PROXY STATEMENT

For The Annual Meeting Of Shareholders

To Be Held On May 17, 2005

GENERAL INFORMATION

The Annual Meeting

This Proxy Statement is provided for the solicitation of proxies by the Board of Directors of Commercial National Financial Corporation (the "Corporation"), a Pennsylvania business corporation, for use at the Annual Meeting of Shareholders on May 17, 2005 at 1:00 PM (the "Annual Meeting") to be held at 900 Ligonier Street, Latrobe, Pennsylvania, and at any and all adjournments or postponements thereof. This Proxy Statement and the form of proxy, together with the Corporation's Annual Report to Shareholders for 2004, are being mailed on April 11, 2005, or as soon as possible thereafter, to all shareholders entitled to vote at the Annual Meeting.

At the Annual Meeting, the shareholders will be asked to consider and take action on the proposals listed below:

election as directors of the four persons set forth in this Proxy Statement, each in a class of directors as set forth in the following pages;

ratification of the audit committee's appointment of Beard Miller Company LLP, as independent auditors for the Corporation; and

- any other business as may be properly brought before the meeting.

The Board of Directors of the Corporation recommends the election of the four nominees for Directors listed in this Proxy Statement.

The four nominees receiving the highest number of votes cast shall be elected as Directors. Each share of stock is entitled to one vote.

Voting Rights and Requirements

Record Date. The Board has fixed the close of business on April 8, 2005 as the Record Date for the determination of the shareholders entitled to notice of the Annual Meeting (and any postponements or adjournments thereof). Accordingly, only the shareholders of record on the Record Date will be entitled to receive notice of the Annual Meeting and to vote at the Annual Meeting. The only class of stock of the Corporation presently issued and outstanding is common stock. As of the Record Date, 3,413,426 shares of common stock were issued and outstanding and entitled to vote.

Voting Rights Generally. Under the Bylaws of the Corporation, the presence, in person or by proxy, of shareholders entitled to cast at least a majority of the votes which all shareholders are entitled to cast, shall constitute a quorum. Abstentions will be counted as present for purposes of determining the existence of a quorum. Abstentions and broker non-votes will be treated as shares that neither are capable of being voted nor have been voted and, accordingly, will have no effect on the outcome of the vote on the election of directors or on the outcome of the proposal to ratify the appointment of Beard Miller Company LLP.

Voting and Revocation of Proxy

The shares of stock represented by each proxy properly signed and returned to the Corporation prior to the date of the Annual Meeting will be voted in the manner set forth in this Proxy Statement and in accordance with the instructions marked on the proxy enclosed.

A shareholder who returns a proxy may revoke it at any time before it is voted by delivering a written notice of revocation to Wendy S. Schmucker, Secretary of the Corporation, or by executing a later dated proxy and giving written notice thereof to the Secretary of the Corporation, or by voting in person at the Annual Meeting after giving written notice to the Secretary of the Corporation.

The cost of preparing, printing, and soliciting proxies will be paid by the Corporation. In addition to the use of the mails, certain directors, officers and employees of the Corporation may solicit proxies personally. Arrangements will be made with brokerage houses and other custodians, fiduciaries and nominees to forward proxy solicitation materials to the beneficial owners of stock held of record by these persons, and, upon request therefor, the Corporation will reimburse them for reasonable forwarding expenses.

ELECTION OF DIRECTORS

The Bylaws of the Corporation provide that the Board of Directors shall consist of not less than three directors, and shall be classified into three classes, each class to be elected for a term of three years. The Board of Directors, within the limits set in the Bylaws, may from time to time fix the number of directors and the respective classifications.

The number of directors to constitute the entire Board has been fixed by the Board of Directors at twelve with five, four and three directors in each of three classes. At the Annual Meeting, there shall be elected four directors as a class to serve until the Annual Meeting of shareholders in the year 2008. Richmond H. Ferguson, Dorothy S. Hunter, Joseph A. Mosso and Bruce A. Robinson have been designated by the Nominating/Corporate Governance Committee

and the Board of Directors as its nominees for election as directors at the Annual Meeting.

If the enclosed proxy card is properly executed and returned prior to voting at the Annual Meeting, the shares represented thereby will be voted in accordance with the instructions marked thereon. In the absence of instructions, shares represented by executed proxies will be voted as recommended by the Board of Directors, that is, in favor of the election of the nominees listed on the proxy and in this Proxy Statement. All of the nominees are now and have been directors of the Corporation and of Commercial Bank & Trust of PA (the "Bank").

Other nominations for director may be made in accordance with procedures set forth in Section 9.1 of the Bylaws of the Corporation and the Nominating/Corporate Governance Guidelines, which require written notice to the Secretary of the Corporation of any such nomination at least 120 days prior to the date of any meeting of the shareholders for the election of directors, but no more than 180 days prior to any such meeting. DIRECTORS' MEETINGS AND COMMITTEES

It is the policy of the Corporation that the directors of the Corporation also serve as the directors of the Bank. During 2004, the Board of the Corporation met thirteen times and the Board of the Bank met twelve times. The Board of the Corporation has standing audit, executive compensation and nominating/corporate governance committees, each of which is more fully described below.

Audit Committee

The Board of the Corporation has an Audit Committee that consists of John T. Babilya, George A. Conti Jr., Debra L. Spatola and C. Edward Wible, each of whom is considered an “independent director” under the rules of NASDAQ and the SEC. The Board has determined that Mr. Wible qualifies as an audit committee financial expert within the meaning of the SEC regulations.

The role of the Audit Committee is to assist the Board of Directors in preserving the integrity of the financial information published by the Corporation through review of financial and accounting controls and policies, financial reporting systems, alternative accounting principles that could be applied and the quality and effectiveness of the independent auditors.

The Audit Committee meets monthly, or more often as needed, with the Corporation’s internal auditor and staff to monitor and review compliance with regulations and internal policies and procedures and provides direct liaison with the Corporation’s audit department and Board of Directors. The Audit Committee of the Corporation met eleven times during 2004.

The Audit Committee meets with the Corporation’s independent auditors as it deems necessary, not less often than annually, to facilitate and encourage private communication between the Audit Committee and the independent auditors.

The Audit Committee acts under a written charter first adopted and approved by the board of directors on May 16, 2000. The charter was revised and approved by the Board of Directors on January 18, 2005. A copy of the Audit Committee’s charter is attached as Appendix A to this Proxy Statement.

Audit Committee Report

The Audit Committee appointed Beard Miller Company LLP (“Beard”) as independent auditors of the Corporation for the fiscal year ended December 31, 2004. In overseeing the preparation of the Corporation’s financial statements, the Audit Committee has reviewed and discussed with both management and Beard all financial statements. The Audit Committee reviewed with Beard those matters required to be discussed pursuant to Statement on Auditing Standards No. 61 (Communications with Audit Committees), Statement on Auditing Standards No. 89 (Audit Adjustments) and Statement on Auditing Standards No. 90 (Audit Committee Communications).

With respect to the Corporation’s independent auditors, the Audit Committee received from Beard the written disclosures and letter required by *Independence Standards Board Standard No. 1*. (Independence Discussions with Audit Committees) and discussed with Beard matters relating to Beard’s independence.

In reliance on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Corporation’s Annual Report on Form 10-K for the year ended December 31, 2004.

Executive Compensation Committee

The Board of Directors of the Corporation maintains an Executive Compensation Committee that currently consists of Joseph A. Mosso, John T. Babilya, John C. McClatchey and George V. Welty, each of whom is considered an “independent director” under the rules of NASDAQ and the SEC.

The Executive Compensation Committee's primary function is to develop, implement and maintain an effective compensation program for the executives of the Corporation and its subsidiaries. It is the responsibility of the Committee to balance the interests of the Corporation's “stakeholders,” e.g., shareholders, customers, regulators, public, and related entities with those of the executive officers within the context of the committee’s focus: executive compensation.

The Executive Compensation Committee meets quarterly, or more often as needed, to: monitor, review and act upon Executive Compensation Philosophy and Policy, Chief Executive Officer compensation, officer contracts, succession planning, and regulatory compliance; prepare the Executive Committee Report in the Proxy Statement; and conduct an annual performance review. Six Executive Compensation Committee meetings were held during 2004 with all members in attendance.

The Executive Compensation Committee acts under a written charter first adopted and approved by the Board of Directors on May 18, 2004.

Executive Compensation Committee Report

To Our Shareholders:

Compensation for the Chief Executive Officer and other executives of the Corporation and its wholly owned subsidiary, the Bank, was set and paid at the Corporate and Bank level. The Executive Compensation Committee had the responsibility and authority to establish executive compensation for 2004.

The Executive Compensation Committee is composed of four independent directors, none of whom are former officers or employees of the Corporation or the Bank. The Committee is responsible for setting the compensation of the Chief Executive Officer and other executives. The following report describes the actions of the Committee regarding the compensation paid to the Chief Executive Officer of the Bank and other executives during 2004. Compensation was paid by the Corporation to its executive officers for seven weeks and two days during 2004. The remainder of 2004 compensation was paid by the Bank, a subsidiary of the Corporation.

The Bank’s salary structure for its Chief Executive Officer and other executives is based upon independent banking industry surveys that focus on financial institutions similar in size, scope and geographic region to the Bank. Using this data, a base salary, midpoint and range are established for each position. The midpoint serves as a base salary target for an executive performing his job competently. Salary increases are based on individual performance and salary level relative to the midpoint of the incumbent’s salary range.

Salary decisions are based on performance criteria that include: the Corporation’s earnings over the previous five-year period; and the executive’s success in managing risk, optimizing income, controlling operating costs, improving service quality, developing management leadership and strengthening the institution’s competitive position. The committee also considers the extent to which corporate goals such as after-tax income as a percentage of average total assets, annual total asset growth and the capital ratios were met.

Utilizing the above criteria, the Committee set the annual compensation for Gregg E. Hunter as shown in this Proxy Statement, and set the annual compensation for other executive officers.

All full-time employees, including the Chief Executive Officer, are included in the Employees' Profit Sharing Retirement Plan described elsewhere in this Proxy Statement.

The compensation reported for the continuing officers consists of base salaries paid and profit sharing earned in 2004 as determined by the Bank's performance. Neither the Chief Executive Officer nor any other executive received a bonus for service in 2004.

The Board of the Corporation has a Nominating/Corporate Governance Committee ("Nominating Committee") that consists of George A. Conti, Jr., Richmond H. Ferguson, Joseph A. Mosso, George V. Welty and C. Edward Wible, all of whom are "independent" as such term is defined in the SEC rules and the NASDAQ listing requirements. The Nominating Committee met four times during 2004.

The Nominating Committee adopted a charter on June 15, 2004 that was approved by the Board of Directors and it is available on the Corporation's website: www.cbthebank.com.

The Nominating Committee evaluates the performance of the Board as a whole, the Committees and the individual directors. The Nominating Committee also administers and oversees all aspects of the Corporation's corporate governance functions on behalf of the Board, including procedures for compliance with significant applicable legal, ethical and regulatory requirements that may affect corporate governance.

In selecting new Directors of the Corporation, consideration is given to each individual Director's personal qualities and abilities, the collective Board members' skills and aptitudes for conducting oversight of the Corporation and its management, and duties imposed by law and regulation. Important factors include:

Each Director must, as determined by the Board, be qualified to perform duties of a Director as evidenced by the Director's experience, accomplishments, education, skills and integrity;

Directors must be persons possessing the highest personal values and integrity;

Directors must be able to perform their duties in the best interests of the Corporation and its shareholders, without conflicts of interest;

The majority of Directors will be independent in accordance with the Standards for Determining Independence of Directors as adopted by the Board and in compliance with applicable laws and regulations, including the listing standards of the Securities and Exchange Commission (SEC) and The NASDAQ Stock Market (NASDAQ).

The Corporation will comply fully with all legal and regulatory requirements concerning the composition of the Audit, Nominating and Corporate Governance, and Executive Compensation Board Committees;

Collectively, Board members will bring to the Corporation a broad range of complementary skills, expertise, industry and regulatory knowledge, and diversity of perspectives to build a capable, responsive, and effective Board; and

Directors will have experience in policy-making levels of a business or as a licensed professional and must have an aptitude for evaluating business matters and making practical and mature judgments.

ATTENDANCE AT MEETINGS

During 2004, all Directors attended at least seventy-five percent of the combined totals of meetings of the Board of Directors and each committee of which they were a member.

The Corporation does not have a stated policy with regard to director's attendance at the annual meeting but expects all of its directors to attend. All Board members attended last year's meeting.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Based on a review of the applicable forms, there was no director, officer or beneficial owner of more than 10 percent of the Corporation's common stock who failed to file on a timely basis reports required by Section 16(a) of the 1934 Act during the most recent fiscal year.

COMPENSATION OF DIRECTORS

Directors of the Corporation are paid \$800 for attendance at stand-alone meetings and \$400 for attendance at meetings held in conjunction with a Bank Board meeting. Directors of the Bank are paid a fee of \$800 for attendance at meetings of the Board of Directors of the Bank, and in addition, directors who are not also officers of the Bank are paid \$400 for attendance at meetings of the committees of the Corporation and the Bank. All committee chairpersons are paid an additional \$200 per attendance at a meeting.

In addition, the non-executive Chairman of the Corporation is paid a monthly retainer of \$2000 and the Chair of the Audit Committee, as the Financial Expert, is paid a monthly retainer of \$1000.

A Directors Call Program was established by the Bank in 2002 as an opportunity for directors to earn shares of common stock of the Corporation. Directors were awarded shares of common stock based on the number and type of referrals given to the Bank to increase its business volumes. No shares of common stock were awarded under the program in 2004. The program was discontinued in 2005.

The Employment Agreement also provided that Mr. Steiner was eligible to receive a performance bonus based on the performance of Mr. Steiner and the Bank. The amount and payment of such bonus was to be in the sole discretion of the Executive Compensation Committee.

Under the Employment Agreement, if Mr. Steiner's employment was terminated either by the Bank without cause or by Mr. Steiner "for good reason", Mr. Steiner would have been entitled to (a) payment of all accrued and unpaid annual salary and benefits through the date of such termination; and (b) continuation of his health benefits for twelve (12) months and (c) payment of monthly severance payments equal to one-twelfth of the sum of (i) Mr. Steiner's annual salary, plus (ii) the amount credited to Mr. Steiner's account under the Bank's Profit-Sharing Plan for the most recently completed fiscal year, for a period of twelve (12) months, or, at the discretion of the Board, a single sum payment equal to the discounted present value of such monthly payments (discounted at the prime rate in effect at the Bank's principal banking subsidiary). If Mr. Steiner's employment was terminated due to a change in control of the Bank or the Holding Company, then Mr. Steiner would have received the same payments and health benefits coverage as described above except that such payments and coverage would continue for a period of twenty-four (24) months and Mr. Steiner would be entitled to six months of outplacement services at the Bank's expense. If the employment was terminated for any other reason, Mr. Steiner's severance would have been limited to accrued but unpaid salary and benefits.

Mr. Steiner resigned in January 2004 under terms approved by the Board. He is receiving payments and benefits coverage from the Bank substantially as described above as if he had resigned "for good reason" and unrelated to a

change in control.

PERFORMANCE GRAPH

The graph appearing below compares the Corporation's cumulative total shareholder returns with the performance of U.S. Companies in the Nasdaq Stock Market Index and with the Nasdaq Bank Stocks Index.

Assumes that the value of the investment in the Corporation's common stock and each index was \$100 on December 31, 1999, and that all dividends were reinvested.

EMPLOYEES' PROFIT SHARING

RETIREMENT PLAN

The Employees' Profit Sharing Retirement Plan (the "Plan") was created in 1977 and subsequently restated as required by IRS regulations. Employees are eligible to join the plan on the first of the month coincident with 12 months of employment, provided that the employee has accumulated 1,000 or more hours of service. The amount to be contributed to the Plan is determined by the Board of Directors of the Bank (the "Board") based on the existence of current or accumulated net profits of the Bank and/or such other factors as may be determined to be appropriate by the Board in its discretion. Notwithstanding the foregoing, the Board may determine that no contributions will be made to the Plan by the employer for any one or more particular plan years. The total amount of the annual contribution cannot exceed 15 percent of the total eligible compensation paid by the Bank to all participating employees. There are no contributions made by the participating employees.

The Plan provides for the determination of an account for each participating employee with notice of the amount in each such account to be given to the participating employee annually. Distributions under the Plan can be made to participating employees upon retirement (either normal or early retirement as defined in the Plan), at death or disability of the participating employee or upon severing employment if either partially or fully vested.

The Plan provides for percentage vesting of 20 percent for the first three full years of service increasing 20 percent annually thereafter to 100 percent vesting after seven full years of participation. The Plan provides certain rules in the event that it becomes top-heavy. The funds contributed into the Plan by the Bank will be administered and invested under the direction of the Plan trustees who are appointed by the Board.

It is not possible to determine the extent of the benefits which any participant may be entitled to receive under the Plan on the date of termination of employment, since the amount of such benefits will be dependent, among other things,

upon the future earnings of the Bank, the future compensation of the participants and the future earnings under the Plan.

The amount that the Bank contributed to the accounts of each executive officer named in the Executive Compensation section is set forth under "Other Annual Compensation" in the Summary Compensation Table except where otherwise noted.

TRANSACTIONS WITH DIRECTORS, NOMINEES, OFFICERS AND ASSOCIATES

In the ordinary course of its banking business, the Bank has and anticipates that it will continue to have transactions with certain directors and officers of the Corporation and the Bank and their associates.

To the extent such transactions consisted of extensions of credit of any material amount, they have been made in the ordinary course of the Bank's business on substantially the same terms including interest charged and collateral required as those prevailing at the time for comparable transactions with other customers of the Bank and do not involve more than the normal risk of collectibility or present other unfavorable features.
