CNCBB is engaged in broadband access, value-added services and reselling the China Netcom Group's voice services. Upon completion of the transaction, CNCBB will be owned as to 50% by the Group and will be accounted for under the equity method. The Group will nominate directors to the board of CNCBB pro rata to the registered capital held by the Group in CNCBB but it is not expected that the Group will have any control over the composition of the board of CNCBB.

Ⓛ □

REASONS AND BENEFITS OF THE TRANSACTION

CNCBB is a broadband service provider in the PRC. Established in 2001 by China Netcom, CNCBB's major business activities are broadband access, value-added services and reselling the China Netcom Group's voice services. The directors of the Company consider that the investment by PCCW IMS China in CNCBB will create synergy for the broadband business of the Group and will enable the Group to explore opportunities and to expand beyond Hong Kong for its broadband services and other value-added services in the PRC through its investment in CNCBB.

Having considered the terms and conditions of the Sale and Purchase Agreement and the benefits of the transaction to the Company, the directors (including the independent non-executive directors) of the Company believe that the terms of the transaction contemplated under the Sale and Purchase Agreement are fair and reasonable and in the interests of the shareholders of the Company as a whole.

CONNECTED TRANSACTION

CNC BVI, an indirect wholly-owned subsidiary of China Netcom, is a substantial shareholder and connected person (as defined in the Listing Rules) of the Company. Accordingly, the China Netcom Group and CNCBB are therefore connected persons of the Company under the Listing Rules. The transaction therefore constitutes a connected transaction of the Company under Chapter 14A of the Listing Rules.

As the relevant percentage ratios (as defined in the Listing Rules) for the transaction contemplated by the Sale and Purchase Agreement exceed 0.1% but are less than 2.5%, the transaction is only subject to the reporting and announcement requirements set out in Rules 14A.45 to 14A.47 of the Listing Rules and is exempt from the independent shareholders' approval requirements under Rule 14A.32 of the Listing Rules. Details of the transaction will be included in the next published annual report of the Company.

The Company is the largest telecommunications provider in Hong Kong and one of Asia's leading integrated communications companies.
