ITEM 5. Other Events

On July 14, 2004, Public Service Company of New Hampshire (PSNH) filed with the New Hampshire Public Utilities Commission (NHPUC) a settlement among several parties including the NHPUC Staff and the Office of Consumer Advocate, in regards to its Delivery Service rate case. If approved by the NHPUC, the settlement would allow increases in PSNH's distribution and transmission rates totaling \$3.5 million annually, effective October 1, 2004, and an incremental \$10 million annually effective June 1, 2005, for a total rate increase of \$13.5 million. PSNH had initially sought an increase of \$21 million annually, effective February 1, 2004.

The NHPUC has hearings scheduled for the first week of August 2004, during which this settlement agreement will be considered.
