Item 1.01 Entry into a Material Definitive Agreement.

Item 2.01 Completion of Acquisition or Disposition of Assets.

On September 11, 2015, Applied DNA Sciences, Inc., a Delaware corporation (“we,” “us” or the “Company”), entered into an Asset Purchase Agreement (the “Asset Purchase Agreement”) with Vandalia Research, Inc., a West Virginia corporation (“Vandalia”), and Derek A. Gregg, Vandalia’s Chief Executive Officer and a director of Vandalia, providing for the purchase of substantially all the assets (“Assets”) of Vandalia. We completed the acquisition of such Assets on the same date (“Vandalia Asset Acquisition”). The Vandalia Assets relate to the business of producing specific, high-quality DNA sequences with the polymerase chain reaction production system known as Triathlon™, including machinery, equipment, inventory, registered and other intellectual property, including patents, trademarks, trade secrets, domain names, copyrights and rights to software, and customer contracts. The Assets also include Vandalia’s rights under a patent license agreement between Marshall University Research Corporation (“Marshall”) and Vandalia pursuant to which we will pay to Marshall a royalty of one percent (1%) of the net revenues received by us from the sale of the licensed product. The purchase price for the Assets was \$1,500,000, which amount was determined through arms-length negotiation. Of this amount, \$500,000 was placed in an escrow account for a period of nine (9) months following the closing to satisfy Vandalia’s indemnification obligations with \$350,000 of this amount less the amount of any indemnification claims paid out of escrow to be released after sixty (60) days. Vandalia and Derek Gregg agreed not to compete with us and not to solicit our employees or customers for a period of five (5) years following the closing. Derek Gregg also entered into a consulting agreement with us for a term of twelve (12) months subject to earlier termination by either party upon thirty (30) days’ notice. Pursuant to the Asset Purchase Agreement, we entered into a month to month sublease with Vandalia of approximately 5,000 square feet at Vandalia’s office facility at an aggregate monthly rent of \$5,416. Purchase orders of \$237,000 were assigned by Vandalia to us. Prior to the Vandalia Asset Acquisition, we were a customer of Vandalia, paying approximately \$230,300 during fiscal 2014.

The foregoing descriptions of the Asset Purchase Agreement and the Vandalia Asset Acquisition do not purport to be complete and are subject to, and qualified in their entirety by, the full text of the Asset Purchase Agreement attached hereto as Exhibit 2.1 and incorporated herein by reference.

The Asset Purchase Agreement is being filed as an exhibit hereto solely to provide security holders with information regarding its terms. It is not intended to provide any other factual, business or operational information about the parties thereto or any of their subsidiaries or affiliates. The representations, warranties and covenants contained in the Asset Purchase Agreement were made only for purposes of such Asset Purchase Agreement and as of specific dates, were solely for the benefit of the parties to such agreement, and may be subject to important qualifications and limitations agreed upon by the contracting parties, including, to the extent agreed by the parties, being qualified by disclosures: (i) exchanged between the parties in connection with the execution of the Asset Purchase Agreement and/or (ii) contained in the disclosure schedules to the Asset Purchase Agreement. The representations and warranties may have been made for the purpose of allocating risk among the parties to the Asset Purchase Agreement. The representations and warranties may also be subject to standards of materiality applicable to the contracting parties that differ from those generally applicable to security holders. For the foregoing reasons, security holders should not rely on the representations, warranties and covenants contained in the Asset Purchase Agreement, or any description

thereof, as characterizations of the actual state of facts or circumstances or conditions of the Company or Vandalia or any of their subsidiaries or affiliates. Security holders are not third-party beneficiaries under the Asset Purchase Agreement. Moreover, information concerning the subject matter of the covenants, representations and warranties contained in the Asset Purchase Agreement may change after the date of the Asset Purchase Agreement without notice, and such subsequent information may or may not be fully reflected in public disclosures.

(b) On the terms and subject to the conditions set forth in this Agreement, at the Closing, the Buyer will deposit with the Escrow Agent the sum of \$500,000 (the

“Escrow Deposit”) pursuant to the terms of the Escrow Agreement. The Escrow Deposit (together with all interest, dividends, income, capital gains, and other amounts earned thereon or derived therefrom) shall be held for purposes of paying any indemnification claims to any Buyer Indemnified Parties under **Article 6** hereof. Without limiting the generality of any terms of the Escrow Agreement or any other provision hereof, in no event (other than those described in the last two sentences of this Section 2.4(b)) shall the Escrow Deposit be released to the Seller until such time as all unpaid Tax Liabilities of Seller outstanding as of the Closing Date or incurred by or assessed against Seller in respect of any taxable period ending on or after the Closing Date, including Tax Liabilities arising pursuant to Section 11-10-11(f) of the West Virginia Code, as amended, and any Transfer Taxes, have been satisfied in full and evidence thereof satisfactory to Buyer has been delivered to Buyer. At such time as Seller may determine to liquidate or dissolve following the Second Distribution Date (as defined in the Escrow Agreement), the Escrow Deposit (less an amount equal to the amount of any claims for indemnification notified to Seller by Buyer which may be unresolved or unpaid as of such time) will be released to Seller if Seller (i) provides to Buyer a written good faith estimate of the amount of any existing unpaid Tax Liabilities and any Tax Liabilities payable by Seller, or which may be assessed or collected against Seller, at any future time, and (ii) deposits an amount equal to such estimate in a trust or similar account, including a transfer to a liquidating trust. The amount deposited in the trust or similar account shall (x) be available to satisfy any such Tax Liabilities as are assessed or collected against Seller or its estate, liquidator, representatives or successor following such liquidation or dissolution and (y) after giving effect to the payment of such Tax Liabilities required to be paid in accordance with clause (x), be disbursed to the former shareholders of Seller upon delivery to Buyer of evidence of the payment of such Tax Liabilities satisfactory to Buyer.

2.5 Allocation.

a. Buyer shall use its commercially reasonable efforts to prepare and deliver to Seller an allocation of the Purchase Price (the **“Allocation Schedule”**) within 60 calendar days following the Closing Date. The allocation of the Purchase Price shall be done in accordance with the methodology set forth on **Schedule 2.5**. Seller shall have 10 calendar days after receipt of the Allocation Schedule to provide Buyer with written notice (the **“Objection Notice”**) of Seller’s objection to the Allocation Schedule, which notice shall include a statement indicating the items in the Allocation Schedule disputed by Seller and the basis in reasonable detail for its objections. If Seller does not provide an Objection Notice within such 10 day period, the Allocation Schedule shall become the allocation that is final for all purposes under this Agreement.

b. If Seller delivers an Objection Notice within such 10 calendar day period, Buyer and Seller shall negotiate in good faith for a period of up to 14 calendar days following the date of delivery of Seller’s Objection Notice (or such other period as Buyer and Seller may mutually agree upon) to seek to agree upon a revised allocation. If Buyer and Seller cannot agree upon a revised allocation, in its entirety, within 14 calendar days following the date of delivery of Seller’s Objection Notice, then any matters in dispute shall be submitted to a certified public accountant, or firm of certified public accountants, with no prior working relationship

with either party (unless agreed otherwise by Buyer and Seller) on which Buyer and Seller may mutually agree (the “**Neutral Accountant**”). The Neutral Accountant’s decision on the disputed items together with the portion of the Allocation Schedule not in dispute shall be the “**Revised Allocation Schedule**.” Buyer and Seller shall use their commercially reasonable efforts to cause the Neutral Accountant to make its determination as promptly as possible and in any event within 30 days after the Neutral Accountant has been retained, including, without limitation, by promptly complying with all reasonable requests for information, books, records and similar items by the Neutral Accountant (except to the extent privileged). The cost and expenses of the Neutral Accountant for purposes of the foregoing dispute resolution procedure shall be borne 50% by Buyer and 50% by Seller. The Allocation Schedule (i) determined to be final in accordance with the last sentence of Section 2.5(a) or (ii) agreed to by the parties after the delivery of the Objection Notice and before the Neutral Arbitrator is engaged, or the Revised Allocation Schedule, as relevant, shall be the “**Final Allocation Schedule**.”

c. After the date on which the Final Allocation is determined, the Parties shall make consistent use of the Final Allocation for all Tax purposes and in all filings, declarations and reports with the IRS in respect thereof, including the reports required to be filed under Section 1060 of the Code. Buyer shall prepare and deliver IRS Form 8594 to Seller within 45 days after the date on which the proposed allocation becomes the Final Allocation pursuant to this Section 2.4(b). In any Proceeding related to the determination of any Tax, neither Buyer nor Seller shall contend or represent that such allocation is not a correct allocation.

2.6 **Transfer Taxes.** All excise, sales, use, value added, registration, stamp, recording, documentary, conveyancing, franchise, property, transfer, gains and similar Taxes, levies, charges and fees (collectively, “**Transfer Taxes**”) incurred in connection with the transactions contemplated by this Agreement shall be borne by Seller.

To the extent that any such

amounts are so deducted and withheld, any such amounts as may be paid over to the applicable Governmental Body will be treated for all purposes of this Agreement as having been paid to the applicable Person in respect of which such deduction and withholding were made.

2.10 Funds Flow Memorandum. Notwithstanding anything to the contrary in this Agreement, Buyer shall not be liable in connection with any aspect of the funds flow memorandum provided to Buyer by the Seller on or prior to the Closing Date (the “Funds Flow Memorandum”), including with respect to any (i) any determination or calculation of any amounts payable to third parties pursuant to the Funds Flow Memorandum; (ii) the inclusion of any amount payable in or the omission of any amount payable from the Funds Flow Memorandum; or (iii) any error or omission with respect to the third parties to whom payments are to be made pursuant to the Funds Flow Memorandum.

3. Representations and Warranties of Seller

Seller represents and warrant to Buyer that the following are true, correct and complete; *provided*, that Seller shall deliver the schedules referenced in Article 2 and 3 hereof that make exception to the warranties and representations of Seller set forth herein or otherwise contain required disclosures hereunder (the “**Disclosure Schedules**”) to Buyer concurrently with the execution and delivery of this Agreement:

3.1 Organization And Good Standing. Seller is a corporation duly incorporated, validly existing and in good standing under the laws of the state of West Virginia, with full power and authority to conduct its business as it is now being conducted, to own or use the properties and assets that it purports to own or use, and to perform all of its obligations under the Assumed Contracts and the Transaction Documents. Seller is duly qualified to do business as a foreign company and is in good standing under the laws of each state or other jurisdiction in which either the ownership or use of the properties owned or used by it, or the nature of the activities conducted by it, requires such qualification. Seller neither has any subsidiaries nor owns any equity interests or other securities of any other Person, other than Crosscutting Concepts, LLC, a West Virginia limited liability company. The only names used by Seller for the conduct of the Business at any time since the date of Seller’s incorporation, including any trade or doing-business-as name, are Vandalia Research, Inc. and Vandalia Science Education.

3.2 Enforceability; Authority; No Conflict.

(a) This Agreement constitutes the legal, valid and binding obligation of Seller, enforceable against Seller in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium or other similar laws relating to or affecting the rights of creditors generally and by equitable principles (whether applied in a proceeding at law or in equity), including those limiting the availability of

specific performance, injunctive relief and other equitable remedies and those providing for equitable defenses and equitable subordination. Upon the execution and delivery by Seller of each Transaction Document to be executed or delivered by Seller at the Closing, such Transaction Document shall constitute the legal, valid, and binding obligation of Seller, enforceable against Seller in accordance with its terms; *provided*, that the exceptions

pertaining to enforceability set forth in the immediately preceding sentence shall apply equally to this sentence. This Agreement, each applicable Transaction Document and the Contemplated Transactions have been duly approved and authorized by all requisite corporate action, including, without limiting the generality of the foregoing, all shareholder and board of directors approvals required pursuant to the Seller's articles of incorporation and bylaws, as amended, and any Legal Requirements for the valid and effective sale and transfer of the Assets to the Buyer at Closing, the execution and delivery of this Agreement and the consummation or performance of any of the Contemplated Transactions, and no other corporate or other proceedings or actions on the part of Seller, its board of directors or shareholders are necessary therefor. The person executing this Agreement on Seller's behalf warrants that such person is fully authorized to so act.

(b) Neither the execution, delivery and performance of this Agreement or any other Transaction Document nor the consummation or performance of any of the Contemplated Transactions will, directly or indirectly (with or without notice or lapse of time): (i) breach or conflict with any provision of any of the articles of incorporation or bylaws of Seller, as amended as of the Closing Date; (ii) breach or give any Governmental Body or other Person (including any holder of any capital stock, other equity interest or debt of Seller) the right to challenge any of the Contemplated Transactions or to exercise any remedy or obtain any relief under, any Legal Requirement or any Order to which Seller or any of the Assets, may be subject; (iii) contravene, conflict with or result in a violation or breach of any of the terms or requirements of, or give any Governmental Body the right to revoke, withdraw, suspend, cancel, terminate or modify, any Governmental Authorization that is held by Seller or that otherwise relates, directly or indirectly, to the Assets or to the Business; or (iv) except for that certain Supply Agreement dated February 14, 2011 by and between the Seller and Ibis BioSciences, Inc. (which agreement is not being assumed by the Buyer), breach any provision of, or give any Person the right to declare a default or exercise any remedy or any right of first refusal or first offer under, or to accelerate the maturity or performance of, or payment under, or to cancel, terminate or modify, or otherwise result in or permit any change in the rights or obligations of any Person other than Seller under, any contract, lease, indenture, mortgage, license or sublicense, franchise or other instrument or agreement to which Seller is a party or by which Seller or any of its assets are bound, including any Assumed Contract.

(c) Except as set forth on Schedule 3.2(c), no notice to, or consent, approval or waiver from, any Person or filing or registration with any Governmental Body, (i) is required in connection with the execution and delivery of this Agreement or the consummation or performance of any of the Contemplated Transactions, including the sale, transfer and assignment of the Assets, or (ii) is necessary in order to conduct, following Closing, any of the operations of the Business; provided, that Buyer may be required to register to conduct business in the State of West Virginia if it conducts the Business as conducted by Seller prior to the Closing, in the State of West Virginia. There are no applicable bulk sales laws or similar Legal Requirements which would require that notice of the Contemplated Transactions be given to creditors of Seller or

any Government Body, or any other notice be given or consent or approval be obtained or similar action be taken.

3.3 Sufficiency of Assets; Title.

(a) The Assets constitute all of the assets, tangible and intangible, of any nature whatsoever, necessary and sufficient to operate Seller's Business in the manner presently operated or contemplated by Seller. Seller owns good, valid and transferable title to, or valid, subsisting and transferable leasehold or license interests in (which leased or licensed Assets are set forth on Schedule 3.3(a)), free and clear of any Encumbrances other than Seller Encumbrances, which will be released at the Closing. Except as set forth in such Schedule 3.3(a), none of the Assets is owned by any Person other than Seller (including jointly with any other Person, including Affiliates of Seller).

(b) Except as set forth on Schedule 3.3(b), each item of Tangible Personal Property is in good repair and good operating condition, ordinary wear and tear excepted, is fit for its intended use and suitable for immediate use in the Business or otherwise in the ordinary course of business and is free from latent and patent defects in design, workmanship and materials and are in full conformity with their applicable specifications and technical documentation. No item of Tangible Personal Property is in need of repair or replacement other than as part of routine maintenance in the ordinary course of business. Upon the sale, conveyance, transfer, assignment and delivery of the Assets in accordance with this Agreement, Buyer will acquire good and valid title to or, in the case of any Intellectual Property Assets licensed or sublicensed to Seller as of the time immediately prior to Closing, a valid license or sublicense, to the Acquired Assets, free and clear of any Encumbrances.

(c) Except as disclosed in Schedule 3.3(c), none of Seller's assets is subject to any Encumbrance, all of which Encumbrances shall be removed on or prior to the Closing Date, subject to Section 5.4(e). A true, complete and correct list of Retired Indebtedness and Seller Encumbrances is set forth on such Schedule 3.3(c).

3.4 Leased Real Property. The Assets do not include any owned real property. Schedule 3.4 sets forth a list of all real property in which Seller has a leasehold interest (the "Leased Real Property", with the leases or other Contracts evidencing such interests, and any amendments or modifications thereto or restatements thereof, being referred to as the "Real Property Leases"). Seller has provided Buyer with complete and accurate copies of all Real Property Leases. The Real Property Leases are in good standing and are valid, binding and enforceable in accordance with their respective terms and no party to any Real Property Lease has given Seller notice (whether written or oral) of, or made a claim with respect to, any breach or default thereunder. None of the Leased Real Property is subject to any assignment, sublease or grant to any Person of any license or right to the use, occupancy or enjoyment of the property or any portion thereof except that Crosscutting Concepts, LLC occupies 2,200 square feet of the Leased Real Property located on floor 2 of 1111 Veterans Memorial Boulevard, Huntington, West Virginia 25701, which sublease or occupation is in compliance with and will not (with or without notice or lapse of time) result in a violation of the Real Property Leases, except as set

forth on Schedule 3.4. The Leased Real Property is not subject to any lien or Encumbrances (other than the lien, if any, of current property Taxes and assessments not in default and other than as expressly provided for in the Real Property Leases). The Leased Real Property is not subject to any use restrictions, exceptions, reservations or limitations which in any respect interfere with or impair the present and continued use thereof in the Business. Seller has paid on or prior to the date hereof (after giving effect to the Closing) to the applicable landlord all rentals and other amounts due and payable under the Real Property Leases as of the Closing. Seller has paid on or prior to the date hereof (after giving effect to the Closing) all required impositions under the Real Property Leases (e.g., Taxes, insurance, operating expense) up through and including the day of Closing to the extent the same were due and payable by or as of the Closing Date. There are no unpaid claims for labor or services done to or upon or materials furnished for the Leased Real Property in respect of which liens or Encumbrances have been or may be filed and there is no judgment or Order of any court or Governmental Body that is or may become a lien or Encumbrance on the Leased Real Property. There are no pending or threatened condemnation or other Proceedings or claims relating to any of the Leased Real Property.

3.5 Inventories. Schedule 2.1(b) sets forth a true, correct and complete list of all Inventories used in or held for the Business. All items included in the Inventories consist of a quality and quantity usable and, with respect to finished goods, saleable, in the ordinary course of business of Seller, free from latent and patent defects in design, workmanship and materials or otherwise and, with respect to finished goods, fit for their intended purpose and in full conformity with their applicable specifications and technical documentation. The quantities of each item of Inventories (whether raw materials, work-in-process or finished goods) are not excessive but are reasonable in the present circumstances of Seller.

3.6 No Undisclosed Liabilities. Seller has no Liability except for (i) current liabilities incurred in the ordinary course of business since the Balance Sheet Date, a true, complete and correct list of which is set forth on Schedule 3.6, and (ii) the Retired Indebtedness and the Seller Encumbrances, of which a true, complete and correct list is set forth on Schedule 3.3(c), which shall be removed or terminated on or prior to the Closing Date.

3.7 Taxes. Seller has filed or caused to be filed on a timely basis all Tax Returns and all reports with respect to Taxes that are or were required to be filed or provided pursuant to applicable Legal Requirements. All Tax Returns and reports filed or provided by Seller are true, correct, and complete. Seller has paid all Taxes that have or may have become due or pursuant to any assessment received by Seller. All Taxes that Seller is or was required by Legal Requirements to withhold, deduct or collect have been duly withheld, deducted and collected and, to the extent required, have been paid to the proper Governmental Body or other Person. Seller has not been notified by any jurisdiction in which it does not file Tax Returns that it may be obligated to file Tax Returns in the jurisdiction.

3.8 No Material Adverse Change. Except as set forth on Schedule 3.8, there has not been any material adverse change in the business, operations, prospects, assets, results of operations, or condition (financial or other) of Seller (including the Assets), and no event has occurred or circumstance exists that may result in such a material adverse change, nor has any Encumbrance attached or arisen over or with respect to any of the Assets, in each case, since the

Balance Sheet Date. Without limiting the generality of the foregoing, except as set forth on

Schedule 3.8 since the Balance Sheet Date, neither Seller nor any Affiliate or Representative of Seller has taken any of the following actions nor has any of the following occurred (as the case may be):

(a) sold, assigned or transferred any portion of the Assets, other than (i) in the ordinary course of business or (ii) sales or other dispositions of obsolete or excess equipment or other assets not used in the Business;

(e) incurred any indebtedness or non-current Liability, or mortgaged, sold, assigned, transferred, hypothecated, pledged or otherwise placed or suffered or acquiesced in the imposition of an Encumbrance on any Asset;

(f) transferred, granted, licensed, sublicensed, assigned, terminated or otherwise disposed of, modified, changed or cancelled, or entered into, agreed to or acquiesced to any waiver of, any material rights or obligations with respect to any of the Intellectual Property Assets;

(g) no notice of resignation from or termination of employment with Seller of those employees necessary to the fulfillment of the Assigned Contracts has been received or given (as the case may be); or

(h) entered into any agreement or commitment to take any of the actions set forth in paragraphs (a) through (g) of this Section 3.8.

3.9 Labor and Employment Matters.

(a) Schedule 3.9(a)(i) sets forth a true, correct and complete list of each person employed by Seller including such employee's Fair Labor Standards Act status as exempt or non-exempt, name, job title, work location, estimated current total compensation on a gross annualized basis and hourly pay rate (if applicable), total commission paid to date in 2015, total commission paid in 2014 and total compensation paid in 2014. Schedule 3.9(a)(ii) sets forth any individuals who are (A) "leased employees" within the meaning of Section 414(n) of the Code or (B) "independent contractors" within the meaning of the Code and the rules and regulations promulgated thereunder (together with all employees of Seller, collectively, "**Employees**") and with respect to each such Employee the following information: name, status as a leased

Seller is and has been at all times been in full compliance with all Legal Requirements regarding employment, employment practices, terms and conditions of employment and wages and hours, in each case, with respect to any current, former or retired employees, consultants or independent contractors of Seller, that are or were applicable to it or to the Business. All persons who have performed services for Seller and have been classified as independent contractors have satisfied the requirements of all federal and state Legal Requirements to be so classified, and Seller has fully and accurately reported such persons' compensation on IRS Forms 1099 or other applicable tax forms for independent contractors when required to do so. Seller is not liable for any arrears of wages, Taxes or similar amounts (including Social Security, workers' compensation and disability insurance), or penalties for failure to comply with any of the foregoing.

(d) Seller has not effectuated within the last twelve (12) months a "plant closing" (as defined in the Worker Adjustment and Retraining Notification Act of 1988, as amended, or any similar foreign, state or local Legal Requirement (collectively, the "**WARN Act**")), effectuated a "mass layoff" (as defined in the WARN Act), or otherwise violated the WARN Act in a manner that has affected or could affect the Business. Neither Seller nor Buyer will incur any liability or obligation under the WARN Act if, during the 90-day period prior to and including the Closing Date, the terminations of employment of Seller employees contemplated to be carried out by Seller in connection with the Closing are effectuated. retirement, severance, welfare or incentive plan, agreement or arrangement, and (ii) any employment agreement or executive compensation agreement. Seller has performed, in all material respects, all of its obligations under all Benefit Plans, including all obligations under the provisions of ERISA, the Code and other Laws applicable to the Benefit Plans. Neither Seller nor any ERISA Affiliate has ever contributed to, or been required to contribute to any “multiemployer plan” (within the meaning of Section 3(37) of Employee Retirement Income Security Act of 1974, as amended (“**ERISA**”)) and neither Seller nor any ERISA Affiliate has any liability (contingent or otherwise) relating to the withdrawal or partial withdrawal from a multiemployer plan. No “prohibited transaction” (within the meaning of Section 4975 of the Code or Sections 406 and 408 of ERISA) has occurred with respect to any of such Benefit Plans. No Benefit Plan provides benefits, including, without limitation, death or medical benefits, beyond termination of service or retirement other than coverage mandated by law. Each Benefit Plan that constitutes a “non-qualified deferred compensation plan” within the meaning of Section 409A of the Code, complies in both form and operation with the requirements of Section 409A of the Code so that no amounts paid pursuant to any such Benefit Plan is subject to tax under Section 409A of the Code.

After the Closing, Seller will use its best efforts to cooperate with Buyer in its efforts to continue and maintain for the benefit of Buyer those business relationships of Seller existing prior to the Closing and relating to the business to be operated by Buyer after the Closing.

5.6 Confidentiality. Each of Buyer and Seller shall, and shall each cause its Representatives to, maintain the confidentiality of the Confidential Information of the other party at all times, and shall not, directly or indirectly, use any Confidential Information of the other party for its own benefit or for the benefit of any other Person or reveal or disclose any Confidential Information of the other party to any Person other than its authorized Representatives, except in connection with this Agreement or with the prior written consent of such other party; provided, however, that, notwithstanding anything to the contrary contained herein, in no event shall Buyer have an obligation to maintain the confidentiality of, or not use or disclose, any Confidential Information of Seller that is an Asset acquired pursuant to the Contemplated Transactions. “**Confidential Information**” means information concerning the

businesses or affairs of the Buyer or Seller, as applicable, including, but not limited to, information relating to customers, clients, product providers, suppliers, distributors, independent contractors, consultants or employees, price lists and pricing policies, financial statements and information, budgets and projections, business plans, production costs, market research, marketing, sales and distribution strategies, manufacturing techniques, technology, know-how, processes and business methods, technical information, pending projects and proposals, new business plans and initiatives, trade secrets, designs, patterns, marks, names, improvements, industrial designs, mask works, works of authorship and other intellectual property assets, devices, samples, plans, drawings and specifications, photographs and digital images, all other confidential information and materials relating to the businesses or affairs of the Buyer or Seller, as applicable, and all notes, analyses, compilations, studies, summaries, reports, manuals, documents and other materials prepared by or for Buyer or Seller, as applicable, containing or based in whole or in part on any of the foregoing, whether in verbal, written, graphic, electronic or any other form and whether or not conceived, developed or prepared in whole or in part by Buyer or Seller, as applicable; provided that, from and after the Closing, Confidential Information relating to, arising out of or including the Assets or the Business shall be deemed Confidential Information of Buyer for all purposes of this Agreement.

5.7 Further Assurances. The Parties shall cooperate reasonably with each other and with their respective Representatives in connection with any steps required to be taken as part of their respective obligations under this Agreement, and shall: (a) furnish upon request to each other such further information; (b) execute and deliver to each other such other documents; and (c) do such other acts and things; all as the other Party may reasonably request for the purpose of carrying out the intent of this Agreement and the Contemplated Transactions. Following the Closing, in order for Buyer to prepare all documents and information required to be filed with any Governmental Body or securities exchange (including financial statements in accordance with GAAP required to be filed on Form 8-K with the Securities and Exchange Commission (“SEC”)), comply with its obligations under any Legal Requirement or as Buyer may otherwise reasonably request, Seller agrees to (i) furnish to Buyer or its representatives any additional documents or information relating to Seller (as to periods on or prior to the Closing Date), the Assets or the Business in the possession or control of Seller, its directors, officers, agents or advisors (including corporate, financial and accounting books and records, work papers, sales records, invoices and other documents necessary for the completion of a financial audit) and (ii) provide all such other assistance as may be necessary or desirable for the preparation of audited financial statements or any other filing or report required to be filed by Buyer with any Governmental Body or securities exchange, including the SEC, including providing any certification, representation, consent or waiver of conflicts reasonably requested by Buyer, providing cooperation with all auditors, accountants and representatives of Buyer and providing access to personnel of Seller, in each case, without cost or expense to Buyer.

5.8 Public Announcements. Unless otherwise required by applicable law or stock exchange requirements, neither Party shall make any public announcements regarding this Agreement or the transactions contemplated hereby without the prior written consent of the other Party (which consent shall not be unreasonably withheld or delayed); *provided*, that notwithstanding anything to the contrary in Section 5.6 or this Section 5.8, Seller acknowledges and agrees that Buyer may make reference to this Agreement, the other Transaction Documents and the Contemplated Transactions, and may file this Agreement and any of the Transaction

Documents as an exhibit, in any report or reports on Form 8-K, 10-Q or 10-K or similar forms and filings with the United States Securities and Exchange Commission.

5.9 Noncompetition, Nonsolicitation And Nondisparagement.

(a) Noncompetition. Each of Seller and Gregg (collectively, the “**Seller Group**”) covenants and agrees that for a period of five years following the Closing Date (the “**Restricted Period**”), he or it will not, directly or indirectly, either alone or in conjunction with any other Person except the Buyer:

(i) Engage in any Competitive Activity (as defined below) within the Prohibited Territory (as defined below); and/or

(ii) As an employee, agent, partner, shareholder, member, investor or other equity holder, director, manager, independent contractor, consultant, advisor or in any other capacity, direct or assist any other Person to engage in any Competitive Activity within the Prohibited Territory.

(b) Terms used in this Section shall have the following meanings:

(i) “**Competitive Activity**” means (A) being engaged in any aspect of the Restricted Business; and/or (B) the design, development, production, marketing, selling or rendering of any services or products that are substantially similar to, are competitive with, or could be used as a substitute or replacement for, the services or products of Buyer as of the Closing Date. Notwithstanding the preceding, beneficially owning the stock or options to acquire stock totaling less than 2% of the outstanding shares in a company traded on a “national securities exchange” as defined in Section 6 of the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder shall not constitute by itself a “Competitive Activity.”

(ii) “**Prohibited Territory**” means worldwide.

(iii) “**Restricted Business**” means the business of producing specific, high-quality DNA sequences with the polymerase chain reaction production system.

(c) Nonsolicitation. During the Restricted Period, no member of the Seller Group shall, directly or indirectly (except in any capacity as an employee, agent, director, independent contractor or consultant of Buyer, or in similar capacity or pursuant to the Consulting Agreement, with the authorization of Buyer): (i) sell or solicit the sale of products or services relating to the Restricted Business to any client of Buyer, any person which was a client of Buyer within the preceding 12 months or any Person that was a client of Seller at any time during the 12-month period prior to the Closing Date, or any prospective client of Seller or Buyer with whom any member of the Seller Group had communications in the preceding 12 months; (ii) cause, induce or attempt to cause or induce any client, customer, supplier, licensee, licensor, franchisee, employee, consultant or other business relation or associate of (x) Buyer or any Person

that has been such at any time in the year preceding the date of such Competitive Activity or (y) Seller on the Closing Date or at any time within the year preceding the Closing Date to cease doing business with Buyer, to deal with any competitor of Buyer or in any way interfere with its relationship with Buyer, including causing, inducing or attempting to cause or induce such Person to reduce its business with Buyer; or (iii) hire, retain or attempt to hire or retain any then active employee or consultant or independent contractor of Buyer or any Person who has been an active employee, consultant or independent contractor of Buyer within the preceding 12 months or in any way interfere with the relationship between Buyer and any of its employees, consultants or independent contractors.

(d) Nondisparagement. After the Closing Date, no Party will disparage any other Party or any of such other Party's shareholders, directors, officers, employees, or agents.

(e) Each member of the Seller Group has carefully read and considered the provisions of this Agreement and, having done so, agrees that the restrictions set forth in this Section 5.9 are fair and reasonable given the terms and conditions of this Agreement, the nature of the businesses of Buyer, the area in which Buyer markets its products and services and the consideration Seller is receiving pursuant to this Agreement and certain employment or consulting opportunities the other members of the Seller Group may receive. Each member of the Seller Group further agrees that the restrictions set forth in this Section 5.9 are reasonably required for the protection of the legitimate business interests of Buyer. Each member of the Seller Group agrees not to contest the reasonableness of the restrictions set forth in this Section 5.9 before any court, arbitrator, arbitration panel or other body.

(f) If a judicial or arbitral determination is made that any of the provisions of this Section 5.9 constitutes an unreasonable or otherwise unenforceable restriction against any member of the Seller Group (whether on its face or as applied), the provisions of this Section 5.9 shall be rendered void only to the extent that such judicial or arbitral determination finds such provisions to be unreasonable or otherwise unenforceable with respect to any member of the Seller Group. In this regard, the Parties hereby agree that any judicial or arbitral authority or Governmental Body construing this Agreement shall be empowered (i) to sever any territory or portion thereof, any Competitive Activity or any time period from the coverage of this Section 5.9 and to apply the provisions of this Section 5.9 to the remaining portion of the Prohibited Territory, the remaining business activities and the remaining time period not so severed or held void or unenforceable by such judicial or arbitral authority or Governmental Body or (ii) to otherwise reform or revise the unenforceable terms of this Agreement to comply with applicable Legal Requirements, it being specifically agreed by each member of the Seller Group and that it is their continuing desire that this covenant be enforced to the full extent of its terms or if a judicial or arbitral authority or Governmental Body finds the scope of the covenant unenforceable, such body should define the covenant so as to comply with applicable Legal Requirements. The time period during which the prohibitions set forth in this Section 5.9 shall apply shall be

tolled and suspended for a period equal to the aggregate time during which any member of the Seller Group violates such prohibitions in any respect.

6. Indemnification; Remedies

6.1 Survival. All representations and warranties (other than the representations and warranties contained in Sections 3.1, 3.2, 3.3, 3.7, 3.11, 3.16, 4.1 and 4.2 (collectively, the “**Fundamental Representations**”)) contained herein shall survive for a period of fifteen (15) months from the Closing Date. The Fundamental Representations shall survive indefinitely. Any claim or suit based upon fraud or intentional misrepresentation shall survive indefinitely.

6.2 Indemnification by Seller. After the Closing and subject to the terms and conditions of this Article 6, Seller shall indemnify and hold harmless Buyer, its successors and assigns and its Representatives (collectively, the “**Buyer Indemnified Parties**”), for all Losses, directly or indirectly, relating to or arising from (without duplication): (a) any breach or inaccuracy, or any allegation of any third party that, if true, would be a breach, of any representation or warranty made by Seller in this Agreement; (b) any breach of any covenant or agreement of Seller in this Agreement; (c) the Retained Liabilities; (d) the conduct of Seller’s business (including the Business) on or prior to the Closing Date; (e) the Excluded Assets (including but not limited to Crosscutting Concepts, LLC and the business and operations thereof); (f) any Liabilities relating to the production of DNA material under the Assumed Contracts; *provided*, that (i) the DNA material is produced at the facility in Huntington, West Virginia, (ii) Gregg has oversight over the production operations, and (iii) Buyer’s actions in procuring raw material do not delay the production of the DNA material under such contracts or orders; (g) any Liabilities or responsibilities described in Section 5.1; and (h) any claim by or Liability to any director, officer or shareholder of Seller in his, her or its capacity as such. Seller shall not be liable for that part of any Losses that are actually paid under any policy of insurance, but net of any deductibles, co-payments, related premium increases or other payment obligations (including reasonable attorneys’ fees and other costs of collection) that relate to or arise from the making of the claim under any such policy. The Buyer Indemnified Parties shall use commercially reasonable efforts to pursue and collect on any recovery available under any insurance policy available to them; *provided*, however, that such efforts shall not, under any circumstances, require the Buyer Indemnified Parties to incur any out-of-pocket expenses or initiate legal proceedings or any other proceedings that would require the engagement of a third party.

6.3 Indemnification by Buyer. After the Closing, subject to the terms and conditions of this Article 6, Buyer shall indemnify and hold harmless Seller, its successors and assigns and its Representatives (collectively, the “**Seller Indemnified Parties**” and, together with the Buyer Indemnified Parties, collectively, the “**Indemnified Parties**”) for all Losses, directly or indirectly, relating to or arising from (without duplication): (a) any breach or inaccuracy, or any allegation of any third party that, if true, would be a breach or inaccuracy, of any representation or warranty made by Buyer in this Agreement; (b) any breach of any covenant or agreement of Buyer in this Agreement; and (c) the conduct of the Business after the Closing Date (excluding liabilities described in Section 6.2(f) above). Buyer shall not be liable for that part of any Losses that are actually paid under any policy of insurance, but net of any deductibles, co-payments, related premium increases or other payment obligations (including

reasonable attorneys' fees and other costs of collection) that relate to or arise from the making of the claim under any such policy. The Seller Indemnified Parties shall use commercially reasonable efforts to pursue and collect on any recovery available under any insurance policy available to them; provided, however, that such efforts shall not, under any circumstances, require the Seller Indemnified Parties to incur any out-of-pocket expenses or initiate legal proceedings or any other proceedings that would require the engagement of a third party.

6.4 Notice. If a Buyer Indemnified Party or a Seller Indemnified Party (the "**Claimant**") believes that it has suffered or incurred any Loss, it shall so notify the party which the Claimant believes has an obligation to indemnify (the "**Indemnifying Party**") promptly in writing describing such loss or expense, the amount thereof, if known, and the method of computation of such loss or expense, all with reasonable particularity. The Parties hereby acknowledge and agree that the failure of the Indemnifying Party to respond in writing to the notice of Loss provided by the Claimant constitutes an express acknowledgment of the Indemnifying Party's obligation to indemnify the Claimant within fifteen (15) days of its receipt of said notice for the amount of the Loss claimed in such notice.

6.5 Defense of Claims. If any action at law, suit in equity, arbitration or administrative action is instituted by or against a third party (including any Governmental Body) with respect to which the Claimant intends to claim any liability or expense as a Loss subject to indemnification under this Article 6, it shall include in the notice required by Section 6.4 a description of such action or suit, describing such loss or expenses, the amount thereof, if known, and the method of computation of such loss or expense, all with reasonable particularity. The Indemnifying Party shall have fifteen (15) days after receipt of such notice to notify the Claimant that it elects to conduct and control any legal or administrative action or suit with respect to an indemnifiable claim. Until the Indemnifying Party gives the foregoing notice, the Claimant shall have the right to defend, contest, settle, or compromise such action or suit in its exclusive discretion. If the Indemnifying Party gives the above-described notice, the Indemnifying Party shall have the right to undertake, conduct, and control, through counsel of its own choosing and at its sole expense, the conduct and settlement of such action or suit, and the Claimant shall cooperate with the Indemnifying Party in connection therewith; provided, however, that (a) the Indemnifying Party shall not thereby consent to the imposition of any injunction, Order or settlement against or involving the Claimant without the written consent of the Claimant; (b) the Indemnifying Party shall permit the Claimant to participate in such conduct or settlement through counsel chosen by the Claimant, but the fees and expenses of such counsel shall be borne by the Claimant except as provided in clause (c) below; and (c) upon a final determination of such action or suit, the Indemnifying Party shall promptly reimburse the Claimant, to the extent required under this Article 6, for the full amount of any Loss resulting from such action or suit and all reasonable expenses related to such Loss incurred by the Claimant, other than fees and expenses of counsel for the Claimant incurred after the assumption of the conduct and control of such action or suit by the Indemnifying Party (except in the case that the use of the legal counsel selected by the Indemnifying Party presents a conflict of interest with respect to the Claimant, in which case the Claimant may employ legal counsel of its choice after the assumption of the conduct and control of such action or suit by the Indemnifying Party and shall be entitled to reimbursement of the fees and expenses thereof by the Indemnifying Party). So long as the Indemnifying Party is contesting any such action or suit in good faith, the Claimant shall not pay or settle any such action or suit. Notwithstanding the foregoing, the Claimant shall

have the right to pay or settle any such action or suit, provided that in such event the Claimant shall waive any right to indemnity therefor by the Indemnifying Party and no amount in respect thereof shall be claimed as Loss under this Article 6. The Indemnifying Party shall be entitled to contest the issue of its obligations of indemnification hereunder, provided that the Indemnifying Party complies with the provisions hereof.

6.6 **Payment of Losses.** The Indemnifying Party shall pay to the Claimant in immediately available cash the amount to which the Claimant may become entitled by reason of the provisions of this Article 6, such payment to be made within fifteen (15) business days after such amount is finally determined either by mutual agreement of the Parties or pursuant to the judgment or Order of a court of competent jurisdiction. Notwithstanding the foregoing, any amount to which Buyer becomes entitled by reason of the provisions of this Article 6 shall be paid as follows:

(a) first, from the Escrow Deposit (together with all interest, dividends, income, capital gains, and other amounts earned thereon or derived therefrom) on the terms and conditions of the Escrow Agreement so long as the Escrow Deposit is available for distribution; and

(b) thereafter, from the Seller for any amount to which Buyer becomes entitled by reason of the provisions of this Article 6 which has not otherwise been satisfied pursuant to Section 6.6(a).

6.7 **Exclusivity.** Subject to the provisos of the immediately following sentence, the Parties agree that the sole and exclusive remedy of any Party or their respective affiliates with respect to this Agreement or any other claims relating to the Assets, the events giving rise to this Agreement and the other transactions contemplated hereby shall be limited to the indemnification provisions set forth in this Article 6. The Parties intend that, even if indemnification and other obligations appear in various sections and articles of this Agreement, the indemnification procedures and limitations contained in this Article 6 shall be the exclusive basis of the Parties for (a) any breach of a representation or warranty herein; (b) any failure of a Party to comply with any obligation, covenant, agreement or condition herein; or (c) any other damages relating to or arising out of this Agreement; *provided*, however, that nothing in this Section 6.7 shall prevent either Party from seeking injunctive or equitable relief, including but not limited to specific performance, for claims of breach or failure to perform any covenant set forth in this Agreement; *provided*, further, that notwithstanding anything in this Agreement to the contrary, nothing contained in this Agreement shall relieve or limit the liability of any Party or any officer or director of such Party from any liability arising out of or resulting from fraud or intentional misrepresentation in connection with the Contemplated Transactions or any of the Transaction Documents.

6.8 **Adjustment to Purchaser Price.** Any indemnity payments received under this Article 6 shall be treated by Seller and Buyer, to the extent permitted by Legal Requirements, as adjustments to the Purchase Price.

6.9 Waiver of Consequential Damages. IN NO EVENT SHALL EITHER PARTY BE LIABLE UNDER THIS ARTICLE 6 OR OTHERWISE IN RESPECT OF THIS

AGREEMENT FOR EXEMPLARY, SPECIAL, PUNITIVE, INDIRECT, REMOTE, SPECULATIVE OR CONSEQUENTIAL DAMAGES, EXCEPT TO THE EXTENT ANY SUCH PARTY SUFFERS SUCH DAMAGES TO AN UNAFFILIATED THIRD PARTY IN CONNECTION WITH A THIRD PARTY CLAIM, IN WHICH EVENT SUCH DAMAGES SHALL BE RECOVERABLE.

6.10 Effect of Knowledge. The representations, warranties and covenants of any Indemnifying Party, and any Indemnified Party's right to indemnification with respect thereto, shall not be affected or deemed waived by reason of any investigation made by or on behalf of the Indemnified Party (including by any of its Representatives) or by reason of the fact that the Indemnified Party or any of its Representatives knew or should have known that any such representation or warranty is, was or might be inaccurate.

7. General Provisions

7.1 Expenses. Except as otherwise provided in this Agreement, each Party will bear its respective fees and expenses incurred in connection with the preparation, negotiation, execution and performance of this Agreement and the Contemplated Transactions, including all fees and expense of its Representatives.

7.2 Notices. All notices, consents, waivers and other communications required or permitted by this Agreement shall be in writing and shall be deemed given to a Party when (a) delivered to the appropriate address by hand or by nationally recognized overnight courier service (costs prepaid); (b) sent by facsimile with confirmation of transmission by the transmitting equipment; or (c) received or rejected by the addressee, if sent by certified mail, return receipt requested, in each case to the following addresses, facsimile numbers or e-mail addresses and marked to the attention of the person (by name or title) designated below (or to such other address, facsimile number, e-mail address or person as a Party may designate by notice to the other parties):

7.3 Jurisdiction; Service of Process. Any Proceeding arising out of or relating to this Agreement or any Contemplated Transaction may be brought in the courts of the State of New York, Borough of Manhattan, in the City of New York, or, if it has or can acquire jurisdiction, in the United States District Court for the Southern District of New York, and each of the parties irrevocably submits to the exclusive jurisdiction of each such court in any such Proceeding, waives any objection it may now or hereafter have to venue or to convenience of forum, agrees that all claims in respect of the Proceeding shall be heard and determined only in any such court and agrees not to bring any Proceeding arising out of or relating to this Agreement or any Contemplated Transaction in any other court. Service of process, summons, notice or other document by mail to a Party's address set forth herein shall be effective service of process for any suit, action or other proceeding brought in any such court.

7.4 WAIVER OF JURY TRIAL. EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT OR THE OTHER TRANSACTION DOCUMENTS IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES AND, THEREFORE, EACH PARTY IRREVOCABLY, UNCONDITIONALLY AND KNOWINGLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LEGAL ACTION ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE OTHER TRANSACTION DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY. EACH PARTY TO THIS AGREEMENT CERTIFIES AND ACKNOWLEDGES THAT (A) NO REPRESENTATIVE OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT SEEK TO ENFORCE THE FOREGOING WAIVER IN THE EVENT OF A LEGAL ACTION, (B) SUCH PARTY HAS

CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (C) SUCH PARTY MAKES THIS WAIVER VOLUNTARILY, AND (D) SUCH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 7.4.

7.5 Waiver; Remedies Cumulative. The rights and remedies of the parties to this Agreement are cumulative and not alternative. Neither any failure nor any delay by any Party in exercising any right, power or privilege under this Agreement or any of the documents referred to in this Agreement will operate as a waiver of such right, power or privilege, and no single or partial exercise of any such right, power or privilege will preclude any other or further exercise of such right, power or privilege or the exercise of any other right, power or privilege. No claim or right arising out of this Agreement or any of the documents referred to in this Agreement can be discharged by one Party, in whole or in part, by a waiver or renunciation of the claim or right unless in writing signed by the other Party.

7.6 Entire Agreement and Modification. This Agreement, and any Confidentiality Agreement in effect between the Parties as of the date hereof, supersede all prior agreements, understandings and expressions of intent (including the Letter of Intent for Proposed Acquisition of Assets, dated August 7, 2015, by Buyer as accepted by Seller), whether written or oral, between the parties with respect to its subject matter and constitute (along with the Disclosure Schedules, Exhibits and other documents delivered pursuant to this Agreement) a complete and exclusive statement of the terms of the agreement between the parties with respect to its subject matter. This Agreement may not be amended, supplemented or otherwise modified except by a written agreement executed by each Party to this Agreement.

7.7 Assignments and Successors. No Party may assign any of its rights or delegate any of its obligations under this Agreement without the prior written consent of the other Party; provided, however, that Buyer may assign its rights and obligations to any Affiliate of Buyer. This Agreement will apply to, be binding in all respects upon, and inure to the benefit of the successors and permitted assigns of the parties.

7.8 Severability. If any provision of this Agreement, or the application of any provision of this Agreement to any person or circumstance, is held invalid or unenforceable by any court of competent jurisdiction, the other provisions of this Agreement, and the application of any such provision of this Agreement to persons or circumstances other than those as to which it was held invalid or unenforceable, will remain in full force and effect and such provision shall be deemed to be replaced by the valid and enforceable provision most substantively similar thereto. Any provision of this Agreement held invalid or unenforceable only in part or degree will remain in full force and effect to the extent not held invalid or unenforceable.

7.9 No Third Party Beneficiaries. This Agreement shall not confer any rights or remedies upon any Person other than the parties hereto and their respective successors and permitted assigns.

7.10 **Construction.** The headings of Articles and Sections in this Agreement are provided for convenience only and will not affect its construction or interpretation.

7.11 Specific Performance. The Parties agree that irreparable damage would occur if any provision of this Agreement (including but not limited to Article 5) were not performed in accordance with the terms hereof and that the Parties shall be entitled to specific performance of the terms hereof, in addition to any other remedy to which they are entitled at law or in equity.

7.12 Governing Law. This Agreement (and any claim or dispute relating directly or indirectly to, or arising in connection with, this Agreement) will be governed by and construed under the laws of the State of New York without regard to conflicts of laws principles that would require the application of any other law.

7.13 Counterparts. This Agreement may be executed in one or more counterparts, each of which will be deemed to be an original copy of this Agreement and all of which, when taken together, will be deemed to constitute one and the same agreement. The exchange of copies of this Agreement and of signature pages by facsimile or electronic transmission shall constitute effective execution and delivery of this Agreement as to the parties and may be used in lieu of the manually-signed original Agreement for all purposes. Signatures of the parties transmitted by facsimile or electronically shall be deemed to be their original signatures for all purposes.
