CENTURY NATIONAL BANK**

PROPOSED MERGER YOUR VOTE IS VERY IMPORTANT

The boards of directors of Seacoast Banking Corporation of Florida and Century National Bank have each unanimously agreed to the acquisition of Century by Seacoast. Shareholders of Century are being asked to approve the merger at a special meeting of shareholders to be held on April 29, 2005. Seacoast shareholders are not required to approve the merger.

If the merger is completed, each share of Century common stock will be converted automatically into the right to receive cash of \$28.82 or 1.41537 shares of Seacoast common stock, or a combination of cash and Seacoast common stock, depending upon your election, the elections of other Century shareholders and the limitations on the total amounts of Seacoast common stock and cash described in these materials. Seacoast's common stock is traded on The Nasdaq National Market under the symbol SBCF.

The meeting of Century shareholders will be held at Hotel Orlando North, 600 N. Lake Destiny Drive, Maitland, Florida 32751 on April 29, 2005 at 9:00 A.M. Eastern Time. At the meeting, you will be asked to approve the agreement and plan of merger among Seacoast, a Seacoast subsidiary, and Century, which we call the merger agreement. Approval of the merger agreement requires the affirmative vote of two-thirds of the outstanding shares of Century common stock. Century's board of directors unanimously recommends that you vote **FOR** approval of the merger and urges you to sign and date the enclosed proxy and return it promptly in the enclosed envelope together with your signed form of election to ensure that your vote is counted and your election is submitted timely. If you attend the meeting, you may vote in person, even if you have already returned your proxy, although no further election will be taken after 9:00 A.M. Eastern Time on April 29, 2005.

You should read this entire proxy statement carefully because it contains important information about the merger. **In particular, you should read carefully the information under the section entitled Risk Factors, beginning on page 11.**

Neither the Securities and Exchange Commission nor any state securities regulators have approved or disapproved of the securities to be issued in the merger or determined if this document is truthful or complete. Any representation to the contrary is a criminal offense.

The shares of Seacoast common stock to be issued in the merger are not deposits or savings accounts or other obligations of any bank or savings association, and are not insured by the FDIC or any other government agency.

This proxy statement is dated March 28, 2005 and is first being mailed to Century shareholders on or about March 31, 2005.

QUESTIONS AND ANSWERS

As used in this proxy statement, the term Seacoast refers to Seacoast Banking Corporation of Florida and, where the context requires, to Seacoast's subsidiaries, including First National Bank & Trust Company of the Treasure Coast and First National Bank & Trust Company, a newly formed, wholly owned national bank subsidiary of Seacoast. The term First National Treasure Coast refers to First National Bank & Trust Company of the Treasure Coast, Seacoast's wholly owned national bank subsidiary, through which Seacoast conducts the majority of its operations. The term Century refers to Century National Bank.

Q: What am I being asked to vote upon?

A: You are being asked to approve the merger agreement, which provides for the merger of Century with and into a wholly owned national bank subsidiary of Seacoast. As a result, Century will become a wholly owned subsidiary of Seacoast.

Q: How does my board of directors recommend I vote on the merger?

A: The board of directors of Century unanimously recommends that you vote **FOR** approval of the merger agreement.

Q: Why is my board of directors recommending that I vote for approval of the merger agreement?

A: Century's board of directors believes the merger is a unique strategic opportunity to combine with Seacoast, which is expected to create greater value for our shareholders, expand the range of products and services available to our customers while maintaining our service culture, and expand the career opportunities for our employees. Our financial advisors also have opined that the consideration to be received by Century shareholders in the Merger is fair from a financial point of view.

Q: What will I receive in the merger?

A: In the merger, each share of Century common stock automatically will be converted into the right to receive consideration in the form of shares of Seacoast common stock, cash (without interest), or a combination of Seacoast common stock and cash, as elected by each shareholder and subject to certain adjustments and prorations described in this proxy statement.

Q: What should I do now?

A: After carefully reading and considering the information in this proxy statement, including materials incorporated by reference, indicate on your proxy card how you want to vote, sign and date the card. In addition, please complete the enclosed form of election indicating whether you would prefer to receive shares of Seacoast common stock, cash (without interest), or a combination of Seacoast common stock and cash if the merger is approved. Finally, mail the properly completed and signed proxy card and form of election in the enclosed postage-paid envelope as soon as possible, so that your shares will be represented at the meeting and your election will be recorded.

If you sign and return your proxy card and do not indicate how you want to vote, your proxy will be voted in favor of the proposal to approve the merger agreement and otherwise in the discretion of the proxies.

Q: What if I do not vote?

A: If you do not vote, by either signing and sending in your proxy card or attending and voting at the meeting, your shares will not be voted at the meeting. This will have the same effect as voting your shares against the merger, although this will not perfect your dissenters' rights.

Q: If my shares are held in street name by my broker, will my broker automatically vote my shares for me?

A: Your broker will vote your shares of stock on the merger agreement only if you provide instructions on how to vote. You should instruct your broker on how to vote your shares, following the directions your broker provides. If you do not provide instructions to your broker, and your broker submits an unvoted proxy, your shares will not be voted at the meeting, which will have the same effect as voting your shares against the merger, although this will not perfect your dissenters' rights.

Table of Contents

Q: Can I change my vote after I deliver my proxy?

A: Yes. You can change your vote at any time before your proxy is voted at the meeting. You can do this in three ways. First, you can revoke your proxy by giving written notice of revocation to Century's secretary. Second, you can submit a new properly executed proxy with a later date to Century's secretary, at or before the meeting. The latest vote actually received before the meeting will be counted, and any earlier votes will be revoked. Third, you can attend the meeting and vote your shares in person. Any earlier proxy will be thereby revoked. However, simply attending the meeting without voting will not revoke your proxy.

Q: Should I send in my Century stock certificates now?

A: No. Seacoast will cause the exchange agent to separately send to all Century shareholders a letter of transmittal together with written instructions for exchanging Century common stock certificates for the merger consideration.

Q: When must I elect the type of merger consideration that I prefer to receive?

A: Holders of Century common stock who wish to elect the type of merger consideration they prefer to receive in the merger should carefully review and follow the instructions set forth in the enclosed form of election. These instructions require that a properly completed and signed form of election be received prior to the election deadline, which is 9:00 A.M. Eastern Time, on April 29, 2005.

If you fail to submit a completed form of election prior to the election deadline, you will be deemed to not have made an election. As a non-electing holder, you will be paid a value per share equivalent to the amount paid per share to holders making elections, but you may receive only cash, only Seacoast common stock, or a combination of cash and Seacoast common stock, depending on the remaining pool of cash and Seacoast common stock available for paying the merger consideration after honoring the affirmative cash and stock elections that other Century shareholders have made.

Q: When will I receive my Seacoast stock certificates and/or cash?

A: Following the completion of the merger, Seacoast will cause the exchange agent to deliver a letter of transmittal to each Century shareholder. You should carefully review and follow the instructions set forth in the letter of transmittal. You will be asked to complete the letter of transmittal and return it, together with your Century stock certificates (or properly completed notice of guaranteed delivery, which will be included as part of the letters of transmittal you will receive), to the exchange agent. The cash and/or Seacoast common stock that you are to receive in connection with the merger will be mailed to you by the exchange agent promptly after the exchange agent receives your properly executed letter of transmittal and stock certificates.

Q: Am I entitled to dissenters' rights of appraisal in connection with the merger?

A: Yes. If you wish, you may exercise dissenters' rights arising out of the transactions contemplated by the merger agreement and obtain a cash payment for the value of your shares as determined under the National Bank Act. To exercise dissenters' rights, you must vote your shares against the merger or give written notice at or prior to the meeting to Century that you are exercising your dissenters' rights, and you must strictly comply with all of the applicable requirements provided under the National Bank Act, as described in this proxy statement under the section entitled Dissenters' Rights. The value of your shares may be more or less than the consideration to be paid in the merger. We have reproduced, in full, the applicable dissenters' rights provisions as Appendix B to this proxy statement.

Century is a national banking association headquartered in Orlando, Florida. Century currently provides banking services through three banking locations located in Orlando, Maitland/ Winter Park and Longwood, Florida.

The Merger (See page 19)

Under the merger agreement, Seacoast will acquire Century pursuant to the merger of Century with and into a wholly owned national bank subsidiary of Seacoast. As a result of the merger, Century will become a wholly owned subsidiary of Seacoast. Seacoast presently intends to combine the operations of Century after the merger into Seacoast's principal subsidiary, First National Treasure Coast, but may continue to operate in the Orlando market under the name Century National Bank or another trade name. A copy of the merger agreement is attached to this document as Appendix A and is incorporated into this proxy statement by reference. We encourage you to read the entire merger agreement carefully, as it is the legal document that governs the merger.

Table of Contents

What You Will Receive in the Merger (See page 30)

If the merger is completed, each share of Century common stock issued and outstanding that you hold immediately prior to the effective time of the merger, other than shares with respect to which dissenters' rights are properly exercised, will be automatically converted, at the effective time, into the right to receive shares of Seacoast common stock, cash (without interest) or a combination of cash and Seacoast common stock, based on your election and subject to proration and other adjustments.

The merger agreement provides for a pricing period, which ended March 7, 2005, to be used to determine the cash and stock to be paid for each share of Century common stock, and the amount to be paid to holders of outstanding options to purchase Century stock. Century shareholders are entitled to elect to receive cash of \$28.82 or 1.41537 shares of Seacoast common stock (which had an average market value of \$28.82 at the close of the market on March 7, 2005, which was the end of the pricing period, but whose market value is subject to change), subject to proration. Holders of Century options will be entitled to the difference between \$28.82 and the exercise price of their options.

It is estimated, assuming no further exercise of outstanding Century options, that an aggregated \$1,067,984 in cash (without interest), which is referred to as the Option Settlement Payment, will be paid to holders of all outstanding Century options. The Cash Consideration payable to Century shareholders is \$14,625,358 and the number of shares of Century common stock that shall be converted solely into the right to receive cash (without interest) shall be 507,473. The remaining 1,058,456 shares will be converted into the right to receive solely Seacoast common stock. Based upon the number of shares of Century common stock outstanding, an aggregate of approximately 1,498,107 shares of Seacoast common stock will be issued in the merger to Century shareholders.

You will not receive any fractional shares of Seacoast common stock. Instead, you will be paid cash (without interest) in an amount equal to the fraction of a share of Seacoast common stock otherwise issuable upon conversion, multiplied by the market value of Seacoast's common stock on The Nasdaq National Market on the last trading day preceding the effective time of the merger.

Limitations on Cash and Common Stock Consideration; Proration (See page 31)

Under the merger agreement, Seacoast is not required to pay more than \$15,693,342 in cash to holders of Century common stock and holders of options to purchase shares of Century common stock. In addition, Seacoast is not required to issue more than 1,506,160 shares of its common stock to holders of Century common stock in exchange for their shares. As a result of these limitations, and because Century shareholders have the option to elect to receive cash, Seacoast common stock, or a combination thereof, in exchange for their shares of Century common stock, the actual amount of cash and Seacoast common stock to be received by each Century shareholder will be subject to proration and will depend upon the elections made by other Century shareholders.

Timing and Manner of Election; Surrender and Exchange of Stock Certificates (See page 29)

Holders of Century common stock should carefully review and follow the instructions set forth in the enclosed form of election. These instructions require that a properly completed and signed form of election be received prior to the election deadline, which is 9:00 A.M. Eastern Time, on April 29, 2005.

If you fail to submit a completed form of election prior to the election deadline, you will be deemed to not have made an election. As a non-electing holder, you will be paid a value per share equivalent to the amount paid per share to holders making elections, but you may receive only cash, only Seacoast common stock, or a combination of cash and Seacoast common stock, depending on the remaining pool of cash and Seacoast common stock available for paying the merger consideration after honoring the cash and stock elections that other Century shareholders have made. Non-electing holders generally will receive cash to the extent that shareholders have affirmatively elected to receive more Seacoast common stock than is issuable under the merger agreement.

Table of Contents

Following the completion of the merger, Seacoast will cause the exchange agent to deliver a letter of transmittal to each Century shareholder. You should carefully review and follow the instructions set forth in the letter of transmittal. You will be asked to complete the letter of transmittal and return it, together with your Century stock certificates (or properly completed notice of guaranteed delivery, which will be included as part of the letter of transmittal you receive), to the exchange agent. The cash and/or Seacoast common stock that you are to receive in connection with the merger will be mailed to you by the exchange agent promptly after the exchange agent receives your properly executed letter of transmittal and stock certificates.

Effect of the Merger on Century Options (See page 33)

Prior to the execution of the merger agreement, there were options outstanding to purchase 140,969 shares of Century's common stock, with a weighted average exercise price of \$10.73 per share. Pursuant to the terms of the merger agreement, all of these outstanding options, whether or not then exercisable, will be converted into the right to receive from Seacoast cash (without interest) in an amount equal to the product of the number of shares subject to the options, multiplied by the difference between \$28.82 and the per share exercise price of the options. Seacoast will pay up to \$1,067,984 in cash to purchase outstanding Century options.

Your Expected Federal Income Tax Treatment as a Result of the Merger (See page 40)

The completion of the merger is conditioned on receipt of a tax opinion from Alston & Bird LLP, counsel to Seacoast, that the merger qualifies as a reorganization under the Internal Revenue Code, or the Code. Century shareholders will not recognize gain or loss for federal income tax purposes with respect to shares of Seacoast common stock received in the merger. Century shareholders may recognize gain or loss for federal income tax purposes on cash received for shares of Century common stock.

Any Century shareholder who perfects his or her dissenters' rights under the National Bank Act will receive cash for his or her shares of Century common stock, and may recognize gain or loss for federal income tax purposes on the cash received. See Material Federal Income Tax Consequences of the Merger for a more detailed discussion of the tax consequences of the merger.

The tax laws are complex, and the tax consequences of the merger may vary depending upon your individual circumstances or tax status. For these reasons, we recommend that you consult your tax advisor concerning the federal and any applicable state, local or other tax consequences of the merger to you.

Your Dissenters' Rights (See page 47)

If the merger is consummated, those Century shareholders who vote their shares against the merger or give written notice prior to the meeting to Century National Bank, Attention: Michael W. Sheffey, 65 North Orange Avenue, Orlando, Florida 32801, that they are exercising their dissenters' rights, and who strictly follow procedures required by the National Bank Act and described in this proxy statement will be entitled to exercise dissenters' rights and receive the value of their shares in cash, as determined by the National Bank Act. Appendix B includes the relevant provisions of the National Bank Act regarding these rights.

Comparative Stock Prices (See pages 49 and 52)

On November 29, 2004, the last trading day prior to the public announcement of the merger agreement, the last sales price of Seacoast common stock on The Nasdaq National Market was \$22.14, and on March 28, 2005, the last practicable day before mailing this proxy statement, the last sales price of Seacoast common stock was \$19.62. Shares of Century common stock are not listed or traded on any securities exchange or organized market. On February 11, 2004, the date of the last known sale of shares of Century common stock, the last known sales price for a share of Century common stock was \$11.50.

Table of Contents

Reasons for the Merger (See page 20)

Century's board of directors considered a number of factors in approving the terms of the merger, including: the value of the consideration to be received by Century shareholders in the merger;

that Seacoast common stock has a liquid trading market and that Seacoast has historically paid cash dividends on its shares;

certain financial and other information concerning Seacoast and its market area; and

the opinion of Keefe, Bruyette & Woods, Inc., or KBW, that the consideration to be received by Century shareholders in the merger is fair from a financial point of view.

Opinion of Century's Financial Advisor (See page 21)

The board of directors of Century considered, among other things, the opinion of its financial advisor, KBW, in determining whether to approve the merger. KBW is an investment banking and financial advisory firm with experience in transactions between financial institutions similar to the merger. Century's board of directors received a fairness opinion from KBW indicating that the terms of the merger are fair, from a financial point of view, to the shareholders of Century. The fairness opinion is attached to this proxy statement as Appendix C. We urge all Century shareholders to read the entire fairness opinion, which describes the assumptions, procedures followed, matters considered and limitations on the review undertaken by KBW in providing its opinion.

Century's Board of Directors Recommends that Century Shareholders Approve the Merger (See page 21)

Century's board of directors unanimously approved the merger agreement and believes that the merger is in the best interests of Century's shareholders. The board of directors unanimously recommends that you vote **FOR** approval of the merger agreement.

Information About the Century Shareholders Meeting (See page 17)

Century will hold its shareholders meeting to consider and vote on the merger agreement and the merger on April 29, 2005, at 9:00 A.M. Eastern Time. The meeting will be held at Hotel Orlando North, 600 N. Lake Destiny Drive, Maitland, Florida, 32751. At the meeting, Century shareholders will vote on the merger agreement and merger described in this proxy statement and in the notice for the meeting that they receive. If the merger agreement is approved at the meeting, and the other conditions to completing the merger are satisfied, we expect to complete the merger on April 30, 2005.

Vote Required at the Meeting (See page 17)

At least 1,043,953 shares or two-thirds of the outstanding shares of Century's common stock as of the record date for the meeting must be present in person or by proxy at the meeting, and must vote in favor of approving the merger agreement, in order for the merger to be approved. Shareholders who owned Century common stock at the close of business on March 24, 2005 will be entitled to vote at the meeting.

Share Ownership of Management (See page 52)

As of the record date for the meeting, directors and executive officers of Century have or share voting or dispositive power over approximately 421,760 shares or 26.96% of the issued and outstanding shares of Century common stock. These individuals have agreed with Seacoast that they will vote the stock over which they have voting power in favor of the merger agreement and the merger.

As of the record date for the meeting, directors and executive officers of Seacoast neither have nor share any voting or dispositive power over any of the issued and outstanding Century common stock.

Table of Contents

Management and Operations after the Merger (See page 30)

Century will cease to exist after the merger.

Century's business will be conducted through a wholly owned national bank subsidiary of Seacoast after the merger.

Seacoast's national bank subsidiary may initially continue to use the Century National Bank trade name in select markets following the completion of the merger.

No current Century directors will be appointed as directors of Seacoast.

Regulatory Approvals (See page 30)

The merger is subject to the prior approval of the federal Office of the Comptroller of the Currency, or the OCC, and the Board of Governors of the Federal Reserve System or its delegee, which we call the Federal Reserve. On February 17, 2005, the Federal Reserve approved Seacoast's application to acquire Century pursuant to Section 3 of the Bank Holding Company Act of 1956, as amended, or the BHC Act, and on March 7, 2005, the OCC approved Seacoast's Bank Merger Act application pursuant to the federal Bank Merger Act.

Several Conditions Must be Met to Complete the Merger (See page 36)

In addition to the required regulatory approvals, the merger will only be completed if certain conditions, including the following, are met:

approval of the merger agreement by Century's shareholders;

the merger must qualify as a tax-free reorganization under the Code;

the merger cannot be a taxable event for either Seacoast or Century;

approval by Nasdaq for the listing of the shares of Seacoast common stock issuable pursuant to the merger on The Nasdaq National Market;

the representations and warranties of Seacoast and Century in the merger agreement must be true and correct as of the effective time of the merger, except as to any inaccuracies that would not, in the aggregate, be reasonably likely to have a material adverse effect, and the other party to the merger agreement must have performed in all material respects all of its obligations under the merger agreement, subject in each case to the parties rights to amend or waive any such conditions;

holders of no more than 5% of Century shares exercise dissenters' rights; and

the satisfaction of additional conditions customary in transactions of this type.

If the conditions to completion are satisfied or waived, Seacoast and Century presently contemplate that they will complete the merger on April 30, 2005.

Waiver and Amendment of the Merger Agreement (See page 37)

Nearly all of the conditions to completing the merger may be waived at any time prior to the effective time of the merger by the party for whose benefit they were intended. Any condition, however, which, if waived and not satisfied, would result in the violation of any law or regulation may not be waived by either party. No waiver is effective unless it is in writing and signed by the waiving party.

In addition, the parties may amend or supplement at any time the merger agreement by written agreement signed by each party. No amendment that reduces or modifies in any material way the merger consideration to be received is permitted after the approval of the merger agreement by Century's shareholders. The merger agreement may only be amended to the extent permitted by law.

Termination and Termination Fee Under the Merger Agreement (See page 38)

The merger agreement may be terminated by either Seacoast or Century, either before or after shareholder approval, under certain circumstances as described in detail later in this proxy statement. Century must pay Seacoast a termination fee of \$1.85 million if:

Seacoast terminates the merger agreement because Century's board of directors withdraws or changes its recommendation of the merger agreement;

Seacoast terminates the merger agreement because Century's board of directors recommends or approves an acquisition transaction other than the Seacoast merger or negotiates or authorizes the negotiation with a third party of an acquisition proposal other than the Seacoast merger; or

if Century terminates the merger agreement because Century's board of directors has withdrawn or modified its recommendation of the Seacoast merger in favor of another acquisition proposal, and within 12 months of the termination of the merger agreement the other acquisition agreement is entered into or the proposal announced, provided in either case that the acquisition transaction is subsequently consummated.

Century's Directors and Executive Officers Have Interests in the Merger that Differ from Your Interests (See page 28)

The executive officers and directors of Century have interests in the merger that are in addition to their interests as shareholders of Century. The members of Century's board of directors knew about these additional interests and considered them when they adopted the merger agreement. These interests include, among others:

the expected continued employment of the officers and employees by Seacoast after the merger;

the provision of employee benefits to Century employees;

provisions in the merger agreement relating to director and officer liability insurance and the indemnification of officers and directors of Century for certain liabilities;

the payment of \$530,000 in change in control benefits to Century's chief executive officer, Michael W. Sheffey; and

employment agreements by and between Century's three executive officers and a wholly owned national bank subsidiary of Seacoast.

These interests are more fully described in this proxy statement under the heading "Interests of Certain Persons in the Merger."

Employee Benefits of Century Officers and Employees after the Merger (See page 35)

Seacoast has agreed to provide to former Century officers and employees generally the same employee health and welfare benefits as those currently offered by Seacoast to its similarly situated officers and employees. With respect to benefit plans, Seacoast also will give Century's officers and employees full credit for their years of service with Century, for both eligibility and vesting, except that prior service credit will not be considered in determining future benefits under Seacoast's retirement plans. Seacoast also will honor certain other existing employment, severance, consulting or other compensation contracts and plans disclosed by Century to Seacoast in connection with the merger agreement.

Differences in the Rights of Century Shareholders after the Merger (See page 42)

Century shareholders that receive Seacoast shares will become Seacoast shareholders, and their rights as shareholders after the merger will be governed by Florida law and by Seacoast's articles of incorporation and bylaws. The rights of Seacoast shareholders are different in certain respects from the rights of Century

shareholders. Some of the principal differences are described later in this proxy statement under Certain Differences in Rights of Shareholders.

Accounting Treatment (See page 30)

Seacoast intends to account for the merger as a purchase transaction for accounting and financial reporting purposes under accounting principles generally accepted in the United States of America, or GAAP.

RISK FACTORS

In addition to the other information included in this proxy statement, you should carefully consider the risks described below in determining whether to adopt and approve the merger agreement.

Risks Related to the Merger

You may not receive the form of merger consideration that you elect or desire.

Under the merger agreement, Seacoast is not required to pay more than \$15,693,342 in cash to holders of Century common stock and holders of options to purchase shares of Century common stock. In addition, Seacoast is not required to issue more than 1,506,160 shares of its common stock to holders of Century common stock in exchange for their shares. If you elect to receive cash for all or a certain number of shares of your Century common stock and the available cash is oversubscribed, then you will receive a portion of your elected merger consideration in shares of Seacoast common stock. If you elect to receive Seacoast common stock for all or a certain number of shares your Century common stock and the available Seacoast common stock is oversubscribed, then you will receive a portion of your elected merger consideration in cash. See *The Merger Agreement – What Century Shareholders Will Receive in the Merger* and *Material Federal Income Tax Consequences of the Merger*.

If you receive a different form of consideration than you elected, the tax consequences to you may be different than they would have been had you received the exact form of merger consideration you elected, including the possible recognition of taxable gain or loss to the extent cash is received. You should consult with your tax advisor prior to voting for the merger and making an election to receive cash and/or Seacoast common stock in exchange for your Century common stock.

Because the market price of Seacoast common stock may fluctuate, you cannot be sure of the market value of the Seacoast common stock that you will receive as stock consideration in the merger.

Upon completion of the merger, the issued and outstanding shares of Century common stock will be converted into the right to receive a combination of cash (without interest) and shares of Seacoast common stock pursuant to the terms of the merger agreement. The value of the portion of the merger consideration that will be paid in shares of Seacoast common stock may differ from the price of Seacoast common stock on the date that this document is mailed to Century shareholders and on the date of the meeting of Century shareholders. Any change in the price of Seacoast common stock prior to completion of the merger may affect the value of the total consideration that a Century shareholder will receive upon completion of the merger.

Stock price changes may result from a variety of factors, including, without limitation, general market and economic conditions, changes in the values and perceptions of financial services stocks generally, changes in Seacoast's business, operations and prospects, and regulatory considerations. The value of the shares of Seacoast common stock received by a Century shareholder may decline immediately after, including as a result of, the completion of the merger.

Combining our two companies may be more difficult, costly or time-consuming than we presently expect.

Seacoast and Century have operated, and, until completion of the merger, will continue to operate, independently. It is possible that the integration process could result in the loss of key employees or disruption of each company's ongoing business, or inconsistencies in standards, controls, procedures and policies that adversely affect our ability to maintain relationships with clients and employees or to achieve the anticipated benefits of the merger. As with any merger of banking institutions, there also may be business disruptions and a greater focus by competitors on seeking Century's customers or employees that cause us to lose customers or employees. Seacoast expects to seek to increase Century's loan volume to increase its profitability, and all credit extensions value risks of possible loss. There can be no assurance that we will realize the anticipated benefits of the merger, or that our future combined operations will not be harmed as the result of the merger.

Table of Contents

Your tax consequences of the merger will be dependent on the type of merger consideration received.

Your tax consequences of the merger will be dependent on the type of merger consideration that you receive, regardless of your election. You generally will not recognize any gain or loss on the exchange of shares of Century common stock solely for shares of Seacoast common stock. However, you generally will be taxed to the extent you receive cash in exchange for your shares of Century common stock or any fractional share of Seacoast common stock that you would otherwise be entitled to receive. See Material Federal Income Tax Consequences of the Merger.

The market price of Seacoast common stock after the merger may be affected by factors different from those currently affecting Century and/or Seacoast common stock.

The businesses of Seacoast and Century differ in some respects and, accordingly, the results of operations of the combined company following the merger, as well as the market price of the combined company's shares of common stock, may be affected by factors different from those currently affecting the independent results of operations of each of Seacoast and Century. For a discussion of the business of Seacoast, and of certain factors to consider in connection with this business, see the documents incorporated by reference in this proxy statement and referred to under Where You Can Find More Information.

The merger agreement limits Century's ability to pursue alternatives to the merger.

The merger agreement contains provisions that limit Century from discussing competing third-party proposals to acquire all or a significant part of Century, and subject to their fiduciary duties, each Century director and executive officer has agreed to vote his or her shares of Century common stock in favor of the merger. In addition, Century has agreed to pay Seacoast a termination fee of \$1.85 million if the transaction is terminated because Century decides to pursue another acquisition transaction, or as the result of certain other factors. These provisions might discourage a potential competing acquiror that might have an interest in acquiring all or a significant part of Century from considering or proposing that acquisition to Century, even if it were prepared to pay consideration with a higher per share market price than that proposed in this merger, or might result in a potential competing acquiror proposing to pay a lower per share price to acquire Century than it might otherwise have proposed to pay. See The Merger Agreement General and The Merger Agreement Termination of the Merger; Termination Fees.

Certain Century executive officers have interests in the merger other than their interests as shareholders.

Certain Century executive officers have interests in the merger other than their interests as shareholders. The board of directors of Century was aware of these interests at the time it approved the merger. These interests may cause Century's directors and executive officers to view the merger proposal differently than you may view it. You should consider these interests among the other information in this proxy statement that you consider. See The Merger Interests of Certain Persons in the Merger.

Risks Related to Owning Seacoast Common Stock

Future acquisitions and expansion activities by Seacoast may disrupt Seacoast's business, dilute shareholder value and adversely affect its operating results.

Seacoast regularly evaluates possible mergers, acquisitions and other expansion opportunities. To the extent that Seacoast grows through acquisitions, Seacoast cannot assure you that it will be able to adequately or profitably manage this growth. Acquiring other banks, branches or businesses, as well as other geographic and product expansion activities, involves various risks, including:

risks of unknown or contingent liabilities;

unanticipated costs and delays of integrating businesses;

Table of Contents

risks that acquired new businesses do not perform consistent with Seacoast's growth and profitability expectations, including the risks of failure to achieve expected gains, loans and deposit growth, revenue growth and/or expense earnings from such transactions;

risks of entering new markets or product areas where Seacoast has limited experience;

risks that growth will strain Seacoast's infrastructure, staff, internal controls and management, which may require additional personnel, time and expenditures;

exposure to potential asset quality issues with acquired institutions;

difficulties, expenses and delays of integrating the operations and personnel of acquired institutions, and start-up delays and costs of other expansion activities;

potential disruptions to Seacoast's business;

possible loss of key employees and customers of acquired institutions;

potential short-term decreases in profitability; and

diversion of Seacoast's management's time and attention from its existing operations and business.

Seacoast is required to maintain capital to meet regulatory requirements, and if it fails to maintain sufficient capital, its financial condition, liquidity and results of operations would be adversely affected.

Seacoast and its subsidiaries must meet regulatory capital requirements. If Seacoast fails to meet these capital and other regulatory requirements, Seacoast's financial condition, liquidity and results of operations would be materially and adversely affected. The failure of Seacoast to remain well capitalized for regulatory purposes and maintain its capital requirements could affect customer confidence, its ability to grow, its costs of funds and FDIC insurance, its ability to raise brokered deposits, its ability to pay dividends on common stock and its ability to make acquisitions.

Attractive acquisition opportunities may not be available to Seacoast in the future.

Seacoast may continue to consider the acquisition of other businesses. However, it may not have the opportunity to make suitable acquisitions on favorable terms in the future, which could adversely affect Seacoast's growth. Seacoast expects that other banking and financial companies, some of which have significantly greater resources, will compete with Seacoast to acquire financial services businesses, increasing prices for potential acquisitions that Seacoast believes are attractive. Also, acquisitions are subject to various regulatory approvals. If Seacoast fails to receive the appropriate regulatory approvals, it will not be able to consummate an acquisition that it believes is in Seacoast's best interests. Among other things, Seacoast's regulators consider its capital, liquidity, profitability, regulatory compliance and levels of goodwill and intangibles when considering acquisition and expansion proposals.

Seacoast's profitability and liquidity may be affected by changes in interest rates and economic conditions.

Seacoast's profitability depends upon net interest income, which is the difference between interest earned on assets, and interest expense on interest-bearing liabilities, such as deposits and borrowings. Net interest income will be adversely affected if market interest rates change such that the interest Seacoast pays on deposits and borrowings increases faster than the interest earned on loans and investments. Interest rates, and consequently Seacoast's results of operations, are affected by general economic conditions (domestic and foreign) and fiscal and monetary policies. Monetary and fiscal policies may materially affect the level and direction of interest rates. Beginning in June 2004, the Federal Reserve has raised rates six times for a total of 1.50%. Increases in interest rates generally decrease the market values of interest-bearing investments and loans held and the production of mortgage and other loans, and therefore may adversely affect Seacoast's liquidity and earnings.

Table of Contents

Seacoast's future success is dependent on its ability to compete effectively in highly competitive markets.

Seacoast and its subsidiaries operate in the highly competitive markets of Martin, St. Lucie, Indian River and Palm Beach Counties, all of which are located in southeastern Florida. Seacoast's future growth and success will depend on its ability to compete effectively in this environment. Seacoast competes for loans, deposits and other financial services in its geographic markets with other local, regional and national commercial banks, thrifts, credit unions, mortgage lenders, and securities and insurance brokerage firms. Many of Seacoast's competitors offer products and services different from Seacoast, and have substantially greater resources, name recognition and market presence than Seacoast does, which benefits them in attracting business. In addition, larger competitors may be able to price loans and deposits more aggressively than Seacoast and have far broader customer and geographic bases to draw upon.

Seacoast operates in a heavily regulated environment.

Seacoast and its subsidiaries are regulated by several regulators, including the Federal Reserve, the OCC and the Federal Deposit Insurance Corporation. The success of Seacoast is affected by state and federal regulations affecting banks, bank holding companies and the securities markets. Banking regulations are primarily intended to protect depositors, not shareholders. The financial services industry also is subject to frequent legislative and regulatory changes and proposed changes, the effects of which cannot be predicted.

Seacoast is subject to new internal control reporting requirements that increase its compliance costs and failure to comply timely could adversely affect Seacoast's reputation and the values of its securities.

Seacoast is required to comply with various corporate governance and financial reporting requirements under the Sarbanes-Oxley Act of 2002, as well as new rules and regulations adopted by the SEC, the Public Company Accounting Oversight Board and Nasdaq. In particular, Seacoast is required to include management and independent auditor reports on internal controls as part of its annual report on Form 10-K pursuant to Section 404 of the Sarbanes-Oxley Act. Seacoast has evaluated its controls, including compliance with the SEC rules on internal controls, and has and expects to continue to spend significant amounts of time and money on compliance with these rules. Seacoast's failure to comply with these internal control rules may materially adversely affect its reputation, ability to obtain the necessary certifications to financial statements, and the values of its securities. At December 31, 2004, Seacoast had identified one material weakness in its financial reporting controls related to the documentation of an interest rate swap as a hedge.

Technological changes affect Seacoast's business, and Seacoast may have fewer resources than many competitors to invest in technological improvements.

The financial services industry is undergoing rapid technological changes with frequent introductions of new technology-driven products and services. In addition to serving clients better, the effective use of technology may increase efficiency and may enable financial institutions to reduce costs. Seacoast's future success will depend, in part, upon its ability to use technology to provide products and services that provide convenience to customers and to create additional efficiencies in operations. Seacoast may need to make significant additional capital investments in technology in the future, and it may not be able to effectively implement new technology-driven products and services. Many competitors have substantially greater resources to invest in technological improvements.

Seacoast's ability to continue to pay dividends to shareholders in the future is subject to profitability, capital and liquidity and regulatory requirements.

Cash available to pay dividends to Seacoast's shareholders is derived primarily from dividends paid to Seacoast by its subsidiaries. The ability of the subsidiaries to pay dividends, as well as Seacoast's ability to pay dividends to its shareholders, will continue to be subject to and limited by the results of operations of Seacoast's subsidiaries and its need to maintain appropriate liquidity and capital.

Table of Contents

Seacoast may issue additional securities, which could affect the market price of its common stock and dilute your ownership.

Seacoast may issue additional securities to raise capital, support growth or make acquisitions. Seacoast has made and expects to continue to make grants of stock options and restricted stock to retain and motivate employees. Upon the exercise or conversion of outstanding options and the vesting of restricted stock, the ownership interest of Seacoast's shareholders could be diluted. Sales of a substantial number of shares of Seacoast common stock after the merger, or the perception by the market that those sales could occur, could cause the market price of Seacoast's common stock to decline or could make it more difficult for Seacoast to raise capital through the sale of common stock or to the use of Seacoast's common stock as currency in future acquisitions.

Seacoast intends to fund the cash portion of the merger consideration through borrowings, which may adversely affect its liquidity and financial condition.

On January 18, 2005, Seacoast amended its revolving loan agreement with SunTrust Bank, increasing the amount available to Seacoast for borrowing from \$5 million to \$15 million. Historically, Seacoast has had no outstanding borrowings under this loan. In connection with the merger, Seacoast may borrow, on a short-term basis, approximately \$5 million under this loan to finance the cash consideration to be paid to Century shareholders. Seacoast's Board of Directors has also approved the issuance of \$15 to \$30 million of trust preferred securities and related senior subordinated debentures, the proceeds of which will be used to fund part of the cash portion of the merger consideration, with the balance used to support Seacoast's growth and capital adequacy, and for general corporate purposes. As a result, Seacoast will be required to use a portion of its future cash flows, primarily received in the form of dividends from its subsidiaries, to make payments on its outstanding debt securities. These payments will reduce the funds that Seacoast would otherwise have available to fund its operations and other capital expenditures. In addition, the increased leverage of Seacoast may make Seacoast more vulnerable to economic downturns and competitive pressures, and could negatively affect Seacoast's liquidity and financial condition.

Future potential debt incurred by Seacoast or future debt or preferred stock issues by Seacoast may negatively affect holders of common stock.

Any debt that Seacoast may incur or any debt or preferred securities that Seacoast may issue in the future will have a senior claim on Seacoast's assets relative to its common shareholders. Therefore, in the event of Seacoast's bankruptcy, liquidation or dissolution, its assets must be used to pay off debt and preferred obligations in full before making any distributions to Seacoast's common shareholders.

The anti-takeover provisions in Seacoast's articles of incorporation and under Florida law may make it more difficult for takeover attempts that have not been approved by Seacoast's board of directors.

Florida law and Seacoast's articles of incorporation include anti-takeover provisions, such as provisions relating to persons who acquire prescribed amounts of Seacoast common stock and supermajority voting and quorum requirements, which may make more difficult and more expensive any takeover attempts and other acquisitions of interests in Seacoast that have not been approved by Seacoast's board of directors. These provisions may discourage possible business combinations that a majority of Seacoast's shareholders may believe to be desirable and beneficial. See "Certain Differences in Rights of Shareholders."

These forward-looking statements may not be realized due to a variety of factors, including, without limitation, those described under Risk Factors in this proxy statement and the following:

the effects of future economic or business conditions;

governmental monetary and fiscal policies, as well as legislative and regulatory changes, especially as they relate to financial institutions and/or public companies;

the risks of changes in interest rates on the level and composition of deposits, loan demand, and the values of loan collateral, securities, and interest sensitive assets and liabilities;

credit risks of borrowers;

the effects of competition from other commercial banks, thrifts, mortgage banking firms, consumer finance companies, credit unions, securities brokerage firms, insurance companies, money market and other mutual funds and other financial institutions, including institutions operating regionally, nationally and internationally, together with such competitors offering banking products and services by mail, telephone, computer and the Internet;

the failure of assumptions underlying the establishment of reserves for possible loan losses;

the risks of mergers and acquisitions, including, without limitation, transaction costs, the risks that the acquired businesses (including the acquisition of Century) will not be integrated successfully or such integration may be more difficult, time-consuming or costly than expected, the risk that expected revenue or cost synergies may or may not be timely or fully realized, and the risk that revenues following the merger may be lower than expected, and that past acquisition costs are higher than expected;

we may experience deposit attrition in the Orlando market following the merger, and changes in the deposit mix and costs and other operating costs with respect to the Orlando market operations may differ or change from expectations;

increased competitive pressures and solicitations of Century's customers by competitors, as well as the difficulties and risks inherent in increasing the volume of loans in the highly competitive Orlando market;

the possible risks of customer and employee loss and business disruption resulting from the merger, including, without limitation, difficulties in maintaining relationships with employees, and these risks being greater than presently expected;

the risk of obtaining necessary regulatory approvals of the merger on the proposed terms and schedule; and

the failure of Century's shareholders to approve the merger.

All written or oral forward-looking statements attributable to Seacoast or Century are expressly qualified in their entirety by this Warning, including, without limitation, those risks and uncertainties described in Seacoast's annual report on Form 10-K for the year ended December 31, 2004 under Special Cautionary Notice Regarding Forward Looking Statements, and otherwise in Seacoast's reports and filings with the Securities and Exchange Commission.

THE CENTURY NATIONAL BANK SPECIAL MEETING

Purpose of the Meeting

You have received this proxy statement because the board of directors of Century is soliciting your proxy for the meeting of Century shareholders to be held on April 29, 2005 at Hotel Orlando North, 600 N. Lake Destiny Drive, Maitland, Florida 32751 at 9:00 A.M. Eastern Time. Each copy of this proxy statement mailed to holders of Century common stock is accompanied by a proxy card for use at the meeting.

The purpose of the meeting is to consider and vote upon:

the agreement and plan of merger, dated November 30, 2004, by and among Seacoast Banking Corporation of Florida, a subsidiary of Seacoast and Century National Bank, pursuant to which Seacoast will acquire Century through the merger of Century with and into a wholly owned national bank subsidiary of Seacoast; and

any other matters that are properly brought before the meeting.

If you have not already done so, please complete, date and sign the accompanying proxy card and return it promptly in the enclosed, postage paid envelope. If you do not vote, by either signing and returning your proxy card or attending and voting at the meeting, your shares will not be voted at the meeting. This will have the same effect as voting your shares against the merger, although this will not perfect your dissenters' rights.

Record Date; Quorum and Vote Required

The record date for the meeting is March 24, 2005. Century shareholders of record as of the close of business on that day will receive notice of the meeting and will be entitled to vote at the meeting. As of March 24, 2005, there were 1,565,929 shares of Century common stock issued and outstanding and entitled to vote at the meeting, held by approximately 455 holders of record.

The presence, in person or by proxy, of a majority of the outstanding shares of Century common stock is necessary to constitute a quorum at the meeting. To determine the presence of a quorum at the meeting, Century will count as present at the meeting the shares of Century common stock present in person but not voting and the shares of common stock for which Century has received proxies but with respect to which the holders of such shares have abstained from voting.

The National Bank Act requires that the merger agreement be approved by the affirmative vote of the holders of two-thirds of the outstanding shares of Century common stock. Therefore, the presence, in person or by proxy, of at least two-thirds of the shares of Century common stock (1,043,953 shares) entitled to vote on the merger agreement, and the affirmative vote of such shares, is necessary to approve the merger agreement. Each individual share of Century common stock outstanding on March 24, 2005 entitles its holder to one vote on the merger agreement and any other proposal that may properly come before the meeting.

As of December 31, 2004, 421,760 shares of Century common stock, or approximately 26.96% of the total shares of Century common stock outstanding, were beneficially owned and entitled to be voted by the directors and executive officers of Century. Century's directors and L. Virgil Schenck, IV have entered into shareholder agreements with Seacoast whereby they have agreed to vote in favor of the merger agreement, subject to exercising their fiduciary duties.

Solicitation and Revocation of Proxies

If you have delivered a proxy for the meeting, you may revoke it any time before it is voted by:

providing Century's secretary written notice revoking your proxy prior to the date of the meeting;

providing Century's secretary, prior to the date of the meeting, a signed proxy card dated later than your initial proxy; or

attending the meeting and voting in person.

Table of Contents

Attendance at the meeting will not, by itself, revoke a proxy.

The proxy holders will vote as directed all proxy cards that are received at or prior to the meeting and that have not been effectively revoked. If you complete, date and sign your proxy card but do not provide instructions as to your vote, then the proxy holders will vote your shares **FOR** approval of the merger agreement. If any other matters are properly presented at the meeting for consideration, the persons named in the proxy card will have discretionary authority to vote on those matters. Century's board of directors is not aware of any matter to be presented at the meeting other than the proposal to approve the merger agreement.

If a shareholder holds shares of Century common stock in a broker's name (sometimes referred to as ownership in street name or nominee name), then the shareholder must provide voting instructions to the broker. If the shareholder does not provide instructions to the broker, then the shares will not be voted on any matter on which the broker does not have discretionary authority to vote, which includes the vote on the merger. A vote that is not cast for this reason is called a broker non-vote. For purposes of the vote on the merger agreement, a broker non-vote is the same as a vote against the merger agreement, although this will not perfect your dissenters' rights. For purposes of the vote on other matters properly brought at the meeting, broker non-votes will not be counted as votes for or against such matter or as abstentions on such matter.

Century will bear the cost of soliciting proxies from its shareholders, except that Century and Seacoast will each bear and pay one-half of the filing fees and printing costs payable in connection with this proxy statement. Century will solicit shareholder votes by mail, and possibly by telephone or other means of telecommunication. Directors, officers and employees of Century may also solicit shareholder votes in person. If these individuals solicit your vote in person, they will receive no additional compensation for doing so. Century will reimburse brokerage firms and other persons representing beneficial owners of shares for their reasonable expenses in forwarding solicitation materials to those beneficial owners.

Century shareholders should not send any stock certificates with their proxy cards. If the merger agreement is approved, Century shareholders will receive instructions for exchanging their stock certificates and making such elections after the merger has been completed.

Dissenters' Rights

Century shareholders have dissenters' rights with respect to the merger under the National Bank Act, as set forth in the United States Code. Shareholders who wish to assert their dissenters' rights by voting against the merger or giving written notice to Century at or prior to the meeting to Century that they are exercising their dissenters' rights, and who comply with the procedural requirements of Title 12 Section 215a of the United States Code, will be entitled to receive the value of their shares in cash in accordance with federal law. For more information regarding the exercise of these rights, see Dissenters' Rights.

Recommendations of the Board of Directors of Century

The Century board of directors has unanimously adopted the merger agreement and believes that the merger is fair to, and in the best interests of, Century and its shareholders. The Century board of directors unanimously recommends that its shareholders vote **FOR** approval of the merger agreement. In making their recommendation to shareholders, Century's board of directors considered, among other things, (i) the value of the consideration to be received by Century shareholders in the merger, (ii) that Seacoast common stock has a liquid trading market and that Seacoast historically has paid cash dividends on its shares, (iii) certain financial and other information concerning Seacoast and its market area, and (iv) the fairness opinion of KBW, which concludes that the merger consideration in the merger is fair to Century's shareholders from a financial point of view. See The Merger Background of the Merger and The Merger Opinion of Keefe, Bruyette & Woods, Inc.

THE MERGER

This section of the proxy statement summarizes certain aspects of the merger. The following description is not intended to include every aspect of the merger, but rather contains only what we presently believe to be the most significant terms of the merger. This discussion is qualified in its entirety by reference to the merger agreement and the opinion of KBW, Century's financial advisor, which are attached as Appendices A and C to this proxy statement, respectively, and are incorporated herein by reference. We urge you to read these documents as well as the related discussions in this proxy statement carefully.

General

If the shareholders of Century approve the merger agreement and the other conditions to the consummation of the merger are satisfied, Seacoast will acquire Century pursuant to the merger of Century with and into a wholly owned national bank subsidiary of Seacoast. Seacoast will exchange shares of Seacoast common stock, cash (without interest) or a combination of cash and Seacoast common stock, plus cash instead of any fractional Seacoast share, for the outstanding shares of Century common stock as to which dissenters' rights have not been exercised and perfected (other than treasury shares and shares held by Seacoast and its subsidiaries or Century, all of which shares will be cancelled in the merger). Each share of Seacoast common stock issued and outstanding immediately prior to the effective date of the merger will remain issued and outstanding and unchanged as a result of the merger.

Background of the Merger

From time to time over the past several years, the directors of Century, during regularly scheduled board of directors' meetings, discussed the business and prospects of Century, conditions in the business and community banking market in Florida, and the merger activity among financial institutions in the state. In addition, during this time, Century was approached on an unsolicited basis by several companies who expressed moderate to serious interest in acquiring Century. In 2003, the board of directors retained a financial advisor to solicit indications of interest in a possible acquisition transaction with Century. No agreements were entered into as a part of that process.

During 2003 and 2004, Century's board of directors continued to keep apprised of trends and developments in the financial institutions industry. In early 2004, Century also assessed the changes that it would need to make to its organization, and expenses that it might incur as a result of increasingly complicated regulatory and corporate governance compliance requirements, including the Sarbanes-Oxley Act of 2002. Prior to incurring such additional expenses, the board of directors desired to assess Century's prospects in light of prevailing market conditions. In August 2004, KBW met with Century to discuss the marketing of Century and information regarding the banking industry and market conditions in general. KBW also discussed bank holding companies that, in its opinion, could have an interest in acquiring Century and had the necessary financial resources and possible synergies to carry out the transaction and to obtain regulatory approvals. Century engaged KBW to market Century to qualified bank holding companies. Although no final decision was made regarding a sale transaction involving Century, KBW was authorized to solicit indications of interest that might warrant serious consideration and potentially result in an acquisition or merger transaction involving Century that would be on terms attractive to Century and its shareholders. KBW, with the assistance of Century's management, prepared a confidential memorandum providing, among other things, an overview of Century's history and financial information. The memorandum was intended for distribution to select financial institutions to explore more formally their interest in acquiring Century.

KBW commenced the marketing of Century in September 2004. In November 2004, KBW discussed with Century written expressions of interest reflecting specific ranges of value for Century that had been received from several bank holding companies. Following this discussion, Century decided to negotiate with Seacoast relating to its proposal. Accordingly, Century, with the assistance of its financial and legal advisors, commenced negotiation of a definitive agreement with Seacoast that would be brought back to Century's board of directors for review and consideration. From November 13, 2004 through November 24, 2004, Seacoast and Century conducted due diligence reviews on each other. During the last two weeks of November

Table of Contents

2004, Century and Seacoast representatives also negotiated the terms of the merger agreement. The merger agreement was reviewed and approved by the board of directors of Century at meetings held on November 29 and 30, 2004. At these meetings, legal counsel presented in general terms to Century's directors the fiduciary obligations of directors in sales of financial institutions and commented on the form of the merger agreement, on the agreements to be entered into between the Century directors and Seacoast, on the employment agreements to be entered into between certain of Century's executive officers and Seacoast, and on other related issues. At the November 29, 2004 meeting, a representative of KBW reviewed the financial aspects of the merger, and, on November 30, 2004, KBW rendered an oral opinion that the merger consideration was fair to the shareholders of Century from a financial point of view. On November 30, 2004, Century's board unanimously approved the merger agreement and the transactions contemplated thereby. Century's management also was authorized to sign the merger agreement, and the merger agreement was executed by Seacoast and Century effective November 30, 2004.

Reasons for the Merger

General

The financial and other terms of the merger agreement resulted from arm's-length negotiations between Seacoast and Century representatives. The Seacoast and Century boards of directors considered many factors in determining the amount and form of consideration Century shareholders would receive in the merger. Those factors included:

the comparative financial condition, results of operations, current business and future prospects of Seacoast and Century; and

the trading price and historical earnings per share of Seacoast common stock and Century common stock.

Seacoast's reasons for the merger

Seacoast's business strategy has focused for many years on building market share in the Treasure Coast region of Florida. The Treasure Coast includes Martin, St. Lucie and Indian River Counties, Florida and has a population of approximately 500,000 people, according to the U.S. Census Bureau's website. The region's population is growing at a rate faster than the population of Florida as a whole and includes some of Florida's wealthiest communities. Seacoast offers a full range of banking products, including brokerage and trust services to individuals and businesses in its markets and today has more offices than any other financial institution in the Treasure Coast and a deposit market share that ranks fourth among community banks and all other financial institutions doing business in the Treasure Coast according to the FDIC's website.

In recent years, Seacoast has expanded into larger markets outside of the Treasure Coast in order to continue to produce superior growth and in particular improve its growth rates for commercial, professional and small business deposits and loans. Seacoast now operates offices in Palm Beach County, Florida, south of the Treasure Coast, and Brevard County, Florida, north of the Treasure Coast. Each of these market areas has a larger population than the Treasure Coast and is home to significant numbers of small- and medium-sized businesses. Seacoast has found that its relationship approach to building its commercial business and its lending capacity, which is greater than that found in most community banks, have been competitive advantages in these larger markets.

In deciding to pursue an acquisition of Century, Seacoast's management and board of directors considered, among other things, the following:

the high growth rates and strong demographics of the Orlando market;

Century's success in building its business banking customer base in the Orlando market and its compatible relationship banking philosophy; and

the potential for strategic synergies and additional growth given, among other things, the larger lending capacity when combined with Seacoast.

Table of Contents

Expanding into the Orlando market further increases Seacoast's opportunity to capture business in Florida's fastest growing market areas. Moreover, the acquisition will allow Seacoast to further its own lending capacity and continue to enlarge its relationships.

Century's reasons for the merger

On November 30, 2004, Century's board of directors voted unanimously to approve and adopt the merger agreement. The board believes that the merger and the terms of the merger agreement are fair and in the best interests of Century and its shareholders and unanimously recommends that each shareholder vote to approve the merger agreement.

In reaching its decision to adopt and recommend the approval of the merger agreement, Century's board of directors considered a number of factors, including, but not limited to, the following:

the value of the consideration to be received by Century shareholders relative to the book value and earnings per share of Century common stock;

information concerning Seacoast's financial condition, results of operations and business prospects;

the financial terms of recent business combinations in the financial services industry and a comparison of the multiples of selected combinations with the terms of the proposed merger with Seacoast;

the opinion of KBW that the consideration to be received by Century shareholders in the merger is fair from a financial point of view;

the fact that the merger will enable Century shareholders to exchange their relatively illiquid shares of Century common stock for the shares of a bank holding company, the stock of which is publicly traded, and the fact that the acquisition of Seacoast common stock will be tax-free to shareholders;

that Seacoast historically has paid cash dividends on its common stock, as compared to Century, which has not paid any dividends;

the alternatives to the merger, including remaining an independent institution;

the strategic synergies of the merger, including expanded range of banking services that the merger will allow Century to provide its customers; and

the competitive and regulatory environment for financial institutions, generally.

The foregoing discussion of the information and factors considered is not intended to be exhaustive, but includes some of the most material factors considered. In view of the variety of factors considered in connection with its evaluation of the transaction, the board did not find it practicable to, and did not, quantify or otherwise assign relative weights to the specific factors considered in reaching its determinations and recommendations. Individual directors may have given differing weights to the specific factors considered in reaching the foregoing determinations and recommendations, and individual directors may have given different weights to different factors.

Each member of Century's board of directors has indicated that he intends to vote his shares of Century common stock in favor of the merger agreement.

Century's Board of Directors Unanimously Recommends that Century Shareholders Vote FOR the Proposal to Approve the Merger Agreement.

Opinion of Keefe, Bruyette & Woods, Inc.

Century engaged KBW to act as its exclusive financial advisor in connection with the merger. KBW agreed to assist Century in analyzing and effecting a transaction with Seacoast. Century selected KBW because KBW is a nationally recognized investment banking firm with substantial experience in the financial services industry and

transactions similar to the merger and is familiar with Century and its business. As part

Table of Contents

of its investment banking business, KBW is continually engaged in the valuation of financial services businesses and their securities in connection with mergers and acquisitions.

On November 29, 2004, Century's board of directors held a meeting to evaluate the proposed merger with Seacoast. At this meeting, KBW reviewed the financial aspects of the proposed merger. On November 30, 2004, KBW rendered an oral opinion that, as of that date, the merger consideration in the merger was fair to the shareholders of Century from a financial point of view.

The full text of KBW's written opinion is attached as Appendix C to this proxy statement and is incorporated herein by reference. Century's shareholders are urged to read the opinion in its entirety for a description of the procedures followed, assumptions made, matters considered, and qualifications and limitations on the review undertaken by KBW.

KBW's opinion is directed to Century's board of directors and addresses only the fairness, from a financial point of view, of the merger consideration to the Century shareholders. It does not address the underlying business decision to proceed with the merger and does not constitute a recommendation to any Century shareholder as to how the shareholder should vote at the Century meeting on the merger or any related matter.

In rendering its opinion, KBW:

reviewed, among other things:
the merger agreement;

Century's annual reports to shareholders and annual reports on Form 10-KSB for the three years ended December 31, 2003, 2002 and 2001;

Seacoast's annual reports to shareholders and annual reports on Form 10-K for the three years ended December 31, 2003, 2002 and 2001;

certain of Century's interim reports to shareholders and quarterly reports on Form 10-QSB and certain other communications to its shareholders,

certain of Seacoast's interim reports to shareholders and quarterly reports on Form 10-Q and certain other communications to its shareholders; and

other financial information concerning the businesses and operations of Century and Seacoast furnished to KBW by Century and Seacoast for purposes of KBW's analysis;
held discussions with members of senior management of Century and Seacoast regarding:
past and current business operations;

regulatory relationships;

financial condition; and

future prospects of the respective companies;
reviewed the market prices, valuation multiples, publicly reported financial condition and results of operations for Seacoast and compared them with those of certain publicly traded companies that KBW deemed to be relevant;

reviewed the publicly reported financial condition and results of operations for Century and compared them with those of certain companies that KBW deemed to be relevant;

compared the proposed financial terms of the merger with the financial terms of certain other transactions that KBW deemed to be relevant; and

performed other studies and analyses that it considered appropriate.

Table of Contents

In conducting its review and arriving at its opinion, KBW relied upon and assumed the accuracy and completeness of all of the financial and other information provided to or otherwise made available to KBW or that was discussed with, or reviewed by or for KBW, or that was publicly available. KBW did not attempt or assume any responsibility to verify such information independently. KBW relied upon the management of Century as to the reasonableness and achievability of the financial and operating forecasts and projections (and assumptions and bases therefor) provided to KBW. KBW assumed, without independent verification, that the aggregate allowances for loan and lease losses for Seacoast and Century are adequate to cover those losses. KBW did not make or obtain any evaluations or appraisals of any assets or liabilities of Seacoast or Century, and KBW did not examine any books and records or review individual credit files.

The projections furnished to KBW and used by it in certain of its analyses were prepared by Century's senior management. Century does not publicly disclose internal management projections of the type provided to KBW in connection with its review of the merger. As a result, such projections were not prepared with a view towards public disclosure. The projections were based on numerous variables and assumptions that are inherently uncertain, including factors related to general economic and competitive conditions. Accordingly, actual results could vary significantly from those set forth in the projections.

For purposes of rendering its opinion, KBW assumed that, in all respects material to its analyses:

the merger will be completed substantially in accordance with the terms set forth in the merger agreement;

the representations and warranties of Seacoast and Century in the merger agreement and in all related documents and instruments referred to in the merger agreement are true and correct;

each party to the merger agreement and all related documents will perform all of the covenants and agreements required to be performed by such party under such documents;

all conditions to the completion of the merger will be satisfied without any waivers; and

in the course of obtaining the necessary regulatory, contractual, or other consents or approvals for the merger, no restrictions, including any divestiture requirements, termination or other payments or amendments or modifications, will be imposed that will have a material adverse effect on the future results of operations or financial condition of the combined entity or the contemplated benefits of the merger, including the cost savings, revenue enhancements and related expenses expected to result from the merger.

KBW further assumed that the merger will be accounted for as a purchase transaction under GAAP. KBW's opinion is not an expression of an opinion as to the prices at which shares of Century common stock or shares of Seacoast common stock will trade following the announcement of the merger or the actual value of the shares of common stock of the combined company when issued pursuant to the merger, or the prices at which the shares of common stock of the combined company will trade following the completion of the merger.

In performing its analyses, KBW made numerous assumptions with respect to industry performance, general business, economic, market and financial conditions and other matters, many of which are beyond the control of KBW, Century and Seacoast. Any estimates contained in the analyses performed by KBW are not necessarily indicative of actual values or future results, which may be significantly more or less favorable than suggested by these analyses. Additionally, estimates of the value of businesses or securities do not purport to be appraisals or to reflect the prices at which such businesses or securities might actually be sold. Accordingly, these analyses and estimates are inherently subject to substantial uncertainty. In addition, the KBW opinion was among several factors taken into consideration by the Century Board in making its determination to approve the merger agreement and the merger. Consequently, the analyses described below should not be viewed as determinative of the decision of the Century Board or management of Century with respect to the fairness of the merger consideration.

The following is a summary of the material analyses performed by KBW in connection with its November 30, 2004 opinion. The summary is not a complete description of the analyses underlying the KBW

Table of Contents

opinion or the presentation made by KBW to the Century board of directors, but summarizes the material analyses performed and presented in connection with such opinion. The preparation of a fairness opinion is a complex analytic process involving various determinations as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances. Therefore, a fairness opinion is not readily susceptible to partial analysis or summary description. In arriving at its opinion, KBW did not attribute any particular weight to any analysis or factor that it considered, but rather made qualitative judgments as to the significance and relevance of each analysis and factor. The financial analyses summarized below include information presented in tabular format. Accordingly, KBW believes that its analyses and the summary of its analyses must be considered as a whole and that selecting portions of its analyses and factors or focusing on the information presented below in tabular format, without considering all analyses and factors or the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of the process underlying its analyses and opinion. The tables alone do not constitute a complete description of the financial analyses.

Transaction Summary. KBW calculated the merger consideration to be paid as a multiple of Century's book value, latest twelve months' earnings, 2004 estimated earnings as provided by Century management and 2005 estimated earnings as provided by Century management. KBW also calculated the merger consideration to be paid as a Core Deposit Premium. Core Deposit Premium equals the difference between the aggregate merger consideration and Century's tangible equity divided by core deposits. Additionally, KBW has adjusted throughout its analyses the financial data to exclude any non-recurring income and expenses and any extraordinary items. The merger consideration was based on approximately a 70% stock and 30% cash mix with an aggregate cash amount of approximately \$15.7 million and 1,381,329 shares issued. These computations were based on Century's stated book value and tangible book value of \$18.5 million as of September 30, 2004, Century's latest twelve months' earnings of \$1.9 million as of September 30, 2004, Century's 2004 estimated earnings of \$2.2 million, Century's 2005 estimated earnings of \$3.0 million and core deposits of \$263.5 million as of September 30, 2004. Based on those assumptions and Seacoast's closing price on The Nasdaq National Market of \$22.08 on November 30, 2004, this analysis indicated Century shareholders would receive stock worth \$29.33 for each share of Century common stock held. This amount would represent 250% of book value, 24.8 times latest twelve months' earnings, 21.0 times estimated 2004 earnings, 15.2 times estimated 2005 earnings and a Core Deposit Premium of 10.5%.

Selected Transaction Analysis. KBW reviewed certain financial data related to 16 comparable Florida bank transactions announced since January 1, 2002 with deal values between \$40 million and \$200 million.

KBW compared multiples of price to various factors for the Seacoast merger to the same multiples for the comparable group's mergers at the time those mergers were announced. The results were as follows:

Comparable Transactions

	Median	Low	High	Seacoast Merger
Price/ Stated Book Value	293.2%	141.1%	479.9%	249.8%
Price/ Latest Twelve Months' Earnings Per Share	25.1x	16.8x	37.7x	24.8x
Core Deposit Premium	26.3	13.2	39.4	10.5

Table of Contents

KBW also analyzed Century's financial data for the period ended September 30, 2004 and the financial data of each of the other targets in the Selected Transactions Analysis for reporting periods prior to the announcement of each transaction for each target in the Selected Transactions Analysis. The results were as follows:

Comparable Targets

	Median	Low	High	Century*
Equity/ Assets	7.47%	6.12%	13.38%	6.43%
Non-Performing Assets/ Assets	0.18	0.00	1.34	0.00
Return on Average Assets (Year-to-Date Annualized)	1.01	0.53	2.07	0.88
Return on Average Equity (Year-to-Date Annualized)	13.15	5.94	18.81	13.28
Efficiency Ratio (Last Twelve Months)	63	44	76	48

* Century's data as of or for the three months ended September 30, 2004. Performance ratios annualized.

No company or transaction used as a comparison in the above analysis is identical to Seacoast, Century or the merger. Accordingly, an analysis of these results is not purely mathematical. Rather, it involves complex considerations and judgments concerning differences in financial and operating characteristics of the companies and other factors that could affect the value of the companies to which they are being compared.

Discounted Cash Flow Analysis. Using a discounted dividends analysis, KBW estimated the present value of the future stream of dividends that Century could produce over the next five years, under various circumstances, assuming Century performed in accordance with management's earnings forecast for 2005, maintains a return on average assets of 1.0% from 2006-2010 and experiences an annual asset growth of 10.0%. KBW then estimated the terminal values for Century stock at the end of the period by applying multiples ranging from 14.0x to 16.0x projected earnings in year six. The dividend streams and terminal values were then discounted to present values using different discount rates (ranging from 11.0% to 15.0%) chosen to reflect different assumptions regarding the required rates of return to holders or prospective buyers of Century common stock. This discounted dividend analysis indicated reference ranges of between \$24.17 and \$32.19 per share of Century common stock. These values compare to the consideration offered by Seacoast to Century in the merger of \$29.33 per share of Century common stock.

Relative Stock Price Performance. KBW also analyzed the price performance of Seacoast common stock from December 31, 2002 to November 30, 2004 and compared that performance to the performance of the Philadelphia Exchange/ Keefe, Bruyette & Woods Bank Index, which is referred to as the Keefe Bank Index, over the same period. The Keefe Bank Index is a market cap weighted price index composed of 24 major commercial and savings banks stocks. The Keefe Bank Index is traded on the Philadelphia Exchange under the symbol BKX. This analysis indicated the following cumulative changes in price over the period:

Seacoast	28.92%
Keefe Bank Index	35.25

Selected Peer Group Analysis. KBW compared the financial performance and market performance of Seacoast to those of a group of comparable holding companies. The comparisons were based on:

various financial measures, including:
earnings performance;

operating efficiency;

capital; and

asset quality; and

Table of Contents

various measures of market performance, including:
price to book value;

price to earnings; and

dividend yield.

To perform this analysis, KBW used the financial information as of and for the quarter ended September 30, 2004 and market price information as of November 30, 2004. The 10 companies in the peer group included publicly traded banks in Florida, Georgia and South Carolina with assets between \$750 million and \$5 billion. This peer group includes ABC Bancorp, Capital City Bank Group, Inc., Commercial Bankshares, Inc., Fidelity Southern Corporation, Main Street Banks, Inc., PAB Bankshares, Inc., SCBT Financial Corporation, Security Bank Corporation, TIB Financial Corp. and United Community Banks, Inc. KBW has adjusted throughout its analysis the financial data to exclude certain non-recurring income and expenses and any extraordinary items.

KBW's analysis showed the following concerning Seacoast's financial performance:

Selected Peer Group

	Median	Low	High	Seacoast

Contribution Analysis. KBW analyzed the relative contribution of each of Century and Seacoast to the pro forma balance sheet and income statement items of the combined entity, including assets, gross loans, deposits, equity, tangible equity, latest twelve months' earnings and estimated 2004 earnings. This analysis excluded any purchase accounting adjustments. The pro forma ownership analysis assumed the aggregate deal value was in the form of 70% Seacoast common stock and 30% cash and was based on Seacoast's closing price

of \$22.08 on The Nasdaq National Market on November 30, 2004. The results of KBW's analysis are set forth in the following table:

Financial Impact Analysis. KBW performed pro forma merger analyses that combined projected income statement and balance sheet information. Assumptions regarding the accounting treatment, acquisition adjustments and cost savings were used to calculate the financial impact that the merger would have on certain projected financial results of the pro forma company. This analysis indicated that the merger is expected to be accretive to Seacoast's estimated 2005 and 2006 GAAP earnings per share and estimated 2005 and 2006 cash earnings per share. This analysis was based on First Call's 2005 and 2006 published earnings estimates for Seacoast and estimated cost savings equal to 10.0% of Century's projected non-interest expenses. First Call is a data service that monitors and publishes a compilation of earnings estimates produced by selected research analysts regarding companies of interest to institutional investors. Century's 2005 earnings projections were provided by Century's management. KBW assumed 10% earnings growth over Century's 2005 projections to estimate Century's 2006 earnings. For all of the above analyses, the actual results achieved by the pro forma company following the merger will vary from the projected results and the variations may be material.

Other Analyses. KBW reviewed the relative financial and market performance of Seacoast and Century to a variety of relevant industry peer groups and indices. KBW also reviewed earnings estimates, historical stock performance, stock liquidity and research coverage for Seacoast.

The Century board of directors has retained KBW as an independent contractor to act as financial advisor to Century regarding the merger. As part of its investment banking business, KBW is continually engaged in the valuation of banking businesses and their securities in connection with mergers and acquisitions, negotiated underwritings, competitive biddings, secondary distributions of listed and unlisted securities, private placements and valuations for estate, corporate and other purposes. As specialists in the securities of banking companies, KBW has experience in, and knowledge of, the valuation of banking enterprises. In the ordinary course of its business as a broker-dealer, KBW may, from time to time, purchase securities from, and sell securities to, Seacoast. As a market maker in securities, KBW may from time to time have a long or short position in, and buy or sell, debt or equity securities of Seacoast for KBW's own account and for the accounts of its customers.

Century and KBW have entered into an agreement relating to the services to be provided by KBW in connection with the merger. Century has agreed to pay KBW at the time of closing a cash fee equal to 1.0% of the market value of the aggregate consideration offered in exchange for the outstanding shares of common stock of Century in the transaction. Pursuant to the KBW engagement agreement, Century also agreed to reimburse KBW for reasonable out-of-pocket expenses and disbursements incurred in connection with its retention and to indemnify against certain liabilities, including liabilities under the federal securities laws.

Interests of Certain Persons in the Merger

Some of Century's directors and executive officers have interests in the transaction in addition to their interests generally as shareholders of Century. Century's board of directors was aware of these interests and considered them, in addition to other matters, in approving the merger agreement.

Table of Contents

Timing and Manner of Elections; Surrender and Exchange of Stock Certificates

Holders of Century common stock who wish to elect the type of merger consideration they prefer to receive in the merger should carefully review and follow the instructions set forth in the enclosed form of election. These instructions require that a properly completed and signed form of election be received prior to the election deadline, which is 9:00 A.M. Eastern Time, on April 29, 2005.

If you fail to submit a completed form of election prior to the election deadline, you will be deemed to not have made an election. As a non-electing holder, you will be paid a value per share equivalent to the amount paid per share to holders making elections, but you may receive only cash, only Seacoast common stock, or a combination of cash and Seacoast common stock, depending on the remaining pool of cash and Seacoast common stock available for paying the merger consideration after honoring the cash and stock elections that other Century shareholders have made.

If the merger agreement is approved by Century's shareholders, at the effective time of the merger, Century shareholders receiving shares of Seacoast common stock in the merger will automatically become entitled to all of the rights and privileges afforded to Seacoast shareholders at that time. However, the actual physical exchange of Century common stock certificates for cash and certificates representing shares of Seacoast common stock will occur after the merger. Each Century stock certificate issued and outstanding immediately prior to the effective time of the merger and that will be exchanged for shares of Seacoast common stock in the merger will be deemed for all purposes to evidence ownership of shares of Seacoast common stock, regardless of when they are actually exchanged.

Continental Stock Transfer & Trust Company will serve as exchange agent for the merger. Following the completion of the merger, Seacoast will cause the exchange agent to deliver a letter of transmittal to each Century shareholder. You should carefully review and follow the instructions set forth in the letter of transmittal. You will be asked to complete the letter of transmittal and return it, together with your Century stock certificates (or properly completed notice of guaranteed delivery), to the exchange agent.

Century shareholders should not send in their Century common stock certificates until they have received the transmittal materials and further written instructions after the effective date of the merger. Please do NOT send any stock certificates with your proxy.

When the exchange agent receives your certificates of Century common stock, together with the properly completed transmittal materials, it will deliver to you the merger consideration, consisting of Seacoast common stock certificates, together with all withheld dividends or other distributions, but without interest thereon, and any cash payments due, including any cash payment for a fractional share, without interest.

Seacoast will not pay former shareholders of Century who become holders of Seacoast common stock pursuant to the merger any dividends or other distributions that may become payable to holders of record of Seacoast common stock following the effective time of the merger until they have surrendered their certificates evidencing their Century common stock, at which time Seacoast will pay any such dividends or other distributions, without interest.

Century shareholders who cannot locate their stock certificates are urged to contact promptly:

Century National Bank
65 North Orange Avenue
Orlando, Florida 32801
Attention: Jeffrey C. Jenkins
Telephone: (407) 515-6500

A new stock certificate will be issued to replace the lost certificate(s) only if the Century shareholder signs an affidavit certifying that his or her certificate(s) cannot be located and containing an agreement to indemnify Seacoast and the exchange agent as they may reasonably require against any claim that may be made against them by the owner of the certificate(s) alleged to have been lost or destroyed. The exchange agent may also establish other reasonable and customary procedures in connection with its duties.

Resale of Seacoast Common Stock

Seacoast is registering under the Securities Act the issuance of the shares of its common stock that will be exchanged in the merger. The shares will be freely transferable under the Securities Act, except for any shares received by Century shareholders who are affiliates of Century at the time of the meeting of Century's shareholders, and except for affiliates of Seacoast following the merger. Affiliates generally include, without limitation, directors, certain executive officers and beneficial holders of 10% or more of the common stock. The Century shareholders who are affiliates of Century as of the date of the meeting may only resell their shares pursuant to an effective registration statement under the Securities Act covering the shares, in compliance with Securities Act Rule 145 or under another exemption from the Securities Act's registration requirements. Shareholders who become affiliates of Seacoast following the merger may rely on the safe harbor provisions of Rule 144 for the resale of their shares, or another exemption from the requirements of the Securities Act. This proxy statement does not cover any resales of Seacoast's common stock by Seacoast or Century affiliates.

If you are or may be an affiliate as identified above, you should carefully consider the resale restrictions imposed by Rules 144 and 145, as applicable, before you attempt to transfer any shares of Seacoast common stock after the merger. Persons assumed to be affiliates of Century have entered into affiliate agreements with Seacoast not to sell shares of Seacoast common stock they receive in the merger in violation of the Securities Act or in any manner that would disqualify the merger from treatment as a tax-free reorganization.

Regulatory and Other Required Approvals

The merger is conditioned upon receipt of the necessary regulatory approvals from the OCC and the Federal Reserve, all of which have been received.

The applications are subject to a 15-day United States Department of Justice waiting period following each approval by the Federal Reserve and the OCC. During this waiting period, the Department of Justice could have objected to the merger on antitrust grounds. The waiting period following the Federal Reserve and OCC approvals has expired without any adverse action.

Accounting Treatment of the Merger

Seacoast will account for the merger as a purchase transaction under GAAP. Under the purchase method of accounting, the assets (including identifiable intangible assets) and liabilities (including executory contracts and other commitments) of Century will be recorded, as of completion of the merger, at their respective fair values and added to those of Seacoast. Any excess of purchase price over the net fair value of Century's assets and liabilities is recorded as goodwill (excess purchase price). Financial statements and reported results of operations of Seacoast issued after completion of the merger will reflect these values, but will not be restated retroactively to reflect the historical financial position or results of operations of Century.

THE MERGER AGREEMENT

General

In the event that Century's shareholders approve the merger agreement and all of the other conditions to the merger are satisfied, then, at the effective time of the merger, Century will merge into a wholly owned national bank subsidiary of Seacoast. Following the merger, the resulting national bank may use Century National Bank as a trade name, and Seacoast presently expects that such bank ultimately will be merged into First National Bank & Trust Company of the Treasure Coast and cease to exist as a separate entity. See "Conditions to the Merger" for a discussion of conditions to completing the merger.

What Century Shareholders Will Receive in the Merger

In exchange for each outstanding share of the common stock of Century, each Century shareholder will be entitled to elect to receive either shares of the common stock of Seacoast or cash, or any combination of

Table of Contents

Seacoast common stock and cash. The following assumes that (i) the number of shares of Century common stock outstanding at the effective time of the merger will be approximately 1,565,929, and (ii) that number of shares of Century common stock to be issued pursuant to unexercised options to purchase shares of Century common stock will be approximately 60,236. As a result, at the effective time of the merger, each share of Century common stock, except for treasury shares, shares held by Seacoast or any of the subsidiaries of Seacoast (other than in a fiduciary capacity), and any shares as to which dissenters' rights are asserted, automatically will be converted into the right to receive:

(1) for each share of Century common stock with respect to which an election to receive solely cash has been made, which are referred to as Cash Election Shares, an amount equal to \$28.82 (after rounding to the nearest cent), which is referred to as the Per Share Amount;

(2) for each share of Century common stock with respect to which an election to receive solely shares of Seacoast common stock, which are referred to as Stock Election Shares, 1.41537 shares of Seacoast common stock, which is referred to as the Exchange Ratio, and the number of shares issued as a result of the Exchange Ratio being referred to as the Stock Consideration.

It is estimated, assuming no further exercise of outstanding Century options, that an aggregated \$1,067,984 in cash (without interest), referred to as the Option Settlement Payment, will be paid to holders of all outstanding Century options. The Cash Consideration payable to Century shareholders is \$14,625,358 and the number of shares of Century common stock that shall be converted solely into the right to receive cash (without interest) shall be 507,473. The remaining 1,058,456 shares will be converted into the right to receive solely Seacoast common stock. Based upon the number of shares of Century common stock outstanding, an aggregate of approximately 1,498,107 shares of Seacoast common stock will be issued in the merger to Century shareholders.

Those shares of Century common stock with respect to which an election to receive cash or Seacoast common stock is not made are referred to as the Non-Election Shares.

Each share of Century common stock held by Century or Seacoast or any of its subsidiaries, other than shares held in a fiduciary capacity or as a result of debts previously contracted, immediately prior to the effective time of the merger will be canceled and extinguished. No payment or other consideration will be made with respect to those shares.

Holders of shares of Century common stock who elect to exercise the dissenters' rights provided for in Title 12, Section 215a of the United States Code by strictly complying with such provisions will not have their shares converted into the right to receive any cash or Seacoast common stock as provided above, but will be entitled to cash as provided by such statute, which may be more or less than the Cash Consideration or Stock Consideration. If a holder's appraisal rights are lost or withdrawn, that holder will receive the same consideration as all other holders of Century common stock. Seacoast will separately make any payments due to holders of shares that properly perfect their dissenters' rights, and those payments will not be counted against the limitations on Cash Consideration, as described below.

For information regarding restrictions on the transfer of Seacoast common stock applicable to certain Century shareholders, see The Merger Resale of Seacoast Common Stock.

Limitations on Cash Consideration and Stock Consideration

Since the pricing period has ended, the Exchange Ratio has been set as 1.41537.

In no event will Seacoast be required to pay cash to Century shareholders in an amount greater than the difference between:

(1) \$15,693,342, minus

(2) the Option Settlement Payments, which, based on 60,236 outstanding Century Stock Options, will not exceed \$1,067,984.

Table of Contents

The Cash Consideration therefore is \$14,625,358. In addition, in no event will Seacoast be required to deliver more than 1,506,160 shares of Seacoast common stock to Century shareholders.

As a result of these limitations, the total number of shares of Century common stock that will be exchanged solely for cash, which is referred to as the Cash Consideration Number, will be 507,473 shares of Century common stock. All of the remaining 1,058,456 shares of Century common stock, other than shares that are cancelled and other than shares that properly exercise appraisal rights, will be converted into Stock Consideration.

Proration

To give effect to the limitations described above, and because Century shareholders may elect to receive more cash or Seacoast common stock than expected, Seacoast may not be able to deliver to each Century shareholder the type of consideration elected. As a result, within five business days after the effective time of the merger, Seacoast and the exchange agent will allocate the Cash Consideration and the Stock Consideration among Century shareholders in the following manner:

(1) If the total number of Cash Election Shares exceeds the Cash Conversion Number, then:

(a) all Stock Election Shares and Non-Election Shares will be converted into the right to receive Stock Consideration;

(b) all Cash Election Shares up to an amount equal to the Cash Consideration Number will be converted into the right to receive Cash Consideration; and

(c) all remaining Cash Election Shares will be converted into the right to receive Stock Consideration.

(2) If the total number of Cash Election Shares is less than the Cash Conversion Number, with the difference between such amounts being referred to as the Shortfall Number, then all Cash Election Shares will be converted into the right to receive Cash Consideration, and the Stock Election Shares and the Non-Election Shares will be treated as follows:

(a) if the Shortfall Number is less than or equal to the number of Non-Election Shares, then:

(i) all Stock Election Shares will be converted into the right to receive Stock Consideration; and

(ii) all Non-Election Shares of a given shareholder will be converted into the right to receive Cash Consideration in respect of that number of Non-Election Shares equal to the product of:

(x) the number of Non-Election Shares held by that shareholder, multiplied by

(y) a fraction, the numerator of which is the Shortfall Number and the denominator of which is the total number of Non-Election Shares;

with the remaining number of that shareholder's Non-Election Shares being converted into the right to receive Stock Consideration;

(b) if the Shortfall Number exceeds the number of Non-Election Shares, then:

(i) all Non-Election Shares will be converted into the right to receive Cash Consideration; and

Table of Contents

(ii) all Stock Election Shares of a given shareholder will be converted into solely the right to receive Cash Consideration in respect of that number of Stock Election Shares equal to the product of:

(x) the number Stock Election Shares held by that shareholder, multiplied by

(y) a fraction, the numerator of which is the amount by which the Shortfall Number exceeds the total number of Non-Election Shares, and the denominator of which is the total number of Stock Election Shares;

with the remaining number of that shareholder's Stock Election Shares being converted into solely the right to receive Stock Consideration.

No interest is payable on any of the Cash Consideration.

Treatment of Fractional Shares

Each Century shareholder who would otherwise have been entitled to receive a fraction of a share of Seacoast common stock, after taking into account all Century common stock certificates delivered by such holder, shall receive, in lieu of fractional shares, cash, without interest, in an amount equal to the product of:

(1) the fractional part of a share of Seacoast common stock otherwise due to that shareholder, multiplied by

(2) the last sale price of Seacoast common stock on the Nasdaq National Market on The last trading day preceding the effective time of the merger.

Seacoast will separately make any payments due with respect to any fractional shares, and those payments will not be counted towards the limitation on Cash Consideration discussed above. No Century shareholder otherwise entitled to receive fractional shares of Seacoast common stock will be entitled to any dividends, voting rights, or any other rights as a shareholder in respect of those fractional shares.

Conversion of Century Stock Options

At the effective time, outstanding stock options to purchase shares of Century common stock, whether or not such options are then exercisable, will be converted into the right to receive from Seacoast the Option Settlement Payment. Each outstanding option to purchase Century common stock will be entitled to receive cash in an amount equal to the product of:

(1) the number of shares of Century common stock subject to the stock option, multiplied by

(2) the amount, if any, by which the Per Share Amount exceeds the per share exercise price of the shares subject to the given option.

Assuming 60,236 outstanding options to purchase Century common stock, the total Option Settlement Payment is \$1,067,984. No interest will be paid by Seacoast in respect of any Option Settlement Payments payable to holders of outstanding Century options.

Representations and Warranties in the Merger Agreement

Seacoast and Century have made representations and warranties to each other as part of the merger agreement. Seacoast and Century have made representations and warranties to each other as part of the merger agreement. These representations and warranties are made for the sole benefit of Seacoast, Century and the other parties to the merger agreement and not for the benefit of anyone else including shareholders of Seacoast or Century. Accordingly, since the parties to the merger agreement may amend, waive or change these representations and warranties, no shareholder of Century or Seacoast is entitled to rely on these representations or warranties. See Please Note on page 54.

Table of Contents

Century's representations and warranties relate to, among other things:

its organization and authority to enter into the merger agreement;

its capitalization, subsidiaries, financial statements and filings;

its loans and reserves;

tax and regulatory matters;

its assets, intellectual property, legal and environmental matters and employee benefits;

privacy of customer information and the status of technology systems; and

its contractual obligations and contingent liabilities; and

pending and threatened litigation.

Century's representations and warranties are generally contained in Article 5 of the merger agreement.

Seacoast's representations and warranties relate to, among other things:

its organization and authority to enter into the merger agreement;

its capitalization, subsidiaries, financial statements and filings;

its loans and reserves;

tax and regulatory matters;

its assets, intellectual property, legal and environmental matters and employee benefits;

its contractual obligations and contingent liabilities;

pending and threatened litigation; and

the authority of the merger subsidiary into which Century will be merged.

Seacoast's representations and warranties are generally contained in Article 6 of the merger agreement. Seacoast's representations and warranties are for the benefit of Century; they are not for the benefit of and may not be relied upon by Century shareholders. The representations and warranties of the parties will not survive the effective time of the merger. See *Please Note* on page .

Century Stock Options

Prior to the execution of the merger agreement, Century had options outstanding to acquire 140,969 shares of Century common stock. Century's directors and executive officers held options to purchase an aggregate of 130,219 shares of Century common stock, with an average exercise price equal to \$10.73 per share. Other employees of Century held options to purchase another 10,750 shares of Century common stock, with an average exercise price equal to \$11.14 per share. Subsequently, 80,383 of these outstanding options have been exercised, and 60,236 options to purchase Century common stock are outstanding.

At the effective time of the merger, all of the outstanding stock options, whether or not then exercisable, will be cancelled in exchange solely for the right to receive a cash payment per option equal to the amount, if any, by which the value of the merger consideration per share of Century common stock exceeds the per share exercise price of the Century common stock subject to the stock option. The total amount of Option Settlement Payments payable in

respect of the 60,236 outstanding options is \$1,067,984. For a more detailed description of the conversion of Century stock options see the section entitled "The Merger Agreement - Conversion of Century Stock Options."

Employee Benefits

Following the effective time of the merger, Seacoast will provide generally to officers and employees of Century employee health and welfare benefits substantially similar to those currently provided by Seacoast to

Table of Contents

its similarly situated officers and employees. For purposes of participation, vesting and benefit accrual under Seacoast's benefit plans, the length of service of Century employees prior to the effective time will be treated as service with Seacoast. Seacoast also will honor the terms of certain employment, severance, consulting and other compensation contracts between Century and current or former directors, officers or employees, and all provisions for vested benefits or amounts earned through the effective time under the Century benefit plans.

Employment Contracts

Michael W. Sheffey. A wholly owned national bank subsidiary of Seacoast has entered into employment agreement with Mr. Michael W. Sheffey, Century's President and Chief Executive Officer, which will become effective at the merger's effective time and that includes the terms described below.

Term. Mr. Sheffey's employment agreement provides for an initial term beginning upon the effective time of the merger and ending at the end of the calendar month immediately following the third anniversary of the effective time of the merger, unless further extended by the mutual consent of the bank and Mr. Sheffey. The employment agreement will be automatically extended for an additional one-year period on the expiration of the initial term and annually thereafter, unless either the bank or Mr. Sheffey cause the agreement to cease by giving 90 days prior notice of non-renewal to the other party.

Salary and Benefits. Under the terms of the employment agreement, Mr. Sheffey is entitled to a base annual salary of \$200,000 (which may be increased from time to time in accordance with normal business practices of the bank) and is entitled to participate in all hospitalization insurance, long-term disability insurance, and life insurance in accordance with the bank's insurance plans and all other benefits for similarly situated members of the bank's senior management including reasonable club dues consistent with Seacoast policy.

Termination. Mr. Sheffey's employment agreement may be terminated by the bank at any time for cause (as defined therein), or by Mr. Sheffey upon his resignation or a change in control (as defined therein). The agreement also terminates upon the death or disability of Mr. Sheffey, or upon notice from Mr. Sheffey to the bank of (i) the bank's failure to comply with any material provision of the employment agreement, (ii) the bank's failure to elect and/or appoint Mr. Sheffey as a Regional President of the bank with duties and powers which are customarily associated with such office, or (iii) a purported termination by the bank for cause if it is ultimately determined that cause did not exist. Depending on the reason for the termination and when it occurs, Mr. Sheffey will be entitled to certain severance benefits, as described below.

If Mr. Sheffey is terminated without cause or resigns following a change in control, a breach of a material provision of the employment agreement by the bank, a change in his position or duties, or improper termination by the bank, then he or his estate or beneficiaries, as the case may be, will be entitled to be paid his full base salary (including any other cash compensation) for a period of two years following the termination date (as defined therein). In addition, the bank will continue to pay his hospitalization insurance premiums (including major medical), long term disability premiums and life insurance premiums for a period of two years or until his earlier death.

Upon his death, the bank will pay Mr. Sheffey's full base salary and will continue to pay for and provide to Mr. Sheffey's spouse and eligible dependents hospitalization insurance (including major medical) and any such other health insurance benefits comparable to that coverage that would have been provided under the bank's group health insurance plan to Mr. Sheffey's spouse and eligible dependents at the date of Sheffey's death for a period of two years.

In the event Mr. Sheffey becomes permanently disabled and is terminated, the bank will pay Mr. Sheffey's full base salary and will continue to pay for and provide to Mr. Sheffey's spouse and eligible dependents hospitalization insurance (including major medical), and any such other health insurance benefits comparable to that coverage that would have been provided under the bank's group health insurance plan to Mr. Sheffey's spouse and eligible dependents at the date of Sheffey's death for a period of two years; *provided*, that Mr. Sheffey's base salary shall be reduced by any amounts received by him under the bank's long term

Table of Contents

disability plan or from any other similar collateral source payable due to disability, including, without limitation, social security benefits.

If Mr. Sheffey is terminated for cause, he will not be entitled to any further payments or any other form of remuneration from the bank under the employment agreement, or otherwise, following the date of such termination.

In the event termination is for any reason other than as described above, the employment agreement provides that the bank shall pay Mr. Sheffey his full salary through the date of termination and no other compensation or benefits shall be paid to him thereunder; *provided, however*, that nothing therein shall be deemed to limit his vested rights under any other benefit, retirement, stock option or pension plan of the Bank, and the terms of those plans, programs or arrangements shall govern.

Restrictive Covenants. In addition, Mr. Sheffey has agreed that he will not disclose confidential information or compete with the bank, nor will he solicit the bank's customers or recruit the bank's employees, for a period of two years following the termination of his employment.

Sidney G. Cash and David R. Dotherow. The terms of the employment agreements entered into by Messrs. Cash and Dotherow are substantially similar to those described above, except that:

the terms of the employment agreements for Messrs. Cash and Dotherow are one year and two years, respectively;

the annual base salary of Messrs. Cash and Dotherow is \$140,000 and \$130,000, respectively; and

the term of the restrictive covenants is for the remaining term of the employment agreement following any termination.

Director's Agreements

Each of Century's directors has delivered agreements not to compete with Century or Seacoast, or any of Seacoast's subsidiaries, within Orange, Osceola or Seminole Counties, Florida for two years after the effective time.

Indemnification and Insurance

For six years after the effective time, Seacoast will indemnify, defend and hold harmless, to the fullest extent permitted by the Florida Business Corporation Act, Section 402 of the Sarbanes-Oxley Act of 2002, and Century's articles of association and bylaws, the present and former directors, officers, employees and agents of Century against any liability arising out of actions related to the person's service as a director, officer employee or agent of Century occurring at or prior to the effective time. Seacoast must, or cause First National Bank & Trust Company to, use its reasonable efforts to maintain for three years after the effective time of the merger the existing directors' and officers' liability insurance policy of Century, subject to certain conditions.

Conditions to the Merger

The merger agreement contains a number of conditions that must be satisfied or waived (if they are waivable) to complete the merger. The conditions include, among other things:

approval of the merger agreement by Century shareholders;

approval of the merger by the OCC and the Federal Reserve and other regulatory agencies without imposing conditions unacceptable to Seacoast, (see "The Merger - Regulatory and Other Required Approvals");

the receipt of all necessary consents from other persons, such as landlords, required for the consummation of the merger which if not obtained are reasonably likely to have a material adverse effect, provided no such consents shall contain conditions unacceptable to Seacoast;

Table of Contents

the absence of any law or order, or other action taken by a governmental authority to prohibit or restrict the completion of the transactions contemplated by the merger agreement;

the absence of stop orders suspending the effectiveness of Seacoast's registration statement under the Securities Act;

approval by Nasdaq for the listing of the shares of Seacoast common stock issuable pursuant to the merger on The Nasdaq National Market;

issuance of a tax opinion that the merger qualifies as a tax-free reorganization;

issuance of a tax opinion that the merger is not a taxable event for either Seacoast or Century;

the representations and warranties of the parties to the merger agreement must be true and correct as of the effective time of the merger, except as to such inaccuracies as would not be reasonably likely to have a material adverse effect in the aggregate, and the other party to the merger agreement must have performed in all material respects all its obligations under the merger agreement;

receipt by Seacoast from Century's affiliates, directors and officers, as applicable, of the claims letters, director agreements and affiliate agreements called for by the merger agreement;

holders of no more than 5% of Century outstanding shares have given notice of their intent to exercise dissenters rights; and

receipt by Century from its financial advisor of an opinion regarding the fairness of the consideration to be received by Century's shareholders in the merger, from a financial point of view, which opinion shall not be withdrawn prior to Century's meeting.

The conditions to the merger are generally set forth in Article 9 of the merger agreement. The parties intend to complete the merger as soon as practicable after all conditions have been satisfied or waived; however, we cannot assure you that all conditions will be satisfied or waived.

Waiver and Amendment

Nearly all of the conditions to completing the merger may be waived at any time prior to the effective time of the merger by the party for whose benefit they were created. Furthermore, any extension in time for compliance of any term or obligation under the merger agreement, or any conditions precedent to obligations under the merger agreement, may be waived by the party for whose benefit they were intended. Any condition, however, which, if waived and not satisfied, would result in the violation of any law or regulation may not be waived by either party. No waiver is effective unless it is in writing signed by the waiving party.

In addition, the parties may amend or supplement at any time the merger agreement by written agreement signed by each party. No amendment that reduces or modifies in any material way the merger consideration to be received is permitted after the approval of the merger agreement by Century's shareholders. The merger agreement may only be amended to the extent permitted by law.

Business of Century Pending the Merger

Pending the merger, the merger agreement requires Century to continue to operate its business only in the usual, regular or ordinary course. Century agrees to preserve intact its business organization and assets and maintain its rights and franchises. Century will also refrain from taking any action that would adversely affect the ability or timing of Century, Seacoast or its subsidiaries from obtaining any required approvals or consents, including those from regulators or other governmental authorities, for the merger transaction without the imposition of any restriction that would materially and adversely effect the financial or economic benefits of the merger to Seacoast.

Table of Contents

Furthermore, Century may not, without Seacoast's prior written consent, take or agree to or commit to take any of the following actions:

amend its articles of incorporation or bylaws;

incur any additional debt or other borrowings in excess of an aggregate of \$50,000, except in the ordinary course of its business;

impose, or suffer the imposition, of a lien or encumbrance on any Century asset, with certain exceptions;

redeem, repurchase, or otherwise acquire or exchange shares of its capital stock, or declare or pay any dividend with respect to its capital stock;

issue or encumber, or contract to issue or encumber, any shares of its capital stock or issue any rights to purchase shares of its capital stock, except as permitted by the merger agreement;

adjust, split, combine or reclassify its capital stock, or authorize substitutions for its capital stock, or sell or mortgage any asset other than in the ordinary course of business for reasonable and adequate consideration;

make any material investments, other than for purchases of U.S. government agency securities with maturities of less than or equal to one year;

allow any increase in compensation or benefits to its employees or officers, make severance, termination or bonus payments or enter into or amend any severance agreement, allow any increase in fees to its directors, or accelerate the exercisability or amend the terms of any equity right or restricted stock, in each case except as permitted by the merger agreement;

enter into or amend any employment or similar agreement that Century does not have the unconditional right to terminate without liability;

adopt any new employee benefit plans, or terminate or materially change any existing employee benefit plan, except as may be necessary to maintain the tax qualified status of such plan, or make any distributions from such plans except as required by law;

change any tax or accounting methods, except as may be necessary to conform to laws or accounting requirements;

commence any litigation other than in accordance with past practice or settle any litigation resulting in material damages or restrictions on operations; or

enter into, amend or terminate any material contracts or waive or assign material rights or claims.

The restrictions on Century's business activities are generally set forth in Article 7.2 of the merger agreement.

Termination of the Merger Agreement; Termination Fee

The merger agreement specifies the circumstances under which the parties may terminate the agreement and abandon the merger. Those circumstances are:

1. by mutual written agreement of Seacoast and Century;

2. by either party if the other party breaches any representation or warranty in the merger agreement, the breach cannot be or has not been cured within 30 days after written notice, and the breach is reasonably likely to

permit the non-breaching party to refuse to consummate the transactions contemplated under the merger agreement;

3. by either party if the other party materially breaches any covenant or other agreement in the merger agreement, and the breach cannot be or has not been cured within 30 days after written notice;

Table of Contents

4. by either party if:
the consent of any regulatory authority required to complete the merger has been denied by final nonappealable action;

any law or order permanently restraining, enjoining or prohibiting the merger becomes final and nonappealable; or

Century's shareholders fail to vote their approval of the merger at a meeting where such matters were presented and voted upon;

5. by either party in the event the merger is not consummated by May 31, 2005;

6. by Seacoast if:

Century's board of directors fails to reaffirm its approval of the merger upon Seacoast's request for such reaffirmation;

Century's board of directors withdraws, qualifies or modifies, or proposes publicly to withdraw, qualify or modify, its recommendation that Century's shareholders approve the merger; or

Century's board of directors affirms, recommends or authorizes entering into any merger, sale of Century stock or assets, or other business combination or substantial investment by a third party (other than the Seacoast merger), or negotiates or authorizes the negotiations with a third party regarding an acquisition proposal of Century (other than the Seacoast merger); or

7. by Century, if Century's board of directors has withdrawn or modified or changed its recommendation or approval of the merger agreement in order to approve an acquisition proposal that Century's board of directors determines in its good faith judgment to be more favorable to Century's shareholders than the Seacoast merger, and following the determination, upon the advice of legal counsel, that the failure to take such action would result in a breach of Century's board of directors' fiduciary duties, *provided* that at least two business days prior to the termination, Century negotiates with Seacoast to make adjustments to the terms of the merger agreement to enable the transactions to proceed on adjusted terms.

If Seacoast terminates the merger agreement pursuant to paragraph number 6 immediately above, or if Century terminates the merger agreement pursuant to paragraph number 7 immediately above and within 12 months of the termination another acquisition proposal or business combination has been announced or entered into with respect to Century (provided in either case that the acquisition transaction is subsequently consummated), then Century must pay Seacoast a termination fee of \$1.85 million.

The rights of the parties to terminate the merger agreement and the results of such a termination are addressed in Article 10 of the merger agreement. Provisions of the merger agreement regarding certain employee contracts and agreements and indemnification of Century and its controlling persons will survive any termination of the merger agreement.

Payment of Expenses Relating to the Merger

Each of Seacoast and Century will bear and pay all direct costs and expenses incurred by it or on its behalf in connection with the merger agreement and the transactions contemplated therein. However, each party will bear and pay one-half of the filing fees and printing costs incurred in connection with this proxy statement.

MATERIAL FEDERAL INCOME TAX CONSEQUENCES OF THE MERGER

The following is a discussion of the material United States federal income tax consequences of the merger to holders of Century common stock and options to purchase Century common stock. This discussion is based upon the Internal Revenue Code, as amended, or the Code, Treasury Department regulations, Internal Revenue Service rulings, and judicial and administrative rulings and decisions now in effect. These authorities may change at any time, possibly retroactively, and any change could affect the continuing validity of this discussion. This discussion does not address any tax consequences arising under the laws of any state, locality or foreign jurisdiction and, accordingly, is not a comprehensive description of all of the tax consequences that may be relevant to any given holder of Century common stock.

This discussion assumes that you hold your shares of Century common stock as capital assets and does not address the tax consequences that may be relevant if you receive special treatment under some United States federal income tax laws. Shareholders receiving this special treatment include but are not limited to foreign persons, financial institutions, tax-exempt organizations, insurance companies, mutual funds, traders in securities that elect mark-to-market, dealers in securities or foreign currencies, persons who received their Century common stock through the exercise of employee stock options or otherwise as compensation, persons who have a functional currency other than the U.S. dollar, and persons who hold shares of Century common stock as part of a hedge, straddle or conversion transaction.

Neither Seacoast nor Century will be obligated to complete the merger unless it has received an opinion of Alston & Bird LLP, rendered on the basis of facts, representations of facts, covenants and assumptions set forth or referred to in the opinion, to the effect that:

The merger will be treated as a reorganization within the meaning of Section 368(a) of the Code.

No gain or loss will be recognized by Seacoast or Century as a consequence of the merger (except for the inclusion in income of the amount of the bad debt reserve maintained by Century and any other amounts resulting from any required change in accounting methods and any income and deferred gain recognized pursuant to Treasury regulations issued under Section 1502 of the Code).

The exchange in the merger of Seacoast common stock for Century common stock will not give rise to gain or loss to the Century shareholders (except to the extent of any cash consideration received, and any cash received in lieu of fractional shares).

Your tax basis in the Seacoast common stock received in the merger will equal your tax basis in the Century common stock surrendered in the merger, increased by the amount of taxable gain or dividend gain, if any, recognized in the merger, and decreased by the amount of cash, if any, received in the merger (but excluding any cash received in lieu of a fractional share interest).

Your holding period in the shares of Seacoast common stock received in the merger will include your holding period for the shares of Century common stock exchanged therefor.

Exchange Solely for Stock. If you exchange all of your shares of Century common stock solely for shares of Seacoast common stock in the merger, you will not recognize gain or loss, except for any gain or loss recognized with respect to cash received in lieu of a fractional share of Seacoast stock.

Cash Received in Lieu of Fractional Shares. If you receive cash in lieu of a fractional share of Seacoast common stock, you will recognize capital gain or loss equal to the difference between the amount of cash you receive and the portion of your tax basis allocable to the fractional share. Any capital gain or loss will be long-term capital gain or loss if you have held your shares of Century common stock for more than one year at the time the merger is completed. Long-term capital gain of an individual is generally subject to a maximum United States federal income tax rate of 15%. The deductibility of capital losses is subject to limitations.

Exchange Solely for Cash. If you exchange your shares of Century common stock solely for cash in the merger, you generally should recognize capital gain or loss equal to the difference between the amount of cash received and your tax basis in the Century common stock. If, however, you own shares of Seacoast common stock actually or constructively after the merger, you might be subject to dividend treatment in the

Table of Contents

circumstances described below under the heading **Possible Treatment of Gain as a Dividend**. Any capital gain or loss will be long-term capital gain or loss if you have held your shares of Century common stock for more than one year at the time the merger is completed. Long-term capital gain of an individual is generally subject to a maximum United States federal income tax rate of 15%. The deductibility of capital losses is subject to limitations.

Exchange for Stock and Cash. If you exchange your shares of Century common stock for a combination of Seacoast common stock and cash (other than cash received in lieu of a fractional share), you will recognize gain (but not loss), and your gain will be equal to the lesser of (1) the amount of cash you receive and (2) the excess, if any, of the sum of the cash and the fair market value of the Seacoast common stock you receive in the merger over your tax basis in the shares of Century common stock you surrender in the merger. Except as discussed below under the heading **Possible Treatment of Gain as a Dividend**, any gain you recognize in connection with the merger should be treated as capital gain. Any capital gain will be long-term capital gain if, as of the date of the exchange, your holding period in your Century common stock is greater than one year. Long-term capital gain of an individual is generally subject to a maximum United States federal income tax rate of 15%.

Possible Treatment of Gain as a Dividend. If the cash you receive in the merger has the effect of the distribution of a dividend for United States federal income tax purposes, the gain you recognize generally will be treated as dividend income. If you are an individual, your dividend income generally will be subject to tax at long-term capital gains rates, provided that certain holding period and other requirements are satisfied.

For purposes of determining whether any gain recognized in the merger will be treated as capital gain or dividend income, if you exchange your Century common stock for a combination of Seacoast common stock and cash, then you will be treated as if you first exchanged all of your shares of Century common stock solely for Seacoast common stock and then Seacoast immediately redeemed a portion of that Seacoast common stock in exchange for the cash that you actually received. Gain recognized in this deemed redemption of Seacoast common stock will be treated as capital gain if the deemed redemption results in a **meaningful reduction** in your deemed percentage stock ownership in Seacoast. For this purpose, your stock ownership will include stock that you own constructively under Section 318 of the Code. The Internal Revenue Service has ruled that a shareholder in a publicly held corporation whose relative stock interest is minimal and who exercises no control over corporate affairs is generally treated as having had a **meaningful reduction** if his or her percentage stock ownership in the corporation has been reduced to any extent, taking into account the shareholder's actual and constructive ownership before and after the deemed redemption. Accordingly, in most circumstances, gain you recognize if you exchange your shares of Century common stock for a combination of Seacoast common stock and cash will be capital gain.

Although we believe it unlikely, the Internal Revenue Service might contend that dividend treatment applies if you exchange your shares of Century common stock solely for cash in the merger, but you own a sufficient number of shares of Seacoast common stock actually or constructively after the merger so that there is no **meaningful reduction** in your deemed percentage stock ownership in Seacoast under the analysis set forth above. In that case, the amount of consideration treated as a dividend may be equal to the amount of cash you receive, regardless of the amount of your gain.

You should consult your tax advisor about the possibility that all or a portion of any cash received in exchange for your Century common stock will be treated as a dividend.

Option Holders. Options to purchase shares of Century common stock will be cancelled in exchange for a cash payment. If you receive cash in exchange for the cancellation of your option to purchase shares of Century common stock, you will recognize ordinary income equal to the amount of cash received.

Backup Withholding. Unless you comply with certain reporting or certification procedures or are an **exempt** recipient (in general, corporations and certain other entities), you may be subject to a backup withholding tax of 28% with respect to any cash payments received in the merger. Foreign shareholders should consult their tax advisors with respect to the application of withholding rules to any cash payments received in the merger.

Reporting Requirements. If you receive Seacoast common stock as a result of the merger, you will be required to retain records pertaining to the merger and will be required to file with your United States federal income tax return for the year in which the merger takes place a statement setting forth certain facts relating to the merger.

Tax Opinion. An opinion of counsel is not binding on the Internal Revenue Service or the courts. Neither Seacoast nor Century has requested, nor do they intend to request, an advance ruling from the Internal Revenue Service as to the tax consequences of the merger. Accordingly, there can be no assurance that the Internal Revenue Service will not challenge the conclusions reflected in such opinion or that a court will not sustain such a challenge.

Tax matters are complicated, and the tax consequences of the merger to you will depend on the facts of your particular situation. You are encouraged to consult your own tax advisor regarding the specific tax consequences of the merger, including the applicability and effect of any federal, state, local and foreign income and other tax laws.

CERTAIN DIFFERENCES IN RIGHTS OF SHAREHOLDERS

As a result of the merger, certain holders of Century common stock will be exchanging their shares of a national banking association governed by federal law and the rules and regulations of the OCC and Century's articles of association, which we refer to as the Century Articles, and bylaws, which we refer to as the Century Bylaws, for shares of common stock of Seacoast, a Florida corporation governed by the Florida Business Corporation Act and Seacoast's amended and restated articles of incorporation, which we refer to as the Seacoast Articles, and bylaws, which we refer to as the Seacoast Bylaws. Certain significant differences exist between the rights of Century shareholders and the rights of Seacoast shareholders. The following discussion and comparison of these differences is necessarily general, and it is not intended to be a complete statement of all differences affecting the rights of shareholders, and their respective entities, and it is qualified in its entirety by reference to federal law and the Florida Business Corporation Act as well as the Century Articles, Century Bylaws and Seacoast Articles and Seacoast Bylaws.

Authorized Capital Stock

Seacoast. The Seacoast Articles authorize the issuance of 22,000,000 shares of common stock, \$0.10 par value per share, and 4,000,000 shares of preferred stock, \$0.10 par value per share. Shares of preferred stock may be issued in one or more series with rights, preferences, liquidation values, dividend rates, conversion rights and other terms to be designated by the Seacoast board of directors at the time of such issuance. As of March 11, 2005, there were 15,428,594 shares of Seacoast common stock issued and outstanding and no shares of Seacoast preferred stock are issued and outstanding. Dividends upon common and preferred stock shall be payable only when, as and if declared by Seacoast's board of directors from lawfully available funds.

Seacoast's board of directors may authorize the issuance of authorized but unissued shares of Seacoast common stock without further action by Seacoast's shareholders, unless such action is required in a particular case by applicable laws or regulations or by any stock exchange or automated quotation system upon which Seacoast's common stock may be listed. Seacoast's shareholders do not have the preemptive right to purchase or subscribe to any unissued authorized shares of Seacoast common stock or preferred stock or any option or warrant for the purchase thereof. The authority to issue additional shares of Seacoast common stock provides Seacoast with the flexibility necessary to meet its future needs without the delay resulting from seeking shareholder approval. The authorized but unissued shares of Seacoast common stock will be issuable from time to time for any corporate purpose, including, without limitation, stock splits, stock dividends, employee benefits and compensation plans, acquisitions, and public or private sales as a means of raising capital. Such shares could be used to dilute the stock ownership of persons seeking to obtain control of Seacoast. In addition, the sale of a substantial number of shares of Seacoast common stock to persons who have an understanding with Seacoast concerning the voting of such shares, or the distribution or declaration of a dividend of shares of Seacoast common stock (or the right to receive shares of Seacoast common stock) to

Table of Contents

Seacoast shareholders may have the effect of discouraging or increasing the cost of unsolicited attempts to acquire control of Seacoast.

Century. Pursuant to the Century Articles, Century is authorized to issue up to 10,000,000 shares of common stock, \$5.00 par value per share. As of March 15, 2005, there were 1,565,929 shares of Century common stock issued and outstanding. Century's shareholders also do not have the preemptive right to purchase or subscribe to any unissued authorized shares of Century common stock or any option or warrant for the purchase thereof. The board of directors of Century may declare a dividend of the undivided profits of Century, subject to certain requirements imposed by the OCC, however, Century has not paid any dividends. Century's board of directors also may authorize the issuance of authorized but unissued shares of Century common stock without further action by the shareholders in certain circumstances, providing the board of directors easy access to additional funds, but also a means by which to dilute current shareholders.

Amendment to Articles of Incorporation and Bylaws

Seacoast. The Seacoast Articles may be amended as provided by law. The Florida Business Corporation Act generally provides that, unless a corporation's articles of incorporation specify a greater voting requirement, the corporation's articles of incorporation may not be amended unless (i) the board of directors recommends the amendment to the shareholders (unless the board of directors elects to make no recommendation and communicates the basis for its election to the shareholders), and (ii) the amendment is adopted by a majority of the votes entitled to be cast on the amendment by each voting group entitled to vote thereon. The Seacoast Articles also provide that the provisions of the articles related to the composition of the board of directors, business combinations, anti-takeover provisions or shareholder proposals may only be changed by the affirmative vote of holders of (i) at least two-thirds of all shares entitled to vote, and (ii) a majority of the outstanding shares that are not beneficially owned or controlled, directly or indirectly, by a Related Person. A Related Person is any person which is the beneficial owner of 5% or more of Seacoast's voting shares or any person who is an affiliate of Seacoast and at any time within the five years preceding the board of director's determination of such person's status as a Related Person beneficially owned 5% or more of Seacoast's voting shares.

The Seacoast Articles and Seacoast Bylaws provide that the Seacoast Bylaws may be amended and new bylaws may be adopted by (i) the affirmative vote of two-thirds of the entire board of directors, and (ii) a majority of the members of the board of directors that are considered Continuing Directors. Continuing Directors are members of the board of directors who either (i) were first elected as a director of Seacoast prior to February 28, 2003, or (ii) prior to any person becoming a Related Person, was designated as a Continuing Director by a majority vote of the then Continuing Directors. Seacoast's shareholders may also amend the Seacoast Bylaws by the affirmative vote of holders of (i) two-thirds of all shares entitled to vote on such amendment, and (ii) a majority of the outstanding shares that are not beneficially owned or controlled, directly or indirectly, by a Related Person.

Century. The Century Articles may be amended at any regular or special meeting of shareholders by the affirmative vote of the holders of a majority of Century's common stock. Century's board of directors may propose one or more amendments to the Century Articles to the shareholders for their consideration. The Century Bylaws may be amended by either the board of directors or the shareholders at any regular or special meeting called for such purpose.

The effect of Seacoast's more stringent voting requirements with respect to amendments of articles and bylaws compared to Century's is that Seacoast shareholders possess less ability to amend Seacoast's Articles and Bylaws than do the shareholders of Century, who, conversely, are afforded more latitude in amending the Century Articles and Bylaws.

Board of Directors

Seacoast. The Seacoast Articles provide for a board of directors consisting of not less than three nor more than fourteen members divided into three classes. Each class of directors serves a three-year term. The effect of Seacoast having a classified board of directors is that only approximately one-third of the members of

Table of Contents

the board of directors are elected each year, which effectively requires two annual meetings for Seacoast's shareholders to change a majority of the members of the board of directors. Directors of each class are elected by plurality vote at successive annual meetings of shareholders. Unlike Century, Seacoast shareholders do not have cumulative voting rights with respect to the election of directors. Currently, there are fourteen members of Seacoast's board of directors.

Century. The Century Articles provide that its board of directors shall consist of not less than five nor more than twenty-five members, each serving a one-year term. Unlike the Seacoast board of directors, the Century board of directors is not classified, allowing as much as the entire board to be replaced at a meeting of shareholders. Each Century director must also be a shareholder of Century. The number of votes each holder of common stock may cast to elect directors is determined by multiplying the number of shares he or she owns by the number of directors to be elected. The total number of votes of each shareholder may be cumulated and cast for a single candidate or may be distributed among two or more candidates. Currently, there are six members of Century's board of directors.

Nomination of Directors

Seacoast. The Seacoast Articles permit shareholders to nominate directors for election at an annual or special meeting of shareholders, provided that such shareholder complies with certain requirements set forth in the Seacoast Articles. A shareholder wishing to recommend a candidate for consideration by the nominating committee of Seacoast's board must submit to Seacoast's corporate secretary a timely written notice including the candidate's name and address, along with adequate information as to the candidate's qualifications. To be considered timely, the notice must be received by Seacoast's corporate secretary by the date that is either (i) not less than 60 days nor more than 90 days prior to the anniversary of the previous year's annual meeting if the elections are to be held at the annual meeting of shareholders, or (ii) not later than the close of the tenth day following the date in which notice of a meeting of shareholders was first mailed to shareholders if the elections are to be held at a meeting of shareholders.

Century. The Century Articles do not impose requirements similar to those of Seacoast Articles for shareholders wishing to nominate candidates for the Century board of directors. Candidates for the board of directors may be nominated by the board of directors or by any shareholder of any outstanding class of capital stock entitled to vote for the election of directors. Century's more permissive requirements for nominating candidates to the board of directors gives shareholders a greater opportunity to influence which individuals serve on Century's board of directors.

Removal of Directors

Seacoast. A Seacoast director may be removed from office only for cause at a meeting duly called and held for that purpose upon not less than 30 days' prior written notice by the affirmative vote of the holders of (i) not less than two-thirds of Seacoast's shares entitled to vote, and (ii) a majority of the then outstanding shares entitled to vote that are not beneficially owned or controlled, directly or indirectly, by a Related Person. Seacoast directors may not be removed without cause.

Century. A Century director may be removed from office (i) by shareholders at a meeting called to remove him or her, when notice of the meeting stating that the purpose or one of the purposes is to remove such director is provided, (ii) if there is a failure to fulfill one of the affirmative requirements for qualification, or (iii) for cause, provided that a director may not be removed if the number of votes sufficient to elect such director under cumulative voting is voted against such director's removal.

Seacoast shareholders face more restrictive requirements to remove Seacoast directors than Century shareholders do with respect to Century directors. The effect of this difference is that the directors of Seacoast are afforded greater protection against their removal by the vote of Seacoast shareholders than are the directors of Century.

Table of Contents

Filling Vacancies on the Board of Directors

Seacoast. Seacoast's board of directors may fill any vacancies on the board of directors by the affirmative vote of (i) two-thirds of the entire board of directors, and (ii) a majority of the Continuing Directors.

Century. Any vacancy on Century's board of directors may be filled by a majority vote of the board of directors remaining in office. Seacoast's stricter standard for filling vacancies on the board of directors may provide certain members of Seacoast's board of directors with some control over who joins the Seacoast board of directors.

Meetings of Shareholders

Seacoast. Meetings of Seacoast shareholders may be called by:

the chairman of the board of directors;

the board of directors; or

the president, either (i) on behalf of Seacoast or (ii) on behalf of the shareholders of Seacoast upon receipt of dated written demands from shareholders holding not less than fifty percent (50%) of the votes entitled to be cast on the proposed issue or issues set forth in the demand.

Century. Meetings of Century shareholders may be called by:

the board of directors;

the chairman of the board; or

by one or more shareholders owning, in the aggregate, not less than twenty-five percent (25%) of the shares of Century.

The effect of the greater percentage of Seacoast shareholders required to demand a meeting of Seacoast shareholders may cause some shareholder proposals or concerns to fail to be addressed until the next annual meeting of shareholders.

Shareholder Inspection Rights

Seacoast. The Seacoast Articles and Bylaws are silent with respect to shareholders' rights to examine books and records. In the absence of such a provision, the Florida Business Corporation Act provides that shareholders of Seacoast are entitled to inspect, upon at least five business days' notice, certain records relating to Seacoast's stock ownership and corporate governance, including the Seacoast Articles, any amendments to the Seacoast Articles, the Seacoast Bylaws, board resolutions affecting shareholder rights, minutes of shareholder meetings or records of shareholder actions taken without meetings for the last three years, and written communications to shareholders for the last three years. Additionally, shareholders meeting certain criteria may inspect certain books and records of the corporation, including accounting records and the record of shareholders. These criteria include:

the shareholder's demand must be made in good faith and for a proper purpose;

the shareholder's demand must describe the proper purpose and the records requested; and

the records requested must be directly connected to that proper purpose.

Century. The Century Articles and Bylaws also are silent with respect to the shareholders' rights to examine books and records. Federal law and OCC rules and regulations require Century to maintain a full and correct list of the names and residences of, and the number of shares held by, all of its shareholders in the office where it transacts business. Shareholders may inspect such list during business hours of each day in which business may be legally transacted. The more generous informational rights enjoyed by Seacoast shareholders allow them more access and insight to the operations of the corporation.

Anti-takeover Provisions

Seacoast. The Seacoast Articles require the affirmative vote of the holders of (i) not less than two-thirds of all the shares of Seacoast stock outstanding and entitled to vote, and (ii) a majority of the shares of Seacoast stock outstanding and entitled to vote that are not beneficially owned or controlled, directly or indirectly, by a Related Person, to approve: (a) any sale, lease or other disposition of all or substantially all of Seacoast's assets, (b) any merger, consolidation or purchase and/or assumption of assets and/or liabilities, (c) any reclassification of securities, recapitalization or similar transaction, or (d) any acquisition by a person of 5% or more of the voting shares or securities convertible into voting shares of Seacoast. Any business combination described above may be approved only by the affirmative vote of a majority of the voting shares of Seacoast if such business combination is approved and recommended to the shareholders by (x) the affirmative vote of two-thirds of the board of directors of Seacoast, and (y) a majority of the Continuing Directors.

The Seacoast Articles also contain additional provisions that may make takeover attempts and other acquisitions of interests in Seacoast more difficult where the takeover attempt or other acquisition has not been approved by Seacoast's board of directors. These provisions include:

A requirement that any change to the Seacoast Articles relating to the structure of the board of directors, certain anti-takeover provisions and shareholder proposals must be approved by the affirmative vote of holders of (i) two-thirds of the shares outstanding and entitled to vote, and (ii) a majority of the outstanding shares entitled to vote that are not beneficially owned by a Related Person.

A requirement that any change to the Seacoast Bylaws, including any change relating to the number of directors, must be approved by the affirmative vote of (i) two-thirds of Seacoast's board of directors or shareholders, and (ii) a majority of the Continuing Directors.

A requirement that shareholders may call a meeting of shareholders on a proposed issue or issues only upon the receipt by Seacoast from the holders of half of all votes entitled to be cast on the proposed issue or issues of signed and dated written demands for the meeting describing the purpose for which it is to be held.

A requirement that a shareholder wishing to submit proposals for a shareholder vote comply with certain procedures, including advanced notice requirements, in order for the proposal to be submitted to shareholders for their consideration.

Seacoast also is subject to the Florida control share acquisitions statute. This statute is designed to afford shareholders of public corporations in Florida protection against acquisitions in which a person, entity or group seeks to gain voting control. With enumerated exceptions, the statute provides that shares acquired within certain specific acquisition ranges will not possess voting rights in the election of directors unless the voting rights are approved by a majority vote of the holders of the corporation's Disinterested Shares. Disinterested shares are shares other than those owned by the acquiring person or by a member of a group with respect to a control share acquisition, or by any officer of the corporation or any employee of the corporation who is also a director. The specific acquisition ranges that trigger the statute are:

acquisitions of shares possessing one-fifth or more, but less than one-third, of all voting power;

acquisitions of shares possessing one-third or more, but less than a majority, of all voting power; or

acquisitions of shares possessing a majority or more of all voting power.

Under certain circumstances, the statute permits the acquiring person to call a special shareholders' meeting for the purpose of considering the grant of voting rights to the holder of the control shares. The statute also enables a corporation to provide for the redemption of control shares with no voting rights under certain circumstances.

Century. The Century Articles and Bylaws do not contain any provisions that may make takeover attempts and other acquisitions of interests in Century more difficult where the takeover attempt or other acquisition has not been approved by Century's board of directors. Business combinations, as with other

Table of Contents

actions requiring shareholder approval, must be approved by the holders of a majority of shares entitled to vote, subject to any greater voting requirements required by law (such as the National Bank Act, which requires the affirmative vote of the holders of two-thirds of the shares of Century's common stock to approve the Seacoast merger agreement). Seacoast's stringent anti-takeover provisions may make it more difficult for a third party opposed by the board of directors, but supported by shareholders representing less than two-thirds of all voting shares, to acquire Seacoast.

Indemnification of Directors and Officers

Seacoast. The Seacoast Bylaws generally require that any director or officer elected by the board of directors be indemnified, and permit any employee or agent to be indemnified, against liability and other expenses incurred in a proceeding by reason of the fact he is a director, officer, employee or agent of Seacoast or is or was serving at the request of Seacoast as a director, officer, employee or agent of another business entity, provided that such individual acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of Seacoast and, with respect to any criminal proceedings, did not know the conduct was unlawful. The Seacoast Bylaws provide for the advancement of expenses to its directors or officers in advance of the final disposition of such proceeding, the purchase of insurance by Seacoast against any liability of directors, officers, employees or agents, and the survival of such indemnification to any indemnified person's heirs. The indemnification provisions are non-exclusive, and do not impair any other rights to which those seeking indemnification or advancement of expenses may be entitled.

Century. The provisions in the Century Bylaws related to indemnification are substantially the same as those contained in the Seacoast Bylaws. The Century Bylaws permit Century to indemnify and to reimburse reasonable expenses actually incurred by any director, officer, employee or agent of Century against liabilities of such person arising by reason of the fact that such person is or was a director, officer, employee or agent of Century or is or was serving at the request of Century as a director, officer, employee or agent of another business entity, provided that such person acted in good faith and in a manner he reasonably believed to be in the best interest of Century and, with respect to any criminal proceedings, did not know the conduct was unlawful. In the event that any such director, officer, employee or agent is successful on the merits or otherwise in the defense of any proceeding to be indemnified, Century is required to indemnify such person. The Century Bylaws provide for the advancement of expenses to its directors or officers in advance of the final disposition of such proceeding and the survival of such indemnification to any indemnified person's heirs, and the Century Articles allow the board of director to purchase insurance for the indemnification of its directors, officers, employees or agents for certain losses and expenses.

DISSENTERS' RIGHTS

The following discussion is a summary and not a complete description of the dissenters' rights available under federal law. This description is qualified in its entirety by the full text of the relevant provisions of Title 12, Section 215a of the United States Code, which are reprinted in their entirety as Appendix B to this proxy statement. Persons seeking to exercise dissenters' rights must strictly comply with these provisions. If you desire to exercise dissenters' rights, you should review carefully Title 12, Section 215a of the United States Code and are urged to consult a legal advisor before electing or attempting to exercise these rights.

Under federal law, any shareholder of Century who dissents from the plan of merger has the right to receive cash equal to the value of the shareholder's shares as measured on the effective date of the merger. This right is subject to the following conditions: (a) the shareholder must vote **AGAINST** approval of the plan of merger at the meeting or give notice in writing at or before the meeting to Century National Bank, Attention: Michael W. Sheffey, 65 North Orange Avenue, Orlando, Florida 32801, as the presiding officer that such shareholder dissents from the plan of merger; (b) the shareholder must, within 30 days after the consummation of the merger, make a written request for payment to First National Bank & Trust Company as the bank resulting from the merger, or the resulting bank, c/o Seacoast Banking Corporation of Florida, Attention: Dennis S. Table of Contents

votes against the plan of merger at the meeting, or who gives notice in writing at or before the meeting to the presiding officer that such shareholder dissents, will be notified in writing of the effective date of the merger. Failure to comply strictly with each of the foregoing conditions will result in the loss of dissenters' rights.

The value of the shares of any dissenting shareholder will be determined by an appraisal made by a committee of three persons, one to be selected by the majority vote of the dissenting shareholders who have perfected their dissenters' rights are entitled to receive cash under the preceding paragraph, one by the board of directors of the resulting bank, and the third by the first two persons. The valuation agreed upon by any two of the three appraisers will govern. If the value so fixed is not satisfactory to any dissenting shareholder, that shareholder may, within five days after being notified of the appraised value of such shareholder's shares, appeal within five days to the OCC, who will cause a re-appraisal to be made, which will be final and binding as to the value of such shares. If a shareholder dissents and, within 90 days from the consummation of the merger, one or more of the appraisers is not selected for any reason, or the appraisers fail to determine the value of such shares, then the OCC will, upon written request of any interested party, cause an appraisal to be made, which will be final and binding on all parties. The expenses of the OCC in making the reappraisal or the appraisal, as the case may be, will be paid by the resulting bank. The value of the shares ascertained will be promptly paid to the dissenting shareholder by the resulting bank.

The foregoing is a summary of Title 12, Section 215a of the United States Code. It is not a complete statement of the provisions of Section 215a and is qualified in its entirety by reference to the relevant provisions of Section 215a, the text of which is attached to this proxy statement as Appendix B. Any shareholder of Century who desires to exercise dissenters' rights should carefully review and comply with the relevant provisions of Section 215a. **Dissenters rights will be forfeited if the procedural requirements of Section 215a are not strictly followed.**

some cases, negotiations and due diligence activities looking toward or culminating in the execution of preliminary or definitive documents respecting potential acquisitions may occur or be in progress. These transactions may involve Seacoast acquiring such financial institutions in exchange for cash or Seacoast common stock or a combination of cash and common stock. Depending on their terms, these transactions may have a dilutive effect upon the Seacoast common stock to be issued in the merger to shareholders of Century.

However, the declaration and payment of dividends will depend upon business conditions, operating results, capital and reserve requirements and consideration by the Seacoast board of directors of other relevant factors.

Recent Developments

On January 18, 2005, the board of directors of Seacoast ratified and approved the First Amendment to Revolving Loan Agreement with SunTrust Bank, executed as of January 11, 2005, and effective as of January 18, 2005. The amendment modifies the original Revolving Loan Agreement, dated September 6, 2001, which we refer to as the

Original Revolving Loan, pursuant to which SunTrust Bank originally extended credit to Seacoast, and remains subject to the terms, conditions and provisions of the Original Revolving Loan not specifically amended or modified in the Amendment. The amendment affirms and renews Seacoast's loan agreement with SunTrust Bank, and increases the amount available to Seacoast for borrowing from \$5 million to \$15 million.

The initial maturity date under the Original Revolving Loan was September 6, 2002, and was subsequently extended annually by letter agreement with SunTrust Bank. The amendment confirms the extension of the maturity date of the credit line to September 6, 2005. Interest accrues on the outstanding balance, if any, under the revolving loan, and is payable by Seacoast quarterly, on the last day of each calendar quarter. The revolving loan bears interest at the rate of the 90 day-LIBOR plus 130 basis points. The entire outstanding principal balance under the revolving loan and any accrued but unpaid interest is due and payable in full by Seacoast on the maturity date or upon any default under the loan agreement, unless extended.

As of January 31, 2005, no amounts were outstanding under the revolving loan. Historically, Seacoast has not borrowed under this loan. In connection with the merger, Seacoast may borrow approximately \$5 million

Table of Contents

under this loan to finance the Cash Consideration to be paid to Century shareholders. Seacoast intends to repay any borrowings under the revolving loan used to pay a part of the Cash Consideration through issuing trust preferred securities that would count as capital for regulatory purposes.

Seacoast recently has approved the issuance of \$15 to \$30 million of trust preferred securities to provide long-term financing of a portion of the Cash Consideration payable in the merger, to provide capital to support its growth and capital adequacy, possible acquisitions and for general corporate purposes.

INFORMATION ABOUT CENTURY

General

Century is a national bank headquartered in Orlando, Florida. Century was formed in 1999 and conducts its operations through three full service locations in downtown Orlando, Maitland/ Winter Park and Longwood, Florida.

Century provides a range of consumer and commercial banking services, including demand interest bearing and non-interest bearing accounts, money market deposit accounts, NOW accounts, time deposits, safe deposit services and cash management. Century also makes real estate, commercial and consumer loans to individuals and small businesses in the Orlando metropolitan statistical area, which we refer to as the Orlando MSA.

As of December 31, 2004, Century had total assets of \$310.0 million, total deposits of \$289.8 million, total loans of \$98.8 million and shareholders' equity of \$19.6 million.

Business and Properties

Lending Activities. Century's primary source of income is the interest income earned from its loan and investment portfolios. Century offers traditional lending products, including commercial and residential real estate loans, commercial business loans and consumer loans to individuals and small business owners who are located in or conduct a substantial portion of their business in Orange and Seminole Counties, Florida. Century's real estate loan portfolio consists primarily of owner and non-owner occupied commercial loans and home equity loans. The real estate loan portfolio has been the largest component of Century's loan portfolio since 2000. Century's commercial loan portfolio includes loans to individuals and small- to medium-sized businesses for working capital, equipment purchases and other business purposes. Most of Century's consumer loans are extended to individuals that have already established a commercial relationship with Century, and consist primarily of loans to such individuals for various consumer purposes and some business purpose loans payable on an installment basis.

At December 31, 2004, Century's total loan portfolio was \$98.8 million, representing approximately 31.9% of Century's total assets.

Investments. In addition to loans, Century makes other investments primarily in United States government and agency obligations, mortgage-backed securities and collateralized mortgage obligations. As of December 31, 2004, investment securities comprised approximately 28.7% of Century's total assets.

Deposits. Century offers certificates of deposit, checking accounts, savings accounts and money market accounts. Substantially all of Century's deposits are from businesses and residents in Century's primary market area. Deposits are insured by the FDIC in an amount up to \$100,000. As of December 31, 2004, approximately 3.8% of the bank's deposit base consisted of time deposits. The remaining 96.2% of deposits are demand deposit, NOW, savings and money market accounts.

Table of Contents

Other Banking Services. Century also offers numerous other banking services, including traveler's checks, direct deposit, notary services, night depository, cashiers' checks, domestic collections, savings bonds, automated teller services, drive-in tellers and banking by mail.

Properties. Century operates three full-service branch offices in downtown Orlando, Maitland/ Winter Park and Longwood, Florida. Century leases all of the locations.

Set forth below is a summary of the approximate square footage of each location:

Century Branches	Square Footage
65 N. Orange Avenue	6,752
541 S. Orlando Avenue	4,536
2101 N. State Road 434	4,596

Competition

Century is headquartered in Orlando, Florida and its primary market area consists of Orange and Seminole Counties. The Orlando MSA has enjoyed rapid and continued expansion in population and job growth, which has fueled continued demand for Century's products and services. Century's management believes this market area will continue to experience strong growth in the near term.

Competition among financial institutions is based upon interest rates offered on deposit accounts, interest rates charged on loans and other credit and service charges, the quality of the services rendered, the convenience of banking facilities, and, in the case of loans to commercial borrowers, relative lending limits.

Century encounters strong competition, both in attracting deposits and originating loans. The deregulation of the banking industry and the widespread enactment of state laws that permit multi-bank holding companies, as well as the availability of nationwide interstate banking, have created a highly competitive environment for financial service providers in Century's primary market area. In one or more aspects of its business, Century has competed with other commercial banks, savings and loan associations, credit unions, finance companies, mutual funds, insurance companies, brokerage and investment banking companies and other financial intermediaries operating in its market and elsewhere. Most of these companies, some of which are affiliated with large bank holding companies, have substantially greater resources and lending limits than Century, and may offer certain services that Century does not provide. In addition, many of Century's non-bank competitors are not subject to the same extensive federal regulations that govern bank holding companies and federally chartered and insured banks. Century's strategy for competing successfully against other financial institutions has focused on developing and maintaining depository relationships and leveraging these depository relationships into loan originations. Century, in particular, targets small businesses and professionals, such as lawyers, accountants, physicians and general contractors.

Employees

As of December 31, 2004, Century employed 26 full-time employees and eight part-time employees. None of these employees is covered by a collective bargaining agreement.

Legal Proceedings

Century periodically is a party to or is otherwise involved in legal proceedings arising in the normal course of business, such as claims to enforce liens or foreclose on defaulted loans, claims involving the making and servicing of real property loans, and other issues incident to its business. Management is not aware of any proceeding threatened or pending against Century that, if determined adversely, would have a material adverse effect on its business or financial position.

Table of Contents**Stock Ownership of Principal Shareholders, Management and Directors**

A person is also deemed to be a beneficial owner of any security as to which that person has the right to acquire beneficial ownership within sixty (60) days from the record date. The audit report on management's assessment of the effectiveness of internal control over financial reporting and the effectiveness of internal control over financial reporting as of December 31, 2004, expresses KPMG's opinion that Seacoast Banking Corporation of Florida did not maintain effective internal control over financial reporting as of December 31, 2004 because of the effect of a material weakness on the achievement of the objectives of the control criteria and contains an explanatory paragraph that states that management did not have controls designed to ensure that the documentation required by generally accepted accounting principles at the inception of a derivative transaction is properly maintained for the term of the respective derivative financial instrument. As a result of this deficiency and the resulting errors in accounting for derivative financial instruments, previously reported 2004 interim financial information was restated. These restatements were required to properly reflect changes in the estimated fair value of certain derivative financial instruments as a component of earnings in the period of change in estimated fair value.

Century National Bank

Orlando, Florida

We have audited the accompanying balance sheets of Century National Bank as of December 31, 2004 and 2003, and the related statements of operations, shareholders' equity, and cash flows for the years then ended. These financial statements are the responsibility of the Bank's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Century National Bank as of December 31, 2004 and 2003, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

**CENTURY NATIONAL BANK
NOTES TO FINANCIAL STATEMENTS**

NOTE 1 ORGANIZATIONAL BACKGROUND

Century National Bank (the Bank) is a full service, nationally chartered commercial banking institution with headquarters in Orlando, Florida. The Bank opened for business November 15, 1999. In addition to its office in downtown Orlando, the Bank currently serves the greater Orlando area from branches in Maitland and Longwood, Florida.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Comprehensive Income

The Bank reports comprehensive income in addition to net income. Comprehensive income is comprised of net income and items of other comprehensive income. The Bank's only item of other comprehensive income is the unrealized gain on its available for sale investment securities portfolio.

Securities

Securities Available for Sale

Securities which are used for asset/liability, liquidity, and other funds management purposes are classified as securities available for sale. These securities have undetermined holding periods and are accounted for on a fair value basis with net unrealized gains and losses included in other comprehensive income.

Securities Held to Maturity

Securities which management has the intent and ability to hold until contractual maturity are classified as securities held to maturity. These securities are carried at their amortized cost, and are not adjusted for market value fluctuations.

Declines in the fair value of securities that are deemed to be other than temporary are reflected in earnings as realized losses. In estimating other-than-temporary impairment losses, management considers (1) the length of time and the extent to which the fair value has been less than cost, (2) the financial condition and near-term prospects of the issuer, and (3) the intent and ability of the Bank to retain its investment in the issuer for a period of time sufficient to allow for any anticipated recovery in fair value.

Amortization and accretion of premiums and discounts are recognized as adjustments to interest income. Realized gains and losses are recognized using the specific identification method.

Loans and Allowance For Loan Losses

Loans are stated at the amount of unpaid principal, reduced by an allowance for loan losses. Interest on loans is calculated by using the simple interest method on daily balances of the principal amounts outstanding except for any loans classified as nonaccrual loans. The accrual of interest is discontinued when future collection of principal or interest in accordance with the contractual terms may be doubtful.

The Bank policy defines an impaired loan as a nonaccrual loan of \$100,000 or more, other than residential real estate loans, on which full collection of principal through either the borrower's cash flow or conversion of collateral is doubtful. When impaired loans are identified, the valuation allowance established for such loans is carried as a part of the ongoing, regular allowance for loan losses.

The allowance for loan losses is established through a provision for loan losses charged against operations. Loans will be charged against the allowance for loan losses when management believes that the collectibility of the principal is unlikely. The allowance is an amount that management believes will be adequate to absorb

CENTURY NATIONAL BANK
NOTES TO FINANCIAL STATEMENTS (Continued)

possible losses on existing loans that may become uncollectible, based on evaluations of the collectibility of loans, industry historical loss experience, and other factors.

Loan fees, net of origination costs, are capitalized and amortized as yield adjustments over the respective loan terms. Interest and fees on loans includes loan fees of \$79,214 and \$57,431 in 2004 and 2003, respectively.

Land, Property and Equipment

Property and equipment are stated at cost, less accumulated depreciation computed on the straight-line and accelerated methods over the estimated useful lives of the assets. These lives are summarized as follows:

Asset	Estimated Lives
Leasehold improvements	10 years
Furniture and equipment	5-8 years
Computer software	3-7 years

Maintenance and repairs are charged to operations, and improvements and additions are capitalized.

Income Taxes

The Bank uses the liability method for accounting for deferred income taxes. This method requires the recognition of deferred tax assets and liabilities for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases.

Cash and Cash Equivalents

For purposes of the statements of cash flows, the Bank considers cash and due from banks, interest-bearing demand balances in other banks and federal funds sold as cash and cash equivalents. In accordance with Federal Reserve regulations, the Bank was required to maintain a balance with the Federal Reserve of approximately \$5.9 million as of December 31, 2004.

Share-Based Compensation

As permitted by applicable accounting principles, management has elected to disclose rather than to record the compensatory effect of stock options granted to employees and directors. The pro forma effect has been determined under the minimum value method, using the Black-Scholes option pricing model, assuming minimal or no volatility, no dividends and average lives and exercise probability by option class.

On December 16, 2004, the Financial Accounting Standards Board revised existing Financial Accounting Standard 123, *Accounting for Stock Based Compensation* (SFAS 123). The revised standard, (SFAS 123-R), requires the use of the fair value method to measure the cost of liability or equity instruments issued in exchange for goods or services, and further requires that such cost be included as an expense in the statement of operations. SFAS 123 currently requires that such cost be measured by use of the fair value method, but reflected only as a pro forma disclosure in the footnotes to the financial statements in lieu of an actual charge.

SFAS 123-R becomes effective for the Company for fiscal year 2006, and requires that the new standard be applied only to covered instruments that are issued, cancelled or modified after December 31, 2005. In addition, SFAS 123-R will require the expensing of the effect of options issued before but not vesting until 2006 and later years. While SFAS 123-R will likely have an effect on the methodologies used by enterprises in obtaining and retaining employee talent, it has no effect on the Company's 2004 consolidated financial

statements, and is not presently expected to have a material effect on the Company's financial statements in future years.

Earnings Per Share

Basic earnings per share is computed by dividing net income by the weighted average number of common shares outstanding during the period. Fully diluted earnings per share is computed by adding the dilutive effect of any unexercised stock options, using the Treasury Stock method to determine dilution. A reconciliation of these amounts follows:

	2004	2003
Weighted average shares outstanding	1,485,804	1,448,195
Dilutive shares issuable under stock option plan	18,459	8,562
Weighted average shares for fully diluted	1,504,263	1,456,757

Other

The Company follows the policy of expensing advertising costs as incurred. Advertising and business development costs charged to operations were approximately \$7,750 and \$9,600 in 2004 and 2003, respectively.

Reclassification

Certain items shown in the December 31, 2003 financial statements have been reclassified to conform more closely to the 2004 presentation.

Amortized cost and estimated fair value of securities held to maturity as of December 31, 2004 and 2003 are as follows:

The following schedule shows those securities with gross unrealized losses at December 31, 2004, aggregated by investment category and length of time that the securities have been in a continuous loss position, as well as their fair value:

	Less Than Twelve Months		Over Twelve Months	
	Gross Unrealized Losses	Fair Value	Gross Unrealized Losses	Fair Value

Total securities held to maturity	\$ 608,727	\$ 65,408,681	\$ 27,584	\$ 2,139,508

At December 31, 2004, none of the above debt securities have unrealized losses with aggregate depreciation of 5% from the Company's amortized cost basis. The unrealized losses that exist are all considered by management to be attributable to changes in market interest rates, and none are considered by management to be attributable to credit risk on the part of the issuer. Accordingly, if market rates were to decline, much or all of the decline in market value could be recovered through market appreciation.

As management has the ability to hold debt securities until maturity, or for the foreseeable future, no declines are deemed to be other than temporary.

The difference in the actual effective tax rate and the federal statutory tax rate of 34% is attributable mainly to Florida state income taxes.

NOTE 12 RELATED PARTY ACTIVITY

The Bank periodically grants loans in the ordinary course of business to directors and their affiliates. At December 31, 2003, these parties were indebted to the Bank in the aggregate amount of approximately \$3,190,000. During 2004, new advances and payments totaled \$845,000 and \$749,100, respectively, resulting in outstanding balances of approximately \$3,285,900 at December 31, 2004.

NOTE 13 COMMITMENTS AND CONTINGENCIES**Financial Instruments With Off-Balance-Sheet Risk**

The financial statements do not reflect various commitments and contingent liabilities that arise in the normal course of business to meet the financing needs of customers. These include commitments to extend credit and honor stand-by letters of credit. These instruments involve, to varying degrees, elements of credit, interest rate and liquidity risks in excess of amounts reflected in the balance sheets. The extent of the Bank's involvement in these commitments or contingent liabilities is expressed by the contractual, or notional, amounts of the instruments.

Commitments to extend credit, which amount to approximately \$23.2 million and \$19.2 million at December 31, 2004 and 2003, respectively, represent agreements to lend to customers with fixed expiration dates or other termination clauses. Since many commitments are expected to expire without being funded, committed amounts do not necessarily represent future liquidity requirements. The amount of collateral obtained, if any, is based on management's credit evaluation in the same manner as though an immediate credit extension were to be granted.

Stand-by letters of credit are conditional commitments issued by the Bank guaranteeing the performance of a customer to a third party. The decision whether to guarantee such performance and the extent of

NOTES TO FINANCIAL STATEMENTS (Continued)**

collateral requirements are made considering the same factors as are considered in credit extension. At December 31, 2004 and 2003, the Bank had outstanding stand-by letters of credit of \$1,024,627 and \$513,227, respectively.

The Bank expects no significant losses to be realized in the performance of its obligations under any of the above instruments.

Concentrations of Credit Risk

The Bank originates residential and commercial real estate loans, agriculture loans, and other consumer and commercial loans primarily in its Orange County and Seminole County market areas. In addition, the Bank may participate in loans originated by other banks or sell loans it originates to other banks. Although the Bank has a diversified loan portfolio, a substantial portion of its borrowers' ability to repay their loans is dependent upon economic conditions in the market areas of its borrowers. In addition, to maximize the Bank's investment income, funds in excess of immediate liquidity needs are invested in federal funds sold (overnight investments) and in money market deposit accounts in other banks. Management continually evaluates the creditworthiness, earnings and capital positions of the correspondent banks in which these funds are invested since there is no deposit insurance in the case of federal funds sold and only \$100,000 per bank in the case of interest-bearing balances in other banks.

Use of Estimates in Preparation of Financial Statements

The process of preparing financial statements in conformity with generally accepted accounting principles requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues and expenses. For the Bank, such estimates significantly affect the amount at which the allowance for loan losses is carried, the amount of the deferred tax assets that are dependent upon future taxable income and the likelihood and timing of realization of such assets, and other factors and amounts entering into the preparation of the financial statements, including the fair value estimates discussed in Note 17 to these financial statements. All such estimates relate to unsettled transactions and events as of the date of the financial statements and, accordingly, upon settlement it is likely that actual amounts will differ from currently estimated amounts.

Available Lines of Credit

The Bank has unsecured federal funds purchased lines of credit totaling \$4.5 million with its correspondent banks. The interest rate on these lines is based on the daily Federal funds rate. There are no outstanding balances on any of these lines at either December 31, 2004 or 2003.

NOTE 14 DIVIDEND RESTRICTIONS

The payment of dividends is subject to various restrictions set forth by law and applicable federal banking regulations. Such restrictions generally limit dividends to an amount not exceeding net income for the current and two preceding years, less amounts paid out during that period.

NOTE 15 SHARE-BASED COMPENSATION

The Bank's board of directors and shareholders have approved two stock option plans permitting the granting of options for up to 235,000 shares and 54,000 shares of the Bank's common stock to selected officers and employees and to the directors, respectively. Options granted under either plan become exercisable to the extent of 33% during the second year, 66% during the third year, and 100% during the fourth year after the year of grant. The option price of these options is the deemed fair value of a share of common stock on the date of grant, and any options not exercised expire ten years after their date of grant.

Of the options currently outstanding, 49,595 are exercisable as of December 31, 2004. However, unvested options become fully vested in the event of a change of control such as discussed in Note 18. The weighted average remaining contractual life at December 31, 2004 is approximately 8.0 years. Of the 98,373 options, 89,461 relate to the officer and employee plan and 8,912 relate to the director plan.

As permitted, the Company has elected to disclose the pro forma compensatory effect of its options rather than to record such effect. Had the options been recorded, compensation and income would have been as follows:

NOTE 16 REGULATORY MATTERS

The Bank is subject to various regulatory capital requirements administered by the federal banking agencies. Failure to meet minimum capital requirements can initiate certain mandatory and possibly additional discretionary actions by regulators that, if undertaken, could have a direct material effect on the Bank's financial statements. Under capital adequacy guidelines and the regulatory framework for prompt corrective action, the Bank must meet specific capital guidelines that involve quantitative measures of the Bank's assets, liabilities, and certain off-balance-sheet

items as calculated under regulatory accounting practices. The Bank's capital amounts and classification are also subject to qualitative judgments by the regulators about components, risk weightings, and other factors.

Quantitative measures established by regulation to ensure capital adequacy require the Bank to maintain minimum amounts and ratios of total and Tier 1 capital to risk-weighted assets, and of Tier 1 capital to average assets. If such minimum amounts and ratios are met, the Bank is considered adequately capitalized. If a bank exceeds the requirements of adequately capitalized, and meets even more stringent minimum

standards, it is considered well capitalized. Management believes as of December 31, 2004, the Bank meets all capital adequacy requirements to which it is subject.

The table below shows the total risk-based, Tier 1 risk-based, and Tier 1 leverage ratios of the Bank at December 31, 2004 and 2003, and the minimum amounts and ratios needed to meet the definition of well capitalized.

NOTE 17 FAIR VALUE OF FINANCIAL INSTRUMENTS

The table which follows shows the estimated fair value and the related carrying amounts of the Bank's financial instruments at December 31, 2004.

For purposes of this disclosure, the estimated fair value for cash and cash equivalents is considered to approximate their carrying amounts. The estimated fair value for securities is based on quoted market values for the individual or equivalent securities. The estimated fair value for loans is based on interest rates the Bank would have charged borrowers at December 31, 2004 for similar loans, maturities and terms.

The estimated fair value for demand and savings deposits is based on their carrying amount. The estimated fair value for time deposits is based on rates the Bank offered at December 31, 2004 for deposits of similar remaining maturities. The estimated fair value for other financial instruments, off-balance-sheet loan commitments and guarantees are based on fees currently charged to enter into similar agreements, taking into account the remaining

terms of the agreements and the counterparties credit standing. Assets and liabilities of

the Bank that are not defined as financial instruments, such as premises and equipment, are excluded from these disclosures.

Time deposits	11,029	11,014
Short-term borrowings	164	164
Off-balance-sheet instruments		8

Non-financial instruments typically not recognized in the financial statements nevertheless may have value but are not included in the above disclosures. These include, among other items, the estimated earnings power of core deposit accounts, the earnings potential of loan servicing rights, customer goodwill, and similar items.

While these estimates of fair value are based on management's judgment of the most appropriate factors, there is no assurance that, were the Bank to have disposed of such items at December 31, 2004, the estimated fair values would necessarily have been achieved at that date, since market values may differ depending on various circumstances. The estimated fair values at December 31, 2004 should not necessarily be considered to apply at subsequent dates.

NOTE 18 PENDING SALE OF THE BANK

On November 30, 2004, the Bank entered into an Agreement and Plan of Merger with Seacoast Banking Corporation and its subsidiary bank. Under this agreement, the shareholders of the Bank may elect to receive either cash (subject to certain limitations) or shares of the Buyer's common stock in exchange for shares of Bank stock they hold immediately before the transaction. Pursuant to the agreement, the Bank will be merged into the Buyer's subsidiary bank upon consummation.

The ultimate purchase price is subject to various fluctuations, based upon the Buyer's per share fair value and other conditions that might occur during the period from the signing of the agreement until the transaction is consummated. However, the purchase price is expected to fall in the range of \$42 million to \$48 million.

The transaction is subject to approval by certain regulatory authorities, as well as the shareholders of both parties to the agreement. Provided all necessary approvals are received, the transaction is anticipated to close in the second quarter of 2005.

AGREEMENT AND PLAN OF MERGER

THIS AGREEMENT AND PLAN OF MERGER (this Agreement) dated as of November 30, 2004 is by and among Seacoast Banking Corporation of Florida (Buyer), a Florida corporation; First National Bank & Trust Company of the Treasure Coast, Stuart, Florida, a national banking association (First National or alternatively Interim (as defined below), if designated by Buyer pursuant to Section 1.4, in either case, the Merger Subsidiary); and Century National Bank, Orlando, Florida (Seller), a national banking association.

Preamble

The respective Boards of Directors of Buyer and Seller have determined that the transactions described herein are in the best interests of the Parties to this Agreement and their respective shareholders. This Agreement provides for the acquisition of Seller by Buyer pursuant to the merger of Seller with and into Merger Subsidiary. The transactions described in this Agreement are subject to the approvals of the shareholders of Seller, the Board of Governors of the Federal Reserve System, the Office of the Comptroller of the Currency (OCC) and the satisfaction of certain other conditions described in this Agreement. It is the intention of the Parties to this Agreement that the Merger for federal income tax purposes shall qualify as a reorganization within the meaning of Section 368(a) of the Code.

Certain capitalized terms used in this Agreement are defined in Section 11.1 of this Agreement.

NOW, THEREFORE, in consideration of the above and the mutual warranties, representations, covenants, and agreements set forth herein, the Parties agree as follows:

ARTICLE 1

TRANSACTIONS AND TERMS OF MERGER

1.1 Merger.

Subject to the terms and conditions of this Agreement, at the Effective Time, Seller shall be merged with and into Merger Subsidiary pursuant to and with the effect provided in 12 U.S.C. 215a (the Merger), and the Merger Subsidiary shall be the Surviving Bank resulting from the Merger and shall remain a wholly owned subsidiary of Buyer. The Merger shall be consummated pursuant to the terms of this Agreement, which has been approved and adopted by the respective Boards of Directors of Seller and Buyer, and has been approved by First National's Board of Directors and by Buyer, as First National's sole shareholder.

1.2 Time and Place of Closing.

The closing of the transactions contemplated hereby (the Closing) will take place at 9:00 A.M. Eastern Time on the date that the Effective Time occurs (or the immediately preceding day if the Effective Time is earlier than 9:00 A.M. Eastern Time), or at such other time as the Parties, acting through their authorized officers, may mutually agree. The Closing shall be held at such location as may be mutually agreed upon by the Parties.

1.3 Effective Time.

The Merger and other transactions contemplated by this Agreement shall become effective on the date and time the Articles of Merger (the Articles of Merger) reflecting the Merger shall become effective with the OCC (the Effective Time). Subject to the terms and conditions hereof, unless otherwise mutually agreed upon in writing by the authorized officers of each Party, the Parties shall use their reasonable efforts to cause the Effective Time to occur on the last business day of the month in which the last to occur of (i) the effective date (including expiration of any applicable waiting period) of the last required Consent of any Regulatory Authority having authority over and approving or exempting the Merger, and (ii) the date on

which the shareholders of Seller approve this Agreement to the extent such approval is required by applicable Law or such later date within 30 days thereof as may be specified by Buyer.

1.4 Restructure of Transaction

Buyer shall have the right to revise the structure of the Merger contemplated by this Agreement in order to assure that the Merger for federal income tax purposes shall qualify as a reorganization within the meaning of Section 368(a) of the Code or to substitute an interim national bank that is wholly owned by Buyer (Interim) for First National as the entity into which Seller merges, *provided, that* no such revision to the structure of the Merger shall result in (i) any changes in the amount or type of the consideration which the holders of shares of Seller Common Stock are entitled to receive under this Agreement, or (ii) would unreasonably impede or delay consummation of the Merger. Buyer may exercise this right of revision by giving written notice to Seller in the manner provided in Section 11.8, which notice shall be in the form of an amendment to this Agreement or in the form of an Amended and Restated Agreement and Plan of Merger.

(i) for each share of Seller Common Stock issued and outstanding at the Effective Time with respect to which an election to receive cash has been effectively made and not revoked or lost pursuant to Article 4 (a Cash Election), the right to receive in cash from Buyer an amount equal to the quotient of \$46,193,088 divided by the sum of the number of shares of Seller Common Stock issued and outstanding at the Effective Time plus the number of shares of Seller Common Stock issuable as of the Effective Time pursuant to unexercised Seller Options (the Per Share Amount) (collectively, the shares of Seller Common Stock as to which a Cash Election has been made and such Cash Election has not been revoked or lost are called the Cash Election Shares); and

(ii) for each share of Seller Common Stock with respect to which an election to receive Buyer Common Stock has been effectively made and not revoked or lost pursuant to Article 4 (a Stock Election), the right to receive from Buyer the fraction of a share of Buyer Common Stock as is equal to the Exchange Ratio (the Stock Consideration) (collectively, the Stock Election Shares).

Exchange Ratio shall be the quotient obtained (expressed to five decimal places) resulting from dividing the Per Share Amount by the Average Buyer Price, *provided* in no event shall the Exchange Ratio be greater than the Exchange Ratio obtained by using the Per Share Amount at the Effective Time and the product of 90% and an Average Buyer Price of \$22.50 or less than the Exchange Ratio obtained by using the Per Share Amount at the Effective Time and the product of 110% and an Average Buyer Price of \$22.50.

Cash Consideration shall mean the cash payable for all Cash Election Shares, which shall be \$15,693,342 less the amount of Option Settlement Payments that are paid or payable at the Effective Time due to Seller Options not being exercised prior to the Effective Time. In no event shall the Buyer be obligated hereunder to pay cash in an aggregate amount greater than \$15,693,342 for all Cash Election Shares and Seller Options, or to deliver more than 1,506,160 shares of Buyer Common Stock in exchange for Stock Election Shares.

The Cash Consideration and the Stock Consideration are sometimes referred to herein collectively as the Merger Consideration. Shareholders of Seller may elect, subject to proration and the other terms and conditions hereof, to receive Buyer Common Stock for all or some of the shares of Seller Common Stock, or cash in exchange for all or some of the shares of Seller Common Stock, or any combination of Cash Consideration and Stock Consideration.

(c) All of the shares of Seller Common Stock converted into the right to receive the Merger Consideration pursuant to this Article 3 shall no longer be outstanding and shall automatically be cancelled and shall cease to exist as of the Effective Time, and each certificate previously representing any such shares of Seller Common Stock (each, a Seller Stock Certificate) shall thereafter represent only the right to receive without interest (i) the number of whole shares of Buyer Common Stock, (ii) the aggregate Cash Consideration and (iii) cash in lieu of fractional shares, into which the shares of Seller Common Stock represented by such Seller Stock Certificate have been converted pursuant to this Section 3.1 and Section 3.6.

(d) If, between the date of this Agreement and the Effective Time, the outstanding shares of Buyer Common Stock shall have been increased, decreased, changed into or exchanged for a different number or kind of shares or securities as a result of a reorganization, recapitalization, reclassification, stock

dividend, stock split, reverse stock split, or other similar change in capitalization, an appropriate and proportionate adjustment shall be made to the Exchange Ratio payable pursuant to this Agreement.

(e) Notwithstanding anything in this Agreement to the contrary, at the Effective Time, all shares of Seller Common Stock that are held by Seller or Buyer (other than Trust Account Shares and DPC Shares) shall be cancelled and shall cease to exist and no Merger Consideration shall be payable or delivered in exchange therefor. All shares of Buyer Common Stock that are held by Seller (other than Trust Account Shares and DPC Shares) shall become treasury stock of Buyer.

3.2 Proration.

(a) Notwithstanding any other provision contained in this Agreement, the total number of shares of Seller Common Stock to be converted into Cash Consideration pursuant to Section 3.1 (the Cash Conversion Number) shall be equal to the quotient obtained by dividing (x) the Cash Consideration by (y) the Per Share Amount. All of the other shares of Seller Common Stock shall be converted into Stock Consideration (other than shares of Seller Common Stock to be canceled as provided in Section 3.1(e)) and other than any shares of Seller Common Stock that are Dissenter Shares.

(b) Within five business days after the Effective Time, Buyer shall cause the Exchange Agent (as defined below) to effect the allocation among holders of Seller Common Stock of rights to receive the Cash Consideration and the Stock Consideration as follows:

(i) If the aggregate number of shares of Seller Common Stock with respect to which Cash Elections shall have been made (the Cash Election Number) exceeds the Cash Conversion Number, then all Stock Election Shares and all Non-Election Shares of each holder thereof shall be converted into the right to receive the Stock Consideration, and Cash Election Shares of each holder thereof will be converted into the right to receive the Cash Consideration in respect of that number of Cash Election Shares equal to the product obtained by multiplying (x) the number of Cash Election Shares held by such holder by (y) a fraction, the numerator of which is the Cash Conversion Number and the denominator of which is the Cash Election Number, with the remaining number of such holder's Cash Election Shares being converted into the right to receive the Stock Consideration; and

(ii) If the Cash Election Number is less than the Cash Conversion Number (the amount by which the Cash Conversion Number exceeds the Cash Election Number being referred to herein as the Shortfall Number), then all Cash Election Shares shall be converted into the right to receive the Cash Consideration and the Non-Election Shares and Stock Election Shares shall be treated in the following manner:

(A) If the Shortfall Number is less than or equal to the number of Non-Election Shares, then all Stock Election Shares shall be converted into the right to receive the Stock Consideration and the Non-Election Shares of each holder thereof shall convert into the right to receive the Cash Consideration in respect of that number of Non-Election Shares equal to the product obtained by multiplying (x) the number of Non-Election Shares held by such holder by (y) a fraction, the numerator of which is the Shortfall Number and the denominator of which is the total number of Non-Election Shares, with the remaining number of such holder's Non-Election Shares being converted into the right to receive the Stock Consideration; or

(B) If the Shortfall Number exceeds the number of Non-Election Shares, then all Non-Election Shares shall be converted into the right to receive the Cash Consideration and Stock Election Shares of each holder thereof shall convert into the right to receive the Cash Consideration in respect of that number of Stock Election Shares equal to the product obtained by multiplying (x) the number of Stock Election Shares held by such holder by (y) a fraction, the numerator of which is the amount by which (1) the Shortfall Number exceeds (2) the total number of Non-Election Shares and the denominator of which is the total number of Stock Election Shares, with the remaining number of such holder's Stock Election Shares being converted into the right to receive the Stock Consideration.

(c) Buyer shall make the Form of Election initially available at the time that the Proxy Statement (as defined herein) is made available to the shareholders of Seller, to such shareholders, and shall use all reasonable efforts to make available as promptly as possible a Form of Election to any shareholder of Seller who requests such Form of Election following the initial mailing of the Forms of Election and prior to the Election Deadline. In no event shall the Form of Election be made available less than twenty (20) days prior to the Election Deadline.

Failure to deliver shares of Seller Common Stock covered by such a guarantee of delivery within the time set forth on such guarantee shall be deemed to invalidate any otherwise properly made Election, unless otherwise determined by Buyer, in its sole discretion. As used herein, Election Deadline means 5:00 p.m. Eastern Time on the date that is the day prior to the date of the Seller Shareholders Meeting. Seller and Buyer shall cooperate to issue a press release reasonably satisfactory to each of them announcing the date of the Election Deadline not more than fifteen (15) business days before, and at least five (5) business days prior to, the Election Deadline.

Subject to the terms of the Exchange Agent Agreement, if Buyer shall determine in its reasonable discretion that any Election is not properly made with respect to any shares of Seller Common Stock, such Election shall be deemed to be not in effect, and the shares of Seller Common Stock covered by such Election shall, for purposes hereof, be deemed to be Non-Election Shares, unless a proper Election is thereafter timely made.

(f) Any Seller shareholder may, at any time prior to the Election Deadline, revoke his or her Election by written notice received by the Exchange Agent prior to the Election Deadline or by withdrawal prior to the Election Deadline of his or her Seller Stock Certificate, or of the guarantee of delivery of such certificates, previously deposited with the Exchange Agent. All Elections shall be revoked automatically, and all stock certificates, if any, held by the Exchange Agent, shall be promptly returned to the Seller shareholders, if the Exchange Agent is notified in writing by Buyer or Seller that this Agreement has been terminated in accordance with Article 10.

(g) Subject to the terms of the Exchange Agent Agreement, Buyer, in the exercise of its reasonable discretion, shall have the right to make all determinations, not inconsistent with the terms of this Agreement, governing (A) the validity of the Forms of Election and compliance by any Seller

The Certificate or Certificates of Seller Common Stock so delivered shall be duly endorsed as the Exchange Agent may require. In the event of a transfer of ownership of shares of Seller Common Stock represented by Certificates that is not registered in the transfer records of Seller, the consideration provided in Section 3.1 may be issued to a transferee if the Certificates representing such shares are delivered to the Exchange Agent, accompanied by all documents required to evidence such transfer and by evidence satisfactory to the Exchange Agent that any applicable stock transfer taxes have been paid. 7.3 Covenants of Buyer.

From the date of this Agreement until the earlier of the Effective Time or the termination of this Agreement, unless the prior written consent of Seller shall have been obtained, and except as otherwise expressly contemplated herein, Buyer covenants and agrees that it shall (a) continue to conduct its business and the business of its Subsidiaries in a manner designed in its reasonable judgment, to enhance the long-term value of the Buyer Common Stock and the business prospects of the Buyer Entities and to the extent consistent therewith use all reasonable efforts to preserve intact the Buyer Entities' core businesses and goodwill with their respective employees and the communities they serve, and (b) take no action which would (i) materially adversely affect the ability of any Party to obtain any Consents required for the transactions contemplated hereby without imposition of a condition or restriction of the type referred to in the last sentences of Section 9.1(b) or 9.1(c), or (ii) materially adversely affect the ability of any Party to perform its covenants and agreements under this Agreement; *provided, that* the foregoing shall not prevent any Buyer Entity from acquiring any Assets or other businesses or from discontinuing or disposing of any of its Assets or

business if such action is, in the reasonable judgment of Buyer, desirable in the conduct of the business of

Buyer and its Subsidiaries, *provided further that* such actions shall not materially delay the Effective Time or materially hinder consummation of the Merger.

7.4 Adverse Changes in Condition.

Each Party agrees to give written notice promptly to the other Party upon becoming aware of the occurrence or impending occurrence of any event or circumstance relating to it or any of its Subsidiaries which (i) is reasonably likely to have, individually or in the aggregate, a Seller Material Adverse Effect or a Buyer Material Adverse Effect, as applicable, or (ii) would cause or constitute a material breach of any of its representations, warranties, or covenants contained herein, and to use its reasonable efforts to prevent or promptly to remedy the same.

7.5 Reports.

Each Party and its Subsidiaries shall file all reports required to be filed by it with Regulatory Authorities between the date of this Agreement and the Effective Time and shall deliver to the other Party copies of all such reports promptly after the same are filed. If financial statements are contained in any such reports filed under the Exchange Act or with any other Regulatory Authority, such financial statements will fairly present the consolidated financial position of the entity filing such statements as of the dates indicated and the consolidated results of operations, changes in shareholders' equity, and cash flows for the periods then ended in accordance with GAAP (subject in the case of interim financial statements to normal recurring year-end adjustments that are not material). As of their respective dates, such reports filed under the Exchange Act or with any other Regulatory Authority will comply in all material respects with the Securities Laws and will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. Any financial statements contained in any other reports to another Regulatory Authority shall be prepared in accordance with the Laws applicable to such reports.

ARTICLE 8

ADDITIONAL AGREEMENTS

8.1 Registration Statement; Proxy Statement; Shareholder Approval.

(a) As promptly as reasonably practicable after execution of this Agreement, (i) Buyer shall prepare and file the Registration Statement with the Commission, and shall use its reasonable efforts to cause the Registration Statement to become effective under the Securities Act and take any action required to be taken under the applicable state Blue Sky or securities Laws in connection with the issuance of the shares of Buyer Common Stock upon consummation of the Merger. Seller shall cooperate in the preparation and filing of the Registration Statement and shall furnish all information concerning it and the holders of its capital stock as Buyer may reasonably request in connection with such action. In connection with the Seller's Shareholders' Meeting, Seller and Buyer shall prepare and file with the Commission and the OCC, a Proxy Statement and subject to the requirements of the applicable Regulatory Authorities, mail such Proxy Statement to Seller's shareholders, and (ii) the Parties shall furnish to each other all information concerning them that they may reasonably request in connection with such Proxy Statement. Buyer and Seller shall timely and properly make all necessary filings with respect to the Merger under the Securities Laws. Buyer will advise Seller, promptly after Buyer receives notice thereof, of the time when the Registration Statement has become effective or any supplement or amendment has been filed, of the issuance of any stop order or the suspension of the qualification of Buyer Common Stock for offering or sale in any jurisdiction, of the initiation or threat of any proceeding for any such purpose, or of any request by the Commission or the OCC for the amendment or supplement of the Registration Statement, the Proxy Statement, or for additional information. Buyer and Seller shall provide each other promptly with copies of all filings and letters to and from the Commission and other Regulatory Authorities.

(b) Seller shall duly call, give notice of, convene and hold a Shareholders Meeting, to be held as soon as reasonably practicable after the Registration Statement is declared effective by the Commission on a date reasonably acceptable to Buyer, for the purpose of voting upon approval and adoption of this Agreement, the Merger, and the related transactions (Seller Shareholder Approval) and such other related matters as it deems appropriate and shall, subject to the provisions of Section 8.1(c), through its Board of Directors, recommend to its shareholders the approval and adoption of this Agreement and use its reasonable efforts to obtain the Seller Shareholder Approval.

(c) Neither the Board of Directors of Seller nor any committee thereof shall (i) except as expressly permitted by this Section 8.1(c), withdraw, qualify or modify, or propose publicly to withdraw, qualify or modify, in a manner adverse to Buyer, the approval or recommendation of such Board of Directors or such committee of the Merger or this Agreement, (ii) approve or recommend, or propose publicly to approve or recommend, any Acquisition Proposal, or (iii) cause Seller to enter into any letter of intent, agreement in principle, acquisition agreement or other similar agreement (each, an Alternative Acquisition Agreement) related to any Acquisition Proposal. Notwithstanding the foregoing, in the event that, prior to the adoption of this Agreement by the holders of Seller Common Stock, the Board of Directors of Seller determines in good faith, after it has received a Superior Proposal and after receipt of advice from outside counsel, that the failure to do so would result in a reasonable possibility that the Board of Directors of Seller would breach its fiduciary duties to Seller shareholders under applicable Law, the Board of Directors of Seller may (subject to this and the following sentences) inform Seller shareholders that it no longer believes that the Merger is advisable and no longer recommends approval and may (subject to this Section 8.1(c)) approve or recommend a Superior Proposal (and in connection therewith withdraw or modify its approval or recommendation of this Agreement and the Merger (a Subsequent Determination), but only at a time that is after the fifth business day following Buyer's receipt of written notice advising Buyer that the Board of Directors of Seller has received a Superior Proposal specifying the material terms and conditions of such Superior Proposal (and including a copy thereof with all accompanying documentation, if in writing), identifying the person making such Superior Proposal and stating that it intends to make a Subsequent Determination. After providing such notice, Seller shall provide a reasonable opportunity to Buyer to make such adjustments in the terms and conditions of this Agreement as would enable Seller to proceed with its recommendation to its shareholders without a Subsequent Determination; *provided, however*, that any such adjustment shall be at the discretion of the Parties at the time. Notwithstanding any other provision of this Agreement, except to the extent prohibited by the National Bank Act in the written opinion of counsel to Seller, which shall be reasonably acceptable to Buyer, Seller shall submit this Agreement to its shareholders at its Shareholders Meeting even if the Board of Directors of Seller determines at any time after the date hereof that it is no longer advisable or recommends that Seller shareholders reject it, *provided, however*, that Seller shall not be required to submit this Agreement to its shareholders at its shareholder meeting if this Agreement has been terminated pursuant to Section 10.1(f) or (g) and Buyer has been paid the Termination Fee.

8.2 Other Offers, Etc.

(a) No Seller Entity shall, nor shall it authorize or permit any of its Affiliates or Representatives to, directly or indirectly (i) solicit, initiate, encourage or induce the making, submission or announcement of any Acquisition Proposal, (ii) participate in any discussions or negotiations regarding, or furnish to any Person or Group (as such term is defined in Section 13(d) under the Exchange Act) any nonpublic information with respect to, or take any other action to facilitate any inquiries or the making of any proposal that constitutes or may reasonably be expected to lead to, any Acquisition Proposal, (iii) subject to Section 8.2(c), approve, endorse or recommend any Acquisition Proposal, or (iv) enter into any Acquisition Agreement contemplating or otherwise relating to any Acquisition Transaction; *provided however*, that this Section 8.2(a) shall not prohibit a Seller Entity from furnishing nonpublic information regarding any Seller Entity to, or entering into a confidentiality agreement or discussions or negotiations with, any Person or Group in response to a *bona fide* unsolicited written Acquisition Proposal submitted by such Person or Group (and not withdrawn) if (A) no Seller Entity or Representative or Affiliate thereof shall have violated any of the restrictions set forth in this Section 8.2, (B) the Board of Directors of Seller determines in its good faith judgment (based on, among other things, the advice of Seller Financial Advisor that such Acquisition Proposal constitutes a Superior

In addition to the foregoing, Seller shall provide Buyer with at least five business days' prior written notice of a meeting of the Board of Directors of Seller at which meeting the Board of Directors of Seller is reasonably expected to resolve to recommend a Superior Proposal to its shareholders and together with such notice a copy of the most recently proposed documentation relating to such Superior Proposal; *provided further* that Seller hereby agrees promptly to provide to Buyer any revised documentation and any Acquisition Agreement.

(b) In addition to the obligations of Seller set forth in Section 8.2(a), as promptly as practicable, after any of the executive officers of Seller become aware thereof, Seller shall advise Buyer of any request received by Seller for nonpublic information which Seller reasonably believes could lead to an Acquisition Proposal or of any Acquisition Proposal, the material terms and conditions of such request or Acquisition Proposal, and the identity of the Person or Group making any such request or Acquisition Proposal. Seller shall keep Buyer informed promptly of material amendments or modifications to any such request or Acquisition Proposal.

(c) Seller and its Subsidiaries shall immediately cease any and all existing activities, discussions or negotiations with any Persons conducted heretofore with respect to any Acquisition Proposal and will use their respective reasonable best efforts to enforce any confidentiality or similar or related agreement relating to any Acquisition Proposal.

(d) Nothing contained in this Agreement shall prevent a Party or its board of directors from complying with Rule 14d-9 and Rule 14e-2 under the Exchange Act with respect to an Acquisition Proposal, *provided that* such Rules will in no way eliminate or modify the effect that any action pursuant to such Rules would otherwise have under this Agreement.

8.3 Nasdaq Listing.

Buyer shall use its reasonable efforts to list, prior to the Effective Time, on the Nasdaq National Market, the shares of Buyer Common Stock to be issued to the holders of Seller Common Stock pursuant to the Merger, and Buyer shall give all notices and make all filings with Nasdaq required in connection with the transactions contemplated herein.

8.4 Consents of Regulatory Authorities.

The Parties hereto shall cooperate with each other and use their reasonable efforts to promptly prepare and file all necessary documentation and applications, to effect all applications, notices, petitions and filings and to obtain as promptly as practicable all Consents of all Regulatory Authorities and other Persons which are necessary or advisable to consummate the transactions contemplated by this Agreement (including the Merger). The Parties agree that they will consult with each other with respect to the obtaining of all Consents of all Regulatory Authorities and other Persons necessary or advisable to consummate the transactions contemplated by this Agreement and each Party will keep the other apprised of the status of matters relating to contemplation of the transactions contemplated herein. Each Party also shall promptly advise the other upon receiving any communication from any Regulatory Authority whose Consent is required for consummation of the transactions contemplated by this Agreement which causes such Party to believe that there is a reasonable likelihood that any requisite Consent will not be obtained or that the receipt of any such Consent will be materially delayed.

8.5 Agreement as to Efforts to Consummate.

Subject to the terms and conditions of this Agreement, each Party agrees to use, and to cause its Subsidiaries to use, its reasonable efforts to take, or cause to be taken, all actions, and to do, or cause to be done, all things necessary, proper, or advisable under applicable Laws to consummate and make effective, as soon as reasonably practicable after the date of this Agreement, the transactions contemplated by this Agreement, including using its reasonable efforts to lift or rescind any Order adversely affecting its ability to consummate the transactions contemplated herein and to cause to be satisfied the conditions referred to in Article 9; *provided, that* nothing herein shall preclude either Party from exercising its rights under this Agreement.

8.6 Investigation and Confidentiality.

(a) Prior to the Effective Time, each Party shall keep the other Party advised of all material developments relevant to its business and to consummation of the Merger and shall permit the other Party to make or cause to be made such investigation of its business and properties (including that of its Subsidiaries) and of their respective financial and legal conditions as the other Party reasonably requests, *provided, that* such investigation shall be reasonably related to the transactions contemplated hereby and shall not interfere unnecessarily with normal operations. No investigation by a Party shall affect the ability of such Party to rely on the representations and warranties of the other Party. Between the date hereof and the Effective Time, Seller shall permit Buyer's senior officers and independent auditors to meet with the senior officers of Seller, including officers responsible for the Seller Financial Statements, the internal controls of Seller and the disclosure controls and procedures of Seller and Seller's independent public accountants, to discuss such matters as Buyer may deem reasonably necessary or appropriate for Buyer to satisfy its obligations under Sections 302 and 906 of the Sarbanes-Oxley Act.

(b) In addition to the Parties' respective obligations under the Confidentiality Agreements, which are hereby reaffirmed and adopted, and incorporated by reference herein, each Party shall, and shall cause its advisers and agents to, maintain the confidentiality of all confidential information furnished to it by the other Party concerning its and its Subsidiaries' businesses, operations, and financial positions and shall not use such information for any purpose except in furtherance of the transactions contemplated by this Agreement. If this Agreement is terminated prior to the Effective Time, each Party shall promptly return or certify the destruction of all documents and copies thereof, and all work papers containing confidential information received from the other Party.

(c) Seller shall use its reasonable efforts to exercise, and shall not waive any of, its rights under confidentiality agreements entered into with Persons which were considering an Acquisition Proposal with respect to Seller to preserve the confidentiality of the information relating to the Seller Entities provided to such Persons and their Affiliates and Representatives.

(d) Each Party agrees to give the other Party notice as soon as practicable after any determination by it of any fact or occurrence relating to the other Party which it has discovered through the course of its investigation and which represents, or is reasonably likely to represent, either a material breach of any representation, warranty, covenant or agreement of the other Party or which has had or is reasonably likely to have a Seller Material Adverse Effect or a Buyer Material Adverse Effect, as applicable.

8.7 Press Releases.

Prior to the Effective Time, Seller and Buyer shall consult with each other as to the form and substance of any press release or other public disclosure materially related to this Agreement or any other transaction contemplated hereby; *provided, that* nothing in this Section 8.7 shall be deemed to prohibit any Party from making any disclosure which its counsel deems necessary or advisable in order to satisfy such Party's disclosure obligations imposed by Law.

8.8 Tax Treatment.

Each of the Parties undertakes and agrees to use its reasonable efforts to cause the Merger, and to take no action which would cause the Merger not, to qualify as a reorganization within the meaning of Section 368(a) of the Code for federal income tax purposes.

8.9 Charter Provisions.

Each Seller Entity shall take all necessary action to ensure that the entering into of this Agreement and the consummation of the Merger and the other transactions contemplated hereby do not and will not result in the grant of any rights to any Person under the Articles of Association, Bylaws or other governing instruments of any Seller Entity or restrict or impair the ability of Buyer or any of its Subsidiaries to vote, or otherwise to exercise the rights of a shareholder with respect to, shares of any Seller Entity that may be directly or indirectly acquired or controlled by them.

8.10 Affiliates Agreement.

Seller has disclosed in Section 8.10 of the Seller Disclosure Memorandum all Persons whom it reasonably believes is an affiliate of Seller for purposes of SEC Rule 145 under the Securities Act. Seller shall use its reasonable efforts to cause each such Person to deliver to Buyer not later than 20 days after the date of this Agreement, a written agreement, in substantially the form of Exhibit 2, providing that such Person will not sell, pledge, transfer, or otherwise dispose of the shares of Seller Common Stock held by such Person except as contemplated by such agreement or by this Agreement and will not sell, pledge, transfer, or otherwise dispose of the shares of Buyer Common Stock to be received by such Person upon consummation of the Merger except in compliance with applicable provisions of the Securities Act and the rules and regulations thereunder. Buyer shall be entitled to place restrictive legends upon certificates for shares of Buyer Common Stock issued to affiliates of Seller pursuant to this Agreement to enforce the provisions of this Section 8.10. Buyer shall not be required to maintain the effectiveness of the Registration Statement under the Securities Act for the purposes of resale of Buyer Common Stock by such affiliates.

8.11 Employee Benefits and Contracts.

(a) Following the Effective Time, Buyer shall provide generally to officers and employees of the Seller Entities employee benefits under employee benefit and welfare plans (other than stock option or other plans involving the potential issuance of Buyer Common Stock), on terms and conditions which when taken as a whole are substantially similar to those currently provided by the Buyer Entities to their similarly situated officers and employees. For purposes of participation, vesting and (except in the case of Buyer retirement plans) benefit accrual under Buyer's employee benefit plans, the service of the employees of the Seller Entities prior to the Effective Time shall be treated as service with a Buyer Entity participating in such employee benefit plans. Subject to Section 9.11(b), Buyer also shall cause the Surviving Bank to honor in accordance with their terms all employment, severance, consulting and other compensation Contracts disclosed in Section 8.11 of the Seller Disclosure Memorandum to Buyer between any Seller Entity and any current or former director, officer, or employee thereof, and all provisions for vested benefits or other vested amounts earned or accrued through the Effective Time under the Seller Benefit Plans.

(b) Simultaneously herewith, each of Messrs. Michael W. Sheffey, David R Dotherow and Sidney G. Cash shall have entered into Employment Agreements with Merger Subsidiary in the form of Exhibit 3, which shall become effective at the Effective Time. At the Effective Time, any existing Employment or change in control or similar agreements, arrangements or understandings between any of such Persons and the Seller shall terminate and have no further force or effect, *provided, however*, that any cash payments required to be made by such Agreements to the employees thereunder as a result of this Agreement or the Merger shall be paid to such employees at Closing.

8.12 Indemnification.

(a) For a period of six years after the Effective Time, Buyer shall, and shall cause the Surviving Bank to, indemnify, defend and hold harmless the present and former directors, officers, employees and agents of the Seller Entities (each, an Indemnified Party) against all Liabilities arising out of actions or omissions arising out of the Indemnified Party s service or services as directors, officers, employees or agents of Seller or, at Seller s request, of another corporation, partnership, joint venture, trust or other enterprise occurring at or prior to the Effective Time (including the transactions contemplated by this Agreement) to the fullest extent permitted under the FBCA, Section 402 of the Sarbanes-Oxley Act and by Seller s Articles of Association and Bylaws as in effect on the date hereof, including provisions relating to advances of expenses incurred in the defense of any Litigation and whether or not any Buyer Entity is insured against any such matter. Without limiting the foregoing, in any case in which approval by the Surviving Bank is required to effectuate any indemnification, the Surviving Bank shall direct, at the election of the Indemnified Party, that the determination of any such approval shall be made by independent counsel mutually agreed upon between Buyer and the Indemnified Party.

(b) Buyer shall, or shall cause the Surviving Bank to, use its reasonable efforts (and Seller shall cooperate prior to the Effective Time in these efforts) to maintain in effect for a period of three years after the Effective Time Seller s existing directors and officers liability insurance policy (provided that Buyer or the Surviving Bank may substitute therefor (i) policies of at least the same coverage and amounts containing terms and conditions which are substantially no less advantageous or (ii) with the consent of Seller given prior to the Effective Time, any other policy) with respect to claims arising from facts or events which occurred prior to the Effective Time and covering persons who are currently covered by such insurance; *provided, that* neither Buyer nor the Surviving Bank shall be obligated to make aggregate annual premium payments for such three-year period in respect of such policy (or coverage replacing such policy) which exceed, for the portion related to Seller s directors and officers, 150% of the annual premium payments on Seller s current policy in effect as of the date of this Agreement (the Maximum Amount). If the amount of the premiums necessary to maintain or procure such insurance coverage exceeds the Maximum Amount, Buyer or the Surviving Bank shall use its reasonable efforts to maintain the most advantageous policies of directors and officers liability insurance obtainable for a premium equal to the Maximum Amount.

(c) Any Indemnified Party wishing to claim indemnification under paragraph (a) of this Section 8.12, upon learning of any such Liability or Litigation, shall promptly notify Buyer and the Surviving Bank thereof. In the event of any such Litigation (whether arising before or after the Effective Time), (i) Buyer or the Surviving Bank shall have the right to assume the defense thereof and neither Buyer nor the Surviving Bank shall be liable to such Indemnified Parties for any legal expenses of other counsel or any other expenses subsequently incurred by such Indemnified Parties in connection with the defense thereof, except that if Buyer or the Surviving Bank elects not to assume such defense or counsel for the Indemnified Parties advises that there are substantive issues which raise conflicts of interest between Buyer or the Surviving Bank and the Indemnified Parties, the Indemnified Parties may retain counsel satisfactory to them, and Buyer or the Surviving Bank shall pay all reasonable fees and expenses of such counsel for the Indemnified Parties promptly as statements therefor are received; *provided, that* Buyer and the Surviving Bank shall be obligated pursuant to this paragraph (c) to pay for only one firm of counsel for all Indemnified Parties in any jurisdiction; (ii) the Indemnified Parties will cooperate in the defense of any such Litigation; and (iii) neither Buyer nor the Surviving Bank shall be liable for any settlement effected without its prior written consent and which does not provide for a complete and irrevocable release of all Buyer s Entities and their respective directors, officers and controlling persons, employees, agents and Representatives; and *provided further* that neither Buyer nor the Surviving Bank shall have any obligation hereunder to any Indemnified Party when and if a court of competent jurisdiction shall determine, and such determination shall have become final, that the indemnification of such Indemnified Party in the manner contemplated hereby is prohibited by applicable Law.

CONDITIONS PRECEDENT TO OBLIGATIONS TO CONSUMMATE

9.1 Conditions to Obligations of Each Party.

The respective obligations of each Party to perform this Agreement and consummate the Merger and the other transactions contemplated hereby are subject to the satisfaction of the following conditions, unless waived by both Parties pursuant to Section 11.6:

(a) Shareholder Approval. The shareholders of Seller shall have approved this Agreement, and the consummation of the transactions contemplated hereby, including the Merger, as and to the extent required by Law and by the provisions of Seller's Articles of Association and Bylaws.

(b) Regulatory Approvals. All Consents of, filings and registrations with, and notifications to, all Regulatory Authorities required for consummation of the Merger shall have been obtained or made and shall be in full force and effect and all waiting periods required by Law shall have expired. No Consent obtained from any Regulatory Authority which is necessary to consummate the transactions contemplated hereby shall be conditioned or restricted in a manner (including requirements relating to the raising of additional capital or the disposition of Assets) which in the reasonable judgment of the Board of Directors of Buyer would so materially adversely affect the economic or business benefits of the transactions contemplated by this Agreement that, had such condition or requirement been known, the Buyer would not, in its reasonable judgment, have entered into this Agreement.

(c) Consents and Approvals. Each Party shall have obtained any and all Consents required for consummation of the Merger (other than those referred to in Section 9.1(b)) or for the preventing of any Default under any Contract or Permit of such Party which, if not obtained or made, is reasonably likely to have, individually or in the aggregate, a Seller Material Adverse Effect or a Buyer Material Adverse Effect, as applicable. Seller shall have obtained the Consents listed in Section 9.1(c) of the Seller Disclosure Memorandum, including Consents from the lessors of each office leased by Seller. No Consent so obtained which is necessary to consummate the transactions contemplated hereby shall be conditioned or restricted in a manner which in the reasonable judgment of the Board of Directors of Buyer would so materially adversely affect the economic or business benefits of the transactions contemplated by this Agreement that, had such condition or requirement been known, the Buyer would not, in its reasonable judgment, have entered into this Agreement.

(d) Legal Proceedings. No Governmental Authority of competent jurisdiction shall have enacted, issued, promulgated, enforced or entered any Law or Order (whether temporary, preliminary or permanent) or taken any other action which prohibits, restricts or makes illegal consummation of the transactions contemplated by this Agreement.

(g) Tax Matters. Each Party shall have received a written opinion of counsel from Alston & Bird LLP, in form reasonably satisfactory to such Parties (the Tax Opinion), to the effect that (i) the Merger will constitute a reorganization within the meaning of Section 368(a) of the Code, (ii) the exchange in the Merger of Seller Common Stock for Buyer Common Stock will not give rise to gain or loss to the shareholders of Seller with respect to such exchange (except to the extent of the Cash Consideration and any cash received in lieu of fractional shares), (iii) the tax basis of the Buyer Common Stock received in the Merger will be equal to the tax basis of the Seller Common Stock exchanged therefor, increased by the amount of income or gain, if any, recognized on the exchange, and decreased by the amount of Cash Consideration, if any, received in the Merger (excluding any cash received in lieu of fractional shares), (iv) the holding period of the Buyer Common Stock received in the merger will include the period during which the shareholder held the Seller Common Stock exchanged therefor if the Seller Common Stock was held as a capital asset at the effective date of the Merger, and (v) none of Seller, Merger Subsidiary or Buyer will recognize gain or loss as a consequence of the Merger (except for the inclusion in income of the amount of the bad-debt reserve maintained by Seller and any other amounts resulting from any required change in accounting methods and any income and deferred gain recognized pursuant to Treasury regulations issued under Section 1502 of the Code). In rendering such Tax Opinion, such counsel shall be entitled to rely upon representations of officers of Seller and Buyer reasonably satisfactory in form and substance to such counsel.

9.2 Conditions to Obligations of Buyer.

The obligations of Buyer to perform this Agreement and consummate the Merger and the other transactions contemplated hereby are subject to the satisfaction of the following conditions, unless waived by Buyer pursuant to Section 11.6(a):

(a) Representations and Warranties. For purposes of this Section 9.2(a), the accuracy of the representations and warranties of Seller set forth in this Agreement shall be assessed as of the date of this Agreement and as of the Effective Time with the same effect as though all such representations and warranties had been made on and as of the Effective Time (*provided that* representations and warranties which are confined to a specified date shall speak only as of such date). The representations and warranties set forth in Section 5.3 shall be true and correct (except for inaccuracies which are *de minimis* in amount). The representations and warranties set forth in Sections 5.23, 5.24 and 5.25 shall be true and correct in all material respects. There shall not exist inaccuracies in the representations and warranties of Seller set forth in this Agreement (including the representations and warranties set forth in Sections 5.3, 5.23, 5.24 and 5.25) such that the aggregate effect of such inaccuracies has, or is reasonably likely to have, a Seller Material Adverse Effect; *provided that*, for purposes of this sentence only, those representations and warranties which are qualified by references to material or Material Adverse Effect or to the Knowledge of any Person shall be deemed not to include such qualifications.

(b) Performance of Agreements and Covenants. Each and all of the agreements and covenants of Seller to be performed and complied with pursuant to this Agreement and the other agreements contemplated hereby prior to the Effective Time shall have been duly performed and complied with in all material respects.

(a) Representations and Warranties. For purposes of this Section 9.3(a), the accuracy of the representations and warranties of Buyer set forth in this Agreement shall be assessed as of the date of this Agreement and as of the Effective Time with the same effect as though all such representations and warranties had been made on and as of the Effective Time (provided that representations and warranties which are confined to a specified date shall speak only as of such date). The representations and warranties of Buyer set forth in Section 6.3 shall be true and correct (except for inaccuracies which are *de minimis* in amount). The representations and warranties of Buyer set forth in Section 6.20 shall be true and correct in all material respects. There shall not exist inaccuracies in the representations and warranties of Buyer set forth in this Agreement (including the representations and warranties set forth in Section 6.3 and Section 6.20) such that the aggregate effect of such inaccuracies has, or is reasonably likely to have, a Buyer Material Adverse Effect; provided that, for purposes of this sentence only, those representations and warranties which are qualified by references to material or Material Adverse Effect or to the Knowledge of any Person shall be deemed not to include such qualifications.

(b) Performance of Agreements and Covenants. 10.1 Termination.

Notwithstanding any other provision of this Agreement, and notwithstanding the approval of this Agreement by the shareholders of Seller, this Agreement may be terminated and the Merger abandoned at any time prior to the Effective Time:

(a) By mutual written agreement of Buyer and Seller; or

(b) By either Party (*provided that* the terminating Party is not then in material breach of any representation, warranty, covenant, or other agreement contained in this Agreement) in the event of a breach by the other Party of any representation or warranty contained in this Agreement which cannot be or has not been cured within 30 days after the giving of written notice to the breaching Party of such breach and which breach is reasonably likely, in the opinion of the non-breaching Party, to permit such Party to refuse to consummate the transactions contemplated by this Agreement pursuant to the standard set forth in Section 9.2 or 9.3 as applicable; or

(c) By either Party, (*provided that* the terminating Party is not then in material breach of any representation, warranty, covenant, or other agreement contained in this Agreement) in the event of a material breach by the other Party of any covenant or agreement contained in this Agreement which cannot be or has not been cured within 30 days after the giving of written notice to the breaching Party of such breach; or

(d) By either Party (*provided that* the terminating Party is not then in material breach of any representation, warranty, covenant, or other agreement contained in this Agreement) in the event (i) any Consent of any Regulatory Authority required for consummation of the Merger and the other transactions contemplated hereby shall have been denied by final nonappealable action of such authority or if any action taken by such authority is not appealed within the time limit for appeal, (ii) any Law or Order permanently restraining, enjoining or otherwise prohibiting the consummation of the Merger shall have become final and nonappealable, or (iii) the shareholders of Seller fail to vote their approval of the matters relating to this Agreement and the transactions contemplated hereby at the Seller's Shareholders Meeting where such matters were presented to such shareholders for approval and voted upon; or

(e) By either Party in the event that the Merger shall not have been consummated by May 31, 2005, if the failure to consummate the transactions contemplated hereby on or before such date is not caused by any breach of this Agreement by the Party electing to terminate pursuant to this Section 10.1(e); or

(f) By Buyer in the event that (i) the Board of Directors of Seller, shall have failed to reaffirm its approval upon Buyer's request for such reaffirmation of the Merger and the transactions contemplated by this Agreement (to the exclusion of any other Acquisition Proposal), or shall have resolved not to reaffirm the Merger, or (ii) the Board of Directors of Seller shall have failed to include in the Proxy Statement its recommendation, without modification or qualification, that Seller shareholders give the Seller Shareholder Approval or shall have withdrawn, qualified or modified, or proposed publicly to withdraw, qualify or modify, in a manner adverse to Buyer, the recommendation of such Board of Directors to Seller shareholders that they give the Seller Shareholder Approval, or (iii) the Board of Directors of Seller shall have affirmed, recommended or authorized entering into any Acquisition Transaction other than the Merger or, within 10 business days after commencement of any tender or

(g) By Seller, (*provided that* Seller is not then in material breach of any representation, warranty, covenant, or other agreement contained in this Agreement), if prior to the adoption of this Agreement by the affirmative vote of the holders of the requisite number of the outstanding shares of Seller Common Stock entitled to vote thereon at the Seller Shareholders Meeting, the Board of Directors of Seller has (x) withdrawn or modified or changed its recommendation or approval of this Agreement in a manner adverse to Buyer in order to approve and permit Seller to accept a Superior Proposal and (y) determined, after consideration of the written advice of outside legal counsel to Seller, that the failure to take such action as set forth in the preceding clause (x) would be reasonably likely to result in a breach of the Board of Directors fiduciary duties under applicable Law, *provided, however*, that (i) at least 2 business days prior to any such termination, Seller shall, and shall cause its advisors to, negotiate with Buyer to make such adjustments in the terms and conditions of this Agreement as would enable Seller to proceed with the transactions contemplated herein on such adjusted terms.

During the five business-day period commencing on the date of such notice, Buyer shall have the option of adjusting the Exchange Ratio to equal the lesser of (i) a number equal to a quotient (rounded to the nearest one-ten thousandth), the numerator of which is the product of 0.80, the Starting Price and the Exchange Ratio (as then in effect) and the denominator of which is the Average Closing Price, or (ii) a number equal to a quotient (rounded to the nearest one-one hundred thousandth), the numerator of which is the Index Ratio multiplied by the Exchange Ratio (as then in effect) and the denominator of which is the Buyer Ratio, or of paying cash in an amount equal to the difference on the Determination Date between the dollar value per share of Seller Common Stock based on the Exchange Ratio on such date and the dollar value per share of Seller Common Stock based on the adjusted Exchange Ratio, or any combination thereof in Buyer's discretion, *provided that* the amount of aggregate cash payable in connection with the Merger shall not cause the failure of the condition contained in Section 9.1(g) hereof. If Buyer makes an election contemplated by the preceding sentence, within such five business-day period, it shall give prompt written notice to Seller of such election and the revised Exchange Ratio, whereupon no termination shall have occurred pursuant to this Section, and this Agreement shall remain in effect in accordance with its terms (except as the Exchange Ratio shall have been so modified), and any references in this Agreement to Exchange Ratio shall thereafter be deemed to refer to the Exchange Ratio as adjusted pursuant to this Section.

APPENDIX B

12 U.S.C. § 215a. Merger of national banks or State banks into national banks

(a) Approval of Comptroller, board and shareholders; merger agreement; notice; capital stock; liability of receiving association

One or more national banking associations or one or more State banks, with the approval of the Comptroller, under an agreement not inconsistent with this subchapter, may merge into a national banking association located within the same State, under the charter of the receiving association. The merger agreement shall

(1) be agreed upon in writing by a majority of the board of directors of each association or State bank participating in the plan of merger;

(2) be ratified and confirmed by the affirmative vote of the shareholders of each such association or State bank owning at least two-thirds of its capital stock outstanding, or by a greater proportion of such capital stock in the case of a State bank if the laws of the State where it is organized so require, at a meeting to be held on the call of the directors, after publishing notice of the time, place, and object of the meeting for four consecutive weeks in a newspaper of general circulation published in the place where the association or State bank is located, or, if there is no such newspaper, then in the newspaper of general circulation published nearest thereto, and after sending such notice to each shareholder of record by certified or registered mail at least ten days prior to the meeting, except to those shareholders who specifically waive notice, but any additional notice shall be given to the shareholders of such State bank which may be required by the laws of the State where it is organized. Publication of notice may be waived, in cases where the Comptroller determines that an emergency exists justifying such waiver, by unanimous action of the shareholders of the association or State banks;

(3) specify the amount of the capital stock of the receiving association, which shall not be less than that required under existing law for the organization of a national bank in the place in which it is located and which will be outstanding upon completion of the merger, the amount of stock (if any) to be allocated, and cash (if any) to be paid, to the shareholders of the association or State bank being merged into the receiving association; and

(4) provide that the receiving association shall be liable for all liabilities of the association or State bank being merged into the receiving association.

(b) Dissenting shareholders

If a merger shall be voted for at the called meetings by the necessary majorities of the shareholders of each association or State bank participating in the plan of merger, and thereafter the merger shall be approved by the Comptroller, any shareholder of any association or State bank to be merged into the receiving association who has voted against such merger at the meeting of the association or bank of which he is a stockholder, or has given notice in writing at or prior to such meeting to the presiding officer that he dissents from the plan of merger, shall be entitled to receive the value of the shares so held by him when such merger shall be approved by the Comptroller upon written request made to the receiving association at any time before thirty days after the date of consummation of the merger, accompanied by the surrender of his stock certificates.

(c) Valuation of shares

The value of the shares of any dissenting shareholder shall be ascertained, as of the effective date of the merger, by an appraisal made by a committee of three persons, composed of (1) one selected by the vote of the holders of the majority of the stock, the owners of which are entitled to payment in cash; (2) one selected by the directors of the receiving association; and (3) one selected by the two so selected. The valuation agreed upon by any two of the three appraisers shall govern. If the value so fixed shall not be satisfactory to any dissenting shareholder who has requested payment, that shareholder may, within five days after being notified

Table of Contents

of the appraised value of his shares, appeal to the Comptroller, who shall cause a reappraisal to be made which shall be final and binding as to the value of the shares of the appellant.

(d) Application to shareholders of merging associations: appraisal by Comptroller; expenses of receiving association; sale and resale of shares; State appraisal and merger law

If, within ninety days from the date of consummation of the merger, for any reason one or more of the appraisers is not selected as herein provided, or the appraisers fail to determine the value of such shares, the Comptroller shall upon written request of any interested party cause an appraisal to be made which shall be final and binding on all parties. The expenses of the Comptroller in making the reappraisal or the appraisal, as the case may be, shall be paid by the receiving association. The value of the shares ascertained shall be promptly paid to the dissenting shareholders by the receiving association. The shares of stock of the receiving association which would have been delivered to such dissenting shareholders had they not requested payment shall be sold by the receiving association at an advertised public auction, and the receiving association shall have the right to purchase any of such shares at such public auction, if it is the highest bidder therefor, for the purpose of reselling such shares within thirty days thereafter to such person or persons and at such price not less than par as its board of directors by resolution may determine. If the shares are sold at public auction at a price greater than the amount paid to the dissenting shareholders, the excess in such sale price shall be paid to such dissenting shareholders. The appraisal of such shares of stock in any State bank shall be determined in the manner prescribed by the law of the State in such cases, rather than as provided in this section, if such provision is made in the State law; and no such merger shall be in contravention of the law of the State under which such bank is incorporated. The provisions of this subsection shall apply only to shareholders of (and stock owned by them in) a bank or association being merged into the receiving association.

(e) Status of receiving association; property rights and interests vested and held as fiduciary

The corporate existence of each of the merging banks or banking associations participating in such merger shall be merged into and continued in the receiving association and such receiving association shall be deemed to be the same corporation as each bank or banking association participating in the merger. All rights, franchises, and interests of the individual merging banks or banking associations in and to every type of property (real, personal, and mixed) and choses in action shall be transferred to and vested in the receiving association by virtue of such merger without any deed or other transfer. The receiving association, upon the merger and without any order or other action on the part of any court or otherwise, shall hold and enjoy all rights of property, franchises, and interests, including appointments, designations, and nominations, and all other rights and interests as trustee, executor, administrator, registrar of stocks and bonds, guardian of estates, assignee, receiver, and committee of estates of lunatics, and in every other fiduciary capacity, in the same manner and to the same extent as such rights, franchises, and interests were held or enjoyed by any one of the merging banks or banking associations at the time of the merger, subject to the conditions hereinafter provided.

(f) Removal as fiduciary; discrimination

Where any merging bank or banking association, at the time of the merger, was acting under appointment of any court as trustee, executor, administrator, registrar of stocks and bonds, guardian of estates, assignee, receiver, or committee of estates of lunatics, or in any other fiduciary capacity, the receiving association shall be subject to removal by a court of competent jurisdiction in the same manner and to the same extent as was such merging bank or banking association prior to the merger. Nothing contained in this section shall be considered to impair in any manner the right of any court to remove the receiving association and to appoint in lieu thereof a substitute trustee, executor, or other fiduciary, except that such right shall not be exercised in such a manner as to discriminate against national banking associations, nor shall any receiving association be removed solely because of the fact that it is a national banking association.

(g) Issuance of stock by receiving association; preemptive rights

Stock of the receiving association may be issued as provided by the terms of the merger agreement, free from any preemptive rights of the shareholders of the respective merging banks.

November 30, 2004

The Board of Directors

Century National Bank

65 N Orange Avenue

Orlando, Florida 32801

Members of the Board:

You have requested our opinion as investment bankers as to the fairness, from a financial point of view, to the stockholders of Century National Bank (Century) of the merger consideration in the proposed merger (the Merger) of Seacoast Banking Corporation of Florida (Seacoast); First National Bank & Trust Company of the Treasure Coast (First National) and Century, pursuant to the Agreement and Plan of Merger, dated as of November 30, 2004, between Seacoast; First National and Century (the Agreement). Pursuant to the terms of the Agreement, each outstanding share of common stock of Century (Seller Common Stock) will be converted into the right to receive, at the election of a Century stockholder, (a) a number of shares of Seacoast common stock (the Stock Consideration) or (b) cash (the Per Share Amount); in each case, subject to the formulas and certain adjustments as set forth in the Agreement.

Keefe, Bruyette & Woods, Inc., as part of its investment banking business, is continually engaged in the valuation of bank and bank holding company securities in connection with acquisitions, negotiated underwritings, secondary distributions of listed and unlisted securities, private placements and valuations for various other purposes. As specialists in the securities of banking companies, we have experience in, and knowledge of, the valuation of the banking enterprises. In the ordinary course of our business as a broker-dealer, we may, from time to time purchase securities from, and sell securities to, Seacoast, and as a market maker in securities, we may from time to time have a long or short position in, and buy or sell, debt or equity securities of Seacoast for our own account and for the accounts of our customers. We have acted exclusively for the Board of Directors of Century in rendering this fairness opinion and will receive a fee from Century for our services.

In connection with this opinion, we have reviewed, analyzed and relied upon material bearing upon the financial and operating condition of Century and Seacoast and the Merger, including among other things, the following: (i) the Agreement; (ii) the Annual Reports to Stockholders and Annual Report on Form 10-KSB for the three years ended December 31, 2003, 2002 and 2001 of Century; (iii) the Annual Reports to Stockholders and Annual Reports on Form 10-K for the three years ended December 31, 2003, 2002 and 2001 of Seacoast; (iv) certain interim reports to stockholders and Quarterly Reports on Form 10-QSB of Century and certain other communications from Century to its respective stockholders; (v) certain interim reports to stockholders and Quarterly Reports on Form 10-Q of Seacoast and certain other communications from Seacoast to its respective stockholders; and (vi) other financial information concerning the businesses and operations of Century and Seacoast furnished to us by Century and Seacoast for purposes of our analysis. We have also held discussions with senior management of Century and Seacoast regarding the past and current business operations, regulatory relations, financial condition and future prospects of their respective companies and such other matters as we have deemed relevant to our inquiry. In addition, we have compared certain financial and stock market information for Century and Seacoast with similar information for certain other companies the securities of which are publicly traded, reviewed the financial terms of certain recent business combinations in the banking industry and performed such other studies and analyses as we considered appropriate.

In conducting our review and arriving at our opinion, we have relied upon the accuracy and completeness of all of the financial and other information provided to us or publicly available and we have not assumed any responsibility for independently verifying the accuracy or completeness of any such information. We have relied upon the management of Century and Seacoast as to the reasonableness and achievability of the financial and operating forecasts and projections (and the assumptions and bases therefor) provided to us, and

Table of Contents

we have assumed that such forecasts and projections reflect the best currently available estimates and judgments of such managements and that such forecasts and projections will be realized in the amounts and in the time periods currently estimated by such managements. We are not experts in the independent verification of the adequacy of allowances for loan and lease losses and we have assumed, with your consent, that the aggregate allowances for loan and lease losses for Century and Seacoast are adequate to cover such losses. In rendering our opinion, we have not made or obtained any evaluations or appraisals of the property of Century or Seacoast, nor have we examined any individual credit files.

We have considered such financial and other factors as we have deemed appropriate under the circumstances, including, among others, the following: (i) the historical and current financial position and results of operations of Century and Seacoast; (ii) the assets and liabilities of Century and Seacoast; and (iii) the nature and terms of certain other merger transactions involving banks and bank holding companies. We have also taken into account our assessment of general economic, market and financial conditions and our experience in other transactions, as well as our experience in securities valuation and knowledge of the banking industry generally. Our opinion is necessarily based upon conditions as they exist and can be evaluated on the date hereof and the information made available to us through the date hereof, and does not address the relative merits of the Merger as compared to any alternative business strategies that might exist for Century or any other business combination in which Century might engage.

Based upon and subject to the foregoing, it is our opinion that, as of the date hereof, the merger consideration in the Merger is fair, from a financial point of view, to holders of Seller Common Stock.

Very truly yours,

/s/ Keefe, Bruyette & Woods, Inc.
