Item 8.01. Other Events.

On February 24, 2010, the Board of Directors of Footstar, Inc. (the “Company”) declared a liquidating cash dividend of \$0.10 per share of common stock outstanding. The dividend will be paid on March 12, 2010 to stockholders of record as of the close of business on March 8, 2010. While this is not expected to be the final dividend, the Company anticipates it will not make any further distributions until the monetization of its property in Mahwah, New Jersey, which contains its corporate headquarters building, improvements and 21 acres of underlying land.

The dividend is expected to be treated as a return of capital for tax reporting purposes, but stockholders will receive further information on Form 1099 after the end of 2010 and are encouraged to consult with their own tax advisors regarding the tax treatment of the distribution. Under NASDAQ rules, it is anticipated that the Company’s stock will trade ex dividend the day after the payment of the dividend, but no assurance can be given by the Company that this will be the case.
