Dear Shareholder,

You are cordially invited to attend the 2008 Annual General Meeting of Shareholders of ASA Limited (the "Company"), which will be held on Thursday, March 6, 2008. The normal management proposals to be acted on at the meeting are described in the attached Notice of Annual General Meeting of Shareholders.

As you may be aware, a group of dissident shareholders managed or advised by Laxey Partners Limited has announced its intention to solicit proxies against certain of the nominees of your Board of Directors and to submit to shareholders at the meeting a proposal recommending that, to address the discount to net asset value at which the Company's shares have been trading, the Board authorize an immediate tender offer for 30% of the Company's outstanding shares at a price equal to 99% of net asset value, followed thereafter by semi-annual tender offers for 10% of the outstanding shares at a price equal to 99% of net asset value. For the following reasons, which are presented in greater detail in the proxy statement, WE STRONGLY URGE YOU TO REJECT THE DISSIDENT SHAREHOLDERS' SOLICITATION AND VOTE AGAINST THE DISSIDENT SHAREHOLDERS' PROPOSAL. Please do not sign any proxy card that may be sent to you by or on behalf of the dissident shareholders, even as a protest vote against them. Please be assured that your Board of Directors will continue to act in the long-term interests of all Company shareholders.

THE COMPANY HAS EXPERIENCED STRONG PERFORMANCE IN RECENT YEARS. The Company's total return (assuming reinvestment of dividends) in fiscal year 2007 was 19.2% based on net asset value and 19.0% based on the market price of the Company's shares. This total return in fiscal year 2006 was 34.9% based on net asset value and 31.5% based on market price. The Company believes that the dissident shareholders have benefited by purchasing their shares at discounts approximating current discount levels and are attempting to enhance their return beyond the Company's strong net asset value return to the significant detriment of long-term shareholders. There is no reason to replace current members of the Board or to subject long-term shareholders to the adverse consequences of a major tender offer program, in order to benefit short-term arbitrageurs.

Edgar Filing: ASA LTD - Form PRE 14A

THE NOMINEES OF YOUR BOARD OF DIRECTORS ARE BETTER QUALIFIED AND WILL BETTER SERVE THE INTERESTS OF ALL COMPANY SHAREHOLDERS. We believe that the agenda being pursued by the dissident shareholders is to install a minority of directors who will agitate for the Company to take actions that will benefit short-term arbitrageurs, including the dissident shareholders, to the significant detriment of the Company's long-term shareholders. The current members of the Board have no conflict of interest and have performed their duties in the long-term interests of the Company and its shareholders.

THE MAJOR TENDER OFFER PROGRAM PROPOSED BY THE DISSIDENT SHAREHOLDERS COULD RESULT IN A REDUCTION IN THE NET ASSETS OF THE COMPANY BY APPROXIMATELY 60% OVER A TWO TO THREE YEAR PERIOD. THE BOARD BELIEVES THAT IT WOULD BE HIGHLY DETRIMENTAL TO THE LONG-TERM INTERESTS OF THE COMPANY AND ITS SHAREHOLDERS TO CARRY OUT THE MAJOR TENDER OFFER PROGRAM PROPOSED BY THE DISSIDENT SHAREHOLDERS. The terms of the proposal make it clear that the dissident shareholders are acting out of their self-interest as arbitrageurs without regard for the interests of the Company's long-term shareholders. The major tender offer program proposed by the dissident shareholders would increase the Company's expense ratio and adversely affect the performance of the Company, to the detriment of long-term investors.

THE MAJOR TENDER OFFER PROGRAM PROPOSED BY THE DISSIDENT SHAREHOLDERS WOULD HAVE SIGNIFICANT ADVERSE INCOME TAX CONSEQUENCES TO MANY NON-TENDERING AND TENDERING SHAREHOLDERS. Because the Company is a passive foreign investment company (PFIC) for U.S. federal income tax purposes, the proposed tender offer program would subject many U.S. taxable shareholders who did not participate in the program to significant adverse income tax consequences. In addition, many U.S. taxable shareholders would find the income tax consequences of the repurchase of their shares by the Company to be so severe as to effectively preclude them from taking advantage of the tender offer program. The dissident shareholders acknowledge the possibility of material adverse tax consequences of a major tender offer to many shareholders but have no qualms in promoting the tender offer program for their own self-interest as short-term arbitrageurs.

THE BOARD OF DIRECTORS UNANIMOUSLY AND STRONGLY RECOMMENDS THAT YOU REJECT THE DISSIDENT SHAREHOLDERS' SOLICITATION AND VOTE AGAINST THE DISSIDENT SHAREHOLDERS' PROPOSAL.

We invite you to attend the meeting in person. Your vote at this year's meeting is especially important. Whether or not you are able to attend, it is important that your shares be represented at the meeting. Accordingly, we ask that you please sign, date and return the enclosed WHITE proxy card at your earliest convenience. As an alternative to using the WHITE proxy card to vote, you may vote by telephone or through the Internet. Please follow the instructions on the enclosed WHITE proxy card.

If you have any questions or need assistance voting your shares, please contact D.F. King & Co., Inc., the Company's proxy solicitor, at 1-800-549-6746 (call toll-free) or 1-212-269-5550 (call collect).

On behalf of the Board of Directors and management of the Company, I extend our appreciation for your continued support.

Sincerely yours,

Robert J.A. Irwin

PROXY STATEMENT

ANNUAL GENERAL MEETING OF SHAREHOLDERS

MARCH 6, 2008

SOLICITATION AND REVOCATION OF PROXIES

The enclosed WHITE proxy card is solicited by the Board of Directors (the "Board") of ASA Limited (the "Company") for use at the Annual General Meeting of the Company's shareholders (the "Meeting") to be held on Thursday, March 6, 2008, at 10:00 a.m. Eastern Time, at the offices of Kirkpatrick & Lockhart Preston Gates Ellis LLP, 599 Lexington Avenue, _ Floor, New York, NY, 10022. (The Meeting and any adjournment or postponement of the Meeting are referred to herein as the "Meeting.") The proxy may be revoked by a shareholder at any time prior to its use at the Meeting by an instrument in writing delivered to the Secretary, c/o ASA Limited, 11 Summer Street, 4th Floor, Buffalo, NY 14209 or delivered to him at the Meeting.

This is an especially important meeting in light of the announcement by a group of dissident shareholders managed or advised by Laxey Partners Limited of its intention to solicit proxies against certain of the nominees of your Board and to submit to shareholders at the Meeting a proposal recommending that, to address the discount to net asset value at which the Company's shares have been trading, the Board authorize an immediate tender offer for 30% of the Company's outstanding shares at a price equal to 99% of net asset value, followed thereafter by semi-annual tender offers for 10% of the outstanding shares at a price equal to 99% of net asset value. THE BOARD'S REASONS FOR STRONGLY OPPOSING THE DISSIDENT SHAREHOLDERS' NOMINEES AND THE DISSIDENT SHAREHOLDERS' PROPOSAL ARE SET FORTH BELOW. PLEASE GIVE THIS MATERIAL CAREFUL ATTENTION.

On November 19, 2004 ASA Limited, a South African public limited liability company and the predecessor company to the Company ("ASA South Africa"), was reorganized into the Company, a Bermuda exempted limited liability company. Certain information in this proxy statement relates to ASA South Africa as the predecessor company.

As a result of the dissident shareholders' threatened proxy solicitation, the Company expects to incur substantial additional costs in connection with its solicitation of proxies. The expense of preparing, assembling, printing and mailing the proxy statement, WHITE proxy card and any other material used for the solicitation of proxies by the Board will be paid by the Company. In addition to the solicitation of proxies by use of the mails, directors and officers of the Company may solicit proxies by telephone, electronic communications or personal contact, for which they will not receive any additional compensation. The Company will retain D.F. King & Co., Inc., New York, NY to aid in the solicitation of proxies. Such solicitation will primarily be by mail and telephone. As a result of the dissident shareholders' threatened proxy solicitation, the costs of the solicitation are estimated at approximately \$_____, as compared to last year's cost for a routine annual general meeting of \$_____. D.F. King & Co., Inc. will be reimbursed for out-of-pocket costs in connection with the solicitation. The Company will also reimburse brokers,

-5-

nominees and fiduciaries that are record owners of shares of the Company for the

Edgar Filing: ASA LTD - Form PRE 14A

out-of-pocket and clerical expenses of transmitting copies of the proxy materials to the beneficial owners of such shares. The approximate mailing date of this proxy statement and the WHITE proxy card will be January __, 2008. The Annual Report of the Company for the fiscal year ended November 30, 2007, including audited financial statements, accompanies this proxy statement.

VOTING AT THE MEETING

Only shareholders of record at the close of business on January 14, 2008 (the "Record Date") will be entitled to vote. There are 9,600,000 Common Shares of the Company outstanding, each of which entitles the holder to one vote. Each valid proxy received at or before the Meeting will be voted at the Meeting in accordance with the instructions on the proxy card. IF A SHAREHOLDER HAS SIGNED A WHITE PROXY CARD BUT NO INSTRUCTIONS ARE INDICATED, THE PROXIES WILL VOTE FOR THE ELECTION AS DIRECTORS OF THE BOARD OF DIRECTOR'S NOMINEES NAMED IN THE WHITE PROXY CARD (PROPOSAL 1); FOR THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS THE COMPANY'S INDEPENDENT AUDITORS FOR THE FISCAL YEAR ENDING NOVEMBER 30, 2008, AND TO AUTHORIZE THE AUDIT COMMITTEE TO SET THE INDEPENDENT AUDITORS' REMUNERATION (PROPOSAL 2); AGAINST THE SHAREHOLDER PROPOSAL (PROPOSAL 3); AND, IN THEIR DISCRETION, UPON SUCH OTHER MATTERS AS MAY PROPERLY COME BEFORE THE MEETING.

SHAREHOLDERS HAVE FOUR OPTIONS FOR SUBMITTING THEIR VOTES: (1) BY MAIL, (2) BY TELEPHONE, (3) THROUGH THE INTERNET, OR (4) IN PERSON AT THE MEETING. IF YOUR SHARES ARE REGISTERED IN YOUR NAME AND YOU HAVE INTERNET ACCESS, WE ENCOURAGE YOU TO RECORD YOUR VOTE ON THE INTERNET AT WWW.CESVOTE.COM OR BY TELEPHONE BY CALLING TOLL FREE 1-888-693-8683. When you vote by telephone or through the Internet, your vote is recorded immediately and there is no risk that postal delays will cause your vote to arrive late and therefore not be counted. If you hold your shares in "street name" through a broker, bank or other nominee, your nominee cannot vote your shares this year on proposals 1 and 3 unless you complete, sign, date and mail promptly the proxy voting form it will send you. In addition, if you hold your shares through a nominee, your nominee may allow you to vote your shares by telephone or through the Internet. Please consult the materials you receive from your nominee prior to voting by telephone or through the Internet.

If you have any questions regarding the proposals or need assistance in voting your shares, please contact our proxy solicitor, D. F. King & Co., Inc., at 1-800-549-6746 (call toll-free) or 1-212-269-5550 (call collect).

SHARE OWNERSHIP OF CERTAIN BENEFICIAL OWNERS

As of the Record Date, the Company is not aware of any person or "group" (as that term is used in Section 13(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") owning of record or beneficially more than 5% of the Company's outstanding Common Shares except as follows:

QUORUM AND REQUIRED VOTING

One-third (1/3) of the Company's outstanding Common Shares present in person or by proxy and entitled to vote constitutes a quorum at the Meeting. If, within five minutes from the time scheduled for the Meeting, a quorum of shareholders is not present, the Meeting shall stand adjourned until such other day, time and place as the chairman of the Meeting may determine.

Assuming that a quorum is present at the Meeting, approval of each proposal requires the affirmative vote of a majority of votes cast at the Meeting, whether in person or by proxy. Abstentions and "broker non-votes" (i.e., shares held by brokers, banks or other nominees as to which (i) instructions have not been received from the beneficial owner or persons entitled to vote and (ii) the broker, bank or nominee does not have discretionary voting power on a particular matter) will be counted for purposes of determining whether a quorum is present, but will have no effect on the vote.

PROPOSAL 1: ELECTION OF DIRECTORS

Unless contrary instructions are given, the persons named as proxies will vote such proxies for the election of the nominees listed below to serve as directors of the Company until the next Annual General Meeting of Shareholders and against any other nominees presented at the Meeting. Each nominee was nominated for election by the Board. Each nominee has consented to being named in this Proxy Statement and to serve if elected. In the event that any of the nominees is unable or declines to serve as a director, an event that the Board does not anticipate, proxies may be voted at the Meeting for the election of another person in his stead or the Board may reduce the number of directors as provided in the Company's Bye-Laws. The following is a list of each nominee, his age, address, principal occupation and present positions, including any affiliations with the Company, the length of service with the Company and other directorships held. REQUIRED VOTE: The election of directors requires the affirmative vote of a majority of the votes cast at the Meeting.

THE DIRECTORS UNANIMOUSLY RECOMMEND THAT YOU VOTE FOR EACH OF THE BOARD'S NOMINEES ON THE ENCLOSED WHITE PROXY CARD.

DISSIDENT SHAREHOLDERS' NOMINATIONS

As discussed above, a group of dissident shareholders managed or advised by Laxey Partners Limited has announced its intention to solicit proxies against certain of the nominees of your Board. The dissident shareholders have informed the Company that they intend to nominate three persons for election as directors of the Company at the Meeting, to replace Messrs. Crocker, Farrell, and MacNaught. At the Meeting, shareholders will vote on the election of nine directors to the Board. As set forth above, the Board has nominated nine persons to stand for re-election to the Board.

THE NOMINEES OF YOUR BOARD ARE BETTER QUALIFIED AND WILL BETTER SERVE THE INTERESTS OF ALL COMPANY SHAREHOLDERS. We believe that the agenda being pursued by the dissident shareholders is to install a minority of directors who will agitate for the Company to take actions that will benefit short-term arbitrageurs, including the dissident shareholders, to the significant detriment

Edgar Filing: ASA LTD - Form PRE 14A

of the Company's long-term shareholders. Mr. Phillip Goldstein, one of the dissident shareholders' nominees, and his affiliates have a history of raiding

-9-

closed-end funds for short-term arbitrage gain. We believe that the agenda being pursued by the dissident shareholders demonstrates that the dissident shareholders' nominees would not be committed to working collaboratively with other members of the Board in promoting the best long-term interests of shareholders and would have conflicts of interest that could interfere with the proper performance of their duties as directors.

We believe that the successful investment performance of the Company reflects not only the qualifications and experience of the Company's current Board members but also their ability to work collaboratively and without conflict in the best long-term interests of the Company and its shareholders. We believe that election of the candidates proposed by the dissident shareholders would substitute directors who are less qualified and experienced and who not only have a conflict of interest but also would disrupt the performance of a Board that has served the shareholders very well for many years.

THE DIRECTORS UNANIMOUSLY RECOMMEND THAT YOU VOTE FOR EACH OF THE BOARD'S NOMINEES ON THE ENCLOSED WHITE PROXY CARD.

IF YOU VOTE FOR MR. CROCKER, MR. FARRELL, OR MR. MACNAUGHT, THE INDIVIDUALS NAMED AS PROXIES ON THE ENCLOSED WHITE PROXY CARD WILL EXERCISE THEIR DISCRETIONARY AUTHORITY AND VOTE AGAINST THE DISSIDENT SHAREHOLDERS' NOMINEE PROPOSED TO REPLACE HIM.

THE DIRECTORS UNANIMOUSLY RECOMMEND THAT YOU REJECT THE DISSIDENT SHAREHOLDERS' SOLICITATION AND STRONGLY URGE YOU NOT TO SIGN, BUT TO DISCARD, ANY PROXY CARD THAT MAY BE SENT TO YOU BY OR ON BEHALF OF THE DISSIDENT SHAREHOLDERS, EVEN IF YOU INTEND TO USE IT TO VOTE AGAINST THEIR NOMINEES.

EXECUTIVE OFFICERS

The current executive officers of the Company are Messrs. Robert J.A. Irwin, information with respect to whom is set forth above; David J. Christensen (45), Vice President - Investments since May 2007; and Paul K. Wustrack, Jr. (64), Secretary and Chief Compliance Officer since 2004. During the past five years, Mr. Christensen has served as Vice President, Corporate Development of Gabriel Resources Ltd. since 2006; was an independent financial consultant from 2003 to 2006; and was Director of Fundamental Equity Research for Credit Suisse First Boston from 2002 to 2003. During the past five years, Mr. Wustrack served as Assistant U.S. Secretary of ASA South Africa from 2002 to 2005 and as Chief Compliance Officer from 2004 to 2005; prior thereto he was Special Counsel with Phillips, Lytle, Hitchcock, Blaine & Huber LLP. Executive officers are elected at the first Board meeting after each Annual General Meeting of Shareholders to serve for the ensuing year.

DIRECTOR/OFFICER COMPENSATION

Each non-South African director receives an annual fee of \$20,000 for his services as a director and a fee of \$1,000 for each Board and Committee meeting (whether in person or by telephone) that he attends. Each South African director receives the rand equivalent of \$20,000 as an annual fee for his services as a director, the rand equivalent of \$2,000 for each Board meeting that he attends in person, if held outside of South Africa, and the rand equivalent of \$1,000 for each Board meeting he attends in South Africa or by telephone. In addition, South African directors receive a meeting fee of the rand equivalent of \$1,000 for each Committee meeting attended (whether in person or by telephone) during

Edgar Filing: ASA LTD - Form PRE 14A

the year. The Chairman of the Audit Committee receives an additional \$2,000 for each Audit Committee meeting that he attends. The Company pays to any retired director who served as a director of the Company or its predecessor, ASA South Africa, for at least twelve years an annual retirement benefit equal to 75% of the annual retainer fee paid to active directors, as adjusted from time to time. Directors retiring after attaining the age of 70 are entitled to such retirement benefit for life; directors retiring prior to attaining such age are entitled to such retirement benefit for the lesser of life or the number of years they

INFORMATION REGARDING THE COMPANY'S PROCESS FOR NOMINATING DIRECTOR CANDIDATES

The Nominating Committee will recommend to the Board candidates for new or vacant Board positions based on its evaluation of which potential candidates are most qualified to serve and protect the interests of the Company's shareholders and to promote the effective operations of the Board. In considering director candidates, the Nominating Committee may take into account a variety of factors, including whether the candidates (i) are of the highest character and integrity; (ii) have distinguished records in their primary careers; (iii) have substantial

-14-

experience and breadth of knowledge which is of relevance to the Company, particularly relating to gold and other precious minerals, finance, securities law, the workings of the securities markets, or investment management; (iv) have sufficient time available to devote to the affairs of the Company in order to fulfill their duties and responsibilities, including service on Board committees; (v) are committed to working collaboratively with other members of the Board in promoting the best long-term interests of shareholders; (vi) qualify as Independent Directors; and (vii) are free of any conflicts of interest that would interfere with the proper performance of their duties as directors. Different substantive areas may assume greater or lesser significance at particular times, in light of the Board's present composition and the Nominating Committee's (or the Board's) perceptions about future issues and needs.

The Committee considers candidates from any source deemed appropriate by the Committee, including: (a) the Company's current directors, (b) the Company's officers, and (c) the Company's shareholders. The Committee will not consider self-nominated candidates. The Committee may, but is not required to, retain a third party search firm to identify potential candidates.

The Nominating Committee will consider nominees recommended by shareholders on the basis of the same criteria used to consider and evaluate candidates recommended by other sources. Shareholders may send resumes of recommended persons to the Chairman - Nominating Committee of ASA Limited, c/o LGN Group, LLC, P.O. Box 269, Florham Park, NJ 07932. The shareholder recommendation must be received at the above address no later than _____, 2008. The shareholder recommendation must be accompanied by all information relating to such candidate that is required to be disclosed in solicitations of proxies for the election of directors. In addition, the shareholder recommendation must be accompanied by the written consent of the candidate to stand for election if nominated by the Board and to serve if elected by the shareholders. No nominee recommendation has been received from a shareholder for inclusion in this proxy statement.

COMPLIANCE WITH SECTION 16(A) OF THE SECURITIES EXCHANGE ACT OF 1934

The Company does not know of any director, officer or beneficial owner of more than 10% of the Company's shares who, during the Company's last fiscal year, failed to file on a timely basis reports required by Section 16(a) of the Exchange Act.

PROPOSAL 2: APPOINTMENT OF INDEPENDENT AUDITORS AND AUTHORIZATION OF THE AUDIT COMMITTEE OF THE BOARD TO SET THE AUDITORS' REMUNERATION

In accordance with Section 89 of the Companies Act 1981 of Bermuda, the Company's shareholders have the authority to appoint the Company's independent auditors and to authorize the Audit Committee of the Board to set the auditors' remuneration. The Audit Committee has nominated Ernst & Young LLP ("Ernst & Young") New York, New York, an independent registered public accounting firm, to

Edgar Filing: ASA LTD - Form PRE 14A

serve as the Company's independent auditors to audit the accounts of the Company for the fiscal year ending November 30, 2008. The Board, including a majority of Independent Directors, has ratified their nomination and has directed the submission of their selection to shareholders for appointment.

In the opinion of the Audit Committee, the services provided by Ernst & Young are compatible with maintaining the independence of the Company's independent registered public accounting firm. Ernst & Young has informed the Company that, in its professional judgment, it is not aware of any relationships between Ernst & Young and the Company that may reasonably be thought to bear on its independence.

In connection with the audit of the Company's financial statements for the fiscal year ended November 30, 2007, the Company entered into an engagement agreement with Ernst & Young which set forth the terms by which Ernst & Young

-15-

would perform audit services for the Company. That agreement is subject to mediation and arbitration procedures and, in the case of arbitration, an exclusion for non-monetary or equitable relief.

A representative of Ernst & Young is expected to be present at the Meeting to respond to appropriate questions and will be given the opportunity to make a statement if he or she desires to do so.

AUDIT AND NON-AUDIT FEES

Aggregate fees billed by Ernst & Young for professional services rendered to the Company for the fiscal years ended November 30, 2007 and November 30, 2006 are set forth below.

	FISCAL YEAR 2007	FISCAL YEAR 2006
	-----	-----
Audit Fees	\$90,000	\$85,000
Audit-Related Fees	-0-	-0-
Tax Fees	-0-	5,000
All Other Fees	-0-	-0-
	-----	-----
Total	\$90,000	\$90,000

AUDIT FEES include the aggregate fees billed for professional services rendered by the independent auditors for the audit of the Company's annual financial statements and review of the semi-annual financial statements and services rendered in connection with statutory or regulatory filings, including the annual and semi-annual reports.

AUDIT-RELATED FEES include the aggregate fees billed for assurance and related services by the independent auditors that are reasonably related to the performance of the audit or review of the financial statements.

TAX FEES include the aggregate fees billed for professional services rendered by the independent auditors in connection with tax compliance, tax advice and tax planning. The figure for 2006 includes fees billed for non-U.S. tax advisory services.

ALL OTHER FEES include the aggregate non-audit fees not disclosed above that were billed for projects and services provided by the independent auditors.

Edgar Filing: ASA LTD - Form PRE 14A

The aggregate fees billed by Ernst & Young for non-audit services rendered to the Company for the fiscal years ended November 30, 2007 and November 30, 2006 were \$0 and \$5,000, respectively.

POLICY ON AUDIT COMMITTEE PRE-APPROVAL OF AUDIT AND NON-AUDIT SERVICES OF INDEPENDENT AUDITORS

The Audit Committee of the Company has the sole authority to pre-approve all audit and non-audit services to be provided by the independent auditors, subject to the DE MINIMIS exceptions for non-audit services described in Section 10A(i)(1)B of the Exchange Act which are approved by the Committee prior to the completion of the audit. During the fiscal year ended November 30, 2007, there were no services included in Audit Related Fees, Tax Fees and All Other Fees that were approved by the audit committee pursuant to the DE MINIMIS exception provided in paragraph (c)(7)(i)(C) of Rule 2-01 of Regulation S-X. Any individual project that does not exceed \$25,000 may be pre-approved by the chair of the Audit Committee. Any such pre-approval by the chair of the Audit Committee must be presented to the full Committee at its next scheduled meeting. Any proposed services exceeding that cost level requires specific pre-approval

-16-

by the Audit Committee. Pre-approval of audit and non-audit services shall not be required if the engagement to render the services is entered into pursuant to pre-approved policies and procedures established by the Committee, provided the Committee is informed of each such service. The Committee has not established such policies and procedures.

REQUIRED VOTE: The appointment of the Company's independent auditors and the authorization for the Audit Committee to set the auditors' remuneration requires the affirmative vote of a majority of the votes cast at the Meeting.

THE DIRECTORS UNANIMOUSLY RECOMMEND THAT YOU VOTE FOR PROPOSAL 2 ON THE ENCLOSED WHITE PROXY CARD.

PROPOSAL 3: DISSIDENT SHAREHOLDER PROPOSAL

As discussed above, a group of dissident shareholders managed or advised by Laxey Partners Limited has announced its intention to submit to shareholders at the Meeting a proposal that the shareholders "recommend to the Board that the Board takes the following action to address the persistent discount at which the Company's shares trade relative to the net asset value of the shares of the Company, namely, that the Board of the Company shall immediately initiate a self tender offer under which the Company shall repurchase 30% of its issued shares at a price equivalent to 99% of the net asset value per share of the Company, and thereafter execute semi-annual tender offers to repurchase 10% of the issued shares of the Company under each such offer at a price equivalent to 99% of the net asset value per share of the Company."

The dissident shareholders have stated that they intend to present this non-binding proposal through an authorized representative at the Meeting. The name, address, and number of shares of the Company's Common Shares held by the dissident shareholders as a group are listed under "Share Ownership of Certain Beneficial Owners" above.

Implementing the dissident shareholders' self-serving proposal would clearly benefit their short-term interests, but the Board believes that it cannot implement the proposal without material adverse consequences to the Company and long-term shareholders.

Edgar Filing: ASA LTD - Form PRE 14A

FOR THE REASONS DISCUSSED BELOW, THE DIRECTORS UNANIMOUSLY AND STRONGLY RECOMMEND THAT YOU VOTE AGAINST PROPOSAL 3 ON THE ENCLOSED WHITE PROXY CARD.

OPPOSING STATEMENT OF YOUR BOARD

THE COMPANY HAS EXPERIENCED STRONG PERFORMANCE IN RECENT YEARS, AND THE BOARD BELIEVES THAT IT WOULD BE HIGHLY DETRIMENTAL TO THE LONG-TERM INTERESTS OF THE COMPANY AND ITS SHAREHOLDERS TO CARRY OUT THE MAJOR TENDER OFFER PROGRAM PROPOSED BY THE DISSIDENT SHAREHOLDERS. The Company's total return (assuming reinvestment of dividends) in fiscal year 2007 was 19.2% based on net asset value and 19.0% based on the market price of the Company's shares. This total return in fiscal year 2006 was 34.9% based on net asset value and 31.5% based on market price. The Company believes that the dissident shareholders have benefited by purchasing their shares at discounts approximating current discount levels and are attempting to enhance their return beyond the Company's strong net asset value return to the significant detriment of long-term shareholders.

The dissident shareholders have disregarded this successful performance record and demonstrated a disregard for the interests of the Company and its long-term shareholders in order to benefit their interests as short-term arbitrageurs. While the major tender offer program proposed by the dissident shareholders would benefit their short-term interests, your Board believes it would be highly detrimental to the interests of the Company and shareholders who have invested to take advantage of the long-term investment opportunities offered by the Company.

-17-

The major tender offer program proposed by the dissident shareholders could result in a reduction in the net assets of the Company by approximately 60% over a two to three year period. The loss of approximately 60% of the Company's net assets would have serious consequences for remaining shareholders. Management estimates that the Company's annual expense ratio (based on expenses and average net assets for fiscal year 2007) would increase by approximately 147% if the Company's net assets decreased by 60%. In addition, to raise cash to pay for tendered shares, the Company would have to sell a significant portion of its current holdings, possibly at unfavorable prices and including some positions whose sale at that time would not be consistent with the Company's overall investment strategy. This would be detrimental to the management of the Company and would adversely affect performance.

THE MAJOR TENDER OFFER PROGRAM PROPOSED BY THE DISSIDENT SHAREHOLDERS WOULD HAVE SIGNIFICANT ADVERSE INCOME TAX CONSEQUENCES TO MANY NON-TENDERING AND TENDERING SHAREHOLDERS. We believe that the Company is the only foreign corporation currently registered under the 1940 Act. As a foreign U.S. registered investment company, the Company is treated as a passive foreign investment company ("PFIC") for U.S. federal income tax purposes. We believe that this status would result in significant adverse income tax consequences to many U.S. taxable shareholders if the Company were to carry out the tender offer program.

Tender offers by the Company could require many U.S. taxable shareholders to recognize taxable income whether or not they tendered their shares. Taxation of many non-tendering shareholders would be occasioned by the gains realized by the Company in connection with payment for shares tendered. The Company has substantial unrealized appreciation of its portfolio securities, and it would be required to recognize substantial gains whether it made payment for tendered shares in cash raised by selling appreciated portfolio securities or by distributing the securities in kind to tendering shareholders. The adverse income tax consequences to non-tendering shareholders would be especially severe for shareholders who have made an election to treat the Company as a qualified

Edgar Filing: ASA LTD - Form PRE 14A

electing company ("QEF"). Such shareholders would be required to include in their gross income a proportionate share of the gains recognized by the Company even if they did not tender their shares.

The income tax consequences to many U.S. shareholders of having their shares repurchased by the Company would be so severe due to the Company's status as a PFIC as to effectively preclude their participation in the tender offer program. For example, U.S. shareholders who have elected neither to treat the Company as a QEF nor to mark to market their shares of the Company are subject to material adverse income tax consequences if in any taxable year the Company distributes more than 125% of the average amount it had distributed for the three preceding taxable years (an "excess distribution"). The repurchase of the tendered shares by the Company would be a distribution for these purposes. Such shareholders would be required to pay taxes - at the highest marginal ordinary income tax rates, plus interest, during each taxable year in which their shares were held - on any excess distribution in the taxable year in which the tender offer occurred. This would result in an effective tax rate, including interest, to the shareholders, depending on their holding period, of approximately 35% to 70%. If the Company were not a PFIC, individual shareholders who had held their shares for more than a year would instead pay U.S. federal income tax on any gains realized on the repurchase of their shares at the current long-term capital gains rate for individuals of 15%.

DISCOUNTS ARE PREVALENT IN THE CLOSED-END FUND STRUCTURE. Your Board recognizes that shares of the Company have been trading at a discount to their net asset value. This is not unusual for funds organized as closed-end funds and reflects the fact that shares of closed-end funds trade on the basis of supply and demand in the market, like shares of industrial companies. The Company believes it is likely that a substantial portion of the Company's shareholder base, possibly including the dissident shareholders, has purchased their shares at discounts approximating current discount levels. If these shareholders sell their shares at discount levels no higher than those at which their shares were purchased, they will recognize the full benefit of the Company's net asset value performance.

Your Board does not believe that the major tender offer program proposed by the dissident shareholders for their own short-term gain, or other action by the Company that it believes is likely to effect a long-term reduction in the discount levels at which the Company's shares have been trading, is in the best

-18-

interests of the Company or its long-term shareholders.

At a meeting held on January 9, 2008, your Board approved the implementation of a share repurchase program pursuant to which the Company is authorized to purchase shares of the Company in the market at a discount from net asset value, which increases net asset value per share.

REQUIRED VOTE: The approval of proposal 3 requires the affirmative vote of a majority of the votes cast at the Meeting.

THE DIRECTORS UNANIMOUSLY AND STRONGLY RECOMMEND THAT YOU VOTE AGAINST PROPOSAL 3 ON THE ENCLOSED WHITE PROXY CARD.

THE DIRECTORS UNANIMOUSLY RECOMMEND THAT YOU REJECT THE DISSIDENT SHAREHOLDERS' SOLICITATION AND STRONGLY URGE YOU NOT TO SIGN, BUT TO DISCARD, ANY PROXY CARD THAT MAY BE SENT TO YOU BY OR ON BEHALF OF THE DISSIDENT SHAREHOLDERS, EVEN IF YOU INTEND TO USE IT TO VOTE AGAINST PROPOSAL 3.
