PROXY STATEMENT
FOR
ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD MAY 18, 2005

Our Annual Meeting of Stockholders will be held on Wednesday, May 18, 2005, at the Hilton Garden Inn, 6330 Point Chase, Eden Prairie, Minnesota, 55344, beginning at 11:00 a.m. CDT. The enclosed form of proxy is solicited by our Board of Directors. We anticipate that this Proxy Statement and the accompanying proxy will first be mailed to holders of our Common Stock on or about April 21, 2005.

Why am I receiving this Proxy Statement and proxy card?

You are receiving this Proxy Statement and proxy card because you own shares of our Common Stock. This Proxy Statement describes issues on which we would like you, as a stockholder, to vote. It provides information on these issues so that you can make an informed decision.

When you sign the proxy card, you appoint Darleen C. Turcotte and Julie S. Wingert as your representatives at the meeting. These representatives will vote your shares at the meeting (or any adjournments) as you have instructed them on the proxy card. With proxy voting, your shares will be voted whether or not you attend the Annual Meeting. Even if you plan to attend the meeting, it is a good idea to complete, sign and return your proxy card in advance of the meeting, just in case your plans change.

If an issue comes up for vote at the meeting (or any adjournments) that is not described in this Proxy Statement, these representatives will vote your shares, under your proxy, at their discretion.

Can I receive proxy materials via the Internet?

For next year's Annual Meeting, you can help us save significant printing and mailing expenses by agreeing to receive the Proxy Statement, proxy card and Annual Report electronically via the Internet. You can agree to receive next year's proxy materials and Annual Report electronically by following the instructions set forth at the website <http://www.econsent.com/dfs>. If you choose to receive your proxy materials and Annual Report electronically, then prior to next year's Annual Meeting, you will receive email notification when the proxy materials and Annual Report are available for online review over the Internet. Your choice for electronic distribution will remain in effect for all future stockholder meetings unless you revoke it prior to the meeting by following the instructions set forth at the website <http://www.econsent.com/dfs>. If you elect to access these materials via the Internet, you can still request paper copies by contacting your brokerage firm, bank or our transfer agent, Wells Fargo Shareowner Services, at 1-800-468-9716. We do not charge a fee for receiving proxy materials through the Internet, however, you may incur online access costs through your Internet Service Provider.

When is the record date?

The Board of Directors has fixed March 24, 2005, as the record date for the Annual Meeting. Only holders of Department 56 Common Stock as of the close of business on this date will be entitled to vote at the Annual Meeting.

How many shares are outstanding?

As of March 24, 2005, we had 13,771,800 shares of Common Stock issued and outstanding.

What am I voting on?

You are being asked to vote on the following:

The election of seven directors for terms expiring in 2006;

The ratification of the appointment of Deloitte & Touche LLP, referred to as Deloitte, as our independent registered public accounting firm for fiscal year 2005; and

Any other business that may properly come before the meeting.

Each share is entitled to one vote. No cumulative rights are authorized, and dissenters' rights are not applicable to any of the matters being voted upon.

How do I vote?

You have four voting options. You may vote by:

Signing your proxy card and mailing it in the enclosed, prepaid and addressed envelope;

Internet;

Telephone; or

Attending the Annual Meeting and voting in person.

If your shares are registered in your name with our transfer agent, Wells Fargo, instead of through a broker or other nominee, you can vote your shares on the Internet or by telephone. If your shares are held in an account at a brokerage firm or bank participating in a street name program, you may already have been offered the opportunity to elect to vote using the Internet. A number of brokerage firms and banks are participating in a program for shares held in street name that offers Internet voting options. These programs are different from the program offered by Wells Fargo for shares registered in the name of the stockholder.

If you vote by telephone or on the Internet, you will be prompted to enter the voter control number printed on your proxy card above your name and to follow a few simple instructions. Voting via the Internet or by telephone will not affect your right to vote in person should you decide to attend the Annual Meeting or to change your vote electronically or by telephone. We reserve the right to cancel the electronic voting or telephone voting program with respect to future stockholder meetings.

Can stockholders vote in person at the Annual Meeting?

We will pass out written ballots to anyone who wants to vote at the meeting. If you hold your shares through a brokerage account but do not have a physical share certificate, or the shares are registered in someone else's name, you must request a legal proxy from your stockbroker or the registered owner to vote at the meeting.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, it means that you have multiple accounts with the transfer agent and/or with stockbrokers. Please vote all of the shares.

What if I change my mind after I return my proxy?

You may revoke your proxy and change your vote at any time before the polls close at the Annual Meeting. You may do this by:

2

Voting again over the Internet or by telephone prior to 12:00 p.m., CDT, on May, 17, 2005;

Signing another proxy with a later date and mailing it to our transfer agent, Wells Fargo, as long as Wells Fargo receives the proxy prior to 12:00 p.m., CDT, on May 17, 2005;

Voting in person at the Annual Meeting; or

Giving written notice to our Assistant Secretary.

How many votes do you need to hold the meeting?

For us to conduct the Annual Meeting, we must have a quorum, which means that a majority of our outstanding shares of Common Stock as of the record date must be present at the meeting. Your shares will be counted as present at the Annual Meeting if you:

Vote via the Internet or by telephone;

Submit a properly executed proxy card (even if you do not provide voting instructions); or

Attend the Annual Meeting and vote in person.

What if I abstain from voting?

Abstentions with respect to a proposal are counted for purposes of establishing a quorum. If a quorum is present, abstentions will not be included in vote totals and will not affect the outcome of the vote of any proposal contained in this year's Proxy Statement.

How many votes are needed to elect directors?

The nominees for election as directors at the 2005 Annual Meeting will be elected by a plurality of the votes cast at the meeting. This means that since stockholders will be electing seven directors, the seven nominees receiving the highest number of votes will be elected.

A properly executed proxy card marked *Withheld* with respect to the election of directors will not be voted and will not count *FOR* or *AGAINST* any of the nominees.

How many votes are needed to ratify the appointment of Deloitte as our independent registered public accounting firm for fiscal year 2005?

The ratification of the appointment of Deloitte as our independent registered public accounting firm for fiscal year 2005 will be approved if the votes cast *FOR* the proposal exceed the votes cast *AGAINST* the proposal. A properly executed proxy card marked *Abstain* with respect to this proposal will not be voted and will not count *FOR* or *AGAINST* this proposal.

Will my shares be voted if I do not sign and return my Proxy Card?

If your shares are held through a brokerage account, your brokerage firm, under certain circumstances, may vote your shares.

The election of directors and the ratification of the appointment of Deloitte as our auditors are routine matters under New York Stock Exchange (NYSE) rules. The NYSE rules allow brokerage firms to vote their customers' shares on these matters if the customers do not provide voting instructions. If your brokerage firm votes your shares on these matters because you do not provide voting instructions, your shares will be counted for purposes of establishing a quorum to conduct business at the meeting and in determining the number of shares voted *FOR* or *AGAINST* the routine matter. We encourage you to

provide instructions to your brokerage firm by voting your proxy. This action ensures your shares will be voted at the meeting.

If your shares are registered in your name, and you do not sign and return your proxy card, your shares will not be voted at the meeting.

How are votes counted?

Your shares will be voted as you indicate. If you just sign your proxy card with no further instructions, your shares will be voted:

FOR each director nominee for terms expiring in 2006; and

FOR the ratification of the appointment of Deloitte as our independent registered public accounting firm for fiscal year 2005.

Voting results will be tabulated and certified by our transfer agent, Wells Fargo.

Where can I find the voting results of the meeting?

We will announce preliminary voting results at the meeting. We will publish the final results in our Quarterly Report on Form 10-Q for the second quarter of 2005, which will be filed with the Securities and Exchange Commission (SEC).

Who will pay for the costs of soliciting proxies?

We will bear the cost of soliciting proxies. In an effort to have as large a representation at the meeting as possible, our directors, officers and employees may solicit proxies by telephone or in person in certain circumstances. These individuals will receive no additional compensation for their services other than their regular salaries. Upon request, we will reimburse brokers, dealers, banks, voting trustees and their nominees who are holders of record of our Common Stock on the record date for the reasonable expenses incurred for mailing copies of the proxy materials to the beneficial owners of such shares.

How can I obtain a copy of the 2004 Annual Report on Form 10-K?

Our 2004 Annual Report on Form 10-K, including audited financial statements, accompanies this Proxy Statement. The 2004 Annual Report on Form 10-K is available through our website at <http://www.department56.com/corporate/SEC.asp>.

At the written request of any stockholder who owns Common Stock on the record date, we will provide to such stockholder, without charge, an additional paper copy of our 2004 Annual Report on Form 10-K as filed with the SEC, including the financial statements and financial statement schedules but not including exhibits. If requested, we will provide copies of the exhibits for a reasonable fee. Requests for additional paper copies of our 2004 Annual Report on Form 10-K should be mailed to:

PROPOSAL 1 ELECTION OF DIRECTORS

What is the recommendation of the Board?

The Board of Directors recommends a vote FOR each of the nominees.

What is the current composition of the Board?

Our Restated By-Laws require our Board of Directors to have at least one and no more than twenty-one directors. The Board believes that, given the size and breadth of the Company, and the need for diversity of Board views, the size of the Board should be in the range of seven to nine directors.

Is the Board divided into classes? How long is the term?

No. All directors serve one year terms until their successors are elected and qualified at our Annual Meeting.

Who is standing for election this year?

The Board of Directors, on the recommendation of the Board Affairs Committee, has nominated the following seven directors for reelection at the 2005 Annual Meeting to hold office until the 2006 Annual Meeting: James E. Bloom; Susan E. Engel; Michael R. Francis; Charles N. Hayssen; Stewart M. Kasen; Dr. Reatha Clark King; and John Vincent (Vin) Weber. Gary S. Matthews, one of our current directors, is not standing for reelection at the 2005 Annual Meeting.

What if a nominee is unable or unwilling to serve?

Should any one or more of these nominees become unable or unwilling to serve, which is not anticipated, the Board of Directors may designate substitute nominees, in which event the proxy representatives will vote proxies that otherwise would be voted for the named nominees for the election of such substitute nominee or nominees.

CORPORATE GOVERNANCE

BOARD OF DIRECTORS STRUCTURE

How many times did the Board of Directors meet in fiscal 2004?

During the fiscal year ended January 1, 2005, the Board held four regular meetings and also took action by unanimous written consent in lieu of a meeting on one occasion, as permitted under our Restated By-Laws. Each current director attended at least 75% of the total meetings of the Board and Board committees on which the director served during fiscal 2004.

How does the Board determine which directors are independent?

In February 2004, the Board adopted governance principles containing independence standards for our directors that meet or exceed the independence standards adopted by the SEC and the NYSE. The guidelines set by the Board require that a majority of the members of the Board be independent as defined under applicable law, NYSE listing standards and other governance principles, as adopted by the Board. A director will not be considered independent if he or she has a material relationship with us as defined below:

6

The director or an Immediate Family Member¹ has been employed by us in the past three years;

The director or an Immediate Family Member has been affiliated with or employed by one of our present or former auditors in the last three years;

The director or an Immediate Family Member has in the past three years been part of an interlocking directorate in which one of our executives serves on the Compensation Committee of another company that employs the director;

The director or Immediate Family Member has in any of the past three years received in excess of \$100,000 in direct compensation (other than directors' and committee fees and pension or other forms of deferred compensation for prior service, provided such compensation is not contingent on continued service) from us;

Edgar Filing: DEPARTMENT 56 INC - Form DEF 14A

The director or Immediate Family Member serves as an executive officer of a charitable organization which, in any single fiscal year of the three completed fiscal years immediately preceding the date of the Board's determination, received contributions from us exceeding the greater of \$1 million or 2% of the charitable organization's consolidated gross revenues for that fiscal year;

The director is an executive officer or an employee, or whose Immediate Family Member is an executive officer, of a company that makes payments to, or receives payments from, us for property or services in an amount which, in any single fiscal year, exceeds the greater of \$1 million or 2% of such other company's consolidated gross revenues, until three years after falling below such threshold;

The director or Immediate Family Member is an executive officer of another company which is indebted to us, or to which we are indebted, and the total amount of the indebtedness during any of the previous three years exceeds the greater of \$1 million or 2% of the total consolidated assets of the company where he or she serves as an executive officer; or

The director is involved in any material relationship that, in the opinion of the Board, would interfere with that person's exercise of independent judgment as a director.

What was the Board's determination with respect to director independence?

The Board of Directors reviewed the independence of each director based on the independence criteria set forth above. As a result of the review, the Board affirmatively determined that the following directors are independent: Mr. Bloom; Mr. Francis; Mr. Hayssen; Mr. Kasen; Dr. King; Mr. Matthews; and Mr. Weber. Ms. Engel is not independent because she is employed by us as our Chief Executive Officer.

How can stockholders communicate with the Board?

Stockholders who are interested in communicating directly with members of the Board, including the lead director or the nonmanagement directors as a group, or any chairperson of a Board committee may do so by writing directly to those individuals c/o Assistant Secretary, Department 56, Inc., 6436 City West Parkway, Eden Prairie, Minnesota 55344. Our Assistant Secretary will forward all communications directly to the Board member. If the correspondence is not addressed to a particular member, the communication will be forwarded to the Chairwoman of the Board. Our Assistant Secretary will review all communications before forwarding to the appropriate Board member.

¹ Immediate Family Member is defined as a director's spouse, parents, children, siblings, mothers- and fathers-in-law, sons- and daughters-in-law, brothers- and sisters-in-law, and anyone (other than domestic employees) who share such a person's home.

If you want to report a concern relating to our accounting, internal accounting controls, or audit matters, please call 1-866-384-4277. Your call will be confidential, and you have the option of remaining anonymous. The Audit Committee of our Board of Directors will be notified of your call.

Do the nonmanagement directors of the Board meet during the year?

Yes. The nonmanagement directors hold an executive session at each quarterly Board meeting without the attendance of the Chairwoman and Chief Executive Officer.

Does the Company have a lead director?

Yes. The lead director is Stewart M. Kasen.

Does the Board have a policy with respect to attendance at the Annual Meeting?

Yes. The Board has adopted a policy stating that all directors are expected to attend the Annual Meeting. Although the Board understands that there may be situations that prevent a director from attending an Annual Meeting, the Board strongly encourages all directors to make attendance at the Annual Meeting a priority. All but one of the directors who were serving at the time of the 2004 Annual Meeting attended the meeting.

Are directors allowed to serve on the Boards of other companies?

Yes. The Board does not believe that its members should be prohibited from serving on the Boards of other companies so long as those commitments do not create material actual or potential conflicts and do not interfere with the director's ability to fulfill his or her duties as a member of our Board. The Board Affairs Committee will take into account the nature and time involved in the director's service on other boards in assessing director nominees.

DIRECTOR COMPENSATION

How are the directors compensated?

Directors are compensated as follows:

An annual retainer of \$20,000;

An additional retainer of \$5,000 for the lead director and the chairperson of the Audit Committee, \$3,000 for the chairperson of the Compensation Committee, and \$1,500 for the chairpersons of all other committees;

In-person and telephonic meeting fees of \$1,000 per meeting;

4,000 stock options which vest immediately upon grant; and

2,000 restricted shares which vest after three years as long as the director is still serving.

We pay the annual retainer on a quarterly basis, either in cash or in stock, at each director's election. Nonemployee directors may elect to receive shares of Common Stock in lieu of all or a portion of their cash fees, in which case shares of Common Stock are issued having a fair market value on the date of issuance of 110% of the cash fees which would otherwise then be payable. We also reimburse directors for travel expenses incurred in traveling to committee and full Board meetings, pursuant to IRS requirements. Directors who are employees are not paid annual retainers, meeting attendance fees or unanimous written consent fees.

COMMITTEE STRUCTURE

What are the committees of the Board?

The Board of Directors currently has four committees: Audit, Board Affairs, Compensation and Executive.

Who are the members of the committees, and how many times did the committees meet during fiscal 2004?

The following table summarizes the composition of each of the committees of the Board during fiscal 2004 and the number of times each committee met during fiscal 2004:

	<u>Audit</u>	<u>Board Affairs</u>	<u>Compensation</u>	<u>Executive</u>
James E. Bloom	Member

Stewart M. Kasen			Chair	Member
Dr. Reatha Clark King		Member	Member	
Gary S. Matthews	Chair	Member		
Vin Weber		Chair	Member	
Number of meetings during fiscal 2004	7	3	3	

Will the committees have the same members during fiscal 2005?

No. Mr. Matthews, who was a member of both the Audit and Board Affairs Committees in fiscal year 2004 will not be standing for reelection at the Annual Meeting. All other directors will remain on their current committees.

When and how are the chairperson and members of the committees selected?

The Board of Directors selects the members and designates the chairperson of each committee at the Board meeting held on the date of the Annual Meeting in each fiscal year.

AUDIT COMMITTEE

What are the responsibilities of the Audit Committee?

The Board of Directors adopted an Audit Committee Charter, which sets forth the responsibilities of the Audit Committee, on February 18, 2004, and readopted it without change on February 16, 2005. The Audit Committee is responsible for assisting the Board in serving as an oversight to our:

- Financial reporting, accounting and controls;
- Compliance with legal and regulatory requirements; and
- Performance of its internal audit function and its independent auditors.

The Audit Committee has available to it the resources including, but not limited to, funding and authority to discharge its responsibilities, including the resources and authority to engage outside auditors or other

auditors for special audits, reviews and other procedures and to retain independent counsel and other advisors, experts or consultants.

What are the qualifications for serving on the Audit Committee?

The Audit Committee is composed of at least three nonmanagement directors. All of the members of the Audit Committee must be independent within the meaning of our Governance Principles and as required under applicable law and the NYSE listing standards and must meet the financial literacy requirements of the NYSE.

Does the Audit Committee have a financial expert?

Yes. The Board has determined that Mr. Hayssen qualifies as an audit committee financial expert under the Sarbanes-Oxley Act of 2002 and applicable SEC and NYSE regulations.

BOARD AFFAIRS COMMITTEE

What are the responsibilities of the Board Affairs Committee?

The Board of Directors has adopted a Board Affairs Committee Charter, which sets forth the following responsibilities of the Board Affairs Committee:

Identifying, interviewing and recommending for Board approval candidates for directorships, including those recommended by stockholders;

Coordinating the evaluation of Board performance; and

Reviewing and recommending enhancements to our corporate governance structures.

What are the qualifications for serving on the Board Affairs Committee?

The Board Affairs Committee is composed of at least three nonmanagement directors. All of the members of the Board Affairs Committee must be independent within the meaning of our Governance Principles and as required under the NYSE listing standards.

What does the Board Affairs Committee consider in selecting nominees to the Board?

Directors should possess the highest personal and professional ethics, integrity and values, and be committed to representing the long-term interests of the stockholders. They must also have an inquisitive and objective perspective, practical wisdom, energy and mature judgment. We work to have a Board representing diverse experience at policy-making and policy-implementing levels in business, government, education and philanthropy, and in areas that are relevant to our business activities.

Directors must be willing to devote sufficient time to carrying out their duties and responsibilities effectively, and should be committed to serve on the Board for an extended period of time. Directors should offer their resignation in the event of any significant change in their personal circumstances, including a change in their principal job responsibilities, although the Board is under no obligation to accept a resignation tendered under these circumstances.

What procedures does the Board Affairs Committee follow in identifying new nominees?

The Board Affairs Committee identifies director candidates from various sources, and has the authority to engage and compensate third-party executive search consultants to assist it in identifying and evaluating possible nominees for director. However, the Board Affairs Committee did not retain or pay any

consultant to do so in 2004 or to date in 2005. Interviews are required of any candidate of substantial interest to the Board Affairs Committee.

Will the Board Affairs Committee consider stockholder nominations for director?

Yes. The Board Affairs Committee will consider nominations for directors from our stockholders. Stockholders who wish to recommend qualified candidates to the Board Affairs Committee should write to the Chair of the Board Affairs Committee, c/o Assistant Secretary, Department 56, Inc., 6436 City West Parkway, Eden Prairie, Minnesota 55344, setting forth the recommended candidate's qualifications and other relevant biographical information. Such recommended candidates will receive the same level of consideration by the Board Affairs Committee as candidates identified on its own initiative or by other Board members in light of the criteria described above and in the Board Governance Principles.

COMPENSATION COMMITTEE

What are the responsibilities of the Compensation Committee?

The Board of Directors has adopted a Compensation Committee Charter, which sets forth the responsibilities of the Compensation Committee. The Compensation Committee is responsible for reviewing and making recommendations to the Board with respect to:

Establishing corporate goals and objectives relevant to CEO compensation, evaluating the CEO's performance in light of those goals and objectives, and determining the CEO's compensation based on this evaluation;

Option Grants in Last Fiscal Year

The following table sets forth all options to acquire shares of our Common Stock granted to the executive officers named in the Summary Compensation Table during the last fiscal year.

16

Name	Number of Securities Underlying Options Granted (#) (1)	Percent of Total Options Granted to Employees in Fiscal Year (2)	Exercise Price (\$/share)	Expiration Date (3)	Grant Date Present Value (\$) (4)
Susan E. Engel					
Elise M. Linehan	10,000	3.8%	15.92	5/03/14	83,200
Andrew E. Melville					
Michael J. Rothmeier	75,000	28.7%	15.92	5/03/14	624,000
Timothy J. Schugel	30,000	11.5%	15.92	5/03/14	249,600
David H. Weiser					

(1) The options granted will be exercisable in equal installments beginning on each of the first, second, and third anniversaries of the date of the grant, which was May 3, 2004.

(2) In the last fiscal year, we granted to employees options to purchase a total of 261,000 shares of our Common Stock.

(3) The options generally expire on the earliest of (a) the tenth anniversary of the date of grant, (b) 12 months following termination of the optionee's employment or (c) the exercise in full of the option.

(4) We calculated the estimated present value at grant date of options granted during fiscal year 2004 using the Black-Scholes option pricing model. Note that this model is only one method of valuing options, and our use of the model should not be interpreted as an endorsement of its accuracy. The actual value of the options may be significantly different, and the value actually realized, if any, will depend upon the excess of the market value of the Common Stock over the option exercise price at the time of the exercise. The assumptions we used to develop the grant date valuations were: estimated time until exercise of six years; a risk-free interest rate of 3.9%, representing the interest rate on a U.S. Government zero-coupon bond on the date of grant with a maturity corresponding to the estimated time until exercise; a volatility rate of 50% and no dividends. The approach used in developing the assumptions upon which the Black-Scholes valuations were calculated is consistent with the requirements of Statement of Financial Accounting Standards No. 123, *Accounting for Stock-Based Compensation*.

Aggregated Option Exercises in Last Fiscal Year and Fiscal Year-End Option Values

The following table summarizes information with respect to stock option exercises by the executive officers named in the Summary Compensation Table during fiscal 2004 and the value of stock options held by these officers at the end of fiscal 2004.

Number of Securities Underlying Unexercised Options at Fiscal Year-End (#)	Value of Unexercised In-the-Money Options at Fiscal Year-End (\$) (1)

David H. Weiser	5,000	16,272	48,055		247,940	

(1) Options are in-the-money at the fiscal year-end if the fair market value of the underlying securities on such date exceeds the exercise or base price of the option. The amounts represent the difference between the fair market value of the securities underlying the options on December 31, 2004, (\$16.65) and the exercise price of the options, multiplied by the applicable number of options.

(2) For these purposes, value realized represents the difference between option exercise price and fair market value of the underlying shares on the date of exercise.

Equity Compensation Plan Information

The following table presents information about our equity compensation plans as of January 1, 2005:

Plan category	Number of securities to be issued upon exercise of outstanding options, warrants and rights (a)	Weighted-average exercise price of outstanding options, warrants and rights (b)	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a)) (c)
Equity compensation plans approved by security holders	1,708,795	\$15.58	1,174,193 ⁽¹⁾
Equity compensation plans not approved by security holders ⁽²⁾	138,771	\$13.43	
Total	1,847,566	\$15.42	1,174,193

(1) Our 2004 Stock Incentive Plan (the 2004 Stock Plan) replaced our 1995 Stock Incentive Plan, 1997 Stock Incentive Plan and 2001 Non-Officer Stock Option Plan (collectively, the Prior Plans). The 2004 Stock Plan authorized the issuance of awards with respect to 1,000,000 shares of our Common Stock, together with shares remaining available under the Prior Plans and shares that would become available for issuance under the Prior Plans incident to forfeitures and for other reasons specified in the Prior Plans. This share number represents the aggregate number of shares remaining available under the 2004 Stock Plan, which is the sum of the 1,000,000 shares specifically authorized under the 2004 Stock Plan as reduced by the number of shares that have been previously awarded under the 2004 Stock Plan, and increased by the number of shares remaining available under the Prior Plans (net of forfeitures).

(2) The only equity compensation plan not approved by stockholders pursuant to which options are outstanding or remaining available for grant as reflected in the table above is our 2001 Non-Officer Stock Option Plan (the 2001 Plan). The 2001 Plan provides for the issuance only of nonqualified options to purchase our Common Stock (2001 Plan Options). 2001 Plan Options may be issued only to nonofficer employees, consultants and advisors to the Company and its subsidiaries. The 2001 Plan and the issuance of 2001 Plan Options is determined and administered by our Chief Executive Officer and our Chief Human Resources Officer (the Committee). The Committee determines all terms of 2001 Plan Options, including such terms as the amount of our common shares subject to a 2001 Plan Option, exercise price and vesting, but no 2001 Plan Options may be transferred by the optionee (other than by will or otherwise in the case of death), and no 2001 Plan Option may have a duration greater than ten years from the date of grant. Vesting and exercisability of 2001 Plan Options accelerate immediately upon a Change in Control (as defined in the 2001 Plan). The 2001 Plan will terminate immediately prior to the tenth anniversary of its adoption by our Board of Directors, although the Board may terminate or amend the 2001 Plan at any earlier time so long as no such amendment or termination adversely affects any 2001 Plan Option then outstanding. This summary of the 2001 Plan does not purport to be complete and is qualified in its entirety by the terms of the 2001 Plan, the entire text of which was filed as Exhibit 10.17 to our Annual Report on Form 10-K for the 2001 fiscal year.

Except for the welfare benefits, the change in control payments are not subject to mitigation or offset. In the event that, after the imposition of any excise tax, the executive were to retain less than 100% of the total payments due her under the change in control

the executive's target pro rata bonus for the year of termination, plus

up to 2 times the executive's base salary on the date of termination and the executive's highest cash bonus during the past 3 years.

The executive also has the right to receive such payments and benefits if the executive's employment is involuntarily terminated without cause (x) within four weeks prior to a public announcement by us of an agreement with a third party to effect a change in control which agreement is approved by our Board of Directors in force immediately prior to such announcement or (y) at any time from the time of such announcement through the closing of such agreement (or through the consummation of a change in control with or by a party competing with such third party to effectuate a Board-approved change in control).

The executive also has the right to receive such payments and benefits if the executive's employment is terminated without cause or the executive resigns for good reason within 12 months following any change in control that is approved by our Board of Directors in force prior to the change in control.

Except for the welfare benefits, the change in control payments are not subject to mitigation or offset. In the event that, after the imposition of any excise tax, the executive were to retain less than 80% of the total payments due the executive under the change in control agreements, we shall be obligated to pay a gross up amount to the executive.

On November 9, 2004, we entered into a Separation Agreement and General Release with David H. Weiser, our former Senior Vice President Legal/Human Resources, General Counsel and Secretary. The agreement provides that Mr. Weiser's service as an officer of the Company would terminate on November 5, 2004, and that Mr. Weiser would continue as a nonofficer employee of the Company through January 1, 2005 (the Employment Termination Date). The agreement further provides that Mr. Weiser will receive base salary continuation from January 2, 2005, through November 5, 2005, (the Severance Period) as severance pay and will also receive the same or substantially similar medical, dental, life insurance, disability and other benefits as he received prior to the Employment Termination Date. Mr. Weiser is required to continue to make contributions for such benefits as he would have been required to make prior to the Employee Termination Date. Pursuant to the agreement, Mr. Weiser qualified for the full year 2004 annual cash incentive bonus and for full year 2004 profit-sharing. The restricted stock and unvested options held by Mr. Weiser will continue to vest through the end of the Severance Period in accordance with the vesting schedules established on the respective grant dates, and any unvested options or shares of restricted stock remaining at the end of the Severance Period will become fully vested. Mr. Weiser will have 12 months from the end of the Severance Period to exercise the options. Mr. Weiser will be provided outplacement services through the Severance Period or until Mr. Weiser finds new employment, whichever comes first. Pursuant to the agreement, we mutually released one another from any legal claims arising out of or relating to Mr. Weiser's employment with us. Through the end of the Severance Period, Mr. Weiser agreed not to compete with us or to solicit our

customers, vendors or employees.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The members of our Compensation Committee during the most recently completed fiscal year were Michael R. Francis, Stewart M. Kasen, Reatha Clark King and Vin Weber. During such time, no member of the Compensation Committee was a current or former officer or employee of ours, and none of our executive officers served as a director or as a member of the compensation or equivalent committee of another entity, one of whose executive officers served as our director or on our Compensation Committee.

Notwithstanding anything to the contrary set forth in any of our previous filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, that incorporated future filings, including this Proxy Statement, the following sections titled Compensation Committee Report , Stock Performance Graph and Audit Committee Report shall not be incorporated by reference into any such filings.

COMPENSATION COMMITTEE REPORT

The Compensation Committee of the Board of Directors is composed entirely of nonmanagement directors who are independent, as defined under our Board Governance Principles and the NYSE listing standards. The members of the Committee during the most recently completed fiscal year were Michael R. Francis, Stewart M. Kasen, Reatha Clark King and Vin Weber. The Committee meets throughout the year to review general compensation issues. During fiscal year 2004, the Committee met three times.

This report discusses the Committee's overall objectives in designing our executive compensation program. It also reviews the Committee's compensation determinations in 2004 for the Chief Executive Officer and our executive officers, including the other executive officers named (the named executive officers) in the Summary Compensation Table elsewhere in this Proxy Statement.

What is our executive compensation philosophy?

The approach taken to compensation for executive officers is designed to:

Emphasize company performance and place a substantial portion of officer compensation at risk;

Align interests of management with those of stockholders and bring focus on long-term value creation by providing a significant portion of compensation in Company equity; and

Attract, motivate and retain executives of high caliber and ability.

What are the primary components of our ongoing executive compensation program?

The primary components of our executive compensation program consist of base salary, annual cash incentives and stock incentives. One-time cash awards are also considered on a discretionary basis. In setting total compensation, the Compensation Committee considers each executive's responsibilities, accomplishments and experience in his or her specific area. The Committee may also perform a subjective evaluation of the appropriate overall compensation to induce an individual to join us as an officer and to remain in our employ. The Committee considers compensation data in relevant executive labor markets, where available, in determining executive salaries and opportunities for incentive compensation. No specific weights are assigned to these factors, although the Compensation Committee believes job position, accomplishments and subjective evaluation of appropriate overall

What is our executive compensation philosophy?

compensation to attract or retain the executive are the most important factors.

Base Salary

Consistent with our entire philosophy, the most substantial opportunities for additional compensation for our executives are in corporate growth and performance-based incentives. As a result, the Compensation Committee takes a market-based approach in its annual review of officer base salaries, primarily considering level and changes of responsibility and general executive salary market trends. Ms. Linehan, Mr. Melville and Mr. Schugel all received base salary increases in fiscal 2004, as shown in the Salary column in the Summary Compensation Table.

Annual Cash Incentives

At the 2004 Annual Meeting, our stockholders approved the 2004 Cash Incentive Plan (the Cash Plan), which provides for performance-based cash incentives (Awards) to key employees. The Compensation Committee administers the Cash Plan and selects the employees who are eligible for Awards under the Cash Plan (the Participants). The Cash Plan designates that Participants must meet certain targets in a Performance Period in order to be granted an Award. Performance Periods may be equal to or longer

21

than, but not less than, a fiscal year and may overlap. Within 90 days after the beginning of the Performance Period, and before 25% of the Performance Period has elapsed, the Compensation Committee will establish Performance Targets, Target Awards, and objective criteria for determining the Performance Percentage to be applied to each Target Award to which a Performance Target relates in arriving at the actual award payout amount. The Performance Targets are based on one or more of the following metrics:

- revenue growth;
- operating income;
- operating cash flow;
- net income;
- earnings per share;
- return on sales;
- return on assets;
- return on equity;
- return on invested capital; and
- total stockholder return.

Participant Awards for a Performance Period of one year cannot exceed \$1,500,000. Participant Awards for a Performance Period of greater than one year cannot exceed \$3,000,000. Participants cannot earn Awards for more than three Performance Periods that end within a single fiscal year.

In 2004, the metrics that were evaluated were earnings per share and revenue. Ms. Engel, Ms. Linehan, Mr. Melville, Mr. Rothmeier, Mr. Schugel and Mr. Weiser met those targets, and, therefore, received Annual Cash Incentives, as shown in the Bonus column in the Summary Compensation Table.

Equity Incentives

At the 2004 Annual Meeting, our stockholders approved the 2004 Stock Incentive Plan (the Stock Plan), which provides for nonqualified stock options (Options), tandem and stand-alone stock appreciation rights (SARs), which is administered by the Committee. The purpose of the Plan is to promote the interests of our Company and stockholders by providing incentives to certain employees, consultants and nonemployee directors to encourage them to remain with us. The Stock Plan replaces our 1995 Stock

Edgar Filing: DEPARTMENT 56 INC - Form DEF 14A

Incentive Plan, 1997 Stock Incentive Plan and 2001 Nonofficer Stock Option Plan. The Stock Plan authorizes the issuance of awards with respect to 1,000,000 shares of our Common Stock (Shares), together with Shares remaining under the earlier plans and with Shares that may become available under those earlier plans as a result of forfeitures and other reasons set out in those earlier plans.

Each Option recipient receives a written agreement setting out the terms of the Award (the Agreement). The exercise price of an Option will not be less than 100% of the fair market value of a share of Common Stock on the date on which the Option is granted. Each Option is vested and exercisable on the date, during the period and for a certain number of shares of Common Stock as the Committee determines. The following restrictions apply:

- Options are not exercisable after ten years from the grant date;
- Options are not exercisable earlier than one year after the grant date; and
- Options are subject to earlier termination, expiration or cancellation as provided in the Plan or the individual Agreement.

In 2004, Ms. Linehan, Mr. Rothmeier and Mr. Schugel received option grants, as set out in the Option Grants in the Last Fiscal Year table.

22

The Committee may also grant SARs on a stand-alone basis or in tandem with Options. The exercise price per share of Common Stock covered by an SAR will not be less than 100% of the fair market value of a share of Common Stock on the date the SAR is granted, provided that the exercise price of an SAR that is tandem to an Option and that is granted after the Option grant may have an exercise price less than 100% of the fair market value of a share of Common Stock on the date on which the SAR is granted, as long as the exercise price is at least equal to the exercise price of the related Option.

Do we provide any other executive benefits?

Our executive compensation program also includes various employee benefits. Generally, these benefits serve a different purpose than traditional compensation, such as providing protection against financial loss arising from illness, disability or death. They are similar to the benefits offered to our other employees but, in some cases, include variations which are intended to enhance the tax efficiency of the benefit to the recipient or serve as a substitute for benefit opportunities lost due to regulatory contribution limits or changes in company policies.

How is the Chief Executive Officer compensated?

Ms. Engel's compensation is principally comprised of a base salary, a bonus and stock option and contingent cash/restricted stock awards. In fiscal year 2004, Ms. Engel received a base salary of \$605,000. Her bonus and equity incentive awards for 2004 were determined as described above for other executive officers, and the actual amounts are shown in the Summary Compensation Table preceding this Report.

How do we handle limitations on the tax deductibility of compensation?

Under Section 162(m) of the U.S. Internal Revenue Code, we must meet specified requirements related to our performance and stockholder approval of certain compensation arrangements in order for us to fully deduct compensation in excess of \$1,000,000 paid to any executive officer named in the Summary Compensation Table. The 2004 Cash Incentive Plan approved by stockholders in 2004 includes specific performance criteria; therefore, annual incentive awards granted under the 2004 Cash Incentive Plan are deemed to meet the requirements of Section 162(m) for deducting compensation in excess of \$1,000,000. The Committee believes that compensation paid pursuant to the 2004 Cash Incentive Plan will be deductible. The stockholders approved the 2004 Stock Incentive Plan at the 2004 Annual Meeting so that compensation attributable to stock options and certain other awards granted under the plan may be excluded from the \$1,000,000 million cap as well.

What is our executive compensation philosophy?

26

Edgar Filing: DEPARTMENT 56 INC - Form DEF 14A

Compensation paid in fiscal 2004 subject to the Section 162(m) cap is not expected to exceed \$1,000,000 for any executive officer named in the Summary Compensation Table. Therefore, the Committee believes that the Company will not be subject to any Section 162(m) limitations on the deductibility of compensation paid to the executive officers named in the Summary Compensation Table for fiscal 2004.

The Committee intends to continue its practice of paying competitive compensation to attract and retain executive officers to manage our business in the best interests of the Company and our stockholders, and we therefore may choose to provide nondeductible compensation to our executive officers if we deem such compensation to be in the best interests of the Company and our stockholders.

STOCK PERFORMANCE GRAPH

The following graph compares the cumulative total return on \$100 invested on January 1, 2000, in each of our Common Stock, Standard & Poor's SmallCap 600 Index and a peer group index.

The peer group index is composed of the following issuers: Action Performance Companies, Inc.; A. T. Cross Co., Inc.; Department 56, Inc.; Enesco Group, Inc.; Fossil Inc.; Franklin Covey Co.; Mayors Jewelers, Inc.; and Russ Berrie & Co.

In calculation of the peer index, each of the issuers is weighted to recognize its stock market capitalization. The returns of the Standard & Poor's index and the peer group index are calculated assuming reinvestment of dividends. We have not paid any dividends. The graph specifies data values for the preceding trading day nearest to each of the Company's fiscal year-ends during such period.

The stock price performance shown on the graph below is not necessarily indicative of future price performance. Data points below provided by Research Data Group, Inc., a licensee of Standard & Poor's.

AUDIT COMMITTEE REPORT

What governs the activities of the Audit Committee?

The Audit Committee acts under a written charter, which sets forth its responsibilities and duties, as well as requirements for its composition and meetings. The Board of Directors adopted the current Audit Committee charter on February 18, 2004.

What matters have members of the Audit Committee discussed with the independent auditors?

In its meetings with representatives of the independent auditors, the Audit Committee asked them to address and discuss their responses to several questions that the Audit Committee believed were particularly relevant to its oversight. These questions included:

Are there any significant judgments made by management in preparing the financial statements that would have been made differently had the auditors themselves prepared and been responsible for the financial statements?

Based on the auditors' experience, and their knowledge of the Company, do our financial statements fairly present to investors, with clarity and completeness, our financial position and performance for the reporting period in accordance with generally accepted accounting principles and SEC disclosure requirements?

Based on the auditors' experience, and their knowledge of the Company, have we implemented internal controls and internal audit procedures that are appropriate for us?

During the course of the fiscal year, have the auditors received any communication or discovered any information indicating any improprieties with respect to our accounting and reporting procedures or reports?

The Audit Committee has also discussed with the auditors that they are retained by the Audit Committee and that the auditors must raise any concerns about our financial reporting and procedures directly with the Audit Committee.

What has the Audit Committee done with regard to our audited financial statements for fiscal 2004?

The Audit Committee has:

Reviewed and discussed the audited financial statements with our management;

Discussed with Deloitte, our independent auditors, the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as amended;

Received from Deloitte the written disclosures and the letter required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*; and

Discussed with Deloitte that firm's independence and concluded that Deloitte is independent from us and our management.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that our audited financial statements for fiscal 2004 be included in our 2004 Annual Report on Form 10-K filed with the SEC.

Has the Audit Committee reviewed the fees paid to the Independent Registered Public Accounting Firm during fiscal 2004?

The Audit Committee has reviewed and discussed the fees paid to Deloitte relating to fiscal 2004 for audit, audit-related; tax services and all other services, which are set forth below under Principal Accountant Fees and Services. SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our directors, executive officers and persons who beneficially own more than ten percent of our Common Stock to file reports of ownership and changes in ownership with the SEC. Directors, officers and ten percent stockholders are required by SEC regulations to furnish us with copies of all Section 16(a) reports they file. Based solely on our review of the copies of such forms that we received and written representations from certain reporting persons, we believe that during our most recently completed fiscal year ended January 1, 2005, all of our executive officers, directors and ten percent stockholders complied with all applicable reporting requirements.

STOCKHOLDER PROPOSALS FOR 2006 ANNUAL MEETING
