Indicate by check mark if the registrant is submitting the Form 6-K in paper as permitted by Regulation S-T Rule 101(b)(7):

On May 11, 2016, Intelsat S.A. (the “Company,” “we” or “us”) announced that certain subsidiaries of Intelsat Jackson Holdings S.A. (“Intelsat Jackson”) that currently guarantee Intelsat Jackson’s obligations under its secured credit facility have issued guarantees of the indebtedness under the indenture governing Intelsat Jackson’s 6 5/8 % Senior Notes due 2022 (the “2022 Notes”).

The Company further announced that since April 28, 2016, the date of its last quarterly report, Intelsat Jackson has purchased an aggregate principal amount of approximately \$459,748,000 of 2022 Notes. The 2022 Notes were acquired in a combination of open market and privately negotiated purchases at varying discounts to the par amount.

From time to time, we and/or our affiliates may purchase additional 2022 Notes or other securities in the open market, in privately negotiated transactions, through tender offers, exchange offers or otherwise or we and/or our affiliates may redeem the 2022 Notes or other securities that we are able to redeem pursuant to their terms. Any such purchases by us and/or our affiliates or such redemptions by us will depend on various factors existing at that time and may be on terms that differ from then-current market prices and from other transactions completed by us and/or our affiliates. There can be no assurance as to which, if any, of these alternatives (or combinations thereof) we and/or our affiliates may choose to pursue.
