Magal Security Systems Ltd. Announces First Quarter 2007 Results

Monday May 7, 6:00 am ET

YAHUD, Israel, May 7 /PRNewswire-FirstCall/ -- Magal Security Systems Ltd. (Nasdaq GM: MAGS ; TASE: MAGS) today announced its consolidated financial results for the three-month period ended March 31, 2007.

Revenues for the first quarter of 2007 reached US\$15.0 million, an increase of 11.7 percent compared to US\$13.5 million in the first quarter of 2006.

Operating income reached US\$745,000, an increase of 55.5 percent compared to US\$479,000 in the first quarter 2006. Operating expenses for the first quarter of 2007 reached US\$5.8 million, an increase of 10.2 percent compared to US\$5.2 million in the first quarter of last year.

Financial expenses for the first quarter of 2007 reached US\$299,000, compared to US\$154,000 in the first quarter of 2006. The increase in the financial expenses is primarily attributable to the change in the Company's functional currency from the US dollar to the New Israeli Shekel, that was initiated in the beginning of the fourth quarter of 2006. The US dollar remains the Company's reporting currency.

Net income reached US\$298,000, an increase of 100.0 percent compared to US\$149,000 in the first quarter of 2006.

Diluted earnings per share for the first quarter reached US\$0.03 per share compared to US\$0.01 per share the same quarter of last year.

Commenting on the results, Mr. Izhar Dekel, CEO of Magal, said: "We are very pleased with the organic growth in our business and the growth in revenues, operating income and net income, compared to the first quarter of 2006, this, despite the fact that our first quarter is usually our weakest quarter. According to our expectations, we have every reason to believe that our results for 2007 will be better than those of 2006 in all respects."

The Company will be hosting its quarterly conference call later today at 11:00am EDT. On the call, management will review and discuss the first quarter 2007 results. They will then be available to answer questions.

To participate, please call one of the following teleconferencing numbers. Please begin placing your calls 5 minutes before the conference call commences. If you are unable to connect using the toll-free numbers, please try the international dial-in number.
