CURRENT REPORT

Pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934

Date of Report (Date of earliest event reported): August 27, 2002

Item 2. Acquisition or Disposition of Assets.

On August 27, 2002, Hauser Technical Services, Inc., a Delaware corporation ("HTS") and a wholly owned subsidiary of Hauser, Inc. (the "Company"), sold the assets relating to its Shuster Laboratories division to STR Acquisition Sub, Inc., a Delaware corporation ("STR Acquisition Sub") and a wholly owned subsidiary of Specialized Technology Resources, Inc. ("STR"), a Delaware corporation (the "Transaction"). In connection with the Transaction, STR Acquisition Sub assumed certain liabilities related to the Shuster Laboratories division.

Under the terms of the Asset Purchase Agreement, dated as of August 27, 2002, among the Company, HTS, STR and STR Acquisition Sub (the "Purchase Agreement"), the total consideration received for the Transaction was \$7,732,907.08 (the "Purchase Price"), of which (i) \$7,000,000 was paid to the Company in cash, (ii) \$250,000 was heldback by STR Acquisition Sub and is subject to a post-closing working capital adjustment (the "Holdback"), and (iii) \$482,907.08 was to be paid to the Company upon receipt of a certain receivable by STR Acquisition Sub (the "Receivable"). The Purchase Price was determined by arms-length negotiations between the Company and STR. The investment banking firm of Peter J. Solomon Company Limited has provided a fairness opinion to the

Edgar Filing: HAUSER INC - Form 8-K

board of directors of the Company with respect to the Purchase Price. At the closing of the Transaction, the Company used \$6,022,000 of the Purchase Price to reduce outstanding indebtedness under its credit facility with Wells Fargo Bank, N.A. ("Wells Fargo") and \$978,000 to pay certain expenses of the Company incurred in connection with the sale. On September 6, 2002, on behalf of the Company, STR Acquisition Sub paid the Receivable to Wells Fargo, of which the entire \$482,907.08 was used to further reduce the Company's indebtedness. The Company has agreed to pay Wells Fargo amounts, if any, received upon release of the Holdback, which amounts will be used to further reduce its indebtedness. As a result of the Transaction, the Company expects to record a loss of approximately \$854,000. Upon final determination of the post-closing working capital, if all or a portion of the Holdback is received by the Company, the loss will be reduced by the amount received. There is no material relationship between either STR or STR Acquisition Sub and the Company or any of its affiliates, any director or officer of the Company, or any associate of any such director or officer.

The Shuster Laboratories division is engaged in the business of technical and management consulting, product development, product evaluation and testing, laboratory testing, laboratory affairs, auditing, consumer testing and sensory research and claims substantiation to manufacturers and marketers of foods, pharmaceuticals, dietary supplements, household and personal care products and specialty industrial products.

The foregoing description of the Purchase Agreement is qualified in its entirety by reference to such agreement, a copy of which has been filed as Exhibit 2.1 to this Form 8-K and is incorporated herein by reference.

On August 28, 2002, the Company issued a press release relating to the Transaction, a copy of which is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

Item 7. Financial Statements and Exhibits.

(a) Financial Statements of Businesses Acquired.

Not applicable.

(b) Proforma Financial Information.

The following Proforma Consolidated Financial Statements for the three months ended June 30, 2002 and for the fiscal year ended March 31, 2002 give effect to the sale of certain assets and liabilities relating to the Shuster Laboratories division of HTS to STR Acquisition Sub and the subsequent payment of \$6,022,000 of the proceeds from the sale to repay a portion of the outstanding indebtedness under the Company's credit facility with Wells Fargo Bank, N.A. and \$978,000 to pay certain expenses of the Company incurred in connection with the sale. The proforma adjustments are based on available information and upon certain assumptions that the Company believes are reasonable under the circumstances. The proforma financial information should be read in conjunction with the March 31, 2002 Audited Consolidated Financial Statements of the Company and the June 30, 2002 Unaudited Consolidated Financial Statements of the Company.

The Proforma Consolidated Balance Sheet and Proforma Consolidated Statements of Operations are necessarily based upon allocations, assumptions and approximations and, therefore, do not reflect in precise

Edgar Filing: HAUSER INC - Form 8-K

numerical terms the impact of the transaction on the historical financial statements. In addition, such proforma statements should not be used as a basis for forecasting the future operations of the Company.

The proforma adjustments made in the preparation of the Proforma Consolidated Balance Sheet assume that the sale of certain assets and liabilities of the Shuster Laboratories division of HTS had been consummated at June 30, 2002, the end of the Company's most recent quarterly period. The proforma adjustments related to the Proforma Consolidated Statements of Operations for the three months ended June 30, 2002 and for the year ended March 31, 2002 assume that the sale of certain assets and liabilities of the Shuster Laboratories division of HTS had been consummated as of April 1, 2002 and 2001, respectively, the dates beginning the Company's fiscal years.
