ITEM 5.05 Amendments to the Registrant's Code of Ethics, or Waiver of a Provision of the Code of Ethics

On October 6, 2006, the Board of Directors of Cyclacel Pharmaceuticals, Inc. (the "Company") approved the amendment of the Xcyte Therapies, Inc. Code of Business Conduct and Ethics (the "Code"). The Company retained the corporate policies of Xcyte Therapies, Inc. ("Xcyte"), including the Code, when the Company became publicly traded following a transaction in which Xcyte acquired Cyclacel Limited on March 27, 2006.

The material amendments to the Code, which is attached to this Current Report on Form 8-K as Exhibit 14 and the terms of which are incorporated herein by reference, are as follows:

- The Code now includes corporate policies regarding sexual harassment, document retention, anti-trust and competition laws, gifts and entertainment, corporate opportunities, payments to government officials, political activities, anti-money laundering laws, whistleblowing and waivers of the Code.
- Rather than reporting issues to the Company's General Counsel, employees are required to report issues to the Company's Chief Compliance Officer (and/or other designated individuals, in certain situations), given that the Company currently does not have a General Counsel.

In addition, the Insider Trading Policy of the Company mentioned in the Code was amended to reduce the "black-out period" prohibition on trading in the Company's securities by certain of the Company's employees commences on the twenty-fourth, rather than the fifteenth, day of the last month of each quarter and ending at the close of the second full trading day (day on which the stock market is open) after disclosure of the Company's quarterly financial results.
