The cost of the solicitation of proxies will be borne by the Company.

1

The Board of Directors of the Company does not intend to bring any matters before the Annual Meeting except those indicated in the Notice and does not know of any matter which anyone else may properly present for action at the Annual Meeting. If any other matters properly come before the Annual Meeting, however, the persons named in the enclosed proxy, or their duly constituted substitutes acting at the Annual Meeting, will be authorized to vote or otherwise act thereon in accordance with their best judgment on such matters.

(2) John A. Morrissey and Walter W. 3

ELECTION OF DIRECTORS

A Board of nine directors is to be elected at the Annual Meeting, to serve until the next Annual Meeting and until their successors shall have been elected and shall qualify. The shares represented by proxies received by the Board of Directors will be voted, in the absence of any contrary direction therein, for the election of the nominees hereinafter listed and described. The Board of Directors believes that the persons named will be available, but, if any nominee is unable or unwilling to serve as director, the proxies will be voted for another individual to be selected by the Board of Directors.

A majority of the outstanding Common Stock shares of the Company will constitute a quorum at the Annual Meeting. Election as a director requires a plurality of the votes cast at the Annual Meeting, so the nine nominees who receive the largest number of votes cast will be elected as directors. An affirmative vote of a majority of the shares present in person or by proxy and entitled to vote at the Annual Meeting is required for approval of any proposal submitted to shareholders (except for election of directors). Abstentions, withheld votes and broker non-votes are counted for purposes of determining the presence or absence of a quorum. Abstentions are counted as votes against a proposal, whereas broker non-votes are not counted for purposes of determining whether a proposal has been approved. For any nominee, withheld votes will have no effect on the election of that nominee.

In the election of directors, voting rights are cumulative, which means that each shareholder is entitled to as many votes as are equal to the number of his shares multiplied by the number of directors to be elected (nine). Each shareholder may cast all of such votes for one nominee or may distribute them among two or more nominees in his discretion. In the absence of any contrary written direction in the proxy, the proxy will confer discretionary authority on the persons named therein as representatives to cumulate votes selectively among the nominees in the manner just described.

4

ADDITIONAL INFORMATION CONCERNING THE BOARD OF DIRECTORS AND COMMITTEES

The Board of Directors has determined that Edward L. Chott, Kent H. Cooney, William T. Divane, Jr., George P. Lynch and John R. Madden are "independent directors" under the rules of the American Stock Exchange.

The Board of Directors of the Company held a total of four meetings during 2005.

The Board of Directors has appointed an Audit Committee, which presently consists of Directors Edward L. Chott, Kent H. Cooney, William T. Divane, Jr., and John R. Madden, each of whom is an "independent director" under the rules of the American Stock Exchange applicable to audit committee members. The Audit Committee is a separately designated committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended. The Board of Directors has determined that each member of the Audit Committee is able to read and understand fundamental financial statements and that Messrs. Cooney and Madden are each qualified as an "audit committee financial expert," as defined by the Securities and Exchange Commission pursuant to the Sarbanes-Oxley Act of 2002. Member Kent H. Cooney's background as described in footnote 7 on page 7 of this proxy statement, along with his training and experience as a CPA and former partner with the public accounting firm of McGladrey & Pullen LLP, provide the basis for this determination. Member John R. Madden's background as described in footnote 5 on page 6 of this proxy statement, along with his training and previous experience as a bank examiner for the Federal Deposit Insurance Corporation provide the basis for this determination. The Audit Committee met six times during 2005. The duties of

7

the Audit Committee include selecting the Company's independent auditor, reviewing the arrangements and scope of the independent auditor's examination, reviewing internal accounting procedures and controls, and reviewing the independence of the auditor in regard to the Company and its management. The Board of Directors has adopted a written charter for the Audit Committee, a copy of which was included in the Company's Proxy Statement dated March 29, 2004.

The Board of Directors has also appointed a Compensation Committee, which presently consists of Directors Edward L. Chott, William T. Divane, Jr., George P. Lynch and John R. Madden, each of whom is an "independent director" under the rules of the American Stock Exchange. The duties of the Compensation Committee include considering and recommending to the Board of Directors the compensation and benefits of all officers of the Company and the development of general policies relating to compensation and benefits of employees of the Company. The Compensation Committee met three times during 2005.

The Board of Directors has also appointed an Executive Committee, which presently consists of Directors John R. Madden, John A. Morrissey, Walter W. Morrissey and John C. Osterman. Under the by-laws of the Company and the resolution of the Board of Directors appointing the Executive Committee, the Executive Committee has all of the authority of the Board of Directors in the management of the Company, except as otherwise required by law. The Executive Committee met eleven times during 2005.

Edgar Filing: CHICAGO RIVET & MACHINE CO - Form DEF 14A

The Board of Directors has also appointed a Nominating Committee, which presently consists of Directors Edward L. Chott, William T. Divane, Jr., and John R. Madden, each of whom is an "independent director" under the rules of the American Stock Exchange. The duties of the Nominating Committee include identifying individuals qualified to serve as directors of the Company and recommending to the Board of Directors nominees for the board and members of board committees. The Nominating Committee met two times in 2005. The Board of Directors has adopted a written charter for the Nominating Committee, a copy of which was included in the Company's Proxy Statement dated March 29, 2004.

The Nominating Committee will consider director candidates recommended by shareholders. In considering candidates submitted by shareholders, the Nominating Committee will take into consideration the needs of the Board and the qualifications of the candidate. The Nominating Committee may also take into consideration the number of shares held by the recommending shareholder and the length of time that such shares have been held. To have a candidate considered by the Nominating Committee, a shareholder must submit the recommendation in writing and must include the following information:

- The name of the shareholder and evidence of the person's ownership of Company stock, including the number of shares owned and the length of time of ownership; and

8

- The name of the candidate, the candidate's resume or a listing of his or her qualifications to be a director of the Company and the person's consent to be named as a director if selected by the Nominating Committee and nominated by the Board.

The shareholder recommendation and information described above must be sent to the Corporate Secretary at 901 Frontenac Road, Naperville, IL 60563 and must be received by the Corporate Secretary not less than 120 days prior to the anniversary date of the mailing of the Company's proxy statement in connection with the previous year's annual meeting of shareholders.

The Nominating Committee believes that the minimum qualifications for serving as a director of the Company are that a nominee demonstrate, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the Board's oversight of the business and affairs of the Company and have an impeccable record and reputation for honest and ethical conduct in both his or her professional and personal activities. In addition, the Nominating Committee examines a candidate's specific experiences and skills, time availability in light of other commitments, potential conflicts of interest and independence from management and the Company. The Nominating Committee also seeks to have the Board represent a diversity of backgrounds and experience.

The Nominating Committee identifies potential nominees by asking current directors and executive officers to notify the Committee if they become aware of persons, meeting the criteria described above, who have had a change in circumstances that might make them available to serve on the Board, including business and civic leaders in the communities in which the Company's facilities are located. The Nominating Committee also, from time to time, may engage firms that specialize in identifying director candidates. As described above, the Committee will also consider candidates recommended by shareholders.

Once a person has been identified by the Nominating Committee as a potential candidate, the Committee may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the Nominating Committee determines that the candidate

Edgar Filing: CHICAGO RIVET & MACHINE CO - Form DEF 14A

warrants further consideration, the Chairman or another member of the Committee contacts the person. Generally, if the person expresses a willingness to be considered and to serve on the Board, the Nominating Committee requests information from the candidate, reviews the person's accomplishments and qualifications and conducts one or more interviews with the candidate. In certain instances, Committee members may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's qualifications. The Committee's evaluation process does not vary based on whether or not a candidate is recommended by a shareholder.

9

It is Company policy that each of our directors attend the Annual Meeting. All of our directors were in attendance at the 2005 Annual Meeting.

Directors of the Company who are also officers receive no compensation for their services as directors or as members of any committee of the Board of Directors, apart from their regular compensation for services as such officers. Each director who is not an officer of the Company receives a director's fee of \$9,000 per year and a \$1,250 fee for attendance at each meeting of the Board of Directors. Each member of the Audit Committee receives a \$350 fee for attendance at each meeting of the Audit Committee. Each member of the Executive Committee who is not an officer of the Company receives an additional fee of \$10,000 per year and a \$350 fee for attendance at each meeting of the Executive Committee.

SHAREHOLDER COMMUNICATIONS WITH DIRECTORS

The Board has established a process to receive communications from shareholders. Shareholders may contact any member (or all members) of the Board or the non-management directors as a group, any Board committee or any chair of any such committee by mail. To communicate with the Board of Directors, any individual director or any group or committee of directors, correspondence should be addressed to the Board of Directors or any such individual director or group or committee of directors by either name or title. All such correspondence should be sent "c/o Corporate Secretary" at 901 Frontenac Road, Naperville, IL 60563.

With the exception of material that is in the nature of advertising, promotions of a product or service, or patently offensive material as determined by the Corporate Secretary, all communications received as set forth in the preceding paragraph will be forwarded promptly to the addressee. In the case of communications to the Board or any group or committee of directors, the Corporate Secretary will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the envelope is addressed.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires that the Company's directors, executive officers and persons who own more than 10% of the Company's Common Stock file reports of ownership and changes in ownership with the Securities and Exchange Commission. Such persons are also required to furnish the Company with copies of all Section 16(a) forms they file. Based solely on the Company's review of copies of such forms, the Company is not aware that any of its directors, executive officers or 10% shareholders failed to comply with the filing requirements of Section 16(a) during the period commencing January 1, 2005 and ending December 31, 2005.

PROFIT SHARING PLAN

The Chicago Rivet & Machine Co. Profit Sharing Trust (the "Employees' Trust") is a part of the Chicago Rivet & Machine Co. Profit Sharing Plan (the "Plan") established by the Company for the benefit of its employees. Participants eligible to share in Company contributions include all employees of the Company who have completed one year of service with the Company, except that all individuals employed on October 1, 2003 became participants on that date.

Edgar Filing: CHICAGO RIVET & MACHINE CO - Form DEF 14A

The Company makes contributions to the Employees' Trust pursuant to a formula based on the Company's annual earnings. The Company may also contribute such other amounts out of current or retained earnings as may be determined by the Board of Directors. The Company's contributions are allocated among eligible participants in proportion to their respective compensation, subject to statutory limitations.

Each participant has a balance in the Employees' Trust consisting of his share of Company contributions, amounts forfeited by other participants and investment earnings. Each participant's balance vests over a five-year period, beginning with the third year of employment. Full vesting also occurs, regardless of length of employment, when a participating employee reaches normal retirement age, dies or becomes permanently and totally disabled.

The Plan also contains a 401(k) feature pursuant to which participants may elect to have a portion (up to 60%) of their compensation (but not to exceed the maximum permitted by law) contributed to the Employees' Trust in lieu of receiving it in cash. Each eligible employee, for this purpose, becomes a participant following completion of two months of employment. These contributions are always fully vested and nonforfeitable.

Contributions received by the Employees' Trust are held by the Trustee and invested in accordance with participants' investment directions among certain investment funds established by the administrative committee and sponsored by the Trustee.

Distribution of a participant's vested balance is made on termination of employment, or later, if the participant so requests, subject to certain limitations. Distribution is made in a lump sum. REPORT OF COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

EXECUTIVE COMPENSATION OBJECTIVES

Chicago Rivet is a leader in the fastener industry manufacturing rivets, standard and specialty cold-formed fasteners, screw machine products and automated assembly equipment, primarily for the automotive industry. The fastener industry is characterized by intense competition for customers, market share and executive talent. The objective of the Executive Compensation Program of the Company (the "Program") is to align compensation with business objectives and performance to enable the Company to attract, retain, and reward key executives whose contributions are critical to ensuring the long-term success of the Company and increasing profitability, thereby enhancing shareholder value.

EXECUTIVE COMPENSATION PRINCIPLES

The elements of total compensation for Company executives are base salary

Edgar Filing: CHICAGO RIVET & MACHINE CO - Form DEF 14A

and cash bonuses. The following principles guided compensation decisions for key executives of the Company: compensation opportunity is related to performance; compensation decisions are designed to achieve financial objectives, build shareholder value and reward individual and corporate performance; compensation is competitive and equitable; and the proportion of total pay that is at risk against individual and Company performance objectives increases with the more senior positions. The Committee also considers the experience, length of service and consistent performance of each individual executive when setting compensation levels. The competitors of the Company for executive talent are not necessarily the same companies that are selected to compare shareholder returns (see Stock Performance Graph, page 15) because the Company requires executives with skills from diverse backgrounds.

CEO COMPENSATION

John A. Morrissey has been Chairman of the Board of the Company since 1979 and Chief Executive Officer ("CEO") since 1981. The 2005 base salary and cash bonus for the CEO were determined in accordance with the performance goals referred to above. The Company's net income (loss) in 2005 was (\$.4) million compared to \$1.5 million in 2004. The factors taken into consideration by the Compensation Committee in setting the annual salary for performance year 2005 of the CEO were: his leadership, his vision for the future of the Company, his dedication and focus on the short-term and long-term interests of the Company and its stockholders, his professionalism, integrity and competence, the Company's financial results, and the achievement of internal and external goals of the Company. In view of the Company's overall operating performance, and consistent with the suggestion of the CEO, the Compensation Committee did not authorize the payment of a cash bonus to the CEO for the year 2005.

13

COMPENSATION DEDUCTIBILITY

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), generally disallows a tax deduction to public companies for compensation in excess of \$1 million paid to the Company's CEO or any of the four other most highly compensated executive officers. Certain performance-based compensation, however, is exempt from the deduction limit. Given the amount of compensation paid the CEO and the four other most highly compensated executive officers, the limits on deductibility of Section 162(m) of the Code on the Company's tax return are not applicable to the Company.

The Compensation Committee believes that the described executive compensation policy serves the interests of the shareholders and the Company.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board of Directors is composed of Edward L. Chott, Kent H. Cooney, William T. Divane, Jr., and John R. Madden, each of whom are "independent directors" as defined by the rules of the American Stock Exchange applicable to audit committee members. The Audit Committee operates under a charter approved by the Board of Directors.

Management is responsible for the Company's financial statements and the financial reporting process and has represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America. The independent accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and for issuing a report thereon. The Audit Committee is responsible for oversight of these processes. The Audit Committee has reviewed and discussed the financial statements with members of management and with the independent accountants. The Audit Committee, in addition to reviewing with the independent auditors their opinion on the conformity of the audited financial statements with generally accepted accounting principles, discussed their judgment as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as the standards of the Public Company Accounting Oversight Board required to be discussed with the Audit Committee.

Further, the Audit Committee has discussed with the independent accountants the matters required to be discussed by Statement on Auditing Standards No. 61, "Communication with Audit Committees," as amended. The Audit Committee has discussed the independent accountants' independence, including the matters in the written disclosures provided to the Audit Committee as required by

Edgar Filing: CHICAGO RIVET & MACHINE CO - Form DEF 14A

Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," with both management and with the independent accountants.

Based upon the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for 2005, which will be filed with the Securities and Exchange Commission. The Audit Committee has approved the engagement of Grant Thornton LLP as independent accountants for 2006.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The firm of Grant Thornton LLP served as the Company's independent registered public accounting firm for the year ended December 31, 2005. A representative of that firm is expected to be present at the Company's 2006 Annual Meeting of Shareholders with the opportunity to make a statement, if so desired, and to be available to respond to appropriate questions.

On February 28, 2005, the Company was notified by PricewaterhouseCoopers LLP that they would not stand for re-election as the Company's independent registered public accounting firm for the year ending December 31, 2005. PricewaterhouseCoopers LLP agreed, however, to continue to serve as the Company's independent registered public accounting firm until completion of its procedures on the financial statements of the Company for the year ended December 31, 2004. On March 21, 2005, PricewaterhouseCoopers LLP completed its procedures on the financial statements of the Company for the year ended December 31, 2004, and ceased serving as the Company's independent registered public accounting firm.

On March 23, 2005, the Audit Committee engaged Grant Thornton LLP to serve as the Company's independent registered public accounting firm for the year ended December 31, 2005.

The reports of PricewaterhouseCoopers LLP on the Company's financial statements for the years ended December 31, 2004 and 2003 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principle. During the years ended December 31, 2004 and 2003 and through March 21, 2005, there were no disagreements with PricewaterhouseCoopers LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of PricewaterhouseCoopers LLP, would have caused PricewaterhouseCoopers LLP to make reference thereto in its report on the Company's financial statements for such years. During the years ended December 31, 2004 and 2003 and through March 21, 2005, there were no "reportable events" (as defined in SEC Regulation S-K Item 304(a)(1)(v)).

Between January 1, 2003 and the engagement of Grant Thornton LLP on March 23, 2005, neither the Company nor anyone acting on behalf of the Company consulted with Grant Thornton LLP regarding either (i) the application of accounting principles to a specified completed or contemplated transaction or the type of audit opinion that might be rendered on the Company's financial statements; as such, no written or oral advice was provided or (ii) any matter that was either the subject of a disagreement with PricewaterhouseCoopers LLP or a "reportable event."

FEE TABLE

The following table shows the fees for professional audit services provided by PricewaterhouseCoopers LLP and Grant Thornton LLP for the audit of the Company's annual financial statements for fiscal years 2004 and 2005 and fees billed for other services rendered during those periods.

	2004	2005
	-----	-----
Audit Fees(1)		
PricewaterhouseCoopers LLP.....	\$189,420	\$ 80,885
Grant Thornton LLP.....	--	58,300
Audit-Related Fees(2).....	--	--
Tax Fees(3).....	37,620	--
All Other Fees.....	--	--
	-----	-----
Total.....	\$227,040	\$139,185

- (1) Audit Fees: Fees for the professional services rendered for the audit of the Company's annual financial statements, review of financial statements included in the Company's 10-Q filings, and services normally provided in connection with statutory and regulatory filings or engagements. All fees listed above as PricewaterhouseCoopers LLP relate to the year 2004.
- (2) Audit-Related Fees: Fees for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements.
- (3) Tax Fees: Fees for professional services rendered related to the amendment of state tax returns.

The engagements of Grant Thornton LLP and of PricewaterhouseCoopers LLP in connection with the annual audit of the Company's financial statements and the reviews of the financial statements included in the Company's quarterly reports and also the fees related to the amendment of state tax returns were approved by the Audit Committee before the service was provided. It is the policy of the Audit Committee that all services to be performed by the Company's independent registered public accounting firm be approved in advance of the commencement of such services.

The Audit Committee has considered whether the provision of the non-audit services described above was compatible with maintaining the independence of PricewaterhouseCoopers LLP.
