that the anticipated synergies and potential strategic implications and operational benefits (including the amount, timing and achievability thereof) anticipated by the management of the Company to result from the Prestige Acquisition would be realized in the amounts and at the times projected by the management of the Company, and PWP expressed no view as to the assumptions on which they were based. PWP relied without independent verification upon the assessment by the management of the Company of the timing and risks associated with the integration of Prestige and the Company. In arriving at its opinion, PWP did not make any independent valuation or appraisal of the assets or liabilities (including any contingent, derivative or off-balance-sheet assets and liabilities) of Prestige nor did PWP take into consideration or rely on any such valuations or appraisals, nor did PWP assume any obligation to conduct, nor did PWP conduct, any physical inspection of the vessels, properties or facilities of Prestige. In addition, PWP did not evaluate the solvency of any party to the Merger Agreement, including under any state, federal or other laws relating to bankruptcy, insolvency or similar matters. PWP assumed that as of September 30, 2014, Prestige's third-party debt would be \$1,545 million, Prestige's cash would be \$273 million, Prestige would have made \$67 million of payments related to its Explorer newbuild and Prestige would have \$41 million of accrued interest and transaction related expenses. PWP assumed that the final Merger Agreement would not differ in any material respect from the form of Merger Agreement reviewed by PWP and that the Prestige Acquisition would be consummated in accordance with the terms set forth in the Merger Agreement, without material modification, waiver or delay and that there will be no payments by Prestige pursuant to any indemnification obligations of Prestige under the Merger Agreement. In addition, PWP assumed that in connection with the receipt of all the necessary approvals of the proposed Prestige Acquisition, no delays, limitations, conditions or restrictions would be imposed that could have an adverse effect on Prestige, the Company or the contemplated benefits expected to be derived in the proposed Prestige Acquisition. PWP relied as to all legal matters relevant to rendering its opinion upon the advice of its counsel.

PWP's opinion addressed only the fairness from a financial point of view, as of the date thereof, of the aggregate consideration to be paid by the Company pursuant to the Merger Agreement. PWP was not asked to, nor did it, offer any opinion as to any other term of the Merger Agreement or any other document contemplated by or entered into in connection with the Merger Agreement, or the form or structure of the Prestige Acquisition or the likely timeframe in which the Prestige Acquisition would be consummated. In addition, PWP expressed no opinion as to the fairness of the amount or nature of any compensation to be received by any officers, directors or employees of any parties to the Prestige Acquisition, or any class of such persons, relative to the aggregate consideration to be received by Prestige's securityholders pursuant to the Merger Agreement or otherwise. PWP did not express any opinion as to any tax or other consequences that may result from the transactions contemplated by the Merger Agreement, nor did its opinion address any legal, tax, regulatory or accounting matters, as to which it understood the Company had received such advice as it deemed necessary from qualified professionals.

PWP's opinion was necessarily based on financial, economic, market and other conditions as in effect on, and the information made available to PWP as of, the date of its opinion. It should be understood that subsequent developments may affect PWP's opinion and the assumptions used in preparing it, and PWP does not have any obligation to update, revise, or reaffirm its opinion. The issuance of PWP's opinion was approved by a fairness committee of PWP.

### Summary of Material Financial Analyses

The following is a summary of the material financial analyses performed by PWP and reviewed by the Transaction Committee in connection with PWP's opinion relating to the Prestige Acquisition and does not purport to be a complete description of the financial analyses performed by PWP. The order of analyses described below does not represent the relative importance or weight given to those analyses by PWP. Some of the summaries of the financial analyses include information presented in tabular format.

**TABLE OF CONTENTS**

In order to fully understand PWP's financial analyses, the tables must be read together with the text of each summary. The tables alone do not constitute a complete description of the financial analyses. Considering the data below without considering the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of PWP's financial analyses.

**Selected Publicly Traded Companies Analysis.** PWP reviewed and compared certain financial information for Prestige (based on the Buyer Prestige forecast) to corresponding financial information, ratios and public market multiples for certain publicly held companies in the cruise line industry. Although none of the following companies is identical to Prestige, PWP selected these companies because they had publicly traded equity securities and were deemed to be similar to Prestige in one or more respects, including being operators of cruise lines.

**Selected Publicly Traded Companies**

- 
- Carnival Corporation
- 
- Royal Caribbean Cruises Ltd.
- 
- Norwegian

For each of the selected companies, PWP calculated and compared financial information and various financial market multiples and ratios based on company filings for historical information and consensus third-party research estimates prepared by FactSet for forecasted information.

With respect to each of the selected companies, PWP reviewed enterprise value ("EV") as of August 29, 2014 as a multiple of estimated earnings before interest, taxes, depreciation and amortization ("EBITDA") for each of the calendar years of 2014, 2015 and 2016. The results of these analyses are summarized in the following table:

	<b>EV/2014E EBITDA Multiple</b>	<b>EV/2015E EBITDA Multiple</b>	<b>EV/2016E EBITDA Multiple</b>
High	12.2x	11.1x	9.3x
Low	11.9x	10.2x	8.8x
Median	12.1x	10.4x	9.3x
Average	12.1x	10.6x	9.1x

Based on the multiples calculated above, PWP's analyses of the various selected publicly traded companies and on professional judgments made by PWP, PWP selected a representative range of multiples of 10.0x – 11.0x to apply to CY2015E Adjusted EBITDA (including adjustments for equity-based compensation, fuel hedge gains, losses on disposals and the management fee payable to Apollo Capital Management) of Prestige based on the Buyer Prestige forecasts prepared by management of the Company. PWP noted that this analysis implied an enterprise value for Prestige of \$2.925 billion to \$3.218 billion and compared that range to the resulting \$3.025 billion implied transaction value of Prestige (\$3.075 billion when including the full amount of the contingent consideration payment) to be paid pursuant to the Merger Agreement (the "implied transaction value"). This \$3.025 billion implied transaction value is equal to the sum of the aggregate consideration to be paid at Closing (using for the value of a share of Company Ordinary Shares its 20-day volume weighted average price of \$33.01 as of August 29, 2014) plus the projected adjusted net debt of Prestige of approximately \$1.246 billion as of September 30, 2014 (which includes credit given in cash balance for approximately \$67 million of prepaid Explorer costs and deductions to equity value taken for approximately \$13 million of accrued interest and approximately \$28 million of Prestige transaction related expenses).

Although the selected companies were used for comparison purposes, no business of any selected company was either identical or directly comparable to Prestige's business. Accordingly, PWP's comparison of selected companies to Prestige and analysis of the results of such comparison was not purely mathematical, but instead necessarily involved complex considerations and judgments concerning differences in financial and operating characteristics and other factors that could affect the relative values of the selected companies and Prestige.

**TABLE OF CONTENTS**

Selected Transactions Analysis. PWP analyzed certain information relating to selected announced transactions in the cruise line industry (the transactions analyzed occurred between June 1997 and December 2007). PWP selected the transactions because, in the exercise of its professional judgment, PWP determined the targets in such transactions to be relevant companies having operations similar to Prestige. The most recent listed transaction is from December 2007 because there have been no announced transactions in the cruise line industry since December 2007 involving a target having operations similar to Prestige. The selected transactions analyzed were the following:

<b>Announcement Date</b>	<b>Acquiror</b>	<b>Target</b>
December 2007	Apollo/Prestige Cruises	Regent Seven Seas Cruises
August 2007	Apollo Management	NCL Corporation (50%)
February 2007	Apollo Management	Oceania Cruises
February 2007	Ambassador International	Windstar Cruises
August 2006	Royal Caribbean Cruises	Pullmantur, S.A.
May 2006	Carlyle	Iberojet
December 2001	Carnival Corporation	P&O Princess Cruises
August 2000	Carnival Corporation	Costa Crociere
December 1999	Star Cruises	NCL Holding ASA
November 1999	Carnival Corporation	Cunard (32%)
May 1998	NCL Holding ASA	Orient Cruise Line
April 1998	Carnival Corporation	Cunard (68%)
June 1997	Royal Caribbean Cruises	Celebrity Cruise Lines

For each of the selected transactions (except where not applicable), PWP calculated and compared the resulting enterprise value in the transaction as a multiple of reported EBITDA for the last twelve months as of such time ("LTM"). The multiples for the selected transactions were based on publicly available information at the time of the relevant transaction, but for some of the selected transactions there was no such relevant publicly available information. The results of these analyses are summarized in the following table:

	<b>EV/LTM EBITDA</b>
High	14.7x
Low	9.0x
Median	13.7x
Average	12.5x

PWP compared the multiples above to a range of multiples for Prestige, from 12.1x, which represented the transaction value in the Prestige Acquisition excluding the contingent consideration payment as a multiple of Prestige's estimated LTM Adjusted EBITDA (as of September 30, 2014), to 12.3x, which represented the transaction value in the Prestige Acquisition including the entire amount of the contingent consideration payment as a multiple of Prestige's estimated LTM Adjusted EBITDA (as of September 30, 2014).

Based on the multiples calculated above, PWP's analyses of the various selected transactions and on professional judgments made by PWP, PWP selected a representative range of multiples of 11.0x – 14.0x to apply to estimated LTM Adjusted EBITDA of Prestige. PWP applied such ranges to estimated LTM Adjusted EBITDA (as of September 30, 2014) to derive a range of the enterprise value for Prestige of \$2.751 billion to \$3.501 billion and compared that to the \$3.025 billion implied transaction value of Prestige (\$3.075 billion when including the full amount of the contingent consideration payment) to be paid pursuant to the Merger Agreement.

Although the selected transactions were used for comparison purposes, none of the selected transactions nor the companies involved in them was either identical or directly comparable to the Prestige Acquisition or Prestige.

**TABLE OF CONTENTS**

Discounted Cash Flow Analysis of Prestige. PWP conducted a discounted cash flow analysis for Prestige, both excluding the anticipated synergies and including the anticipated synergies, by first calculating, in each case, the present value as of September 30, 2014 of the estimated standalone unlevered free cash flows (calculated as net operating profits after tax plus depreciation and amortization, minus capital expenditures, and adjusting for changes in net working capital and other long-term assets and liabilities) that Prestige could generate from September 30, 2014 through December 31, 2020. To determine such present values, PWP utilized discount rates ranging from 9.5% to 11.5% based on estimates of the weighted average cost of capital of Prestige, calculated by assuming a cost of equity of 11.2% to 14.3% based on CAPM and an estimated after tax cost of debt of 5.0-5.9% weighted based upon the range of the debt to capitalization ratio of the selected publicly traded companies. Estimates of unlevered free cash flows and anticipated synergies used for these analyses utilized the Buyer Prestige forecasts and the anticipated synergies. PWP also calculated, in each case, a range of terminal values utilizing terminal year multiples of LTM EBITDA ranging from 10.0x to 12.0x (which range was determined by PWP in the exercise of its professional judgment) and discount rates ranging from 9.5% to 11.5% based on estimates of the weighted average cost of capital of Prestige. The present values of unlevered free cash flows generated over the period described above were then added, in each case, to the present values of terminal values resulting in a range of implied enterprise values for Prestige. These analyses resulted in the following reference ranges of implied enterprise values (using \$220 million, the approximate midpoint of the synergies analysis, as the value of the synergies and adding this amount to the standalone discounted cash flow values):

**Range of Implied Enterprise Value (in billions)**

Excluding anticipated synergies	\$\$	3.338 – \$4.162
Including anticipated synergies	\$\$	3.558 – \$4.382

PWP compared the range of implied present enterprise values of Prestige excluding the anticipated synergies and including the anticipated synergies to the \$3.025 billion implied transaction value of Prestige (\$3.075 billion when including the full amount of the contingent consideration payment) to be paid pursuant to the Merger Agreement.

**Miscellaneous**

The preparation of a fairness opinion is a complex process and is not necessarily susceptible to partial analysis or summary description. Selecting portions of the analyses or of the summary set forth herein, without considering the analyses or the summary as a whole could create an incomplete view of the processes underlying PWP's opinion. In arriving at its fairness determination, PWP considered the results of all of its analyses and did not attribute any particular weight to any factor or analysis considered. Rather, PWP made its determination as to fairness on the basis of its experience and professional judgment after considering the results of all of its analyses. No company or transaction used in the analyses described herein as a comparison is directly comparable to Prestige or the Prestige Acquisition.

PWP prepared the analyses described herein for purposes of providing its opinion to the Transaction Committee as to the fairness, from a financial point of view, as of the date of such opinion, of the aggregate consideration to be paid by the Company pursuant to the Merger Agreement. These analyses do not purport to be appraisals or necessarily reflect the prices at which businesses or securities actually may be sold. PWP's analyses were based in part upon third-party research analyst estimates, which are not necessarily indicative of actual future results, which may be significantly more or less favorable than suggested by PWP's analyses. Because these analyses are inherently subject to uncertainty, being based upon numerous factors or events beyond the control of the parties to the Merger Agreement or their respective advisors, none of the Company, PWP or any other person assumes responsibility if future results are materially different from those forecasted by third parties.

As described above, the opinion of PWP to the Transaction Committee was one of many factors taken into consideration by the Transaction Committee in making its determination to approve the Prestige Acquisition. Pursuant to the terms of the engagement letter between PWP and the Company dated as of July 29, 2014, the Company agreed to pay to PWP \$2,500,000 upon the delivery of the opinion rendered by PWP as described above plus \$7,000,000 (reduced by any amounts previously paid by the Company to PWP upon

TABLE OF CONTENTS

delivery of the opinion) upon the closing of the Prestige Acquisition. In addition, the Company agreed to reimburse PWP for its reasonable expenses, including attorneys' fees and disbursements, and to indemnify PWP and related persons against various liabilities, including certain liabilities under the federal securities laws.

In the ordinary course of its business activities, PWP or its affiliates may at any time hold long or short positions, and may trade or otherwise effect transactions, for their own account or the accounts of customers or clients, in debt or equity or other securities (or related derivative securities) or financial instruments (including bank loans or other obligations) of the Company or Prestige or any of their respective affiliates. During the two-year period prior to the date of PWP's opinion, PWP and its affiliates provided certain investment banking and other financial services for an affiliate of Apollo Capital Management, for which PWP and its affiliates received compensation. PWP and its affiliates may in the future provide investment banking and other financial services to Prestige, the Company, Apollo Capital Management, Genting, TPG and their respective affiliates and in the future may receive compensation for the rendering of such services.

**Financing of the Prestige Acquisition**

In connection with our signing of the Merger Agreement, on September 2, 2014, NCLC entered into a Commitment Letter (the "Commitment Letter") with Barclays Bank PLC, JPMorgan Chase Bank, N.A, J.P. Morgan Securities LLC, Deutsche Bank AG New York Branch, Deutsche Bank AG Cayman Islands Branch and Deutsche Bank Securities Inc. (collectively, the "Commitment Parties") pursuant to which the Commitment Parties committed to provide up to \$2,199,000,000 of senior secured term loans (the "Senior Facilities") and up to \$780,000,000 of senior unsecured loans or bonds (the "Bridge Facility"). The amount of the Bridge Facility is subject to reduction in certain circumstances under the terms of the Commitment Letter. The proceeds of the Senior Facilities and the Bridge Facility will be used by us to finance a portion of the Prestige Acquisition, including the refinancing of certain existing indebtedness of Prestige and its subsidiaries. Up to \$950,000,000 of the Senior Facilities (the "Closing Date Term Facilities") may be documented as either incremental loans under NCLC's existing credit agreement, or under a stand-alone credit agreement. If the Closing Date Term Facilities are documented under a stand-alone credit agreement, the aggregate principal amount of the commitments of the Commitment Parties in respect of the Closing Date Term Facilities shall decrease to \$500,000,000, while the commitments of the Commitment Parties in respect of the Bridge Facility shall increase to \$1,230,000,000. The remaining portion of the Senior Facilities will be documented under a stand-alone credit agreement.

**No Vote Required in Connection with the Prestige Acquisition**

No further vote or consent of the stockholders of Prestige or of our shareholders is required to consummate the Prestige Acquisition.

**No Appraisal Rights in Connection with the Prestige Acquisition**

Securityholders of Prestige will not be entitled to exercise appraisal or dissenters rights under the laws of the Republic of Panama or the laws of Bermuda in connection with the Prestige Acquisition or the Share Issuance.

**Regulatory Approvals to be Obtained in Connection with the Prestige Acquisition**

Approval under the HSR Act and the rules and regulations promulgated thereunder is required to consummate the Prestige Acquisition. There are no other regulatory approvals required to consummate the Prestige Acquisition.

**TABLE OF CONTENTS****INTEREST OF CERTAIN PERSONS IN THE PRESTIGE ACQUISITION****Agreements among Apollo, Prestige and the Company**

Apollo, affiliates or partners of which employ each of Messrs. Aron, Martinez, Crowe, Seminara and Abrams, each of whom serves on the Board, currently owns approximately 20.0% of the issued and outstanding Company Ordinary Shares and controls the Board, and Apollo also currently controls Prestige, owning approximately 80% of Prestige's economics. Accordingly, in connection with the Prestige Acquisition, Apollo will receive approximately 80% of the Merger Consideration.

Apollo currently is party to the Management Consulting Agreement with Oceania, a subsidiary of Prestige. Under the Management Consulting Agreement, Apollo is entitled to receive an annual fee of \$875,000 in exchange for providing various management consulting and advisory services to Oceania and its subsidiaries. Apollo will receive a payment of \$235,000 in connection with the consummation of the Prestige Acquisition, and the parties to the Management Consulting Agreement plan to terminate the Management Consulting Agreement prior to the Closing.

**Executive Compensation**

None of the Company's named executive officers will receive any compensatory payments or benefits that constitute "golden parachute" compensation within the meaning of Item 402(t) of Regulation S-K.

**"Golden Parachute" Compensation Payable to Prestige Named Executive Officers**

The information below is intended to comply with Item 402(t) of Regulation S-K, which requires disclosure of information about compensation for each "named executive officer" of Prestige (the "named executive officers") that is based on or otherwise relates to the Prestige Acquisition.

The information below assumes the consummation of the Prestige Acquisition occurs in the fourth quarter of 2014, in accordance with the terms of the Merger Agreement and the terms of the employment and equity award agreements in effect as of the date of filing this Information Statement.

The value of the acceleration of the named executive officers' equity awards is calculated assuming a price per share of Prestige Common Stock of \$28.50. The actual amounts, if any, to be received by a named executive officer may differ in material respects from the amounts set forth below. The table below quantifies "golden parachute" compensation payable to each named executive officer assuming for such purpose that the named executive officer experienced a qualifying termination immediately following the Closing. No named executive officer is entitled to any payments related to pension benefits, nonqualified deferred compensation arrangements or tax reimbursement.

Name (1)	Change-in-Control Severance (\$ (2))	Cash (\$)		Equity (\$ (5))	Total (\$)
		2014 Prorated Annual Bonus (\$ (3))	Value of Perquisites/Benefits (\$ (4))		
Frank Del Rio	7,000,000	1,458,333	212,000	2,182,000	10,852,333
Jason Montague	1,000,000	312,500	0	2,491,108	3,803,608
T. Robin Lindsay	1,000,000	312,500	0	1,545,125	2,857,625
Robert Binder	1,000,000	354,167	0	748,908	2,103,075
Kunal Kamlani	1,650,000	637,500	33,560	1,513,985	3,835,045

(1)

- A portion of the payments reflected in this table are subject to approval of the securityholders of Prestige in accordance with Section 280G of the Internal Revenue Code of 1986 (the "Code") and to the extent such

amounts are not approved by the securityholders of Prestige, such amounts will not be payable to the executives. The portion of the payments which would constitute “parachute payments” within the meaning of Section 280G(b)(2) of the Code in excess of 299% of the individual’s average annual taxable compensation for services performed for Prestige for the five most recent taxable years ending before the date of the Prestige Acquisition have been waived by each of the executives (other

TABLE OF CONTENTS

than Messrs. Binder and Kamlani whose payments would not otherwise result in an excise tax under Section 4999 of the Code) unless approved by the securityholders of Prestige. Such approval will be sought prior to the Closing and to the extent approval of more than 75% of the outstanding securities of Prestige (excluding the affected officers) is not obtained, the excess amounts will not be paid. Each of the executives, other than Mr. Kamlani, is entitled to a tax gross up in respect of any “excess parachute payments” within the meaning of Section 280G of the Code. However, no “excess parachute payments” will be made as a result of the execution of the waivers described above.

(2)

- Represents severance payments to which the executive would be entitled upon a qualifying termination within 90 days (180 days in the case of Mr. Del Rio) prior to, or within twelve months following (or, in the case of Mr. Montague, eighteen months and, in the case of Mr. Del Rio, following the consummation of the Prestige Acquisition, but prior to December 31, 2015) a “change in control” (as defined in the executive’s employment agreement with Prestige) and which would include a transaction such as the Prestige Acquisition. For Messrs. Montague, Lindsay, and Binder, these severance payments, which are flat amounts, are payable in a lump sum within ten days of the executive’s termination date. For Mr. Del Rio, these payments, which consist of two times the sum of Mr. Del Rio’s base salary and annual target bonus, are payable in monthly installments over two years following such qualifying termination. For Mr. Kamlani, these payments, which consist of one year of base salary and \$750,000, are payable in equal installments over six months following such qualifying termination. These amounts are “double-trigger” payments: in addition to the occurrence of the Prestige Acquisition, the payments are contingent on the occurrence of a qualifying termination within 90 days (180 days in the case of Mr. Del Rio) prior to, or within 12 months following the Prestige Acquisition (or, in the case of Mr. Montague, eighteen months and, in the case of Mr. Del Rio, following the Prestige Acquisition, but prior to December 31, 2015) (such period, the “CIC Period”). Mr. Del Rio would not receive any ordinary cash severance payments upon a termination of employment in the absence of a change in control. The dollar amount of the cash severance payable to Mr. Kamlani upon any qualifying termination does not vary based on the occurrence or non-occurrence of a change in control. Messrs. Montague, Lindsay and Binder are entitled to receive two years’ base salary upon a qualifying termination in the absence of a change in control.

(3)

- Reflects the 2014 annual bonuses payable to the named executive officers in connection with any qualifying termination, which are prorated based on an assumed termination date of November 1, 2014. For Messrs. Montague, Lindsay and Binder, such amounts are payable in a lump sum within ten days following the termination date. For Mr. Del Rio, such amount is payable within sixty days following the termination date. For Mr. Kamlani, such amount is payable at the same time other executives receive their annual performance bonuses. These amounts are “double-trigger” payments: in addition to the occurrence of the Prestige Acquisition, the payments are contingent on the occurrence of a qualifying termination within the CIC Period.

(4)

- Represents the value of any “double-trigger” perquisites and benefits payable to the named executive officers in connection with a qualifying termination within the CIC Period. For Mr. Del Rio, such perquisites and benefits include two years’ of continued payment of country club dues, automobile allowance, tax advice and income tax preparation and continued health and medical benefits. For Mr. Kamlani, such perquisites and benefits include one year of payment of COBRA premiums. If any of Messrs. Montague, Lindsay and Binder were to undergo a qualifying termination in the absence of a change in control, the executive would also be entitled to continued health, dental and vision benefits as well as automobile allowance for a period of one year post-termination.

(5)

- Represents the assumed value of options for which vesting would be subject to “single-trigger” acceleration following the assumed Closing Date in the fourth quarter of 2014, and the cancellation of such awards in exchange for the Merger Consideration (less the applicable exercise price of the option and applicable taxes) based on an assumed value of Prestige Common Stock of \$28.50. The chart below contains additional detail regarding the unvested options currently held by each named executive officer as of [•] and assumed to remain outstanding and unvested as of the assumed Closing Date in the fourth quarter of 2014. In accordance with the terms of outstanding performance-based options, the number of Prestige shares underlying unvested performance-based options in the table above and in the chart below assumes the deemed satisfaction of performance targets at 100% upon the Closing.

**TABLE OF CONTENTS**

In addition, each holder of an option with an exercise price that is less than the Merger Consideration is eligible to receive a portion of an aggregate contingent payment of up to \$50,000,000 in cash subject to the achievement of certain milestones set forth in the Merger Agreement. In the event that such contingent payment is paid out, the executives would be entitled to receive an additional amount of up to \$1.25 per such option in April 2016, however, there is no certainty that such amounts will be paid, and so they have not been reflected in the table above or the chart below.

	<b>Total Number of Prestige Shares Underlying Unvested Options (#)</b>	<b>Value of Unvested Options (\$)</b>
Frank Del Rio	200,000	2,182,000
Jason Montague	156,667	2,491,108
T. Robin Lindsay	115,083	1,545,125
Robert Binder	56,667	748,908
Kunal Kamlani	66,666	1,513,985

#### Summary of Potential Payments in Connection with a Change-in-Control

Oceania has entered into an employment agreement with each of the named executive officers that specifies the severance payments and perquisites and benefits to be provided upon various circumstances of termination of employment. For each of the executives except Mr. Kamlani, cash severance payments are dependent on and vary based on the occurrence of the Prestige Acquisition. In the case of Messrs. Del Rio, Montague, Lindsay and Binder, the cash severance payments vary if such termination occurs within the CIC Period. The severance payments and benefits for each named executive officer are as follows:

- 
- For Mr. Del Rio, in the event of a qualifying termination absent a change in control, he will not be entitled to any cash severance however, he will be entitled to a prorated annual bonus for the year of termination and partial accelerated vesting of his June 6, 2014 option grant, such that the next installment scheduled to vest following the termination date shall vest and become exercisable on the termination date. In the event of a qualifying termination within the CIC Period, instead Mr. Del Rio would be entitled to two times the sum of his (i) base salary and (ii) target annual incentive bonus, payable in monthly installments for two years from the termination date, a prorated annual bonus for the year of termination, two years' payment of country club dues, automobile allowance, tax advice and income tax preparation and continued health and medical benefits and accelerated vesting of all unvested stock-based grants;
- 
- For Messrs. Montague, Lindsay and Binder, in the event of a qualifying termination absent a change in control, they are entitled to two years' base salary, payable in a lump sum within 30 days of the termination date, a prorated annual bonus for the year of termination, one year's medical, dental, vision insurance benefits and automobile allowance, and accelerated vesting of all unvested stock-based grants. In the event of a

qualifying termination within the CIC Period, each executive will instead be entitled to \$1,000,000, payable in a lump sum within ten days following the termination date and a prorated annual bonus for the year of termination;

- 
- For Mr. Kamlani, upon any qualifying termination, he is entitled to one year's base salary plus \$750,000, payable in equal installments over six months, a prorated annual bonus for the year of termination and payment of COBRA premiums for one year (or until Mr. Kamlani obtains coverage from another employer).

Pursuant to the employment agreements, the severance payments and benefits are contingent upon the officer's execution of a release of all claims against Prestige, and, for Messrs. Del Rio and Kamlani, are also contingent upon continued compliance with the confidentiality, noncompetition, and nonsolicitation covenants contained in the executive's employment agreement. Upon a qualifying termination, each executive is subject to noncompetition and nonsolicitation restrictions for twelve (12) months post- termination. In addition, if any officer breaches or threatens to breach, any noncompetition covenant in his

32

---

TABLE OF CONTENTS

agreement, or if Mr. Kamlani breaches, or threatens to breach, any confidentiality, noncompetition, or nonsolicitation covenants contained in his agreement, Prestige is entitled, under the employment agreements, to specific performance and injunctive relief.

Equity Awards — Options

Each of the named executive officers holds stock options to purchase Prestige Common Stock. The executives' options are generally divided into two equal tranches, consisting of service-options and performance-options, other than for Messrs. Del Rio and Kamlani, who only hold service-options. The service-options vest 33% annually over a period of three years, subject to the executive's continued employment with Prestige and the performance-options vest 33% annually over a period of three years, subject to continued employment with Prestige and Prestige's achievement of certain performance targets in the applicable fiscal year. In connection with the consummation of the Prestige Acquisition, the vesting of all options will accelerate, and both the service-options and the performance-options, to the extent unvested, shall become fully vested and exercisable as of immediately prior to the Closing, with the performance-options vesting assuming the deemed satisfaction of performance targets at 100% upon the Closing. As described above, the Merger Agreement provides that, at the effective time, all outstanding options held by Prestige employees will be cancelled and exchanged for the right to receive the excess, if any, of the Merger Consideration to be delivered for each share of Prestige Common Stock over the exercise price of the applicable option. See "The Prestige Acquisition — The Prestige Acquisition Consideration" for more detail about the treatment in the Prestige Acquisition of Prestige equity awards held by named executive officers.

#### Effect of the Prestige Acquisition

Upon the consummation of the Prestige Acquisition, Prestige will become a wholly owned, indirect subsidiary of the Company. It is expected that, following the Prestige Acquisition, Prestige’s business and operations will initially be continued substantially as they are currently being conducted. We will continue to evaluate Prestige’s business and operations after the Prestige Acquisition and will take such actions as we deem appropriate under the circumstances then existing. We intend to seek additional information about Prestige during this period. Thereafter, we intend to review such information as part of a comprehensive review of Prestige’s business, operations, capitalization and management with a view to optimizing Prestige’s operations.

Except as indicated in this Information Statement, we do not have any present plans or proposals which relate to or would result in an extraordinary transaction, such as a merger, reorganization or liquidation, involving Prestige, a sale or transfer of a material amount of our assets, any material change in Prestige’s capitalization or dividend policy or any other material change in our corporate structure or business.

- Any breach or nonperformance by Prestige prior to the Closing of any of its covenants or agreements set forth in the Merger Agreement;

Termination

The Merger Agreement may be terminated at any time before the Closing as follows and in no other manner:

-

- 
- Subject to certain conditions, by the Company or Prestige at any time after February 12, 2015, if the Closing shall not have occurred by such date;
- 
- Subject to certain conditions and cure periods, by Prestige, if the Company or Merger Sub has breached or failed to perform any representation, warranty, covenant or agreement contained in the Merger Agreement, or if any representation or warranty of the Company or Merger Sub has become untrue, in each case, such that certain conditions set forth in the Merger Agreement could not be satisfied as of the Closing Date;
- 
- Subject to certain conditions and cure periods, by the Company, if Prestige has breached or failed to perform any representation, warranty, covenant or agreement contained in the Merger Agreement, or if any representation or warranty of Prestige has become untrue, in each case, such that certain conditions set forth in the Merger Agreement could not be satisfied as of the Closing Date;
- 
- Subject to certain conditions, by either the Company or Prestige if (i) any court of competent jurisdiction or other competent governmental authority shall have issued an order permanently restraining, enjoining or prohibiting the transactions contemplated by the Merger Agreement and such order shall have become final and nonappealable or (ii) there shall be any law that makes consummation of the Prestige Acquisition illegal or otherwise prohibited; and

If the Merger Agreement is terminated in accordance with its terms, the Merger Agreement shall forthwith become void and have no effect, without any liability or obligation on the part of any party under the Merger Agreement; provided, that notwithstanding the foregoing:

- 
- No such termination shall relieve any party thereto of any liability for damages to the other party thereto resulting from any willful and knowing breach of the Merger Agreement prior to such termination; and
-

- The obligations of the parties contained therein related to reimbursement of fees and expenses, the payment of the Termination Fee, and certain other miscellaneous provisions necessary for the interpretation and enforcement thereof shall survive any such termination.

Expenses

Except as otherwise provided in the Merger Agreement (in the case of resolution of certain objections or disputes, which will generally be split among the parties, and the payment of costs and expenses related to transfer taxes, which will be paid by the Company), Prestige and the Company shall each pay its own fees and expenses.

Amendment

The Merger Agreement may be amended, modified or supplemented only by agreement in writing of the parties thereto.

TABLE OF CONTENTS

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The table below sets forth information regarding the beneficial ownership of the equity securities of the Company as of September 16, 2014 by:

- 
- each person that is known by the Company to be a beneficial owner of more than 5% of the Company's outstanding equity securities;
- 
- each of our Named Executive Officers;
- 
- each of our directors; and
- 
- all directors and executive officers as a group.

The information set forth in the table below excludes the portion of the Stock Consideration that would be issued to Apollo in connection with the Prestige Acquisition.

Pursuant to the Shareholders' Agreement, Genting, subject to certain consent rights, granted to Apollo the right to vote the Company Ordinary Shares held by affiliates of Genting, and TPG granted Apollo the right to vote the Company Ordinary Shares that are held by TPG in connection with certain transactions that require the vote of our shareholders. There were 203,266,714 Company Ordinary Shares issued and outstanding as of September 16, 2014.

The amounts and percentages of Company Ordinary Shares beneficially owned are reported on the basis of regulations of the SEC governing the determination of beneficial ownership of securities (including as further described in the footnotes to the following table). Under the rules of the SEC, a person is deemed to be a "beneficial owner" of a security if that person has or shares "voting power," which includes the power to vote or to direct the voting of such security, or "investment power," which includes the power to dispose of or to direct the disposition of such security. A person is also deemed to be a beneficial owner of any securities of which that person has a right to acquire beneficial ownership within 60 days. Under these rules, more than one person may be deemed a beneficial owner of the same securities and a person may be deemed a beneficial owner of securities as to which he has no economic interest. Except as otherwise indicated in the footnotes below and except as provided in the Shareholders' Agreement described below, each of the beneficial owners has, to our knowledge, sole voting and investment power with respect to the indicated Company Ordinary Shares. Unless indicated otherwise, the address of each individual listed in the table is c/o Norwegian Cruise Line Holdings Ltd., 7665 Corporate Center Drive, Miami, Florida 33126.

If you are eligible for householding, but you and other shareholders with whom you share an address received multiple copies of this Information Statement, or if you hold Company Ordinary Shares in more than one account, and in either case you wish to receive only a single copy of annual reports to shareholders, information statements or proxy materials for your household, please contact the Householding Department of Broadridge Financial Solutions, Inc., as indicated above.

CAUTIONARY STATEMENT CONCERNING FORWARD-LOOKING STATEMENTS

Certain statements in this Information Statement constitute forward-looking statements intended to qualify for the safe harbor from liability established by the Private Securities Litigation Reform Act of 1995. All statements other than statements of historical facts in this Information Statement, including, without limitation, those regarding our business strategy, financial position, results of operations, plans, prospects and objectives of management for future operations (including development plans and objectives relating to our activities), are forward-looking statements. Many, but not all of these statements can be found by looking for words like “expect,” “anticipate,” “goal,” “project,” “plan,” “believe,” “seek,” “will,” “may,” “forecast,” “estimate,” “intend” and “future” and for similar words. Forward-looking statements in this Information Statement include, but are not limited to, statements regarding the occurrence, timing, benefits and effects of the corporate actions approved by our Board and the Transaction Committee, as applicable, including the consummation of the transactions contemplated by the Merger Agreement, our ability to obtain the necessary financing to consummate the Prestige Acquisition and the expected costs and synergies of the Prestige Acquisition.

Forward-looking statements do not guarantee future performance and may involve risks, uncertainties and other factors which could cause our actual results, performance or achievements to differ materially from the future results, performance or achievements expressed or implied in those forward-looking statements. - 
- our ability to incur significantly more debt despite our substantial existing indebtedness;
- 
- the impact of volatility and disruptions in the global credit and financial markets which may adversely affect our ability to borrow and could increase our counterparty credit risks, including those under our credit facilities, derivatives, contingent obligations, insurance contracts and new ship progress payment guarantees;

4.9% of Parent; provided, that Parent shall grant a waiver of such provisions of Parent's memorandum of association and bye-laws, effective as of the Closing, to the Company Stockholders set forth on Schedule 3.4, so long as any such Company Stockholder's ownership of Parent Ordinary Shares will not cause Parent to no longer qualify for the benefits of Section 883 of the Code.

**3.5 Closing Deliveries.**

(a) Deliveries by the Company to Parent at Closing. At the Closing, the Company shall deliver, or shall cause to be delivered, to Parent, the following:

(b) Deliveries by Parent at Closing. Parent shall deliver, or shall cause to be delivered:

- (i) at the Closing, to the Paying Agent for further payment to each holder of a Company Note that is outstanding as of immediately prior to the Closing, an amount equal to the portion of the Aggregate Note Payoff Amount due and payable to such holder, which amount the Paying Agent shall cause to be paid promptly by wire transfer of immediately available funds to such holders of Company Notes in accordance with the Note Payment Schedule;

**3.6 Contingent Payments.**

(a) **Delivery of Proposed Contingent Payment Amount Statement.** Within ten (10) Business Days following the receipt of Parent's audited financial statements for the fiscal year ending December 31, 2015, Parent shall cause to be prepared and delivered to the Stockholders' Representative a statement setting forth Parent's good faith calculation of the 2015 Total Net Revenue and the proposed amount of the Contingent Payment (the "Proposed Contingent Payment Amount") that Parent will be required to pay to the Paying Agent (for further distribution to the Company Securityholders) pursuant to Section 3.6(c), if any (the "Proposed Contingent Payment Amount Statement"). In connection with the delivery and review of any Proposed Contingent Payment Amount Statement, each of Parent and the Stockholders' Representative shall make itself and, as applicable, its Representatives available during normal business hours, upon the reasonable request of the other party, to discuss the Proposed Contingent Payment Amount Statement.

(b) **Objections and Disputes; Resolution Procedures.**

(i) The Stockholders' Representative shall have thirty (30) calendar days following the date on which any Proposed Contingent Payment Amount Statement is delivered by Parent (the "Review Period") in which to notify Parent in writing (the "Objection Notice") of any good faith disagreement with the Proposed Contingent Payment Amount Statement. The Objection Notice shall set forth in reasonable detail (A) the items or amounts with which the Stockholders' Representative disagrees and the basis for such disagreement (which disagreement shall be limited to mathematical errors or the asserted failure of such calculation of the Proposed Contingent Payment Amount to be made in accordance with the terms of this Section 3.6 and the related defined terms) and (B) the Stockholders' Representative's proposed adjustments to the Proposed Contingent Payment Amount Statement. If the Stockholders' Representative delivers a written acceptance of the Proposed Contingent Payment Amount Statement at any time during the Review Period or does not deliver an Objection Notice within the Review Period, the Stockholders' Representative shall be deemed to agree in all respects with the Proposed Contingent Payment Amount Statement and the items and amounts reflected thereon (including the Proposed Contingent Payment Amount) shall be final and binding on the Parties.

(ii) If an Objection Notice is properly and timely delivered to Parent, Parent and the Stockholders' Representative shall use good faith efforts to resolve their differences with respect to the Objection Notice within thirty (30) calendar days after Parent's receipt of the Objection Notice. If Parent and the Stockholders' Representative resolve their differences with respect to the Proposed Contingent Payment Amount Statement within such thirty (30) day period, the Proposed Contingent Payment Amount Statement shall be immediately modified as necessary to reflect such agreement and, as so modified, shall be final and binding on the Parties.

(iii) Any differences with respect to the Objection Notice not resolved by Parent and the Stockholders' Representative within such thirty (30) day period shall be submitted for the purpose of resolving such dispute to BDO USA, LLP (and if BDO USA, LLP is unwilling or unable to serve in such role, then another nationally recognized independent accounting firm as may be agreed upon by Parent and the Stockholders' Representative) (the "Independent Auditor"). Parent and the Stockholders' Representative agree to execute, if requested by the Independent Auditor, a reasonable engagement letter in customary form and reasonably cooperate with the Independent Auditor so as to enable it to make such determination as quickly and as accurately as practicable. The Independent Auditor shall be instructed to render its decision solely on those items or amounts on the Proposed Contingent Payment Amount Statement as to which the Stockholders' Representative has, in the Objection Notice, disagreed and which remain in dispute (the "Disputed Items"). The Independent Auditor shall be instructed to deliver to Parent and the Stockholders' Representative, as promptly as practicable, but no later than forty-five (45) calendar days after the Independent Auditor is engaged, a written report setting forth its resolution and, if applicable, its

calculation of the Disputed Items. In no event shall the Independent Auditor's determination result in a Contingent Payment that is greater than that set forth in the Objection Notice or less than that set forth in the Proposed Contingent Payment Amount Statement. The parties shall promptly comply with all reasonable requests by the Independent Auditor for information, books, records and similar items. The fees and expenses of the Independent Auditor (including reasonable attorney fees and expenses of the Independent Auditor) incurred pursuant to this Section 3.6(b)(iii), shall be split equally between the Company Stockholders (to be paid out of the Representative Holdback Amount) and Parent. The determination of the Independent Auditor as to any Disputed Items shall: (x) be set forth in a written statement delivered to Parent and the Stockholders' Representative; (y) subject to the following clause (z), be final, conclusive, binding, nonappealable and incontestable by the parties hereto and each of their respective Affiliates and successors and permitted assigns; and (z) not be subject to collateral attack for any reason other than manifest error or fraud.

(c) Contingent Payment Amount.

(i) Subject to the terms of Section 3.6(b), if the 2015 Total Net Revenue is:

(1) equal to or in excess of the Contingent Payment Threshold but less than the Contingent Payment Target, then Parent shall pay (or cause to be paid) to the Paying Agent (for further distribution to the Company Securityholders) an amount equal to (A) \$25,000,000 plus (B) (x) a fraction, the numerator of which is equal to the 2015 Total Net Revenue minus the Contingent Payment Threshold, and the denominator of which is an amount equal to the Contingent Payment Target less the Contingent Payment Threshold, multiplied by (y) \$25,000,000; or  
(2) equal to or in excess of the Contingent Payment Target, then Parent shall pay (or cause to be paid) to the Paying Agent (for further distribution to the Company Securityholders) \$50,000,000 in the aggregate (the amount payable under clauses (1) or (2), the "Contingent Payment"). Notwithstanding the foregoing, (I) during the period from Closing until December 31, 2015, Parent agrees to operate the Surviving Corporation in the ordinary course of business consistent in all material respects with past practice (including by setting a 2015 budget and operating plan in a manner materially consistent with Exhibit A, unless otherwise agreed by the Stockholders' Representative) and (II) (A) if at any time from the Closing until December 31, 2015, Parent fails to operate the Surviving Company in the ordinary course of business consistent in all material respects with past practice or (B) any Company Securityholder who continues as an officer or employee of the Surviving Corporation or any of its Subsidiaries (or any employee that reports to such Person) takes one or more actions with respect to the business of the Surviving Corporation and its Subsidiaries in material contravention of (x) the Surviving Corporation's 2015 budget and operating plan or (y) a direction of the Surviving Corporation's board of directors, and, in any such case, any such actions set forth in the preceding clauses (I) or (II) have the effect of increasing or decreasing 2015 Total Net Revenue, then the amount of 2015 Total Net Revenue shall be equitably adjusted accordingly in a manner to neutralize the impact of such actions. For the avoidance of doubt, in no event shall (x) Parent be obligated to make a Contingent Payment in excess of \$50,000,000 in the aggregate or (y) Parent be obligated to make any Contingent Payment if the 2015 Total Net Revenue is less than the Contingent Payment Threshold.

(ii) To the extent that the Contingent Payment is required to be paid pursuant to this Section 3.6(c), Parent shall pay (or cause to be paid) (x) the portion of such Contingent Payment payable to the former Company Securityholders (other than the former holders of Company Class B Common Stock), to the Paying Agent (for further distribution to the Company Securityholders (other than the former holders of Company Class B Common Stock)), by wire transfer of immediately available funds to one or more accounts designated by the Paying Agent and (y) the portion of such Contingent Payment payable to the former Company Optionholders, to the

(d) Non-Transferability. The rights of the Company Securityholders in and to the Contingent Payment are not transferable, and the Company Securityholders shall not, directly or indirectly, sell, transfer, assign, donate, contribute, pledge, hypothecate, encumber or otherwise dispose of such rights or any economic or other interest therein (any such transaction, a "Transfer") to any Person; provided, that notwithstanding the foregoing, (i) each Company Securityholder that is not a natural Person shall be permitted to Transfer such rights or interests to such Company Securityholder's Affiliates and (ii) each Company Securityholder that is a natural person shall be permitted to Transfer such rights or interests to any Member of the Immediate Family of such Company Securityholder or for estate planning purposes.

(e) Payments. The Stockholders' Representative, on behalf of the Company Securityholders, acknowledges and agrees that there is no assurance that any Contingent Payment will be earned.

(f) Tax Effect. Subject to Section 483 of the Code, any payments made pursuant to this Section 3.6 shall constitute an adjustment to the Aggregate Merger Consideration for Tax purposes and shall be treated as such by Parent and the Company Securityholders on their respective Tax Returns.

3.7 Withholding. Parent and the Company shall be entitled to deduct and withhold from the consideration otherwise payable to any Person pursuant to this Article III such amounts as they are required to deduct and withhold with respect to the making of such payment under any provision of federal, state, local or foreign Tax Law, including any withholding from any payment that is treated as wages or compensation for the performance of services; provided, that (A) Parent and the Company agree to provide two (2) Business Days' notice prior to withholding on payments to Company Securityholders that are not natural Persons and will cooperate with such Company Securityholders to avoid such withholding and (B) that any applicable withholding with respect to any payment with respect to Company Options that is paid in a combination of cash and Parent Ordinary Shares shall be effectuated by withholding on a pro rata basis from the cash and Parent Ordinary Shares otherwise payable with respect to such Company Option (with such withholding in respect of the payment of Parent Ordinary Shares effected by withholding therefrom a number of Parent Ordinary Shares with a fair market value equal to the amount of withholding taxes required (i.e. on a "net settlement" basis). To the extent that amounts are so withheld, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the Person in respect of which such deduction and withholding was made.

Morgan Securities LLC, Deutsche Bank AG New York Branch, Deutsche Bank AG Cayman Islands Branch and Deutsche Bank Securities Inc. (as the same may be amended or replaced pursuant to Section 7.5(a), which amendments or replacements shall also be provided, the “Debt Financing Commitments”), pursuant to which the financial institutions party thereto (collectively with any financial institutions that otherwise commit to provide or provide the Debt Financing Commitments, the lenders and prospective purchasers of any debt securities contemplated by the Debt Financing Commitments, including any debt financing sources and any arranger or agent for such debt financing, together, in each case, with their respective Affiliates, and the respective officers, directors, employees, partners, trustees, shareholders, controlling persons, agents and representatives of the foregoing and their respective successors and assigns, the “Debt Financing Sources”) have committed, subject to the terms thereof, to lend the debt amounts set forth therein (the “Debt Financing”). The Debt Financing Commitments are in full force and effect as of the date of this Agreement and are legal, valid and binding obligations of Parent (or the Affiliate of Parent party thereto), enforceable against Parent (or the Affiliate of Parent party thereto) and, to the Knowledge of Parent, each other

party thereto, in each case, in accordance with their terms, except (i) to the extent that enforceability may be limited by applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or similar Laws from time to time in effect affecting generally the enforcement of creditors' rights and remedies and principles of equity and (ii) that the availability of equitable remedies, including specific performance, is subject to the discretion of the court before which any proceeding may be brought.

(b) None of the Debt Financing Commitments has been or will be amended or modified, except as consistent with Section 7.5(a), and the respective commitments contained in the Debt Financing Commitments have not been withdrawn or rescinded in any respect as of the date hereof. No event has occurred which, with or without notice or lapse of time or both, would constitute a default or breach on the part of Parent or Merger Sub or, to the Knowledge of Parent, any other party thereto, under any Debt Financing Commitment. Assuming (i) no breach by the Company of its representations and warranties or obligations under this Agreement, in either case, such that the closing conditions set forth in Section 8.2 would fail to be satisfied and (ii) compliance by the Company with Section 7.5(e), neither Parent nor Merger Sub has any reason to believe that any term or condition to Closing may not be satisfied in any of the Debt Financing Commitments on or prior to the Closing Date and has no Knowledge of any facts or circumstances that would be reasonably likely to result in the funding contemplated in the Debt Financing Commitments not being made available to Parent in order to consummate the Closing. There are no conditions precedent relating to the funding or investing, as applicable, of the full amount of the Debt Financing other than as expressly set forth in or contemplated by the Debt Financing Commitments. There are no side letters or other agreements, contracts or arrangements (except for a customary fee letter and fee discount letter and engagement letters (true copies of which have been provided to the Company)) to which Parent or any of its Affiliates is a party regarding the availability of the Debt Financing or the timing of Closing other than as expressly set forth in or contemplated by the Debt Financing Commitments.

(c) Parent has fully paid or caused to be paid any and all commitment fees or other fees in connection with the Debt Financing Commitments that are payable on or prior to the date hereof and Parent will pay when due all other commitment fees arising under the Debt Financing Commitments as and when they become payable. Assuming (x) no breach by the Company of its representations and warranties or obligations under this Agreement, in either case, such that the closing conditions set forth in Section 8.2 would fail to be satisfied, (y) compliance by the Company with Section 7.5(e), and (z) the Debt Financing is funded in accordance with the terms of the Debt Financing Commitments, the aggregate proceeds contemplated by the Debt Financing Commitments will be sufficient for Parent and Merger Sub to consummate the transactions contemplated by this Agreement and pay all amounts payable by them in connection with this Agreement.

each of its Subsidiaries. (b) The Parties acknowledge that the Confidentiality Agreement shall continue in full force and effect in accordance with its terms. Each of the Company and Parent agrees that it, its Affiliates and its Representatives shall hold the terms of this Agreement, and the fact of this Agreement’s existence, in strict confidence until the transactions contemplated hereby are jointly publicly announced by the Parties. At no time shall any Party disclose any of the non-public terms of this Agreement or any non-public information about the other Party to any other Person without the prior written consent of the Party about which such non-public information relates. Notwithstanding anything to the contrary in the foregoing, each of the Company and Parent shall be permitted to disclose any and all terms of this Agreement to its financial, tax and legal advisors (each of whom is subject to a similar obligation of confidentiality), and to the extent necessary in compliance with applicable Law and the rules of NASDAQ.

The parties hereto agree that the initial press release to be issued with respect to the transactions contemplated hereby following execution of this Agreement shall be in the form heretofore agreed to by Parent and the Company. Except as expressly contemplated by this Agreement (including the first sentence of this Section 7.1(c)) or as required by Law, no Party shall issue any press release or make any public filing or public statement regarding the other Party or the other Party’s operations, directors, officers or employees without obtaining the other party’s prior written consent. For the avoidance of doubt, nothing in this Section 7.1(c) shall restrict any disclosure of information made by or on behalf of the Company or any of its Affiliates to any direct or indirect investors in any such Person or any disclosure by any such Person of a general description of the transaction in connection with the normal fundraising and related marketing, informational or reporting activities of such Person. The Parties shall consult and coordinate with each other regarding any pre-Closing communication between the Company and its employees, contributors, vendors, advertisers and other customers regarding this Agreement and the transactions contemplated hereby.

provided, that notwithstanding the foregoing, (x) nothing contained in this Agreement shall give Parent, directly or indirectly, the right to control or direct the Company's operations for purposes of the HSR Act or other Antitrust Laws prior to the Closing Date, (y) no consent of Parent shall be required with respect to any matter set forth in this Agreement to the extent the requirement of such consents would violate any Antitrust Laws and (z) any amendments, consents and waivers or other arrangements necessary to obtain the Financing Consent and the Mortgage Consent shall not be prohibited by this Section 7.2 (and shall instead be governed by Sections 7.4(b) and 7.4(c), respectively).

(b) Conduct of Business of Parent. During the period from the date hereof until the earlier of the termination of this Agreement and the Effective Time, except as set forth on Schedule 7.2(b) or as otherwise expressly provided for in this Agreement, including Parent's obligations in respect of the Debt Financing, or as required by Law, (i) Parent agrees that it shall, and shall cause its Subsidiaries to, (A) conduct the business of Parent and its Subsidiaries only in the ordinary course of business consistent with past practice, and (B) use their reasonable best efforts to preserve the present business operations, organization, franchise and goodwill of Parent and its Subsidiaries and preserve the present relationships with Persons having material business dealings with Parent and its Subsidiaries (including ship builders, material customers, material travel agents, insurers, material suppliers, lenders and regulators), and (ii) in addition to and without limiting the generality of the foregoing, Parent agrees that it and its Subsidiaries shall not, in each case without the prior written consent of the Company (which consent shall not be unreasonably withheld, conditioned or delayed):

(i) change or amend its certificate of incorporation, bylaws, or equivalent organizational or governing documents of Parent or any of its Subsidiaries;

(ii) effect any stock split, reverse stock split, reorganization, reclassification, combination, recapitalization or other like change with respect to the Parent Ordinary Shares;

(iii) knowingly take any action to cause the Parent Ordinary Shares to cease to be eligible for listing on NASDAQ;

(iv) adopt a plan of complete or partial liquidation of Parent or resolutions providing for or authorizing such a liquidation or a dissolution or restructuring of Parent; or

(v) agree to or make any commitment to take any actions prohibited by this Section 7.2(b);

provided, that notwithstanding the foregoing, (x) nothing contained in this Agreement shall give the Company, directly or indirectly, the right to control or direct Parent's operations for purposes of the HSR Act or other Antitrust Laws prior to the Closing Date and (y) no consent of the Company shall be required with respect to any matter set forth in this Agreement to the extent the requirement of such consents would violate any Antitrust Laws.

cause to be taken, all actions and to do, or cause to be done, all things commercially reasonable and necessary, proper or advisable to consummate and make effective the transactions contemplated by this Agreement, including to (i) comply promptly with all legal requirements which may be imposed on it with respect to this Agreement and the transactions contemplated by this Agreement including furnishing all information required by applicable Law in connection with the Approvals of the Governmental Entities set forth on Schedule 8.1(b), (ii) satisfy the conditions precedent to the obligations of such Party hereto, (iii) obtain all Approvals of, or any exemption by, or negative clearance from, or the expiration or early termination of any waiting period imposed by, any Governmental Entity or other public or private third party required to be obtained or made by Parent, its Affiliates, the Company or its Subsidiaries in connection with the Merger or the taking of any action contemplated by this Agreement, and (iv) effect all registrations and filings necessary for the operation of the business of the Company and its Subsidiaries. Parent and the Company shall not, and shall cause their respective Subsidiaries not to, take any action inconsistent with their obligations under this Agreement that would materially hinder or delay the consummation of the transactions contemplated by this Agreement. Parent and the Company shall, and shall cause their respective Subsidiaries to, cooperate with each other to the extent reasonable in connection with the foregoing. To the extent permitted by applicable Law, Parent and the Company shall inform the other Party of any oral or written communication with a Governmental Entity or third party with respect to the transactions contemplated by this Agreement and provide the other Party the opportunity to make copies of and review and comment upon all correspondence, filings or communications (or memoranda setting forth the substance thereof) between such Party or its Representatives, on the one hand, and any Governmental Entity or third party, on the other hand, with respect to the transactions contemplated by this Agreement. Parent and the Company acknowledge that all such information provided pursuant to the foregoing sentence shall be subject to the terms of the Confidentiality Agreement.

(b) In furtherance and not in limitation of the foregoing, Parent and the Company shall, and shall cause their respective Subsidiaries to, use their reasonable best efforts to file applications or make filings under the HSR Act and the other applicable antitrust Laws or regulations issued by a Governmental Entity that are designed or intended to prohibit, restrict or regulate actions having the purpose or effect of monopolization or restraint of trade or lessening of competition (“Antitrust Laws”) as promptly as practicable following the date hereof and in any event no later than ten (10) Business Days following the date hereof. Parent and the Company shall each pay an equal share of all application or filing fees with respect to such applications or filings. Parent’s and the Company’s respective reasonable best efforts to obtain any such Approvals include promptly responding to any requests for information from a Governmental Entity.

(c) Subject to applicable Law relating to the exchange of information, Parent shall have the right (i) to direct all matters with any Governmental Entity relating to the transactions contemplated by this Agreement, and (ii) to review in advance, and direct the revision of, any filing, application, notification or other document to be submitted by the Company or its Subsidiaries to any Governmental Entity under any Antitrust Law; provided, that to the extent practicable, Parent shall consult with the Company and consider the views of the Company with respect to such filing, application, notification or other document (including any formal or informal request for supplemental information or documentary material from any Governmental Entity). If Parent or any Affiliate of Parent receives any formal or informal request for supplemental information or documentary material from any Governmental Entity with respect to any of the transactions contemplated by this Agreement, then Parent shall use reasonable best efforts to make or cause to be made, as soon as reasonably practicable, a response in compliance with such request. If the Company or any Affiliate of the Company or any of its Subsidiaries receives any formal or informal request for supplemental information or documentary material from any Governmental Entity with respect to any of the transactions contemplated by this Agreement, then the Company shall use reasonable best efforts to make or cause to be made a response in compliance with such request. Neither Parent nor the Company shall, without the prior written consent of the other Party, permit any of such first Party’s respective Representatives to participate in

any meeting with any Governmental Entity relating to the transactions contemplated by this Agreement unless such first Party consults with the other Party in advance and, to the extent permitted by such Governmental Entity, grants such other Party the opportunity to attend and lead the discussions at such meeting.

(d) All documents required to be filed by any of the Parties or any of their respective Affiliates with any Governmental Entity in connection with the transactions contemplated by this Agreement shall comply in all material respects with the provisions of applicable Law.

7.4 Third Party Consents.

(a) Subject to the remainder of this Section 7.4, the Company shall, and shall cause its Subsidiaries to, cooperate and use their reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things commercially reasonable and necessary, proper or advisable to consummate to obtain all approvals or consents of any private third party required to be obtained or made by the Company or its Subsidiaries in connection with the Merger or the taking of any action contemplated by this Agreement which shall include using reasonable best efforts to obtain, among other necessary consents (if any), the consents set forth on Schedule 7.4(a) (excluding, for the avoidance of doubt, the Financing Consent and the Mortgage Consent, the “Required Consents”). To the extent permitted by applicable Law, the Company shall inform Parent of any oral or written communication with a third party with respect to the transactions contemplated by this Agreement and provide Parent the opportunity to make copies of and review and comment upon all correspondence, filings or communications (or memoranda setting forth the substance thereof) between the Company or its Representatives, on the one hand, and any third party, on the other hand, with respect to the transactions contemplated by this Agreement. Parent acknowledges that all such information provided pursuant to the foregoing sentence shall be subject to the terms of the Confidentiality Agreement.

(b) From the date hereof until the Closing, the Company shall, and shall cause each of its Subsidiaries and its and their respective Representatives to, use its reasonable best efforts to obtain, in consultation with Parent, all approvals or consents set forth on Schedule 7.4(b) from the Person(s) listed on such Schedule 7.4(b) (the “Financing Consent”) with the form and substance of any such amendment, consent or waiver, including any expenditures related thereto (other than immaterial amounts), being subject in all cases to the prior written approval of Parent.

(c) From the date hereof until the Closing, each of Parent and the Company shall, and shall cause each of their respective Subsidiaries and Representatives to, use its reasonable best efforts to obtain (in consultation with each other) all approvals or consents set forth on Schedule 7.4(c) from the Person(s) listed on such Schedule 7.4(c) (the “Mortgage Consent”) with the form and substance of any such amendment, consent or waiver, including any expenditures related thereto (other than immaterial amounts), being subject in all cases to the prior written approval of Parent.

(d) From the date hereof until the Closing, each of Parent and the Company shall, and shall cause each of their respective Subsidiaries and Representatives to, use its reasonable best efforts to obtain (in consultation with each other) the amendments to the agreements set forth on Schedule 7.4(d) in the manner set forth on such Schedule 7.4(d) with the form and substance of any such amendment, including any expenditures related thereto, being subject in all cases to the prior written approval of Parent.

(e) Notwithstanding anything in this Agreement to the contrary, while the Company and its Subsidiaries shall be required to exercise their reasonable best efforts to obtain the amendments, consents and waivers contemplated by Section 7.4(a), 7.4(b) and 7.4(d), the failure to obtain any such amendments, consents or waivers (in and of itself) shall in no event constitute the failure to satisfy any condition of any Party to consummate the Closing.

7.5 Cooperation with Financing.

(a) Each of Parent and Merger Sub shall use its reasonable best efforts to obtain the Debt Financing at Closing (giving effect to the timing of the Marketing Period) on the terms and conditions described in the Debt Financing Commitments; provided, that Parent and Merger Sub may (x) amend

the Debt Financing Commitments to add lenders, lead arrangers, bookrunners, syndication agents or similar entities who had not executed the Debt Financing Commitments as of the date of this Agreement and, in connection therewith, amend the economic and other arrangements with respect to existing and additional lenders, lead arrangers, bookrunners, syndication agents or similar entities, (y) amend the Debt Financing Commitments to implement any flex provisions applicable thereto or (z) otherwise replace or amend, or agree to any waivers in respect of, the Debt Financing Commitments, so long as, in each case, (A) such action would not reasonably be expected to materially delay or prevent the Closing or impair the availability of the Debt Financing Commitments or reduce the aggregate amount of cash proceeds available to consummate the transactions contemplated by this Agreement and to pay all amounts payable by Parent in connection with this Agreement on the Closing Date, (B) the terms thereof are not less beneficial to Parent and Merger Sub, with respect to conditionality or enforcement, or less beneficial to the Company, than those in the Debt Financing Commitments as in effect on the date of this Agreement and (C) such action does not in any way alter the pricing or other economic terms of the Debt Financing Commitments as in effect on the date hereof, other than pursuant to any reallocation of the economics as a result of the addition of any lenders, agents or titles described in clause (x) of this paragraph or to implement any flex provisions applicable to the Debt Financing Commitments. Such reasonable best efforts shall include using reasonable best efforts to:

- (i) take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable in connection therewith (irrespective of whether the Mortgage Consent has been delivered);
  - (ii) obtain all Approvals from any Governmental Entity or third party necessary, proper or advisable to consummate the transactions contemplated by this Agreement;
  - (iii) maintain in effect the Debt Financing Commitments until the earlier to occur of (x) the consummation of the transactions contemplated by this Agreement and (y) the termination of this Agreement in accordance with Article IX (including with respect to any backstop commitment, maintaining such commitment until such time as the Financing Consent has been received);
  - (iv) satisfy on a timely basis all conditions applicable to Parent and Merger Sub in the Debt Financing Commitments and the Definitive Financing Agreements that are within its control (including by consummating the Debt Financing when required pursuant to the terms of the Debt Financing Commitments and this Agreement) and otherwise comply with its obligations thereunder;
  - (v) negotiate definitive agreements with respect thereto on the terms and conditions (including, to the extent the same are exercised, the flex provisions) contemplated by the Debt Financing Commitments (the “Definitive Financing Agreements”);
  - (vi) if all of the conditions to Parent’s and Merger Sub’s obligations under Section 8.2 (other than those conditions that, by their terms, will be satisfied on the Closing Date) have been satisfied or waived and the Marketing Period has ended, consummate the Debt Financing at Closing; and
  - (vii) if a Tolling Event occurs, use reasonable best efforts to remedy such Tolling Event as soon as reasonably practicable; and
  - (viii) cause the Debt Financing Sources and other persons providing Debt Financing to fund on the Closing Date the Debt Financing required to consummate the Merger and the other transactions contemplated hereby, including by taking enforcement action to cause such Debt Financing Sources and other Persons providing the Debt Financing to fund such Debt Financing.
- (b) Without limiting the generality of the foregoing, Parent and Merger Sub shall give the Company prompt notice (and in any event within two (2) Business Days after obtaining knowledge) of: (A) any breach or default (or any event or circumstance that, with or without notice, lapse of time or both, could reasonably be expected to give rise to any breach or default) by any party to any Debt

Financing Commitment or Definitive Financing Agreement, (B) the receipt of any written notice or other written communication from any person with respect to any: (x) actual or potential breach, default, termination or repudiation by any party to any Debt Financing Commitment or Definitive Financing Agreement or (y) material dispute or disagreement between or among any parties to any Debt Financing Commitment or Definitive Financing Agreement, (C) any Debt Financing Commitment or Definitive Financing Agreement, as applicable, expiring or being terminated for any reason, (D) any Debt Financing Source that is a party to any Debt Financing Commitment notifying Parent that such source no longer intends to provide financing to Parent on the terms set forth therein, and (E) for any reason Parent no longer believes in good faith that it will be able to obtain all of the financing contemplated by the Debt Financing Commitments on the terms described therein. As soon as reasonably practicable, but in any event within two (2) Business Days after the date the Company delivers to Parent or Merger Sub a written request, Parent and Merger Sub shall provide any information reasonably requested by the Company relating to any circumstance referred to in clauses (A) to (E) of the immediately preceding sentence. Parent shall keep the Company informed on a reasonably current basis in reasonable detail of the status of its efforts to arrange the Debt Financing, including as to the Financing Election.

(c) If any portion of the Debt Financing becomes unavailable on the terms and conditions (including the flex provisions) contemplated in the Debt Financing Commitments, or if any Debt Financing Commitment shall be terminated, Parent shall use its reasonable best efforts to obtain alternative financing from alternative sources in an amount sufficient to consummate the transactions contemplated by this Agreement as promptly as practicable following the occurrence of such event (and no later than the earlier of (1) the last calendar day of the Marketing Period and (2) the Business Day immediately prior to the Outside Date) and, if obtained, to provide the Company with a copy of such new financing commitment; it being understood that Parent shall have no obligation to accept terms that are materially less favorable, taken as a whole (after taking into account any flex provisions), to Parent than those included in the Debt Financing Commitments as of the date hereof. For purposes of this Agreement, the definitions of “Debt Financing Commitments,” “Debt Financing” and related definitions shall include the Debt Financing Commitments and any document related thereto as the same may be amended, waived, modified or replaced pursuant to this Section 7.5.

(d) Prior to the Closing Date, each of Parent and Merger Sub shall, and shall cause each of its Subsidiaries to, use its reasonable best efforts to cooperate with and otherwise assist the Company in obtaining the amendments, consents and waivers contemplated by Section 7.4(b).

(i) causing its and its Subsidiaries’ management teams, with appropriate seniority and expertise, to participate in, including the preparation for, a reasonable number of meetings, conference calls, presentations, road shows, due diligence sessions, drafting sessions and similar sessions with prospective Debt Financing Sources, investors and rating agencies, in each case, upon reasonable advance notice by Parent;

(ii) (A) assisting with the preparation of reasonable and customary materials for rating agency presentations, offering documents, private placement memoranda, bank information memoranda and similar documents required or reasonably requested by the Debt Financing Sources in connection with the Debt Financing and (B) executing and delivering customary authorization letters and management representation letters;

(iii) as promptly as reasonably practicable, furnishing Parent and its Debt Financing Sources with the Required Information and other financial and other information regarding the business of the Company and its Subsidiaries as may be reasonably requested by Parent and assisting Parent with Parent’s preparation of pro forma financial information and projections to the extent required by SEC rules and regulations or necessary or reasonably required by the Debt

- (vi) executing a solvency certificate of the chief financial officer in the form required by the Debt Financing Commitments;

- (viii) causing the taking of corporate and other actions by the Company and its Subsidiaries, subject to the occurrence of the Closing, reasonably necessary to permit the consummation of the Debt Financing on the Closing Date and to permit the proceeds thereof to be made available to Parent as of the Closing Date; and cooperating in satisfying the conditions precedent set forth in the Debt Financing Commitments; it being understood and agreed that no such corporate or other action will take effect prior to the Closing Date.
- (f) The Company and its Subsidiaries shall not be required, under the provisions of this Section 7.5 or otherwise, in connection with the Debt Financing to (x) pay any commitment or other similar fee prior to the Closing Date, (y) incur any expense unless such expense is promptly reimbursed by Parent in accordance with Section 7.5(g) or (z) incur any liability under any loan or security document with respect to the Debt Financing prior to the Closing Date or that is not contingent on the Closing. Notwithstanding the foregoing, (A) no obligation of the Company and its Subsidiaries under any certificate, document or instrument shall be effective until the Closing Date and the Company and its Subsidiaries shall not be required to take any action under any certificate, document or instrument that is not contingent upon the Closing (other than with respect to any authorization letter described in clause (e)(ii)(B) above), (B) the Company and its Subsidiaries shall not be required to issue any offering document prior to the Closing Date, and (C) neither the Company nor any of its Subsidiaries or Representatives shall be required to take any action under this Section 7.5 that would unreasonably and materially interfere with the business or operations of the Company or its Subsidiaries.
- (g) In the event this Agreement is terminated in accordance with its terms, promptly upon request by the Company, Parent shall reimburse the Company for all reasonable and documented out-of-pocket costs incurred by the Company and its Subsidiaries in connection with this Section 7.5. Additionally, Parent shall indemnify and hold harmless the Company and its Affiliates and their respective officers, directors, employees, investment bankers, attorneys, accountants, consultants and other authorized agents, advisors or Representatives from and against any and all liabilities, losses, damages, claims, costs, expenses, interest, awards, judgments and penalties suffered or incurred by them

in connection with this Section 7.5 or otherwise in connection with the Debt Financing (other than to the extent such losses arise from the gross negligence, bad faith, or material breach of this Agreement by the Company or from information provided in writing by the Company and its Representatives).

(h) The Company shall, and shall cause its Subsidiaries to, use reasonable best efforts to (i) periodically update any Required Information provided by them or on their behalf as may be necessary so that such Required Information (A) is Compliant, (B) meets the applicable requirements set forth in the definition of "Required Information" and (C) would not, after giving effect to such update(s), result in the Marketing Period ceasing to be deemed to have commenced, and (ii) notify Parent in writing if (1) the Company and its Subsidiaries determine that they must restate any financial statements included in the Required Information or (2) the applicable independent accountants of the Company and its Subsidiaries shall have withdrawn any audit opinion with respect to any financial statements contained in the Required Information for which they have provided an opinion.

(i) The Company consents to the reasonable use of the Company and its Subsidiaries' logos in connection with the marketing of any Debt Financing in a manner customary for such financing transactions; provided, that such logos are used solely in a manner that is not intended to or reasonably likely to harm or disparage the Company and its Subsidiaries or the reputation or goodwill of the Company and its Subsidiaries.

(j) Notwithstanding anything in this Section 7.5 to the contrary, in no event shall Parent or Merger Sub have any obligation to seek the Mortgage Consent pursuant to the terms of this Section 7.5 (and any such obligation instead shall be governed solely by Section 7.4(c)).

**7.6 No Solicitation of Other Bids.**

(a) The Company shall not, and shall not authorize or permit any of its Affiliates or any of its or their Representatives to, directly or indirectly, (i) encourage, solicit, initiate, facilitate or continue inquiries or discussions regarding an Acquisition Proposal; (ii) enter into discussions or negotiations with, or provide any information to, any Person concerning a possible Acquisition Proposal; or (iii) enter into any agreements or other instruments (whether or not binding) regarding an Acquisition Proposal. The Company shall immediately cease and cause to be terminated, and shall cause its Affiliates and all of its and their Representatives to immediately cease and cause to be terminated, all existing discussions or negotiations with any Persons conducted heretofore with respect to, or that could lead to, an Acquisition Proposal. For purposes hereof, "Acquisition Proposal" shall mean any inquiry, proposal or offer from any Person (other than Parent or any of its Subsidiaries) concerning (i) a merger, consolidation, liquidation, recapitalization, share exchange or other business combination transaction involving the Company or any of its Subsidiaries; (ii) the issuance or acquisition of Equity Interests of the Company or any of its Subsidiaries; or (iii) the sale, lease, exchange or other disposition of any significant portion of the Company's or any of its Subsidiaries' properties or assets. The Company shall be deemed responsible for any breaches of this Section 7.6 by any of the Company's Affiliates or Representatives.

(b) In addition to the other obligations under this Section 7.6, the Company shall immediately advise Parent in writing of any Acquisition Proposal, any request for information with respect to any Acquisition Proposal, or any inquiry with respect to or which could reasonably be expected to result in an Acquisition Proposal, the material terms and conditions of such request, Acquisition Proposal or inquiry, and the identity of the Person making the same.

**7.7 Section 16 Matters.** Prior to the Closing, Parent shall take all such steps as may be required to cause any acquisitions of Parent Ordinary Shares resulting from the transactions contemplated by this Agreement by each individual who is or will become subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to Parent to be exempt under Rule 16b-3 promulgated under the Exchange Act to the fullest extent permitted by applicable Law.

**7.8 Preparation of Information Statements.**

Act related to this Agreement and the transactions contemplated hereby (such documents, including any amendment or supplement thereto, the “14C Information Statement”). Parent and the Company will cooperate with each other in the preparation of the 14C Information Statement. Without limiting the generality of the foregoing, the Company will furnish to Parent the information relating to it and its Subsidiaries required by applicable Law to be set forth in the 14C Information Statement. Parent will use its reasonable best efforts to resolve all SEC comments with respect to the 14C Information Statement as promptly as reasonably practicable after receipt thereof and to have the 14C Information Statement cleared by the staff of the SEC as promptly as reasonably practicable after such filing. Each of the Company and Parent agrees to correct any information provided by it for use in the 14C Information Statement which is or becomes false or misleading. Parent will as soon as reasonably practicable notify the Company of receipt of any comments from the SEC with respect to the 14C Information Statement and any request by the SEC for any amendment to the 14C Information Statement or for additional information and will provide the Company with copies of all such comments and correspondence. Prior to filing or mailing the 14C Information Statement (or any amendment or supplement thereto) or responding to any comments of the SEC (or the staff of the SEC) with respect thereto, Parent will provide the Company a reasonable opportunity to review and to propose comments on such document or response. Promptly after Parent has resolved all comments to the 14C Information Statement to the satisfaction of the SEC staff or after ten (10) calendar days have passed since the date of filing of the preliminary 14C Information Statement with the SEC without notice from the SEC of its intent to review the 14C Information Statement, Parent will promptly file with the SEC the 14C Information Statement in definitive form as contemplated by Rule 14c-2 promulgated under the Exchange Act substantially in the form previously cleared or filed with the SEC, as the case may be, and cause a copy of the 14C Information Statement to be mailed to each shareholder of Parent.

(b) As soon as reasonably practicable (but no later than thirty (30) calendar days) following the date of this Agreement, Parent will, with the assistance of the Company, prepare and mail to the Company Securityholders a statement related to the issuance of Parent Ordinary Shares to the Company Securityholders in compliance with Regulation D in respect of any investor that does not meet the definition of “accredited investor” (as defined therein) pursuant to the terms hereof, as required by applicable Law (the “Company Securityholders Statement” and together with the 14C Information Statement, the “Information Statements”). Each of the Company and Parent agrees to correct any information provided by it for use in such statement which is or becomes false or misleading. Prior to mailing such statement (or any amendment or supplement thereto), Parent will provide the Company a reasonable opportunity to review and to propose comments on such document.

7.9 Reservation of Parent Ordinary Shares and NASDAQ Listing. Effective at or prior to the Effective Time, Parent shall reserve (free from preemptive rights) out of its reserved but unissued Parent Ordinary Shares, the number of Parent Ordinary Shares included in the Aggregate Stock Consideration. Parent shall take all action necessary to cause the Parent Ordinary Shares to be issued in the Merger to be approved for listing on NASDAQ at or prior to the Effective Time.

7.10 Directors’ and Officers’ Indemnification.

(a) For a period of six (6) years following the Effective Time, Parent and the Surviving Corporation shall indemnify, defend and hold harmless all current or former directors and officers of the Company or any of its Subsidiaries (each, together with such person’s heirs, executors or administrators, a “Covered Person”) against any claims, losses, liabilities, damages, judgments, fines, fees, costs or expenses, including reasonable attorneys’ fees and disbursements incurred in connection with any Action, whether civil, criminal, administrative or investigative, incurred or suffered by such Covered Person by reason of: (i) any act or omission or alleged act or omission performed or omitted to be performed on behalf of the Company or any of its Subsidiaries or otherwise in connection with the business of the Company or any of its Subsidiaries; or (ii) the fact that he or she is or was a director or officer of the Company or any of its Subsidiaries, whether asserted or claimed prior to, at or after the Effective Time, in each case, to the fullest extent that the Company or the applicable Subsidiary, or Parent, as the case may be, would have been permitted, under applicable Law,

indemnification agreements existing on the date of this Agreement or the organizational or governing documents of the Company or any of its Subsidiaries in effect on the date of this Agreement, to indemnify such Covered Person (and Parent and the Surviving Corporation shall also advance expenses as incurred to the fullest extent permitted under applicable Law, indemnification agreements, and organizational or governing documents of the Company or any of its Subsidiaries). Without limiting the foregoing, all rights to indemnification and exculpation (including the advancement of expenses) from liabilities for acts or omissions occurring at or prior to the Closing (including with respect to the transactions contemplated hereby) existing as of the date hereof in favor of the Covered Persons, as provided in the organizational or governing documents of the Company or any of its Subsidiaries, as applicable, and pursuant to applicable Law shall survive the transactions contemplated hereby and shall continue in full force and effect without amendment, modification or repeal in accordance with their terms for a period of not less than six (6) years after the Closing; provided, however, that if any actual or threatened Action arising out of matters prior to the Closing Date (each a “D&O Claim”) is asserted or made within such period, all rights to indemnification and exculpation (including the advancement of expenses) hereunder in respect of any such D&O Claim shall continue, without diminution, until final resolution of any and all such claims.

(b) At or prior to the Closing, the Company shall acquire tail policies to the current directors and officers liability insurance of the Company and its Subsidiaries (the “Existing Policies”), covering the Covered Persons, from a reputable and financially sound carrier and in a form acceptable to the Stockholders’ Representative (such approval not to be unreasonably withheld), which tail policies shall (i) be effective for a period from the Closing Date through and including the date that is six (6) years after the Closing Date; (ii) be on terms substantially comparable in all respects to the Existing Policies; and (iii) contain minimum aggregate limits of liability for directors and officers liability insurance coverage for directors and officers of the Company and its Subsidiaries with the amount of coverage at least equal to that of the Existing Policies and deductibles no larger than those customary for such type of insurance coverage. Following the Closing, Parent shall, and shall cause the Company and its Subsidiaries to, provide copies of such policies to the past, current and future directors and officers of the Company and its Subsidiaries entitled to benefit thereof as reasonably requested by such Persons from time to time.

(c) Parent hereby acknowledges that the Covered Persons may have certain rights to indemnification, advancement of expenses or insurance provided by other Persons. Parent hereby agrees (i) that Parent and the Surviving Corporation are the indemnitor of first resort (i.e., their obligations to the Covered Persons are primary and any obligation of such other Persons to advance expenses or to provide indemnification for the same expenses or liabilities incurred by any such Covered Person are secondary), (ii) that Parent and the Surviving Corporation shall be required to advance the full amount of expenses incurred by any such Covered Persons and shall be liable for the full indemnifiable amounts, without regard to any rights any such Covered Person may have against any such other Person and (iii) that Parent irrevocably waives, relinquishes and releases (and shall cause the Surviving Corporation to irrevocably waive, relinquish and release) such other Persons from any and all claims against any such other Persons for contribution, subrogation or any other recovery of any kind in respect thereof. Parent further agrees that no advancement or payment by any of such other Persons on behalf of any such Covered Person with respect to any claim for which such Covered Person has sought indemnification from Parent or the Surviving Corporation shall affect the foregoing and such other Persons shall have a right of contribution or be subrogated to the extent of such advancement or payment to all of the rights of recovery of such Covered Person against Parent and the Surviving Corporation.

(d) The provisions of this Section 7.10 shall survive consummation of the Merger and are intended to be for the benefit of, and will be enforceable by, the Covered Persons.

**7.11 Employee Matters.**

(a) **Company Employees.** For purposes of this Section 7.11, the term “Company Employees” shall include, with respect to the Company and its Subsidiaries, all full-time and part-time employees, employees on workers’ compensation, maternity leave, or disability and employees on other approved leaves of absence with a legal or contractual right to reinstatement.

(b) Continuing Employees. During the one year period following the Closing, Parent shall, or shall cause one of its Affiliates to provide each of the Company Employees who continue in employment with the Company and its Subsidiaries following the Closing (each, a “Continuing Employee”) with annual base compensation or wages, as applicable, and employee benefits (other than under any defined benefit pension plans and equity compensation plans and arrangements) that are at least as favorable, in the aggregate, to those provided by Parent and its Subsidiaries to similarly situated employees of Parent and its Subsidiaries. From and after the Closing Date, Parent shall (or shall cause one of its Affiliates to) use reasonable best efforts to provide the Continuing Employees with service credit for all purposes (other than benefit accrual under any defined benefit pension plan) under any employee benefit plan that is maintained, sponsored, contributed to or required to be contributed to or entered into by Parent or any of its Affiliates for the benefit of any current or former employee, officer or other service provider of Parent or any of its Affiliates to the same extent as such Continuing Employee was entitled to service credit under any equivalent Employee Plan in which such Continuing Employee participated immediately prior to the Closing Date. Parent shall use reasonable best efforts to ensure that any employee benefit plans sponsored by Parent shall not deny Continuing Employees (or their eligible dependents) who participate in such employee benefit plans coverage on the basis of a pre-existing condition or actively-at-work requirement (except to the extent such pre-existing condition or actively-at-work requirement applied under a similar Employee Plan immediately prior to such Continuing Employee’s (or eligible dependents’) eligibility for such employee benefit plan), and shall use reasonable best efforts to cause the employee benefit plans sponsored by Parent to credit Continuing Employees (and their eligible dependents) for any deductibles, co-payments and out-of-pocket expenses paid in the plan year in which the Closing occurs prior to the Closing, to the same extent such credit was given for the current plan year, under a similar Employee Plan. Following the Effective Time, Parent shall, and shall cause the Surviving Corporation to, honor all Employee Plans and each written Contract set forth on Schedule 4.10(a) between the Company or any of its Subsidiaries, on the one hand, and any Continuing Employees, on the other hand, in accordance with their respective terms. The provisions of this Section 7.11(b) shall not apply to the extent that application would result in a duplication of benefits. Notwithstanding the foregoing, nothing in this Agreement (i) shall require Parent, the Surviving Corporation or any of their Subsidiaries to continue to employ any particular Company Employee or (ii) shall be construed to prohibit Parent, the Surviving Corporation or any of their Subsidiaries from amending or terminating any employee benefit plan of the Parent, the Company, or any of their respective Subsidiaries.

(c) Section 280G. (i) No later than five (5) Business Days prior to the Closing Date, the Company shall solicit and use reasonable best efforts (which shall not require the payment of compensation) to obtain from each Person who is, with respect to the Company or any of its Subsidiaries, a “disqualified individual” (within the meaning of Section 280G of the Code) that has a right to any payments or benefits or potential right to any payments or benefits that would be deemed to constitute “parachute payments” (within the meaning of Section 280G of the Code) a waiver of such Person’s rights to any such payments or benefits (the “Waived 280G Benefits”) so that all remaining payments or benefits applicable to such Person shall not be deemed to be “excess parachute payments” (within the meaning of Section 280G of the Code), in each case to the extent such waiver is not obtained prior to the date hereof, and (ii) if any such waiver is obtained, no later than three (3) Business Days prior to the Closing Date, solicit and use reasonable best efforts (which shall not require the payment of compensation) to obtain the approval of the Company Stockholders, to the extent and in the manner required under Sections 280G(b)(5)(A)(ii) and 280G(b)(5)(B) of the Code and the regulations promulgated thereunder, in order to pay any Waived 280G Benefits (the “280G Approval”). The Company shall provide drafts of such waivers and such stockholder approval materials to Parent for its review, comment and approval prior to obtaining such waivers and soliciting such approval, and the Company shall consider and not unreasonably omit any changes or comments thereto requested by Parent. The Company shall not pay any of the Waived 280G Benefits if such waived payment is not approved by the Company Stockholders as contemplated above. Prior to the Closing Date, the Company shall deliver to Parent copies of each executed waiver described above that has been

obtained as well as evidence that a vote of the Company Stockholders was solicited in accordance with the provisions of this Section 7.11(c) and that either (A) the 280G Approval was obtained or (B) that the 280G Approval was not obtained, and, as a consequence, the Waived 280G Benefits have not been and shall not be made or provided.

(d) No Employee or Third Party Beneficiary Rights. Nothing expressed or implied in this Section 7.11 shall confer upon any current or former Employee of the Company or its Affiliates, Parent or its Affiliates, the Surviving Corporation or its Affiliates or upon any legal representative of such current or former Employee, any rights or remedies, including any right to employment or continued employment for any specified period, of any nature or kind whatsoever under or by reason of this Agreement. Nothing in this Section 7.11, express or implied, shall create a third party beneficiary relationship or otherwise confer any benefit, entitlement, or right upon any Person other than the Parties hereto.

7.12 Tax Matters.

(a) Tax Returns. Prior to the Closing, the Company shall prepare and file, or cause to be prepared and filed, all Tax Returns of the Company that are due on or before the Closing Date and shall pay or cause to be paid all Taxes shown due thereon. All such Tax Returns described in this Section 7.12(a) shall be prepared in a manner consistent with past practice, except as otherwise required by Law. Except as set forth on Schedule 7.12(a), the Company shall provide Parent with copies of completed drafts of the Tax Returns described in the preceding sentence at least twenty (20) days prior to the due date for filing thereof, along with supporting work papers, for Parent's review and approval, such approval not to be unreasonably withheld. Parent and the Company shall attempt in good faith to resolve any disagreements regarding such Tax Returns prior to the due date for filing. In the event that Parent and the Company are unable to resolve any dispute with respect to such Tax Return at least ten (10) days prior to the due date for filing, such dispute shall be resolved pursuant to Section 7.12(c), which resolution shall be binding on the Parties. After the Closing, Parent shall cause the Company to prepare and file, or cause to be prepared and filed, all U.S. federal income Tax Returns of the Company and its Subsidiaries that are due after the Closing Date with respect to Pre-Closing Tax Periods or the portion of a Straddle Period ending on the Closing Date and shall pay or cause to be paid all Taxes shown due thereon. All such Tax Returns described in this Section 7.12(a)(ii) shall be prepared in a manner consistent with past practice, except as otherwise required by Law. Parent shall provide the Stockholders' Representative with copies of completed drafts of the Tax Returns described in the preceding sentence at least twenty (20) days prior to the due date for filing thereof, along with supporting work papers, for the Stockholders' Representative's review and approval, such approval not to be unreasonably withheld. The Stockholders' Representative and Parent shall attempt in good faith to resolve any disagreements regarding such Tax Returns prior to the due date for filing. In the event that Parent and the Stockholders' Representative are unable to resolve any dispute with respect to such Tax Return at least ten (10) days prior to the due date for filing, such dispute shall be resolved pursuant to Section 7.12(c), which resolution shall be binding on the Parties.

(b) Contests.

(i) If notice of any legal proceeding with respect to Taxes of the Company or any of its Subsidiaries for which the Company Stockholders may reasonably be expected to be liable pursuant to Section 10.2(d) (each, a "Tax Claim") shall be received by a Party, the notified Party shall provide the other Party, in writing, notice of such Tax Claim; provided, however, that the failure of Parent to give the Stockholders' Representative notice as provided herein shall not relieve the Company Stockholders of their obligations under Article X, except to the extent that the Company Stockholders are actually and materially prejudiced thereby.

(ii) The Stockholders' Representative shall have the right, at the expense of the Company Stockholders to the extent such Tax Claim is subject to indemnification by the Company Stockholders pursuant to Article X and the maximum potential liability of the Company and its Subsidiaries is less than the Cap, to elect to represent the interests of the Company and each of its Subsidiaries in any Tax Claim and to diligently prosecute such Tax Claim; provided, that (A) the Stockholders' Representative shall not settle such Tax Claim without the consent of Parent, which

consent shall not be unreasonably withheld, conditioned or delayed and (B) Parent shall be entitled to participate fully in the contest of such Tax Claim, including by receiving copies of any information requests, notices or other written materials received or prepared by the Stockholders' Representative in connection with such Tax Claim and having the opportunity to make reasonable comments to any such written materials, attending all in-person or telephonic meetings with any Governmental Entity with respect to such Tax Claim, and receiving regular updates from the Stockholders' Representative with respect to the status of such Tax Claim.

(iii) If the Stockholders' Representative does not elect to control the contest, or the Stockholders' Representative is not eligible to control the contest because the maximum potential liability exceeds the Cap, of a Tax Claim described in Section 7.2(b)(ii), Parent shall control and diligently prosecute such Tax Claim at the expense of the Company Stockholders pursuant to Article X (such expenses to be recovered solely from the Escrow Account); provided, that (A) Parent shall not settle such Tax Claim without the consent of the Stockholders' Representative, which consent shall not be unreasonably withheld, conditioned or delayed and (B) the Stockholders' Representative shall be entitled to participate fully in the contest of such Tax Claim, including by receiving copies of any information requests, notices or other written materials received or prepared by Parent, the Company or its Subsidiaries in connection with such Tax Claim and having the opportunity to make reasonable comments to any such written materials, attending all in-person or telephonic meetings with any Governmental Entity with respect to such Tax Claim, and receiving regular updates from Parent with respect to the status of such Tax Claim.

(c) Information and Cooperation.

(i) Parent and the Stockholders' Representative agree to furnish or cause to be furnished to each other, upon request, in a timely manner, such information (including access to books and records) and assistance relating to the Company as is reasonably necessary for the filing of any Tax Return, for the preparation of any audit, and for the prosecution or defense of any claim, suit or proceeding relating to any proposed adjustment.

(ii) Parent and the Stockholders' Representative will cooperate with each other in the conduct of any audit or other proceedings involving the Company or its Subsidiaries for any Tax purposes and each will execute and deliver such powers of attorney and other documents as are reasonably necessary to carry out the intent of this Section 7.12(c)(ii).

(iii) Any dispute as to any matter covered hereby shall be resolved by the Independent Auditor. The fees and expenses of the Independent Auditor shall be borne equally by the Company Stockholders, on the one hand, and Parent on the other. If any dispute with respect to a Tax Return is not resolved prior to the due date of such Tax Return, such Tax Return shall be filed in the manner which the Party responsible for preparing such Tax Return deems correct; provided that if the position of the Company Stockholders is accepted in whole or in part by the Independent Auditor, then Parent shall amend such Tax Return to be consistent with the Independent Auditor's determination if requested by the Stockholders' Representative.

(d) Transfer Taxes. All Transfer Taxes incurred in connection with the consummation of the transactions contemplated by this Agreement (including costs and expenses incurred in connection therewith) shall be paid by Parent. Subject to applicable Law, the Company shall file (or cause to be filed) all necessary Tax Returns and other documentation with respect to all such Transfer Taxes, and to the extent required by applicable Law, Parent and the Stockholders' Representative shall, and shall cause their Affiliates to, join in the execution of any such Tax Returns and other documentation. Parent and the Stockholders' Representative shall, and shall cause their Affiliates to, cooperate to obtain any exemption reasonably available with respect to such Transfer Taxes, and Parent shall reimburse the Stockholders' Representative for any Transfer Taxes paid by the Stockholders' Representative.

(e) Tax Sharing Agreements. All tax allocation, indemnification or sharing agreements, policies, arrangements and practices of the Company or any of its Subsidiaries shall be terminated prior to the Closing Date. After such date, none of the Company, its Subsidiaries, the Company Stockholders, Parent or any of their respective Affiliates will have any further rights or liabilities thereunder.

(f) Tax Elections. Parent shall not, without the prior consent of the Stockholders' Representative (which may, in its sole and absolute discretion, withhold such consent), make, or cause to permit to be made, any Tax election pursuant to Section 338 of the Code.

(g) Exclusivity. In the event of a conflict between the provisions of this Section 7.12, on the one hand, and the provisions of Section 10.5, on the other, the provisions of this Section 7.12 shall control.

7.13 Director and Officer Resignations. The Company shall use reasonable best efforts to obtain resignations, effective as of the Closing, in form and substance reasonably satisfactory to Parent from the directors, managers and officers of the Company and its Subsidiaries as requested by Parent at least five (5) Business Days prior to Closing.

The Company Fundamental Representations (other than Section 4.2) shall be true and correct in all material respects on and as of the Closing Date with the same effect as though made at and as of such date (unless such representations and warranties by their terms speak as of an earlier date, in which case they shall be true and correct in all material respects as of such date). **TERMINATION OF OBLIGATIONS**

9.1 Termination of Agreement. Anything herein to the contrary notwithstanding, this Agreement may be terminated at any time before the Closing as follows and in no other manner:

(a) Mutual Consent. By mutual consent in writing of Parent and the Company.

(b) Closing Not Consummated by Outside Date. By the Company or Parent at any time after February 12, 2015 (the "Outside Date"), if the Closing shall not have occurred by such date; provided that neither Party shall be entitled to terminate this Agreement pursuant to this Section 9.1(b) if the failure of the Closing to be consummated by the Outside Date is principally caused by such Party's breach of or failure to perform its obligations hereunder.

(c) Breach by Parent. By the Company, if Parent or Merger Sub has breached or failed to perform any representation, warranty, covenant or agreement contained in this Agreement, or if any representation or warranty of Parent or Merger Sub has become untrue, in each case, such that the conditions set forth in Sections 8.1 or 8.3, as the case may be, could not be satisfied as of the Closing Date; provided, however, that the Company may not terminate this Agreement pursuant to this Section 9.1(c) unless any such breach, failure to perform or failure to be true has not been cured within thirty (30) days after written notice by the Company to Parent informing Parent of such breach, failure to perform or failure to be true, except that no cure period shall be required for a breach which by its nature cannot be cured prior to the Outside Date; and provided, further, that the Company may not terminate this Agreement pursuant to this Section 9.1(c) if the Company is then in breach of this Agreement in any material respect.

(d) Breach by the Company. By Parent, if the Company has breached or failed to perform any representation, warranty, covenant or agreement contained in this Agreement, or if any representation or warranty of the Company has become untrue, in each case, such that the conditions set forth in Sections 8.1 or 8.2, as the case may be, could not be satisfied as of the Closing Date; provided, however, that Parent may not terminate this Agreement pursuant to this Section 9.1(d) unless any such breach, failure to perform or failure to be true has not been cured within fifteen (15) days after written notice by Parent to the Company informing the Company of such breach, failure to perform or failure to be true, except that no cure period shall be required for a breach which by its nature cannot be cured prior to the Outside Date; and provided, further, that Parent may not terminate this Agreement pursuant to this Section 9.1(d) if Parent is then in breach of this Agreement in any material respect.

(e) No Law or Injunction. By either Parent or the Company if (i) any court of competent jurisdiction or other competent Governmental Entity shall have issued an Order permanently restraining, enjoining or prohibiting the transactions contemplated by this Agreement and such Order shall have become final and nonappealable or (ii) there shall be any Law that makes consummation of the Merger illegal or otherwise prohibited; provided, that the Party seeking to terminate this Agreement pursuant to this Section 9.1(e) shall have complied with its obligations under Section 7.3 with respect to such Law or Order.

**TABLE OF CONTENTS**

(f) Failure to Close. By the Company if (i) all of the conditions set forth in Sections 8.1 and 8.2 have been satisfied (other than (x) those conditions that by their nature would be satisfied at the Closing, each of which is, at the time of termination of this Agreement, capable of being satisfied if the Closing were to occur at such time or (y) the failure of which to be satisfied is primarily the result of the material breach of Parent's representations, warranties, covenants or agreements under this Agreement), (ii) the Marketing Period has ended and the Closing shall not have occurred on or before the date required by Section 2.4, (iii) the Company has sent irrevocable written notice to Parent after clauses (i) and (ii) are satisfied stating its intention to terminate this Agreement pursuant to this Section 9.1(f) and irrevocably confirming that the Company stands ready, willing and able to consummate the Closing and (iv) Parent fails to consummate the Closing within the earlier of (x) the Outside Date and (y) three (3) Business Days following Parent's receipt of the notice described in clause (iii) above.

9.2 Notice of Termination. The Party desiring to terminate this Agreement pursuant to Section 9.1 (other than in the case of a termination pursuant to Section 9.1(a)) shall give written notice of such termination to the other Parties.

9.3 Effect of Termination.

(a) Termination. In the event that this Agreement shall be terminated pursuant to Section 9.1, this Agreement shall forthwith become void and have no effect, without any liability or obligation on the part of any Party under this Agreement; provided, that notwithstanding the foregoing, (a) no such termination shall relieve any Party hereto of any liability for damages to the other party hereto resulting from any willful and knowing breach of this Agreement prior to such termination, and (b) the obligations of the Parties contained in Section 7.5(g) and this Section 9.3 and Sections 11.1, 11.2, 11.3, 11.5, 11.6, 11.7, 11.8, 11.9, 11.10, 11.12, 11.13, 11.14, 11.16, 11.17 and 11.18 and all provisions of this Agreement necessary for the interpretation and enforcement thereof shall survive any such termination.

(b) Termination Fee. If the Company terminates this Agreement pursuant to Section 9.1(f) or Parent terminates this Agreement pursuant to Section 9.1(b) at a time when the Company would have been entitled to terminate this Agreement pursuant to Section 9.1(f), then in either case, Parent shall, promptly, but in any event within five (5) Business Days, pay a fee of \$88,900,000 (the "Parent Termination Fee") in cash to the Company or an account or accounts designated by the Company by wire transfer of immediately available funds.

(c) If Parent fails to pay the Parent Termination Fee in accordance with this Section 9.3 on or prior to the date such amount is due hereunder, and, in order to obtain such payment, the Company commences an Action that results in a final, nonappealable judgment against Parent for the payment of the Parent Termination Fee pursuant to this Section 9.3, Parent shall pay, or cause to be paid, to the Company its reasonable and documented, out-of-pocket costs and expenses (including attorneys' fees and expenses) in connection with such Action, together with interest on such amount of the Parent Termination Fee at an annual rate equal to the prime rate as published in the Wall Street Journal, Eastern Edition, in effect on the date such amounts were originally due hereunder which shall accrue from such date through the date payment is actually delivered to the Company or its designee, and the costs and expenses (including attorneys' fees) incurred by the Company in connection with such action or proceeding.

(d) The Parties acknowledge and agree that the recovery of the Parent Termination Fee as set forth herein shall constitute payment of liquidated damages and not a penalty and that such liquidated damages amount is reasonable in light of the substantial but indeterminate harm anticipated to be caused by Parent's material breach or default under this Agreement, the difficulty of proof of loss and damages, the inconvenience and non-feasibility of otherwise obtaining an adequate remedy and the value of the transactions to be consummated hereunder.

(e) The Company acknowledges and agrees that, notwithstanding anything to the contrary herein, if the Company terminates this Agreement in accordance with Section 9.1(f) or Parent terminates this Agreement pursuant to Section 9.1(b) at a time when the Company would have been

entitled to terminate this Agreement pursuant to Section 9.1(f), then, in either case, other than with respect to any indemnification or expense reimbursement obligations of Parent under Section 7.5(g), (i) in the case of a termination of this Agreement in which the Parent Termination Fee is payable in accordance with Section 9.3(b), the Company's sole and exclusive remedy (whether at law, in equity, in contract, in tort or otherwise) shall be the payment of the Parent Termination Fee pursuant to Section 9.3(b) (together with any other amounts payable to the Company in accordance with Section 9.3(c)), (ii) the Company shall not be entitled to specific performance under Section 11.15 of Parent's obligation to consummate the Closing (it being understood that the foregoing shall not impair the rights of the Company to seek specific performance pursuant to Section 11.15 prior to any termination of this Agreement) and (iii) none of the Company, its Subsidiaries, or any of their respective Affiliates, members, shareholders or Representatives shall have any other remedy (whether at law, in equity, in contract, in tort or otherwise) against Parent, its Affiliates and other direct and indirect investors, and each of their respective Representatives or any Debt Financing Source, its Affiliates and other direct and indirect investors, and each of their respective Representatives for any Losses suffered as a result of any breach of any representation, warranty, covenant or agreement in this Agreement (whether willfully, knowingly, intentionally, unintentionally or otherwise) or other failure of the transactions contemplated by this Agreement to be consummated (whether willfully, knowingly, intentionally, unintentionally or otherwise), whether by or through attempted piercing of the corporate veil, by or through a claim by or on behalf of the Company against any such Person, by the enforcement of any assessment or by any legal or equitable proceeding, by virtue of any applicable Law, or otherwise. For the avoidance of doubt, (x) the Parties agree that, for purposes of this Section 9.3(e), the Stockholders' Representative shall not have any rights, nor shall it be able to enforce any remedies, that are unavailable to the Company and (y) it is agreed and acknowledged that no Party shall have any rights under this Section 9.3(e) unless expressly provided for herein.

(a) any inaccuracy in or breach of any of the Company Specified Representations or any failure of such Company Specified Representations to be true and correct as if it was made on the Closing Date (except to the extent expressly made as of an earlier date, in which case as of such earlier date); provided, that if any Company Specified Representation is qualified or limited based on materiality, including the terms "material," "Company Material Adverse Effect" or any similar materiality or similar qualification or limitation, such qualification or limitation shall in all respects be disregarded and given no effect for purposes of determining whether any breach thereof, inaccuracy therein or any Losses have occurred, and the amount of such Losses;

(c) any Action asserted or threatened by (i) any Company Securityholder relating to or arising out of (x) the Pre-Closing Recapitalization, (y) this Agreement, the other Transaction Documents or the consummation of the Merger, or (z) any alleged misallocation of the Aggregate Merger Consideration (including payments made by Parent or the Surviving Corporation at the direction of the Stockholders' Representative or the Company) or the failure of the Note Payment Schedule or the Option Payment Schedule to be true and correct in all respects, (ii) any Company Securityholder for payment relating to equity securities or debt of the Company issued and outstanding immediately prior to the Effective Time, including any payment related to the Company Notes or the Company Warrants, and (iii) any holder of Company Options or other equity compensation awards, including stock appreciation rights, of the Company and its Subsidiaries for payment of a portion of the Aggregate Merger Consideration, related to any such option or equity compensation award of the Company or its Subsidiaries; and

(d) any Taxes of the Company or any Subsidiary thereof (and any predecessors thereof) resulting from a failure by the Company and its Subsidiaries to be eligible for the exclusion from gross income under Section 883(a)(1) of the Code and the Treasury Regulations issued thereunder in the current taxable year or in a Pre-Closing Tax Period or in a portion of any Straddle Period ending on the Closing Date in which such exclusion was claimed by the Company or its Subsidiaries.

10.3 Indemnification by Parent. Subject to the other terms and conditions of this Article X, from and after the Closing, Parent shall indemnify and defend each of the Company Securityholders (collectively, the "Stockholder Indemnitees") against, and shall hold each of them harmless from and against, and shall pay and reimburse each of them for, any and all Losses incurred or sustained by, or imposed upon, the Stockholder Indemnitees based upon, arising out of or by reason of:

(a) any inaccuracy in or breach of any of the Parent Specified Representations or any failure of such Parent Specified Representations to be true and correct as if it was made on the Closing Date (except to the extent expressly made as of an earlier date, in which case as of such earlier date); provided, that if any Parent Specified Representation is qualified or limited based on materiality, including the terms "material," "Parent Material Adverse Effect" or any similar materiality or similar qualification or limitation, such qualification or limitation shall in all respects be disregarded and given no effect for purposes of determining whether any breach thereof, inaccuracy therein or any Losses have occurred, and the amount of such Losses; and

(b) any breach or non-fulfillment of any covenant, agreement or obligation to be performed by Parent pursuant to this Agreement.

10.4 Certain Limitations. The indemnification provided for in Sections 10.2 and 10.3 shall be subject to the following limitations:

(a) The aggregate amount of all Losses for which the Company Securityholders shall be liable pursuant to Section 10.2 shall not exceed the aggregate cash and Parent Ordinary Shares then available in the Escrow Account (the "Cap").

(b) Notwithstanding any other provision of this Agreement, the Company Securityholders shall not have any obligation to indemnify any Parent Indemnitee pursuant to Section 10.2, unless and until the aggregate amount of all such individual Losses incurred or sustained by all Parent Indemnitees with respect to which the Parent Indemnitees would otherwise be entitled to indemnification under Section 10.2 exceeds \$1,000,000 (the "Threshold Amount"), and then only to the extent such Losses exceed the Threshold Amount.

(c) The aggregate amount of all Losses for which Parent shall be liable pursuant to Section 10.3 shall not exceed \$88,900,000.

(d) Notwithstanding any other provision of this Agreement, Parent shall not have any obligation to indemnify any Stockholder Indemnitee pursuant to Section 10.3 unless and until the aggregate amount of all such individual Losses incurred or sustained by all Stockholder Indemnitees with respect to which the Stockholder Indemnitees would otherwise be entitled to indemnification under Section 10.3 exceeds the Threshold Amount, and then only to the extent such Losses exceed the Threshold Amount.

(e) The Company Stockholders shall have no right of contribution or other recourse against the Surviving Corporation or its Subsidiaries or their respective directors, officers, employees, Affiliates, agents, attorneys, representatives, assigns or successors for any claims asserted by Parent Indemnitees.

(f) The limitations set forth in this Section 10.4 shall not apply in the case of fraud, criminal activity or willful breach.

10.5 Indemnification Procedures. The party making a claim under this Article X is referred to as the “Indemnified Party,” and the party against whom such claims are asserted under this Article X is referred to as the “Indemnifying Party”. The Stockholders’ Representative shall exercise on behalf of the Company Securityholders all of their rights under this Section 10.5 to the extent the Company Securityholders are the Indemnifying Parties.

(a) Third Party Claims. If any Indemnified Party receives notice of the assertion or commencement of any Action made or brought by any Person who is not a party to this Agreement or an Affiliate of a party to this Agreement or a Representative of the foregoing, other than any Action with respect to a Tax matter that is governed by Section 7.12 (a “Third Party Claim”), against such Indemnified Party with respect to which the Indemnifying Party is obligated to provide indemnification under this Agreement, the Indemnified Party shall give the Indemnifying Party reasonably prompt written notice thereof, but in any event not later than thirty (30) calendar days after receipt of such notice of such Third Party Claim. The failure to give such prompt written notice shall not, however, relieve the Indemnifying Party of its indemnification obligations, except to the extent that the Indemnifying Party is materially prejudiced thereby. Such notice by the Indemnified Party shall describe the Third Party Claim in reasonable detail, shall include copies of all material written evidence thereof and shall indicate the estimated amount, if reasonably practicable, of the Loss that has been or may be sustained by the Indemnified Party. The Indemnifying Party shall have the right to participate in, or by giving written notice to the Indemnified Party, to assume the defense of any Third Party Claim at the Indemnifying Party’s expense and by the Indemnifying Party’s own counsel, and the Indemnified Party shall cooperate in good faith in such defense; provided, that such assumption and control of the defense of such Third Party Claim shall be deemed to be an acceptance and assumption of the liability of such Third Party Claim by the Indemnifying Party and an admission that any Losses arising from such claim are indemnifiable Losses for which the Indemnifying Party is liable hereunder; provided, further, that if the Indemnifying Party are the Company Securityholders, such Indemnifying Party shall not have the right to defend or direct the defense of any such Third Party Claim that (i) the Indemnified Party reasonably believes that it would bear a larger portion of the Losses relating to the claim than the Indemnifying Party due to the Cap, (ii) seeks an injunction or other equitable relief against the Indemnified Party, or (iii) relates to or arises in connection with any criminal or quasi-criminal proceeding, action, indictment, allegation or investigation. In the event that the Indemnifying Party assumes the defense of any Third Party Claim, subject to Section 10.5(a), it shall have the right to take such action as it deems necessary to avoid, dispute, defend, appeal or make counterclaims pertaining to any such Third Party Claim in the name and on behalf of the Indemnified Party; provided, that the Indemnifying Party acknowledges that notwithstanding its assumption of the defense of such Third Party Claim, the Indemnified Party shall be the party entitled to the indemnification rights. The Indemnified Party shall have the right to participate in the defense of any Third Party Claim with counsel selected by it subject to the Indemnifying Party’s right to control the defense thereof. The fees and disbursements of such counsel shall be at the expense of the Indemnified Party; provided, that if in the reasonable opinion of counsel to the Indemnified Party, (A) there are legal defenses available to an Indemnified Party that are different from or additional to those available to the Indemnifying Party; or (B) there exists a conflict of interest between the Indemnifying Party and the Indemnified Party that cannot be waived, the Indemnifying Party shall be liable for the reasonable fees and expenses of one counsel to the Indemnified Party in each jurisdiction for which the Indemnified Party reasonably determines counsel is required. If the Indemnifying Party elects not to compromise or defend such Third Party Claim, fails to promptly notify the Indemnified Party in writing of its election to defend as provided in this Agreement, or fails to diligently prosecute the defense of such Third Party Claim, the Indemnified Party may, subject to Section 10.5(b), pay, compromise, defend such Third Party Claim and seek indemnification for any and all Losses based upon, arising from or relating to such Third Party Claim.

(b) Settlement of Third Party Claims. Notwithstanding any other provision of this Agreement, the Indemnifying Party shall not enter into settlement of any Third Party Claim without the prior written consent of Parent of the Stockholders' Representative, as applicable, except as provided in this Section 10.5(b); provided that if a firm offer is made to settle a Third Party Claim without leading to liability or the creation of a financial or other obligation on the part of the Indemnified Party and provides, in customary form, for the unconditional release of each Indemnified Party from all liabilities and obligations in connection with such Third Party Claim, the Indemnifying Party shall have the right to settle such Third Party Claim in its reasonable discretion. If the Indemnified Party has assumed the defense pursuant to Section 10.5(a), it shall not agree to any settlement without the written consent of the Indemnifying Party.

(c) Direct Claims. Any Action by an Indemnified Party on account of a Loss which does not result from a Third Party Claim (a "Direct Claim") may be asserted by the Indemnified Party giving the Indemnifying Party written notice thereof. The failure to give such written notice shall not, however, relieve the Indemnifying Party of its indemnification obligations, except to the extent that the Indemnifying Party is materially prejudiced thereby. Such notice by the Indemnified Party shall describe the Direct Claim in reasonable detail, shall include copies of all material written evidence thereof and shall indicate the estimated amount, if reasonably practicable, of the Loss that has been or may be sustained by the Indemnified Party. The Indemnifying Party shall have thirty (30) days after its receipt of such notice to respond in writing to such Direct Claim. The Indemnified Party shall allow the Indemnifying Party and its professional advisors to investigate the matter or circumstance alleged to give rise to the Direct Claim, and whether and to what extent any amount is payable in respect of the Direct Claim and the Indemnified Party shall assist the Indemnifying Party's investigation by giving such information and assistance (including access to the Company's premises and personnel and the right to examine and copy any accounts, documents or records) as the Indemnifying Party or any of its professional advisors may reasonably request. If the Indemnifying Party does not so respond within such thirty (30) day period, the Indemnifying Party shall be deemed to have rejected such claim, in which case the Indemnified Party shall be free to pursue such remedies as may be available to the Indemnified Party on the terms and subject to the provisions of this Agreement.

10.6 Payments. Once a Loss is agreed to by the Indemnifying Party or finally determined to be payable pursuant to this Article X, (a) if Parent is the Indemnifying Party, Parent shall satisfy its obligations within ten (10) Business Days of such final, non-appealable determination by wire transfer of immediately available funds as directed by the Stockholders' Representative and (b) if the Company Securityholders are the Indemnifying Party, any payments the Company Securityholders are obligated to make to any Parent Indemnitee pursuant to this Article X shall be paid solely from the Escrow Account (any such payments to be allocated between the cash and Parent Ordinary Shares then held in the Escrow Account on a pro rata basis based on the relative value of such cash and Parent Ordinary Shares as determined in accordance with this Section 10.6) to the Parent Indemnitees to the extent there are sufficient assets in the Escrow Account (with respect to the Parent Ordinary Shares held in the Escrow Account, by the release of a number of Parent Ordinary Shares equal to the quotient obtained by dividing (i) the amount of such Loss by (ii) the average closing price of the Parent Ordinary Shares on the five trading days immediately preceding the date of such payment from the Escrow Account by the Escrow Agent pursuant to a joint written instruction from the Stockholders' Representative and Parent in accordance with this Agreement and the Escrow Agreement).

10.7 Tax Treatment of Indemnification Payments. All indemnification payments made under this Agreement shall be treated by the parties as an adjustment to the purchase price for Tax purposes, unless otherwise required by Law.

10.8 Exclusive Remedies. Subject to Article III and except for breaches of payment obligations by one party to the other party pursuant to this Agreement or any other Transaction Document, the Parties acknowledge and agree that, following the Closing, their sole and exclusive monetary remedy with respect to any and all claims (other than claims arising from fraud, criminal activity or willful breach in connection with the transactions contemplated by this Agreement) for any breach of any representation, warranty, covenant, agreement or obligation set forth herein or otherwise relating to the subject matter of this

Agreement, shall be pursuant to the indemnification provisions set forth in this Article X. Nothing in this Section 10.8 shall limit any Person's right to seek and obtain any equitable relief to which any Person shall be entitled or to seek any remedy on account of any party's fraud, criminal activity or willful breach.

11.2 Amendments; Waivers. This Agreement, including any Exhibit or Schedule, may be amended, modified or supplemented only by agreement in writing of the Parties. No waiver of any provision nor consent to any exception to the terms of this Agreement shall be effective unless in writing and signed by the Party to be bound and then only to the specific purpose, extent and instance so provided. In the event that any Party seeks an amendment or waiver to Section 9.3 (“Effect of Termination”), this Section 11.2, Section 11.5 (“Governing Law; Consent to Jurisdiction; Waiver of Jury Trial”), Section 11.8 (“Parties in Interest”), Section 11.12 (“Entire Agreement”) or Section 11.18 (“Non-Recourse”) that is adverse to the Debt Financing Sources, the prior written consent of the Debt Financing Sources shall be required before any such amendment or waiver may become effective.

11.3 Schedules; Exhibits. Each Schedule and Exhibit delivered pursuant to the terms of this Agreement shall be in writing and shall constitute a part of this Agreement.

11.4 Further Assurances. If, at any time after the Closing, any further action is necessary or desirable to carry out the purposes of this Agreement and to vest the Surviving Corporation with full right, title and interest in, to and under, or possession of, all assets, property, rights, privileges, powers and franchises of the Company, the officers and directors of the Surviving Corporation are fully authorized, in the name and on behalf of the Company or otherwise, to take all lawful action necessary or desirable to accomplish such purpose or acts, so long as such action is not inconsistent with this Agreement.

11.5 Governing Law; Consent to Jurisdiction; Waiver of Jury Trial.

(a) Any controversy, dispute or claim arising out of or related to this Agreement and any other document or instrument delivered pursuant hereto, including the existence, validity, interpretation or breach hereof (whether in contract or tort and whether in equity, law or statute) shall be governed by and construed in accordance with the Laws of the State of Delaware without regard to choice or conflicts of law doctrines; provided, that the Merger shall be governed by and construed in accordance with the Laws of the Republic of Panama and without regard to choice or conflicts of law doctrines. Each of the Parties hereto (w) irrevocably agrees that all Actions (whether in contract or tort and whether in equity, law or statute) that may be based upon, arise out of or relate to this Agreement, or the negotiation, execution or performance of this Agreement shall be exclusively resolved in the Delaware Court of Chancery, or, if such court shall not have jurisdiction, any Federal or state court sitting in Delaware, (x) consents to submit itself to the personal jurisdiction of the Delaware Court of Chancery, or, if such court shall not have jurisdiction, any Federal or state court sitting in Delaware in connection with any such Action (whether in contract or tort and whether in equity, law or statute) that arises out of this Agreement or any of the transactions contemplated by this Agreement, (y) agrees that it will not attempt to deny or defeat such personal jurisdiction by motion or other request for leave from any such court and (z) agrees that it will not bring any Action relating to this Agreement in any court other than the Delaware Court of Chancery, or, if such court shall not have jurisdiction, any Federal or state court sitting in Delaware, unless venue would not be proper under rules applicable in such courts. Notwithstanding anything herein to the contrary, each Party acknowledges and irrevocably agrees (i) that any Action, whether in contract or tort, at law or in equity or otherwise, involving any Debt Financing Source arising out of, or relating to, the transactions contemplated hereby, the Debt Financing Commitments, the Debt Financing or the performance of services thereunder or related thereto shall be governed by and construed in accordance with the Laws of the State of New York and shall be subject to the exclusive jurisdiction of the Supreme Court of the State of New York, County of New York, or if under applicable Law exclusive jurisdiction is vested in the Federal courts, the United States District Court for the Southern District of New York (and the appellate courts thereof) in the County of New York and each Party submits for itself and its property

with respect to any such Action to the exclusive jurisdiction of such court and agrees not to bring (or permit any of its Affiliates to bring or support anyone else in bringing) any such Action in any other court, (ii) that service of process, summons, notice or document by registered mail addressed to them at their respective addresses provided in Section 11.1 (“Notices”) shall be effective service of process against it for any such Action brought in any such court, (iii) to waive and hereby waives, to the fullest extent permitted by applicable Law, any objection which it may now or hereafter have to the laying of venue of, and the defense of an inconvenient forum to the maintenance of, any such Action in any such court, (iv) that a final judgment in any such Action shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable Law and (v) the Debt Financing Sources are express third party beneficiaries of, and may enforce, any provisions in this Agreement reflecting the foregoing agreements.

(b) **Waiver of Jury Trial.** Each Party hereby waives, to the fullest extent permitted by applicable Law, any right it may have to a trial by jury in respect to any litigation directly or indirectly arising out of, under or in connection with this Agreement or any transaction contemplated hereby, including with respect to any Action that involves the Debt Financing Sources. Each Party (i) certifies that no Representative or agent of any other Party has represented, expressly or otherwise, that such other Party would not, in the event of litigation, seek to enforce the foregoing waiver and (ii) acknowledges that it and the other Parties hereto have been induced to enter into this Agreement by, among other things, the mutual waivers and certifications in this Section 11.5(b).

11.6 **Headings.** The descriptive headings of the Articles, Sections and subsections of this Agreement are for convenience only and do not constitute a part of this Agreement.

11.7 **Counterparts.** This Agreement and any amendment hereto or any other agreement (or document) delivered pursuant hereto may be executed in one or more counterparts and by different Parties in separate counterparts. All of such counterparts shall constitute one and the same agreement (or other document) and shall become effective (unless otherwise provided therein) when one or more counterparts have been signed by each Party and delivered to the other Party. A signed copy of this Agreement delivered by facsimile, e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

11.8 **Parties in Interest.** This Agreement shall be binding upon and inure to the benefit of each Party and their permitted assigns and successors, and except as set forth in Article III (which from and after the Effective Time, shall be for the benefit of the Company Securityholders), Section 7.5(g), Section 7.10, Article X and Section 11.18, nothing in this Agreement, express or implied, is intended to confer upon any other Person any rights or remedies of any nature whatsoever under or by reason of this Agreement; provided, that the Stockholders’ Representative shall not be entitled to any rights or be able to enforce any remedies under or by reason of this Agreement in its capacity as a Company Securityholder by virtue of it being a Party hereto. Notwithstanding the foregoing, each Debt Financing Source is an express third party beneficiary of Section 9.2 (“Effect of Termination”), Section 11.2 (“Amendments; Waivers”), Section 11.5 (“Governing Law; Consent to Jurisdiction; Waiver of Jury Trial”), Section 11.18 (“Non-Recourse”) and this Section 11.8.

11.9 **Waiver.** No failure on the part of any Party to exercise or delay in exercising any right hereunder shall be deemed a waiver thereof, nor shall any single or partial exercise preclude any further or other exercise of such or any other right.

11.10 **Severability.** If any term or provision of this Agreement is determined to be invalid, illegal or unenforceable by any Governmental Entity, the remaining terms and provisions of this Agreement to the extent permitted by Law shall remain in full force and effect; provided, that the essential terms and conditions of this Agreement for the Parties remain valid, binding and enforceable; and provided, further, that the economic and legal substance of the transactions contemplated by this Agreement is not affected in any manner materially adverse to any Party. In event of any such determination, the Parties agree to negotiate in good faith to modify this Agreement to fulfill as closely as possible the original intents and purposes hereof. To the extent permitted by Law, the Parties hereby to the same extent waive any provision of Law that renders any provision hereof prohibited or unenforceable in any respect.

11.11 [Reserved].

11.12 Entire Agreement. This Agreement, together with the Schedules and Exhibits hereto and the other Transaction Documents, (a) constitutes the entire agreement among the Parties pertaining to the subject matter hereof and (b) supersedes all prior and contemporaneous agreements and understandings, both oral and written, of the Parties in connection therewith, except for the Confidentiality Agreement, which shall remain in full force and effect until the consummation of the transactions contemplated by this Agreement (whereupon the Parties agree the Confidentiality Agreement shall terminate).

11.13 Expenses. Except as otherwise provided herein, the Company and Parent shall each pay its own expenses incident to the evaluation of the Company and the business of the Company and its Subsidiaries and the negotiation, preparation and performance of this Agreement and the transactions contemplated by this Agreement, including the fees, expenses and disbursements of their respective investment bankers, accountants and counsel.

11.14 No Assignment. Neither this Agreement nor any rights or obligations under it are assignable by either Party without the prior written consent of the other Party; provided, however, that each of Parent or Merger Sub may (x) assign or otherwise transfer its rights and obligations hereunder to any Subsidiary of Parent, which assignment or transfer shall not relieve Parent or Merger Sub, as applicable, of its obligations hereunder, (y) collaterally assign in whole or in part, this Agreement to one or more of its financing sources and (z) assign any and all of its rights under this Agreement to a purchaser of all or a material part of the business of the Company and its Subsidiaries. The assigning Party shall remain liable to the other Parties for all obligations of the assigning Party hereunder, including the payment of the consideration set forth herein, notwithstanding a permitted assignment. Any assignment in violation of this provision shall be void and of no effect.

11.15 Specific Performance.

(a) The Parties hereto agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed by Parent, Merger Sub or the Company in accordance with the terms hereof or were otherwise breached by Parent, Merger Sub or the Company. Except as set forth in Section 11.15(b) with respect to the obligation of Parent or Merger Sub to consummate the Closing, the Parties further agree that, in addition to any other remedy to which they are entitled at law or in equity, each of Parent, Merger Sub and (subject to Section 11.15(b)) the Company shall be entitled to an injunction or injunctions without the necessity of posting a bond to prevent or cure breaches of the terms and provisions of this Agreement and to specific performance of the terms and provisions of this Agreement.

(b) Notwithstanding anything in this Agreement to the contrary, including Section 11.15(a), it is explicitly agreed that the Company's right to seek an injunction, specific performance or other equitable relief to enforce Parent's obligation to consummate the Closing shall be available only prior to the termination of this Agreement and only in the event that (i) all of the conditions set forth in Section 8.1 and Section 8.2 have been satisfied or waived in writing (other than (x) those conditions that by their nature would be satisfied at the Closing, each of which is, at the time of termination of this Agreement, capable of being satisfied if the Closing were to occur at such time or (y) the failure of which to be satisfied is primarily the result of the material breach of Parent's representations, warranties, covenants or agreements under this Agreement), (ii) either the Debt Financing contemplated by the Debt Financing Commitments (or alternative debt financing) has been funded or will be funded at the Closing in accordance with its terms, (iii) the Marketing Period has ended and the Closing shall not have occurred on or before the date the Closing is required to occur pursuant to Section 2.4, (iv) the Company has sent irrevocable written notice to Parent after clauses (i), (ii) and (iii) are satisfied irrevocably confirming that the Company stands ready, willing and able to consummate the Closing and (v) Parent fails to consummate the Closing within the earlier of (x) the Outside Date and (y) three (3) Business Days after the delivery of the notice described in clause (iv) above. For the avoidance of doubt, under no circumstances shall Parent be obligated both to specifically perform the terms of this Agreement and to pay the Parent Termination Fee to the Company pursuant to Section 9.3(b). For the avoidance of doubt, (A) the Parties agree that, for A-76

purposes of this Section 11.15, the Stockholders' Representative shall not have any rights, nor shall it be able to enforce any remedies, that are unavailable to the Company and (B) it is agreed and acknowledged that no Party shall have any rights under this Section 11.15 unless expressly provided for herein.

11.16 Stockholders' Representative. Apollo Management, L.P. is hereby irrevocably constituted and appointed as representative, agent, proxy and attorney-in-fact by the Company Securityholders for and on behalf of each of the Company Securityholders for all purposes under this Agreement including the full and exclusive power and authority, on behalf of the Company Securityholders and their successors and permitted assigns, to (a) interpret the terms and provisions of this Agreement; (b) consummate the Merger and the transactions contemplated by this Agreement and execute and deliver all agreements, certificates, statements, notices, approvals, extensions, waivers, undertakings, amendments and other documents required or permitted to be given in connection with the consummation of the Merger and the transactions contemplated by this Agreement; (c) receive service of process in connection with any claims under this Agreement; (d) take all actions and exercise all rights of the Company Securityholders under Article X and otherwise agree to, negotiate, enter into settlements and compromises of and demand arbitration and comply with orders of courts and awards of arbitrators with respect to such claims, and to take all actions necessary or appropriate in the judgment of the Stockholders' Representative for the accomplishment of any of the foregoing; (e) give and receive notices and communications; (f) engage counsel, accountants and other advisors for the Company Securityholders and incur expenses on behalf of the Company Securityholders in connection with this Agreement and the Merger as the Stockholders' Representative may deem appropriate; (g) direct the distribution of funds or designate or engage a paying agent to distribute funds (including the Aggregate Merger Consideration, the Contingent Payment, cash and stock held in the Escrow Account and the aggregate amount of any remaining Per Share Representative Holdback Amounts in accordance with this Agreement), (h) execute and deliver any amendment or waiver to this Agreement and the other agreements, instruments, and documents contemplated hereby or executed in connection herewith (without the prior approval of the Company Securityholders) and (i) take all actions necessary or appropriate in the judgment of the Stockholders' Representative on behalf of the Company Securityholders in connection with this Agreement (and no Company Securityholder shall have any independent right or legal standing to take any such action or any other action in connection with the Merger or the transactions contemplated by this Agreement). Parent is entitled to deal exclusively with the Stockholders' Representative on all matters relating to this Agreement. A decision, act, consent or instruction of the Stockholders' Representative constitutes a decision of all of the Company Securityholders and shall be final, binding and conclusive upon the Company Securityholders, and Parent shall be entitled to rely on any decision, action, omission, consent or instruction of the Stockholders' Representative as being the decision, action, omission, consent or instruction of the Company Securityholders, and Parent is hereby relieved from any liability to any of the Company Securityholders for acts undertaken by Parent in accordance with any such decision, act, consent or instruction. Notices or communications to or from the Stockholders' Representative shall constitute notice to or from each of the Company Securityholders. The power and authority of the Stockholders' Representative, as described in this Agreement, shall continue in force until all rights and obligations of the Company Securityholders, as applicable, under this Agreement shall have terminated, expired or been fully performed. The Stockholders' Representative may resign at any time by submitting a written resignation to Parent. If Apollo Management, L.P. resigns or otherwise ceases to serve as the Stockholders' Representative, a successor Stockholders' Representative shall be elected by a majority vote of the Company Securityholders, with each such Company Securityholder (or its successor or assign) to be given a vote equal to the voting shares of Company Common Stock owned by such Company Securityholder immediately before the Merger. The Company Securityholders shall cause to be delivered to Parent prompt written notice of such election of a successor Stockholders' Representative, such appointment to become effective upon the later of the date indicated in such consent or the date such consent is delivered to Parent; provided, that prior to such effective time, Parent shall remain entitled to rely on any decision, action, omission, consent or instruction of the Stockholders' Representative as being the decision, action, omission, consent or instruction of the Company Securityholders, and Parent is hereby relieved from any liability to any of the Company Securityholders for acts undertaken by Parent in accordance with any such decision, act, consent or instruction. Neither the Stockholders' Representative nor any of its members, managers, partners, officers, agents, representatives or any of their respective Affiliates shall incur any liability to any Company Securityholder by virtue of the failure or refusal of such

Persons for any reason to consummate the transactions contemplated hereby or relating to the performance of their duties hereunder, except for actions or omissions constituting bad faith or willful misconduct. The Stockholders' Representative and its members, managers, partners, officers, agents, representatives and their respective Affiliates shall have no liability in respect of any Action brought against such Persons by any Company Securityholder, regardless of the legal theory under which such liability or obligation may be sought to be imposed, whether sounding in contract or tort, or whether at law or in equity, or otherwise, unless such Persons took or omitted taking any action in bad faith or as result of willful misconduct. The Stockholders' Representative shall have the right, in its sole discretion, to recover from any amounts withheld by the Stockholders' Representative for such purpose, its out-of-pocket expenses incurred in the performance of its duties hereunder. Each successor Stockholders' Representative shall have all the power, authority, rights and privileges conferred by this Agreement upon the original Stockholders' Representative, and the term "Stockholders' Representative" as used herein shall be deemed to include any successor Stockholders' Representative. Any successor Stockholders' Representative shall indicate in writing its acceptance of such appointment and its agreement to be bound by the terms of this Agreement. The adoption of this Agreement and the approval of the principal terms of the Merger by the Company Stockholders shall constitute approval of the appointment of the Stockholders' Representative.

11.17 Interpretation. Transaction Committee of the Board of Directors  
Norwegian Cruise Line Holdings Ltd.  
7665 Corporate Center Drive  
Miami, FL 33126

Members of the Transaction Committee of the Board of Directors:

We understand that Norwegian Cruise Line Holdings Ltd. (the “Company”) intends to enter into a transaction (the “Proposed Transaction”) with Prestige Cruises International, Inc. (“Prestige”) pursuant to which, among other things, the Company will acquire all of the outstanding common stock, par value \$0.01 per share, of Prestige (“Prestige Common Stock”) through the merger of Merger Sub (as defined below) with and into Prestige, with Prestige continuing its corporate existence (the “Surviving Corporation”) for (i) aggregate consideration of \$1,108,798,350 in cash (the “Cash Consideration”), (ii) subject to certain escrow provisions set forth in the Agreement, 20,296,880 ordinary shares (the “Stock Consideration”), par value \$0.001 per share, of the Company (“Company Common Stock”), and (iii) a contingent payment of up to \$50,000,000 subject to the Surviving Corporation satisfying certain performance criteria (the “Contingent Payment”, and together with the Cash Consideration and the Stock Consideration, the “Merger Consideration”). The terms and conditions of the Proposed Transaction are set forth in more detail in the Agreement and Plan of Merger, dated as of September 2, 2014, by and among the Company, an indirect wholly owned subsidiary of the Company (“Merger Sub”), and Prestige (the “Agreement”). The summary of the Proposed Transaction set forth above is qualified in its entirety by the terms of the Agreement.

We have been requested by the Board of Directors of the Company to render to you our opinion with respect to the fairness, from a financial point of view, to the Company of the Merger Consideration to be paid by the Company in the Proposed Transaction. We have not been requested to opine as to, and our opinion does not in any manner address, the Company’s underlying business decision to proceed with or effect the Proposed Transaction or the likelihood of consummation of the Proposed Transaction. In addition, we express no opinion on, and our opinion does not in any manner address, the fairness of the amount or the nature of any compensation to any officers, directors or employees of any parties to the Proposed Transaction, or any class of such persons, relative to the consideration paid in the Proposed Transaction or otherwise.

In arriving at our opinion, we reviewed and analyzed:

- (1) a draft of the Agreement, dated as of September 2, 2014, and the specific terms of the Proposed Transaction;
- (2) the registration statement on Form S-1 of Prestige filed on January 22, 2014;
- (3) financial and operating information with respect to the business, operations and prospects of Prestige furnished to us by Prestige, including financial projections of Prestige prepared by management of Prestige (such forecasts, the “Prestige Projections”);
- (4) an alternative version of the Prestige Projections incorporating certain adjustments thereto made by management of the Company (the “Adjusted Prestige Projections”);
- (5) financial and operating information with respect to the business, operations and prospects of the Company furnished to us by the Company, including financial projections of the Company prepared by management of the Company (the “Company Projections”), for purposes of analyzing the pro forma impact of the Proposed Transaction;

(6) the pro forma impact of the Proposed Transaction on the future financial performance of the combined company, including cost savings, operating synergies and other strategic benefits expected by the management of the Company to result from a combination of the businesses (the “Expected Synergies”);

(7) a trading history of the Company Common Stock and the trading history of other companies that we deemed relevant; and

(8) a comparison of the financial terms of the Proposed Transaction with the financial terms of certain other transactions that we deemed relevant.

In addition, we (i) have had discussions with the management of the Company concerning its business, operations, financial condition and prospects, (ii) have had discussions with the management of the Company and the management of Prestige concerning Prestige’s business, operations, financial condition and prospects, and (iii) have undertaken such other studies, analyses and investigations as we deemed appropriate.

In arriving at our opinion, we have assumed and relied upon the accuracy and completeness of the financial and other information used by us without any independent verification of such information (and have not assumed responsibility or liability for any independent verification of such information) and have further relied upon the assurances of the management of the Company that they are not aware of any facts or circumstances that would make such information inaccurate or misleading. With respect to the Company Projections and the Adjusted Projections, upon the advice of the Company, we have assumed that such projections have been reasonably prepared on a basis reflecting the best currently available estimates and judgments of the management of the Company as to the future financial performance of the Company and Prestige and that the Company and Prestige will perform substantially in accordance with such projections. With respect to the Prestige Projections, we have been advised by Prestige, and have assumed, that such projections have been reasonably prepared on a basis reflecting the best currently available estimates and judgments of the management of Prestige as to the future financial performance of Prestige. Furthermore, upon the advice of the Company, we have assumed that the amounts and timing of the Expected Synergies are reasonable and that the Expected Synergies will be realized in accordance with such estimates. We assume no responsibility for and we express no view as to any such projections or estimates or the assumptions on which they are based. In arriving at our opinion, we have not conducted a physical inspection of the properties and facilities of the Company and have not made or obtained any evaluations or appraisals of the assets or liabilities of the Company. Our opinion necessarily is based upon market, economic and other conditions as they exist on, and can be evaluated as of, the date of this letter. We assume no responsibility for updating or revising our opinion based on events or circumstances that may occur after the date of this letter. We express no opinion as to the prices at which ordinary shares of the Company would trade following the announcement or consummation of the Proposed Transaction.

We have assumed that the executed Agreement will conform in all material respects to the last draft reviewed by us.

In addition, we have assumed the accuracy of the representations and warranties contained in the Agreement and all agreements related thereto. We have also assumed, upon the advice of the Company, that all material governmental, regulatory and third party approvals, consents and releases for the Proposed Transaction will be obtained within the constraints contemplated by the Agreement and that the Proposed Transaction will be consummated in accordance with the terms of the Agreement without waiver, modification or amendment of any material term, condition or agreement thereof. We do not express any opinion as to any tax or other consequences that might result from the Proposed Transaction, nor does our opinion address any legal, tax, regulatory or accounting matters, as to which we understand that the Company has obtained such advice as it deemed necessary from qualified professionals.

Based upon and subject to the foregoing, we are of the opinion as of the date hereof that, from a financial point of view, the Merger Consideration to be paid by the Company in the Proposed Transaction is fair to the Company.

We have acted as financial advisor to the Company in connection with the Proposed Transaction and will receive a fee for our services a portion of which is payable upon rendering this opinion and a substantial portion of which is contingent upon the consummation of the Proposed Transaction. In addition, the Company has agreed to reimburse a portion of our expenses and indemnify us for certain

In addition, we and our affiliates in the past have provided, currently are providing, or in the future may provide, investment banking and other financial services to Apollo Management Holdings L.P. ("Apollo"), affiliates of which are significant stockholders of both of the Company and Prestige, and certain of its affiliates and portfolio companies and have received or in the future may receive customary fees for rendering such services, including (i) having acted or acting as financial advisory to Apollo or certain of its portfolio companies and affiliates in connection with certain mergers and acquisitions transactions, (ii) having acted or acting as arranger, bookrunner and/or lender for Apollo certain of its portfolio companies and affiliates in connection with the financing for various acquisition transactions, and (iii) having acted or acting as underwriter, initial purchaser and placement agent for various equity and debt offerings undertaken by Apollo and certain of its portfolio companies and affiliates.

Barclays Capital Inc. and its affiliates engage in a wide range of businesses from investment and commercial banking, lending, asset management and other financial and non-financial services. In the ordinary course of our business, we and our affiliates may actively trade and effect transactions in the equity, debt and/or other securities (and any derivatives thereof) and financial instruments (including loans and other obligations) of the Company and Prestige for our own account and for the accounts of our customers and, accordingly, may at any time hold long or short positions and investments in such securities and financial instruments.

This opinion, the issuance of which has been approved by our Fairness Opinion Committee, is for the use and benefit of the Transaction Committee of the Board of Directors of the Company and is rendered to the Transaction Committee of the Board of Directors in connection with its consideration of the Proposed Transaction. This opinion is not intended to be and does not constitute a recommendation to any stockholder of the Company as to how such stockholder should vote with respect to the Proposed Transaction.

Transaction Committee of the Board of Directors

Norwegian Cruise Line Holdings Ltd.

7665 Corporate Center Drive

Miami, FL 33126

Members of the Transaction Committee of the Board of Directors:

We understand that Norwegian Cruise Line Holdings Ltd., an exempted company incorporated in Bermuda (“Parent”), Portland Merger Sub, Inc., a corporation organized under the Laws of the Republic of Panama (“Merger Sub”), Prestige Cruises International, Inc., a corporation organized under the Laws of the Republic of Panama (the “Company”), and Apollo Management, L.P., propose to enter into an Agreement and Plan of Merger (the “Merger Agreement”), pursuant to which, among other things, Merger Sub will merge with and into the Company (the “Merger”), with the Company as the surviving corporation in the Merger and as a wholly-owned subsidiary of Parent, and, upon effectiveness of the Merger, the Company Securityholders (as defined in the Merger Agreement), other than the Company as a holder of shares of Company Common Stock (as defined in the Merger Agreement) as treasury stock, will become entitled to receive an aggregate consideration equal to (i) \$1,108,798,350 in cash and 20,296,880 ordinary shares of Parent, par value \$0.001 per share (the “Parent Ordinary Shares”), at closing and (ii) a contingent merger consideration payment, if any, of up to \$50,000,000 in cash (collectively, the “Consideration”). The terms and conditions of the Merger are more fully set forth in the Merger Agreement.

7. discussed the past and current operations, financial condition and prospects of the Company with management of the Company;
8. discussed the past and current operations, financial condition and prospects of Parent, including the Anticipated Synergies, with management of Parent;
9. compared the financial performance of the Company and Parent with that of certain publicly-traded companies which we believe to be generally relevant;
10. compared the financial terms of the Merger with the publicly available financial terms of certain transactions which we believe to be generally relevant;
11. reviewed the potential pro forma financial impact of the Merger on the future financial performance of Parent;
12. reviewed the historical trading prices and trading activity for the Parent Ordinary Shares, and compared such price and trading activity of the Parent Ordinary Shares with that of securities of certain publicly-traded companies which we believe to be generally relevant;
13. participated in discussions among representatives of the Company and Parent and their respective advisors;
14. reviewed a draft dated September 2, 2014 of the Merger Agreement; and
15. conducted such other financial studies, analyses and investigations, and considered such other factors, as we have deemed appropriate.

In arriving at our opinion, we have assumed and relied upon, without independent verification, the accuracy and completeness of the financial and other information supplied or otherwise made available to us (including information that is available from generally recognized public sources) for purposes of this opinion and have further relied upon the assurances of the managements of the Company and of Parent that, to their knowledge, the information furnished by them for purposes of our analysis does not contain any material omissions or misstatements of material fact. We have assumed with your consent that there are no material undisclosed liabilities of the Company or Parent for which adequate reserves or other provisions have not been made. With respect to the Buyer Company Forecasts and the Parent Forecasts, we have been advised by the management of Parent and have assumed, with your consent, that they have been reasonably prepared on bases reflecting the best currently available estimates and good faith judgments of the management of Parent as to the future stand-alone financial performance of the Company, the future stand-alone financial performance of Parent, and the future financial performance of the Company and Parent, as the case may be, and the other matters covered thereby and we express no view as to the assumptions on which they are based. We have assumed, with your consent, that the Anticipated Synergies and potential strategic implications and operational benefits (including the amount, timing and achievability thereof) anticipated by the management of Parent to result from the Merger will be realized in the amounts and at the times projected by the management of Parent, and we express no view as to the assumptions on which they are based. We have relied without independent verification upon the assessment by the management of Parent of the timing and risks associated with the integration of the Company and Parent. In arriving at our opinion, we have not made any independent valuation or appraisal of the assets or liabilities (including any contingent, derivative or off-balance-sheet assets and liabilities) of the Company nor have we taken into consideration or relied on any such valuations or appraisals, nor have we assumed any obligation to conduct, nor have we conducted, any physical inspection of the vessels, properties or

facilities of the Company. In addition, we have not evaluated the solvency of any party to the Merger Agreement, including under any state, federal or other laws relating to bankruptcy, insolvency or similar matters. We have assumed that as of September 30, 2014, the Company's third party debt will be \$1,545 million, the Company's cash will be \$273 million, the Company will have made \$67 million of payments related to its Explorer newbuild and the Company will have \$41 million of accrued interest and transaction related expenses. We have assumed that the final Merger Agreement will not differ in any material respect from the form of Merger Agreement reviewed by us and that the Merger will be consummated in accordance with the terms set forth in the Merger Agreement, without material modification, waiver or delay, and that there will be no payments by the Company pursuant to any indemnification obligations of the Company under the Merger Agreement. In addition, we have assumed that in connection with the receipt of all the necessary approvals of the proposed Merger, no delays, limitations, conditions or restrictions will be imposed that could have an adverse effect on the Company, Parent or the contemplated benefits expected to be derived in the proposed Merger. We have relied as to all legal matters relevant to rendering our opinion upon the advice of counsel.

This opinion addresses only the fairness from a financial point of view, as of the date hereof, of the Consideration to be paid by Parent pursuant to the Merger Agreement. We have not been asked to, nor do we, offer any opinion as to any other term of the Merger Agreement or any other document contemplated by or entered into in connection with the Merger Agreement or the form or structure of the Merger or the likely timeframe in which the Merger will be consummated. In addition, we express no opinion as to the fairness of the amount or nature of any compensation to be received by any officers, directors or employees of any parties to the Merger, or any class of such persons, whether relative to the Consideration to be received by the Company Securityholders (as defined in the Merger Agreement) or otherwise. We do not express any opinion as to any tax or other consequences that may result from the transactions contemplated by the Merger Agreement or any other related document, nor does our opinion address any legal, tax, regulatory or accounting matters, as to which we understand Parent has received such advice as it deems necessary from qualified professionals. Our opinion does not address the underlying business decision of Parent to enter into the Merger Agreement. We express no opinion as to the fairness of the Merger to the holders of any class of securities, creditors or other constituencies of Parent.

We have acted as financial advisor to the Transaction Committee of the Board of Directors of Parent in connection with the Merger and will receive a fee from Parent for our services, a portion of which is payable upon the rendering of this opinion and a significant portion of which is contingent upon the consummation of the Merger. In addition, Parent has agreed to reimburse us for certain expenses that may arise, and indemnify us for certain liabilities and other items that may arise, out of our engagement. During the two year period prior to the date hereof, no material relationship existed between Perella Weinberg Partners LP and its affiliates and the Company or Parent pursuant to which compensation was received by Perella Weinberg Partners LP. During the two year period prior to the date hereof, we have been engaged to perform investment banking and other financial services for an affiliate of Apollo Capital Management, which we understand is an investor in the Company and Parent, for which we have received compensation for our services. Further, Perella Weinberg Partners LP and its affiliates may in the future provide investment banking and other financial services to the Company, Parent and Apollo Capital Management, and also for Genting Hong Kong Limited and TPG Capital, which we understand are also investors in Parent, and in each case also their respective affiliates, and in the future may receive compensation for the rendering of such services. In the ordinary course of our business activities, Perella Weinberg Partners LP or its affiliates may at any time hold long or short positions, and may trade or otherwise effect transactions, for our own account or the accounts of customers or clients, in debt or equity or other securities (or related derivative securities) or financial instruments (including bank loans or other obligations) of the Company or Parent or any of their respective affiliates. The issuance of this opinion was approved by a fairness opinion committee of Perella Weinberg Partners LP.

This opinion is for the information and assistance of the Transaction Committee of the Board of Directors of Parent in connection with, and for the purposes of its evaluation of, the Merger. This opinion is not intended to be and does not constitute a recommendation to any holder of Parent Ordinary Shares as to how such holder should vote, or otherwise act, with respect to the Merger or any other matter and does

not in any manner address the prices at which the Parent Ordinary Shares will trade at any time. Our opinion is necessarily based on financial, economic, market and other conditions as in effect on, and the information made available to us as of, the date hereof. It should be understood that subsequent developments may affect this opinion and the assumptions used in preparing it, and we do not have any obligation to update, revise, or reaffirm this opinion. Based upon and subject to the foregoing, including the various assumptions and limitations set forth herein, we are of the opinion that, as of the date hereof, the Consideration to be paid by Parent pursuant to the Merger Agreement is fair from a financial point of view to Parent.
